## DEGREE PROGRAMS THAT MEAN BUSINESS

A degree in business or management gives experienced professionals the education that validates their career achievements.

Whether you are looking for the edge to advance in your current career or the tools to start a new one, a degree from the National University School of Business and Management provides you with the foundation and understanding of the global business practices that drive the world we live in. New and established companies are increasingly seeking managers who can help them gain a competitive edge in the marketplace. Because of this, the demand for managers and executives is expected to continue to grow.

In today's fast-paced economy, your business degree must be comprehensive and relevant to meet the needs of the marketplace today and in the years to come. With a bachelor's or master's degree in business from National University, you could be on your way to professional recognition, advancement, and higher income potential.

## SCHOOL OF BUSINESS AND MANAGEMENT

If you're looking to enter the corporate world, change careers, or advance in your current career, the National University School of Business and Management offers the skills you need to compete more effectively. The School provides convenient undergraduate and graduate degree programs taught by faculty who have extensive practical experience. Students gain the combination of theory, relevant knowledge, and tools necessary to succeed in today's global economy. As a leader in online education, National University also offers a number of business degree programs via the Internet in a dynamic, interactive learning environment.

THE SCHOOL OF BUSINESS AND MANAGEMENT OFFERS MULTIMEDIA-RICH ONLINE PROGRAMS WITH LIVE AND ON-DEMAND WEB CLASSES, INTERACTIVE ONLINE CLASSES USING ADVANCED INTERNET SOFTWARE, AND FLEXIBLE HYBRID ONLINE AND ON-CAMPUS OPTIONS.

Life and business are moving at a fast pace, and National University's one-course-per-month format allows students to finish their degrees more quickly than at traditional universities. The format also helps students apply tomorrow what they learn today, which can be critical for business, and for your career. Some degrees include transition programs, which enable students in undergraduate programs to take graduate level courses for a head start on a graduate degree. So whether you prefer a more traditional program like an MBA, or a new area like organizational leadership – the School offers many comprehensive degree programs in both traditional and emerging fields. In this way, the School's degree programs and curriculum help you learn the fundamentals while keeping pace with the changing world.

## **BACHELOR OF ARTS IN MANAGEMENT †**

Today's workplace is in constant change. Common business practices ranging from global business to outsourcing and telecommuting have drastically changed how business leaders manage people, processes, and products. The Bachelor of Arts in Management from National University gives you a business-related degree with an emphasis on managing organizations and personnel in contemporary multicultural and global settings. If you really get the hunger for management theories and strategies, enjoy seamless transition between undergraduate and graduate studies in management. Concentrations available in the major are alternative dispute resolution, business law, economics, entrepreneurship, hospitality and casino management, marketing and project management. The economics, hospitality and casino management, human resource management and project management concentrations can be completed 100 percent online.

## BACHELOR OF BUSINESS ADMINISTRATION †

Whether you're a budding entrepreneur or you're looking for a career in a Fortune 500 corporation, the Bachelor of Business Administration (BBA) will give you the tools to define your competitive edge and succeed in today's exciting business world. Gain core competencies in marketing, statistics, accounting, economics, finance, and management; then select a concentration that will help you make your mark in business and industry. Available concentrations include accountancy, alternative dispute resolution, business law, economics, entrepreneurship, finance, hospitality and casino management, human resource management, marketing, and project management. The accountancy, economics, finance, hospitality and casino management, human resource management, marketing and project management concentrations can be completed 100 percent online. And if you wish to pursue a graduate business education, you can seamlessly transition between BBA and MBA studies.

## BACHELOR OF SCIENCE IN ACCOUNTANCY †

Accounting – essential to all business – is one of the professional fields that continues to grow in demand. The Bachelor of Science in Accountancy provides the preparation necessary to enter the accounting profession and to take the exams leading to a Certified Public Accountant (CPA) designation. Transition into our MBA program is also available.

## BACHELOR OF SCIENCE IN FINANCIAL MANAGEMENT †

The objective of the major in financial management is to provide the knowledge and problem-solving skills necessary to succeed in the field of corporate financial management, and prepare you for the Certified in Financial Management (CFM) exam which is the principal certification for corporate financial officers. It also prepares you to obtain the Certified Cash Manager (CCM) designation, which signifies a high degree of expertise in the field of cash and treasury management.

## BACHELOR OF SCIENCE IN HOSPITALITY AND CASINO MANAGEMENT †

This degree is designed for those who seek entry or advancement in the management of hospitality and casino industries. You'll learn from general business and management courses combined with casino-specific management courses. There is a wide and growing range of opportunities for graduates including management, marketing, and community relations in hotels, restaurants, tourism facilities, and visitors bureaus.

## BACHELOR OF SCIENCE IN ORGANIZATIONAL LEADERSHIP †

The Bachelor of Science in Organizational Leadership can help students develop a career as a business leader and supply you with skills valued across industries. Through your studies, you will develop skills such as research, critical analysis, communication, and negotiation that are needed to be an effective leader in team and group settings within organizations.

**A DEGREE IN BUSINESS OR MANAGEMENT GIVES EXPERIENCED PROFESSIONALS THE EDUCATION THAT VALIDATES THEIR CAREER ACHIEVEMENTS.**

† DENOTES PROGRAM OFFERED COMPLETELY ONLINE.

# GRADUATE PROGRAMS

## MASTER OF ACCOUNTANCY +

A complex economy and stricter accounting rules are fueling growth in the accounting field, with an 18 percent increase in employment expected by 2016. The Master of Accountancy will prepare you for a professional accounting career in either the public or private sector. You'll gain the kind of advanced knowledge and skills needed in today's competitive environment. This program is designed for students with little or no previous accounting background who wish to enter the accounting profession and to sit for one of the recognized professional examinations including Certified Public Accountant (CPA), Certified Management Accountant (CMA), and Certified in Financial Management (CFM).

**MUCH COMPETITION FOR MANAGEMENT AND EXECUTIVE POSITIONS IS EXPECTED THROUGH 2016.**

### MASTER OF ARTS IN HUMAN RESOURCE MANAGEMENT †

Designed for professionals in the human resources field, the Master of Arts in Human Resource Management provides the tools to address today's most relevant workplace concerns. You'll explore issues including recruitment, benefits, labor relations, technology, ethics, and safety through a blend of theoretical knowledge and practical skills. Specializations available in this degree are organizational development and change management and organizational leadership.

### MASTER OF ARTS IN MANAGEMENT †

You don't need an undergraduate degree in a business-related field to advance your studies and career in management! This degree offers an excellent opportunity to students who want to expand their management skills yet have a non-business undergraduate degree. Students will develop interpersonal, communication, teamwork, strategy, and decision-making skills. For students studying management at the undergraduate level, this degree is part of the Bachelor of Arts in Management/ Master of Arts in Management Transition Program and offers seamless promotion to graduate studies.

### MASTER OF BUSINESS ADMINISTRATION †

If you're interested in the Master in Business Administration (MBA) degree, then you already know that the MBA is the most certain path to success in today's business world. Our program offers nine areas of specialization: accountancy, alternative dispute resolution, financial management, human resource management, international business, marketing, organizational leadership, and technology management. Each course of study will provide you with a strong foundation of business knowledge and the skills to manage organizations and solve problems throughout your career in business.

### MASTER OF SCIENCE IN ORGANIZATIONAL LEADERSHIP †

The Master of Science in Organizational Leadership at National University will provide you with a comprehensive graduate education to exercise dynamic and effective leadership in today's global economy and any modern organization. In this program, you will study how to read the spin of complex and chaotic dynamics, develop the capacity to create a thriving organizational culture, and implement change initiatives. In addition you will learn ways to create high-performing teams, frame ethical issues, increase your authority, and develop multicultural sophistication.

NATIONAL UNIVERSITY IS A MEMBER OF THE ASSOCIATION TO ADVANCE COLLEGIATE SCHOOLS OF BUSINESS (AACSB).
