The Ultimate Corporate Counsel Guide

Developed by CCH Canadian Limited in partnership with the Canadian Corporate Counsel Association

With feedback from 1,269 CCHA Members and practical guidance from industry-leading contributors, the *Ultimate Corporate Counsel Guide* is tailored to address the specific challenges and opportunities you face every day as in-house counsel. We're covering the key topics you asked for, and more!

*"The **Guide** provides ample, highly useful precedents...the use of checklists for both specific clauses and for more general decision-making factors helps to make the **Guide** a useful quick-reference tool...*

...a well-rounded, user friendly work which most corporate counsel would find to be of significant and enduring benefit."

Review by Sean Michael Kennedy and Todd Wharton
Regional Counsel for Canada Post Corporation in Toronto
Briefly Speaking, May-June 2007

FREE Newsletter

Included with your subscription is the monthly *Ultimate Corporate Counsel Newsletter*. Your monthly newsletter is a valuable reminder of what's new in this rapidly evolving and demanding profession. Each issue is committed to providing you with:

- Lead articles on timely and relevant topics written by experts in the field, to keep you current
- A summary of recent cases and legislative developments, to keep you up-to-date
- Tips and practice tools to aid you in your day-to-day decision-making
- A list of upcoming professional events sponsored by CCCA, CCH and other related organizations to support your networking

FREE Training

To help you get the most from your *Guide*, CCH has developed a variety of product training programs, in your choice of format:

- in-person
- classroom
- web-conferencing
- online self-training tutorials

To learn more about the *Guide*, simply sign up for a **FREE DEMO** at www.cch.ca/uccgtraining or e-mail training@cch.ca.

"I find the **Ultimate Corporate Counsel Guide** to be exceedingly beneficial. It is a well written but accessible overview of the legal and practical aspects of many issues faced regularly by corporate counsel."

Terra Nicolay
MEG Energy, Calgary

"As in-house counsel in a new environment, I found the **Ultimate Corporate Counsel Guide** to be an essential tool. The information is well-organized, easy to access, practical and useful."

Leslie McRae, General Counsel and Corporate Secretary
Northwestel Inc.

Time-Saving Practical Information

Benefit from a product that was designed based on the feedback of 1,269 CCCA members! You told us you want practical information that covers a wide range of compliance-based topics. The easy-to-find content is presented in a time-saving layout. That means you can quickly find answers and analysis in the **Guide** on all the important issues that you face every day. Here's how:

- Each Chapter in the **Guide** has a Table of Contents so you can scan and quickly find what you need at-a-glance.
- Make swift and informed decisions with insightful analysis and commentary.
- Stay current with relevant case summaries, significant decisions and applicable legislation.
- Complement your research with additional sources of relevant information, such as web sites and publications from government and professional organizations.

Tools to Encourage Best Practices

Designed to help you work more effectively, the **Guide** supports your best practices and aids you in avoiding pitfalls. The valuable and practical information you told us you want includes:

- Sample Letters, Policies, Agreements, Applications and Documents
- Checklists
- Do's and Don'ts
- Charts and Tables summarizing key facts

TO ORDER THE *GUIDE*, PLEASE CONTACT YOUR CCH ACCOUNT MANAGER AT 1-866-850-7467
