*SURETRACK® PROVIDES EVEN
MORE CONFIDENCE.*

This exclusive Snap-on features gives you Top Repairs and Real Fixes for the specific vehicle and DTC. The knowledge and verification come straight from thousands of expert technicians who've already solved the same problem.

*SMART DATA MAKES IT
EVEN SMARTER.*

Its Smart Data feature automatically configures the display to show vehicle parameters (PIDs) relevant to the fault code. And it saves you even more time by filtering out non-related data parameters.

*SPEND YOUR TIME FIXING,
NOT SEARCHING.*

Although its features are advanced, the Snap-on Apollo Dg is intuitive to operate and simple to learn. It has a built-in demo that guides you step-by-step through its main features. So you don't have to be a diagnostic expert to master it.

*THE ADVANCED TOOL FOR
THE MASSES.*

The Snap-on Apollo Dg offers features and advantages that used to be limited to more expensive diagnostic tools. But now Intelligent Diagnostics puts it all within your reach.

“QUESTION IS, WHAT WILL THE NEW SNAP-ON APOLLO D8 GIVE YOU THE CONFIDENCE TO DO?”

To find out what Intelligent Diagnostics live on the Snap-on Apollo D8 can mean for you, talk to your Franchisee or other sales representative.

SNAP-ON APOLLO D8 FEATURES:

- Print and share using ShopStream Connect™ software

WHAT MAKES INTELLIGENT DIAGNOSTICS SO SMART?

SMART HOME PAGE:

All the information needed is on one scrolling, easy-to-navigate screen.

TSBs:

You can quickly access the TSB codes that are specifically relevant to the vehicle you're repairing.

SMART DATA:

You'll get information on the specific codes for the specific car you're working on.

SURETRACK:

SureTrack® provides real fixes from real technicians who've successfully solved the specific problem you're dealing with.

FUNCTIONAL TESTS AND RESETS:

Easy-to-follow reset procedures then help you complete the repair.

Accessing all the Intelligent Diagnostics functions requires an applicable software agreement, which more than pays for itself through its depth of information and time savings.
