*We Can Setup At Your Jobsite with **Mobile Supply Trailers***

CCIS is able to provide custom fabricated trailers to be used as offices, shelved storage, connex configurations, test trailers, and any number of applications designed to your custom specifications. We can customize trailers from 16' cargo trailers, to 53' van trailers.

Price upon request. We can custom build most any configuration.

EQUIPMENT RENTALS / SALES

Cross Country offers **High Quality Equipment** from the Best Manufacturers

WOLFE

ALLU

SCAIP

TERRAMAC

MOROOKA

PALADIN
POWERFUL ATTACHMENT TOOLS

Dozers

Engineered for demanding work, the durable Cat® Dozer is well suited to keep material moving with high performance, solid reliability and low operating costs.

Excavators

Caterpillar® Excavators offer outstanding performance, control, high stick and bucket forces, impressive lift capacity and a comfortable operator station.

Pile Driver Machines

The SCAIP SDR-108 is a GAME-CHANGING piece of equipment for the Solar Farm and Highway Guard Rail Construction Industry!

Padding Machines

Our SCAIP Padding Machines are reliable and efficient and are equipped with hydrostatic transmissions, radio remote control, insulated cabin and more.

Motor Graders

The Caterpillar® Motor Grader represents a revolution in operational efficiency, visibility, service ease and overall productivity.

Pipelayers

Our fleet of Cat® Pipelayers are the standard of the pipelining industry and are designed to withstand the most demanding pipeline conditions.

Pipe Bending Machines

Cross Country offers a variety of Pipe Bending Machines rentals with the ability to bend pipes from 6" to 60".

Rubber Track Carriers

Our Terramac, Morooka and Scaip Carriers offer contractors endless jobsite flexibility and can access rugged, narrow and remote jobsites with ease.

Flat Bed Tractors

State of the art SCAIP Flat Bed Tractors with accessories including hydraulic boom, welding station, dumper, and more.

Telehandlers and Lifts

Our Caterpillar and JLG Telehandlers and Lifts have the best all-around visibility and take the lead in lift and reach capability.

Skid Loaders

Loading or lifting, our Cat® Skid Loaders are well adapted to provide excellent forward reach and full lift height for stacking at high heights.

Wheel Loaders

Safer and faster material handling and loading jobs for use in landscaping, agricultural, construction, waste management, forestry, or mining applications.

Trenchers

The Wolfe 7000 and 8000 Wheel Trenchers offer superior power, controls, fuel efficiency, cab comfort, and all machines are GPS and laser ready.

Light Towers

We have a large selection of mobile light towers that deliver reliable, cost-effective lighting and power for a wide variety of applications.

ACCESSORIES & GENERAL RENTALS

Hydraulic Hammers

Paladin's Strike Force Breakers provide exceptional performance and reliability for a variety of demolition tasks. Our 8 - 12K large scale breakers can handle the toughest demolition jobs and have a smooth, powerful operation for maximum output energy and efficiency.

Padding Buckets

Our ALLU and SCAIP Padding Buckets can process many types of material such as topsoil, excavated and waste soil, clay, bark, compost, biowaste, demolition and construction waste, milled asphalt, glass, coal, oil shale, lime stone and several other materials.

Pipe Cradles

Cross Country has a wide range of roller type pipeline cradles from Scaip, DMI and Eagle. We carry various cradle assemblies for pipe sizes 6" (168MM) through 60" (1524MM).

Tac Rigs

Rubber tracked tac rigs deliver low ground pressure providing contractors improved access to narrow or remote right-of-ways with all the equipment needed to successfully master welds in accordance with pipeline regulations.

Vacuum Lifters

Owners and workers looking for safe and efficient material handling solutions in the pipe, oil, gas, utility and road construction industries can lift with confidence from behind the controls of a Vacuworx Lifting System.

Weld and Sand Blast Decks

Cross Country Weld and Sand Blast decks are easy to load onto any flat deck carrier for any welding or blasting application.

We Can Customize It

Cross Country's Custom Fabrication Team can build your machinery to best suit your project.

SAND BLAST & WELD DECKS / TEST STATION GUARDS / DUMP BEDS / AND MUCH MORE
