## A Message from the Principal

Date: April 6, 2019

Dear Squire Community:

It is my hope that this monthly newsletter finds our families well-rested from Spring Break 2019. Whether you travelled far or remained at home locally, I trust you found time for rest, relaxation, and quality family time. As we continue to progress through the fourth and final quarter, it is imperative that our students and staff continue to shine brightly with a commitment to academic, social, and personal growth. I, and the Northfield staff, remain committed to supporting your children during these spring months ahead.

April and early May continue to be a state 'testing month' for students in grades three and above across the district. On page five of *The Scholarly Squire*, you will find a comprehensive testing schedule for those students impacted by state assessments. As parents, please do your part in ensuring that children are well-rested, alert, and academically-focused on these testing dates. The Ohio Department of Education typically scores and returns assessment results in early June. Detailed score reports are then mailed home during the summer months.

The very compassionate Northfield Elementary School community will work in partnership with the Leukemia and Lymphoma Society early in April. Coordinated by our very own Ms. Amanda Osborne, students will attend an assembly to learn more about these crippling cancers, as well as collect monies on behalf of our school. Our students and families are incredibly generous. As I reflect on all the ways our students 'give back' to our community, I remain touched and inspired by your generosity. Please take a look at the materials that the LLS organization sends home to your families this upcoming week.

Our district continues to register children for fall 2019 kindergarten. The full-time registration deadline is May 31, 2019. There is a special evening registration time scheduled for Thursday, April 25 from 4:00 p.m. until 7:00 p.m. at the BOE offices. Please encourage families, neighbors, and friends to register now. Kindergarten registration has a direct impact on staffing, and we want to provide the most quality programming with highly qualified teachers. More information can be found on page 4 of *The Scholarly Squire*.

Finally, I would like to congratulate the entire Northfield staff for the successful implementation of last month's *One School, One Book* program. Under the leadership of first grade teacher, Ms. Kelly Mileti, this program was simply awesome to experience for all those connected to our school. The trivia games, the Twitter activity, the two assemblies, the local news coverage, the partnerships with area businesses, the decorations, photos, and, most of all, the collective love for reading was phenomenal. Your children thrive in our positive and nurturing environment. Why not send a quick message to your child's teacher or other staff member with a word of gratitude? It would really make a difference.

Respectfully,  
*Mr. Marc Kaminicki*

- ✓ Make new friends as part of a troop.
- ✓ Earn petals and badges while trying new things and learning a ton.
- ✓ Make a difference in her community through a leadership Journey as she learns to stand up for what she believes in.
- ✓ Sell cookies (and have fun doing it) as she learns how to work in teams, share her ideas, and plan and meet goals.
- ✓ Explore nature and the outdoors, learning to appreciate and care for the environment while reaping the benefits of less screen time and more "me" time.
- ✓ And so much more...
