

+ The Pioneer Collection reflects a style of furniture known as Mission, Arts & Crafts, Craftsman, and Quaint, introduced to America by the designer Gustav Stickley. This traditional Mission line includes occasional pieces, office furniture, bookshelves and cabinets that will complement any home.

The Providence Collection comes standard with the unique Copper Window Mission Hardware.

+ The Transitional Collection is also designed in the Mission style, but with a modern approach. It includes larger pieces, such as corner cabinets, dining room and bedroom furniture. Like all Country Classic Collection products, each Mission reproduction in the Transitional and Pioneer Series is crafted by hand and reflects the high level of structural integrity of the original designs.

+ The American Classic Collection presents furniture in the Shaker tradition, known for its beauty and functionality. The Shakers rejected the notion of decorating a table with curved feet or inlay, preferring to build tables with sturdy legs and tops. Our craftsmen have the same commitment to honest and pure design that inspired the Shakers to build such furniture.
