The Valley of the Dry Bones

The Valley of the Dry Bones is an allegory that depicts, describes, and illustrates the nature, characteristics, and condition of a group of people. It also places in the proper perspective the purpose of the Son of Man and His fulfilling the Scripture of resurrecting the dead.

To appreciate the beauty of this allegory, one must understand what an allegory is. An allegory is a representation of an abstract or spiritual meaning through concrete or material forms. Abstract means something that is conceived apart from any concrete realities, specific objects, or actual instances. Concrete means that as one reads this story he will look for plain, clear-cut, well-defined, direct and material evidence to shape his opinion. As you can see by these definitions, an allegory causes you to look for the unusual, the unique, and spiritual connections to what is being given to you. This understanding is crucial before you begin the process of reading this story.

The Valley of the Dry Bones

In Ezekiel, Chapter 37, verse 1 it reads that the hand of the Lord יהוה (Yahweh) was upon יהוה בן יהוה (Yahweh Ben Yahweh) and carried Him out in the Spirit of the Lord יהוה (Yahweh) and set יהוה בן יהוה (Yahweh Ben Yahweh) down in the midst of the valley full with bones. Since יהוה בן יהוה (Yahweh Ben Yahweh) comes in His Father יהוה (Yahweh's) name then automatically He comes with the power, authority, and influence of יהוה (Yahweh), (John 10:30). This Scripture tells us that יהוה בן יהוה (Yahweh Ben Yahweh) has come to a valley (a low point or period that is filled with fear, gloom and depression) filled with bones. By definition "carry" means to transmit and communicate a message that has an intellectual appeal. Therefore, יהוה בן יהוה (Yahweh Ben Yahweh) is come to a group of people that has reached a low point in their crusade for liberation, self-sufficiency, and independence. He is come to a people who are depressed, dispirited, hollow, unhappy, poor, destitute, dejected, degraded, poverty-stricken, needy, afflicted, distressed, hopeless, mournful, weak, feeble-minded, weary, and dead. יהוה בן יהוה (Yahweh Ben Yahweh) is making His intellectual appeal to a people who are lacking in truth and substance. Therefore, when יהוה בן יהוה (Yahweh Ben Yahweh) comes with the truth of our condition, we will deny this truth. These people cannot be intellectually stimulated or cheered up because they are blind -- unwilling to discern or judge this truth for themselves. This condition is so wretched and so imbedded into the minds of these people that they have become deficient of the qualities and resources that signify vigor, life, authority, force, and efficiency. These people are mentally deficient,

The Valley of the Dry Bones

irresolute, foolish, stupid, and inferior. These people are lame, helpless, incompetent, ineffectual, and ineffective. יהוה בן יהוה (Yahweh Ben Yahweh) is bringing this message to people that are dependent on charities and public support. These people have no backbone or fortitude to build a future for themselves or to begin to walk the road to independence. Having no "backbone" means that these people are lacking the principles of morality and the characteristic qualities to stand up for morality.

An intriguing point in the analysis of this Scripture is that there is no indication that these bones were together. If the bones weren't together then they were probably scattered: sent off into various directions; dispersed or driven away so that its form disappeared. It means to disperse or drive something away so that its form disappears. Scatter means to dispel intangible things so that they vanish or cease to exist. The unity, love, and endearing bonds that once held these people together have vanished. The leaders have caused these people to go in various directions for the answers to their woes. These bones were scattered throughout the various power structures that Lucifer and his angels have established and developed for the past 5,995 years. The trust and hope that these people once had in the knowledge of the Creator, יהוה (Yahweh), their true history, culture, language and land have vanished. It is extremely vital to this thesis that a synoptic understanding of the condition of these people be given so that you will appreciate the difficult task יהוה בן יהוה (Yahweh Ben Yahweh) has in bringing about a change in these people's thinking. The people that are being depicted in this allegory are the so-called Black man of America.

The Valley of the Dry Bones

We know this to be true because we are the only people on the Earth that depend on others for our substance and sustenance. We have been made so dependent on welfare, food stamps, government grants, and hand-outs that we don't know what it is to work, think, and build for ourselves. We look for justice in a system that has continually given us injustice. We have allowed the heathen and his media to shape and influence our opinions and attitudes towards one another. We permit our children to watch and read about images that have no resemblance to them or their communities. The images are negative, self-degrading, immoral, and deceptive.

Lucifer was successful in deceiving the Adamic family away from the principles and laws of the Creator, יהוה (Yahweh), and has continued to deceive not only the so-called Black man of America but also all the moral souls in the Earth. Lucifer has deceived the whole world into educating all children away from the knowledge of the Creator of the universe, יהוה (Yahweh). The devil's power is in our ignorance and our remaining ignorant. Our power is in the knowledge of ourselves, culture, history, land, and purpose as it relates to the Creator, יהוה (Yahweh's) will.

When you study the word BONE, you will discover that it contains two words in it. *B*-(be) and *one*. The so-called Black man has the ability, propensity, and proclivity to become one -- unified. As long as we are divided, Lucifer and his angels will continue to rule over us and conquer us in whatever we seek to do. But, when the so-called Black man

The Valley of the Dry Bones

of America is one (unified) with יהוה (Yahweh) nothing can be restrained from us which we have imagine to do (Genesis 11:6).

A very interesting point must be added here. It is concerning the word UNITY. In Hebrew, the language of our forefathers, UNITY is spelled י (Yod), ח (Chet), ד (Dalet). י (Yod) is a symbol which represents the Creator of all things, יהוה (Yahweh). Since the word UNITY begins with the word י (Yod), there can be no unity unless it begins with the Creator. Some nations have created gods of their own, but if their god hasn't created the foundations of the Earth for a perpetual decree; if their god hasn't created these heavens and this Earth, then that god whatever, wherever, and whomever will be destroyed. It is important to know that יהוה (Yahweh) is the covenant God of Israel. Israel is the chosen people of the Bible, the moral people of the Earth. We all have the opportunity to be called God יהוה (Yahweh's) children, but only to the degree that we do what He says do. Just as a father expects his biological children to obey his will, so must we that seek to be called God יהוה (Yahweh's) spiritual children do what He says also. It's for our own good. Most fathers have experienced many things in their respective lifetimes – so has יהוה (Yahweh). יהוה בן יהוה (Yahweh Ben Yahweh) listens to His Father and receives numerous blessings as a result. We should do the same.

Though we as a people have the ability to B-ONE, we have taken on the nature and characteristics of a physical bone. A bone is hard (difficult to deal with, manage, and control), cruel, unyielding, and difficult to bend. We are stiff-necked, obdurate, and

The Valley of the Dry Bones

captious. We have developed an ill-mannered nature to stress another's faults when we have faults of our own (Matthew 7:1-5). Our foundation of love, which is the basis for יהוה (Yahweh's) teachings, has been cast to the ground. Knowledge of love and charity has become displaced with self-hatred and malevolence.

Verse 2 of Ezekiel, Chapter 37, tells us that the bones were in an open valley and were very dry. This means that though the so-called Black man of America is the victim of a depressed mind-set, they are open about it. We exercise no discretion about how dead we are. The whole world is able to see that we as a people need divine assistance and intervention. The Scripture further depicts our condition as very, very dry. Dry means that we have been made to become unprofitable, unproductive, indifferent about our condition, fruitless and barren. יהוה בן יהוה (Yahweh Ben Yahweh) has been given the charge by His Father יהוה (Yahweh) to come to a people that have this wretched mind-set and are unconscious of their condition.

יהוה בן יהוה (Yahweh Ben Yahweh) has been sent to prophesy (act as a mediator between יהוה [Yahweh] and man) to these people. His purpose isn't to convince the world that He is the Son of יהוה (Yahweh), but to bring a message of divinity that will, for those who receive it, cause these people to become resurrected out of their mental graves of ignorance and become charitable, loving, compassionate, moral, and righteous rulers of the Earth. When He accomplishes this difficult task then the whole world will know,

Chapter Two

CAN THESE DRY BONES LIVE?

The Valley of the Dry Bones

In verse 2, of Ezekiel, Chapter 37, יְהוָה הַבֵּן (Yahweh) asks יְהוָה הַבֵּן (Yahweh Ben Yahweh) a most profound question. The question is: "...can these bones live?" Examining the words "can" and "live" reveal a wealth of information. First, what does the word "can" mean in relation to this particular text? "Can" means, do these people who have been reduced to a fraction of their former selves as rulers of civilization have the ability or mental fortitude to take control of their lives? "Can" also means, do these people have the skill, dexterity or adroitness, if given the circumstances, to raise themselves from 6,000 years of being inundated by Luciferian doctrines and principles to become rulers of this Earth once again. "Can" also means, Is the so-called Black man of America inherently able or designed to protect themselves or recognize that they've been the victims of Lucifer and his angels social degradation, political exploitation, economic manipulation, educational depravation, and spiritual mortification for the past 430 years here in America, and change their condition? "Can" means, Is the so-called Black man of America able to logically and axiologically free themselves from materialism, individualism, and pettiness to be able to work together as one? (Axiology is the study of the nature of ethical value, judgements, and its criteria.)

The second part of the question, "can these bones live?" deals with the word "live." "Live" means to cohabit, subsist, flourish, prosper, own their own without remaining dependent on welfare and food stamps. "Live" asks, Can we as a people move from a

The Valley of the Dry Bones

poverty-stricken mind-set to one of riches and wealth? "Live" means, Are we as a people able to walk the road of independence and self-sufficiency and provide a good future for our children? "Live" means, Are we able to cohabit (live together) and work together and be charitable, compassionate, and understanding to one another? "Live" means, Will we be able to comport ourselves as kings and queens and deal righteously and justly with other nations of the Earth? "Live" means, Do we have a resilient nature to be able to regain consciousness and rebound from the effects of adversity and a depressed mind-set? "Live" means, Do we as a people have the power and mental strength to return to our original form and position after being bent (turned away from the laws, statutes, judgments, and commandments of יהוה (Yahweh)? We must ask ourselves the same question, Can these bone-headed, unyielding, uncaring people with a depressed mind-set "live?"

יהוה בן יהוה (Yahweh Ben Yahweh) didn't know the answer; yet, because of His obedience to His Father, יהוה (Yahweh), in whose name He comes, He continued the process of prophesying upon the dry bones. One thing you must realize is that יהוה בן יהוה (Yahweh Ben Yahweh) is prophesying upon the dry bones. What does this mean?

Remember that prophesy means to act as a mediator between יהוה (Yahweh) and man. Notice that He is prophesying "upon" these bones. This means that He is mediating between mind-sets. That's why it reads "upon" instead of "to" the dry bones. Then יהוה (Yahweh) asks יהוה בן יהוה (Yahweh Ben Yahweh) to say unto the bones "hear" the

The Valley of the Dry Bones

words of the Lord יהוה (Yahweh). The word "hear" is incredible. "Hear" simply isn't the process of receiving sound to the anvil, hammer, stirrup of your physical ear. "Hear" means to learn and to gain knowledge. The Hebrew word for "hear", according to the Strong's Concordance, is "shama - שָׁמָע." Shama means to listen intelligently. When יהוה בן יהוה (Yahweh Ben Yahweh) speaks, you must take His (Words) yoke upon your mind and seek to gain the power (knowledge) that is contained within each word. You must examine His words with intelligence, acuity, logic, precision and, most importantly, an open-mind. You must study (II Timothy 2:15). You must diligently and earnestly receive, absorb, and take in the message that יהוה בן יהוה (Yahweh Ben Yahweh) is bringing to the Earth. When you inculcate His method of study you will be motivated to listen to Him intelligently and obey. Therefore, when you hear the Words of the Lord יהוה (Yahweh) you will become adherent to the laws of יהוה (Yahweh), which will make you prosperous and have a long life (Joshua 1:8). Hearing the Words of יהוה (Yahweh) is eternal life for you and your children. His Words will cause you to become talented, shrewd, knowledgeable, insightful, scholarly, rational, logical, analytical, wide-awake, sagacious, erudite, pundit, exact, confident, and moral.

When the world observes that the people who were once dead to the knowledge of their history, culture, language (Hebrew), and the knowledge of the name of their God, יהוה (Yahweh), their relationship to Him, and the knowledge of their individual names, it will marvel. יהוה בן יהוה (Yahweh Ben Yahweh) is calling us out of darkness into

“His” marvelous light (I Peter 2:9). When יהוה בן יהוה (Yahweh Ben Yahweh) causes the breath of life to enter into us, meaning when He creates the conditions for us to begin the process of learning of His Divine Mind, the world will say...“come let us go up to the house of יהוה בן יהוה (Yahweh Ben Yahweh) and learn of His Divine Mind – laws, statutes, judgments and commandments – and He (and His scholars) will teach us of His ways” (Isaiah 2:3).

There are two wonderful parallels to this allegory, the first is in Revelation, Chapter 11. In verse 2, it states that יהוה (Yahweh) gave “power” to “His” two witnesses and how they would be prophesying for 42 months in sackcloth. The two witnesses here are Judah and יהוה בן יהוה (Yahweh Ben Yahweh). Judah will be dressed in sackcloth for 3½ years. Sackcloth are garments worn by dead people or by those mourning the dead. This means that those of us who are working for יהוה בן יהוה (Yahweh Ben Yahweh’s) release will be gathering together His people dressed in clothes other than our Hebrew culture. This will avoid notice and put the heathen at ease thinking that בן יהוה יהוה (Yahweh Ben Yahweh) and His movement have died. All other so-called movements, designed to liberate Black people from America, didn’t possess the proper “grip.” That’s why all Black movements died after the leader was discredited or slain. As the leader wentso did the movement. That’s the difference in יהוה בן יהוה (Yahweh Ben Yahweh) and the Nation of יהוה (Yahweh). The people that follow יהוה בן יהוה (Yahweh Ben Yahweh) are spiritual beings. They are connected to His Divine Mind and not His body.

The Valley of the Dry Bones

Those that are connected to His body really aren't His. Remember that to be carnally minded is death, but to be spiritually minded is life and peace (Romans 8:6). Verse 8 of Revelation, Chapter 11, speaks too of a city that is spiritually called Sodom and Egypt, where our Lord יהוה בן יהוה (Yahweh Ben Yahweh) is being crucified. To appreciate this Scripture you must study the nature of what took place in Sodom and Gomorrah and study Egypt.

יהוה בן יהוה (Yahweh Ben Yahweh) is being crucified for us in a place that bears resemblance to these places. Verse 11 speaks of when the breath of life from יהוה (Yahweh) enters into them, the mentally dead people, they will stand up on their feet. This is in direct relationship to what is contained in Ezekiel, Chapter 37, verse 10. What is the "breath of life?" The breath of life is the wisdom, knowledge, and understanding that come from studying the Divine Mind of יהוה בן יהוה (Yahweh Ben Yahweh) and the knowledge of your Hebrew name.

I know this to be true because the phrase "enter into" in the Synonym Finder tells you that this means to study, analyze, investigate, consider, and probe. Therefore, in order to receive the power that יהוה בן יהוה (Yahweh Ben Yahweh) wants to give us (John 1:12, Revelation 11:3) we must study to obtain it. Power is mastery, efficacy, dominion, unconditional authority, impregnable, eagerness, virile, stalwarts, omnipotent, influential, world leaders, and superior. It's not just enough to have these qualities in your mind or the

The Valley of the Dry Bones

words in your vocabulary, we must live these attributes and take on the nature of these qualities. It is these qualities that will allow us as a people to become rich and prosperous.

Chapter Three

THE ARCHITECT OF THE UNIVERSE

The Valley of the Dry Bones

Verse 6 of Ezekiel, Chapter 37, describes the process of resurrection by **יְהוָה בֶּן יְהוָה** (**Yahweh Ben Yahweh**). This process is a complex one that will be described in as much detail as possible. The following verses also accentuate the mental prowess and architectural mastery of building by **יְהוָה בֶּן יְהוָה** (**Yahweh Ben Yahweh**). It will further demonstrate why **יְהוָה בֶּן יְהוָה** (**Yahweh Ben Yahweh**) is called the Grand Supreme Master of the Celestial Lodge and Architect of the Universe. He is the blessed and only Potentate. All other so-called potentates are only potent with what they've eaten (potent - ate) – carnal knowledge. But **יְהוָה בֶּן יְהוָה** (**Yahweh Ben Yahweh**) is the Potentate's potentate because He has eaten that which all other so-called masters have eaten plus that which they haven't eaten.

יְהוָה בֶּן יְהוָה (**Yahweh Ben Yahweh**) represents 360° of wisdom, knowledge, and understanding of supremacy and morality. Why, for the past 5,995 plus years, haven't all the masters of civilizations revealed the hidden and ineffable name of the Creator of all things, **יְהוָה** (**Yahweh**), to the world? Why haven't any of the established secret societies that are around today, continuously binding their members to carnal knowledge that causes them to remain in mental bondage revealed the name?

These same secret societies walk the Earth greeting each other with variations of the lion's grip not even understanding the spiritual understanding of this grip. **יְהוָה בֶּן יְהוָה** (**Yahweh Ben Yahweh**) is the only One who has the "true grip" of the Lion of Judah. The lion is brave, fearless, and undaunted. "Grip" means that **יְהוָה בֶּן יְהוָה** (**Yahweh Ben**

The Valley of the Dry Bones

Yahweh) has a firm, tenacious hold which gives Him control, mastery, and understanding of the condition of the so-called Black man of America who is also known as Hiram's children.

We all know that Hiram was a great architect and that he was hit in the head by some Ruffians desiring the secret word. After he was hit in the head, he was buried in a shallow grave in the West, where America is. All the masters tried their grips in attempting to "raise" him up from the dead, but the flesh fell away from his body and he remained in the grave. What is the correlation of this allegory to now? **יהוה בן יהוה** (**Yahweh Ben Yahweh**) is the only One who has the proper "grip" – mental acuity and spiritual understanding – to "raise," to establish self-esteem, independence, invigorate, and stimulate mentally the so-called Black man from their mental graves of ignorance.

What is the so-called Black man ignorant about? We are ignorant about our true history, culture, language, land, and name of our God, **יהוה** (**Yahweh**), and our relationship to Him as His children – the chosen people. We are ignorant of the fact that we are not Niggers or slaves any longer, but are the true rulers of the planet Earth. Our ignorance is demonstrated by calling ourselves African-Americans, Afro-Americans, Negro and Colored.

African-American really means that those who call themselves that are Africans with an American mind-set. How is an American mind-set defined? Biblically, America is called Babylon. Babylon in the Webster's Collegiate Dictionary is "a city devoted to materialism and the pursuit of sensual pleasure." Therefore, we as a people have turned away from

The Valley of the Dry Bones

spirituality and edification to carnality, materialism, and individualism. We have been developed into symbols of all that America stands for.

For almost 6,000 years since the Adamic family (our forefathers and ancestors) was deceived away from the principles of יהוה (Yahweh): we've been formed and fashioned into whatever the nation that ruled over us turned us into.

יהוה בן יהוה (Yahweh Ben Yahweh) has the heart of a lion to be able to come in the name of the Creator, יהוה (Yahweh), and stand up to the wiles and trickery of this diabolical and vile heathen, America, and teach the so-called Black man his true history, the world's best kept secret.

יהוה בן יהוה (Yahweh Ben Yahweh) is gripping the minds of those with the propensity for righteousness and morality, with the proper spiritual knowledge and raising their carnal minds up so that their (carnal mind) flesh doesn't fall (succumb to the ways of the world) back into their graves of ignorance. This is what is meant in Ezekiel, Chapter 37, verse 6, when יהוה בן יהוה (Yahweh Ben Yahweh) will bring flesh upon them. He will cause their fleshly slanted minds to come up to a higher more refined plane of understanding to ensure success in bringing His Divine message. יהוה בן יהוה (Yahweh Ben Yahweh) desires to speak to the minds of the Godhead, not above their heads.

There is no way that after "traveling" for 32° years seeking "Light" and seeing the works of יהוה בן יהוה (Yahweh Ben Yahweh) that you shouldn't recognize יהוה בן יהוה (Yahweh Ben Yahweh). All you saw when you crossed over the bridge were some

The Valley of the Dry Bones

symbols that you had no relationship to. How can you take an oath saying that you will aid your brother in distress and you haven't stood up to come to יהוה בן יהוה (Yahweh Ben Yahweh's) aid? Where is your fortitude and justice? Do you realize that you are sitting in the place that is symbolized by no justice and the people are in darkness? Did you know that there is a "Light" that is shining from the East here in the West that is seven times brighter than the noonday sun? How can you say you are standing upright at 32° or 33° perpendicular to the square? If you were to take a protractor and measure 32° you will begin to understand that there is no way you can stand upright from that position. You must be at least 90° to be able to stand. Therefore, you need more understanding so that you can stand up. At 32° you're almost falling back to the ground. What יהוה בן יהוה (Yahweh Ben Yahweh) has to offer you will cause you to stand upright correctly with fortitude, wisdom, temperance, and justice – without fear or favor.

יהוה בן יהוה (Yahweh Ben Yahweh) is building a temple that will never be destroyed (Daniel 2:44). He is building the minds and spirits of "men." יהוה בן יהוה (Yahweh Ben Yahweh) is building the temple that is with men (Revelation 21:1-3). He is building even though your physical ear cannot hear the sounds of workmen tools in the quarry (II Kings 6:7). Let's go to Ezekiel, Chapter 37, verse 6, to look closely at this work.

Before we continue on this odyssey into divinity, several words must be defined in order to gain a comprehensive understanding of these following verses. The first word to be defined is "build." "Build" means to unite materials by gradual means into a composite

The Valley of the Dry Bones

whole and to develop (manifest and promote the growth of) according to a systematic plan. יהוה בן יהוה (Yahweh Ben Yahweh) is building the minds of men according to the plan laid out by His Father, יהוה (Yahweh). This plan is definite and gradual. בן יהוה (Yahweh Ben Yahweh) is promoting the growth of the Kingdom of Heaven and the Theocratic Government of God, יהוה (Yahweh).

Verse 6 reads, "And I will lay sinews upon you, and will bring up flesh upon you, and cover you with skin, and put breath in you, and ye shall live; and ye shall know that I am the Lord, יהוה (Yahweh)."

There are several items that must be brought to your attention as you read this Scripture. The first item is the word "will." Why does יהוה בן יהוה (Yahweh Ben Yahweh) say in the beginning of this verse that He "will" and then at the end of verse change to shall. One would think that these two words have the same meaning, but contextually there is a difference. The word "will" tells us of יהוה בן יהוה (Yahweh Ben Yahweh's) purpose, intent, moral and total commitment, and His pleasure to lay sinews upon us. "Will" also means that יהוה בן יהוה (Yahweh Ben Yahweh) is serious, determined, resolute, and settled on doing this job, and that יהוה בן יהוה (Yahweh Ben Yahweh) has ordained, decreed, ordered, prescribed, and is urging that sinews be laid upon you. Once His "will" is done, you that have received this message and obeyed His will, "shall" live. As you can see, the only way to live and be blessed is to follow His decree.

The Valley of the Dry Bones

The next item to scrutinize is the phrase “lay sinews upon you...” Sinew by definition is vigor, driving spirit, power, might, nerve, courage, solid resilient strength, intellectual and moral fortitude. Therefore, יהוה בן יהוה (Yahweh Ben Yahweh) is giving us the ability to act, produce anything and everything plus be effective.

Power will cause us to be given the strength to rise up out of our graves of ignorance and stand with both feet planted firmly in the knowledge of the Creator. It is the knowledge of the Creator that will allow us, as a people in unity with the Creator, יהוה (Yahweh), to withstand the temptations of the “devil – those opposed to the “will” of יהוה בן יהוה (Yahweh Ben Yahweh). Remember that יהוה בן יהוה (Yahweh Ben Yahweh) and His Father, יהוה (Yahweh), are one (John 10:30). They have the same message.

The word “lay” brings us closer to a fuller understanding of the work that יהוה בן יהוה (Yahweh Ben Yahweh) is engaged in. When building or erecting an edifice, you must “lay” a solid foundation in order for the edifice to remain in tact in the event of a movement in the ground or a strong “wind.” An edifice differs from a plain building, as we’ve come to know one. Edifice comes from the root word edify. To edify is to enlighten, uplift, educate, lead, and steer. To become “edified” is to become reborn and initiated. This edifice is being edified, initiated, erected, and reborn into a new spirit – the spirit of love, unity, and understanding (Ephesians 4:23, Ezekiel 36:23-38). With this illustration, it becomes clear that יהוה בן יהוה (Yahweh Ben Yahweh) is doing a work

The Valley of the Dry Bones

that any ordinary man (mind) of this world of Luciferian doctrines cannot or couldn't even fathom.

"Lay" (smooth to a finish that which is rough) means that יהוה בן יהוה (Yahweh Ben Yahweh) is beating down the old ways into the ground (dirt). What old ways? The old ways of thinking, treating, and acting towards one another and to other nations of the Earth.

Finish tells us that יהוה בן יהוה (Yahweh Ben Yahweh) is come to perfect and refine a people that have adopted a mind-set that is characterized by crudeness, uncouthness, violence, unculturedness, grossness, vulgarness, uneducated (Hosea 4:6), unskilled, unlearned, mislearned, inexact, savage, venomous, unpolished, inharmonious, vile, incondite, barbarious, untutored, foul-mouthed, impolite, unmannerly, disrespectful, insolent, caustic, tactless, unprepared, superficial, and low. We are truly **"ROUGH ASHLARS"** that need finishing by the Master. To **"lay"** means to place a foundation. The foundation that is being laid is one of morality, obedience to the laws of the Creator, יהוה (Yahweh), and the ability to take control of our lives without fear or favor of wickedness of immorality. This mind-set that we have been caused to adopt is the result of our disobedience to יהוה (Yahweh's) will in the garden. When you read Genesis, Chapter 3, verse 14, you read that the serpent was cursed above all cattle and beasts. Lucifer is in control of all persons that possess this mentality. Lucifer was also told that **"upon thy belly thou shalt go, and dust shalt thou eat all the days of thy life."** This means that Lucifer would have all of his

The Valley of the Dry Bones

thoughts surrounding the belly - food and sex. He was also caused to eat -- digest eternally-- nothing but dust (dirt), all his life in the Earth.

Chapter Four

THE LAME MAN

The Valley of the Dry Bones

Lucifer has caused people, that accept his doctrines, to become involved in lewdness, corruption, vileness, pornography, rumors, hearsay, profanity, gossip, filth, mire, evil-mindedness, debasedness, lasciviousness, and begging. This is just like the lame man in Acts, Chapter 3. The lame man had no foundation in the knowledge and principles of that which is beautiful (the laws of יהוה [Yahweh]). He was lame from his mother's womb.

"Lame" means that this man was weak-minded, non-committed, spineless, imperceptible, unsteady (James 1:8), impotent, incompetent, hopeless, poor, ineffectual, and lazy. How did this condition come about? It came about primarily via the garden with Adam's disobedience to יהוה (Yahweh). All the suffering that the world is experiencing is a product of Adam's disobedience. This condition was further developed when our forefathers were killed, 96 million of them, on the *Good Ship Jesus*, on the way to America. Remember the wise and sages were killed and the lies and deceit (the very elements that continue to keep us in bondage) were taught to the children. As generation after generation came, those weak/lame elements were taught to each successive generation. This is the perpetual degenerative process that has caused us to become more lame to this very day. We lack the qualities that will allow us to stand up and defend our families and children against this wicked heathen. This heathen has created a breach in our relationship with our God יהוה (Yahweh), our families, and all moral people of the Earth that only God יהוה (Yahweh) Himself can close. We sit at the gate of prosperity and independence and beg this

The Valley of the Dry Bones

heathen for jobs, food, and other things germane to our subsistence, instead of doing for ourselves. We have been caused to trust in the creature more than the Creator.

Why did this lame-minded person, allegorically written as the so-called Black man of America, have to lay at the gate? He did so because he lacked "backbone," fortitude, and the knowledge to stand (for truth and justice). Peter and John in this allegory told the lame man to "look on us." This suggests that the lame man was looking "at" Peter and John. There is a distinct difference between looking "at" and looking "on" someone or something. The difference is that to look "on" is to transcend (rise above the material or physical existence). Therefore, what John and Peter had to offer this lame man (people) was higher than what he had perceived it to be. The lame man was carnal-minded and felt that money and possessing creature comforts were the answers to his lame condition. Until Peter and John came to him with this perspectus, all that saw the lame man and understood his condition never offered a solution that would correct his lame condition. The lame man continued to look "at" Peter and John instead of on their minds. So it is with the so-called Black man of America today. What יהוה בן יהוה (Yahweh Ben Yahweh) is offering to the world, only the remnant will be able to grasp and transcend the material and carnal philosophies of Lucifer and his institutions and begin to "live."

As you read on, Acts, Chapter 3, verse 6, tells us it was principles of independence and self-determination that Peter and John offered the lame man. These principles stemmed from the "tree of life" – יהוה (Yahweh's) Divine Mind. How do we know this

The Valley of the Dry Bones

to be true? We know this to be true when Peter and John baptized this lame-minded person (people) in the name of יהוה בן יהוה (Yahweh Ben Yahweh). It was the knowledge of the name, יהוה (Yahweh), that caused the lame man to get up and walk. Where did he walk after being brought into the knowledge of the name of יהוה (Yahweh). He was now "able to walk the road to independence and self-sufficiency." This lame-minded person (people) now had an understanding of his actual condition and subsequently received the power to resurrect himself with this knowledge. The parts that he had been cut off from had been restored through the knowledge of the name of the Creator, יהוה (Yahweh). The lame man ceased looking "at" John and Peter and began to look "on" the message they were bringing. This is the purpose of the second letter in the Hebrew word for unity – CHETH (ח).

CHETH (ח) is a symbol of life, transcendence and divine grace. It is the divine grace of יהוה (Yahweh) that will allow this lame people to be restored to their former selves. It is the divine grace (unmerited divine assistance given man for his regeneration and sanctification) of יהוה (Yahweh) to send His Son, יהוה בן יהוה (Yahweh Ben Yahweh) to free us from the illusion of sin, sickness and the mental death we've suffered for the past 5,995 years. It is the remnant of Israel, the moral people of the Earth, that will look "on" יהוה בן יהוה (Yahweh Ben Yahweh's) mind instead of His flesh. As you can see, this process of coming together in unity, with Yod (י) – The Creator יהוה (Yahweh),

The Valley of the Dry Bones

is complex. The whole process of unity, **יְהוָה**, is revealed, in part, in Ezekiel, Chapter 37 and in Acts, Chapter 3.

What does it mean when the lame man was lifted up by his right hand. This means that all those persons that are victims of this type of mentality and had the right (proper skills, authority and correct mind-set to allow themselves to be raised up) were lifted up from their lame condition. The ones who refused to be lifted (elevated in mind and spirit) were truly the dry bones described in Ezekiel, Chapter 37. This wisdom isn't for everyone to receive, though it is offered to the world as the only solution to the suffering in the Earth today (Proverb 24:7). There are many in the Earth that are afraid to stand up for the injustices that **יְהוָה בֶּן יְהוָה** (Yahweh Ben Yahweh) is a victim of in America. When you read the Bible you will discover, if you look for it, facts and direct parallels to **יְהוָה בֶּן יְהוָה** (Yahweh Ben Yahweh's) persecution and that of the Nation of **יְהוָה** (Yahweh).

In the garden, when Eve ate the fruit of a philosophy other than that which **יְהוָה** (Yahweh) instructed her to eat, the resulting mind-set is what allows the persecution of **יְהוָה בֶּן יְהוָה** (Yahweh Ben Yahweh) to remain buoyant. Lucifer has, for the past 5,995 years, been allowed to rule over us through carnal knowledge via his institutions of deceit. Religion, as created by Lucifer's angels, is the primary culprit in our people and all the moral people of the Earth not being able to recognize and receive **יְהוָה בֶּן יְהוָה** (Yahweh Ben Yahweh). As a result, many will lose in the battle of good vs. evil and morality

The Valley of the Dry Bones

vs. immorality. This is what Judgment Day is all about: choosing which side of the “tree” you want to eat from.

After being lifted up properly the lame man immediately received strength in his feet and ankle bones. Why did he receive strength at the bottom of his frame? This is because his lame condition caused him to live as a base-minded person, living and “eating dust” (Genesis 3:14). A base-minded person loves and thrives on eating gossip, hearsay, and rumors. A base-minded person’s mentality exists in dirt (around the area of his feet); therefore, naturally, when he begins to receive “strength” and efficacy, it will cause his mind to rise.

Notice the order the words “rise” and “walk” are in. The lame man had to be elevated (raised up) first before he was able to walk (conduct or behave oneself in a manner that is conducive to a higher standard of living) in unity with יהוה (Yahweh). As you can see, this is another parallel to what is being given in Ezekiel 37. Coming together in unity is a definite process that has a definite order. This understanding is vital to appreciating the work and building that יהוה בן יהוה (Yahweh Ben Yahweh) is manifesting.

Now having received the foundation knowledge of the name of the Creator, יהוה (Yahweh), the lame man now had a purpose for standing up and praising יהוה (Yahweh). All the people that saw him (the lame man) walking and sharing the knowledge of יהוה (Yahweh) were the same people that tried to keep him (the lame man) oppressed and ignorant. These are the same people that cut him off from his parts (Ezekiel 37:11). These

The Valley of the Dry Bones

wicked deviants knew for a surety that they had successfully destroyed any possibility of this lame man, allegorically called the so-called Black man of America, being raised up from a horizontal position to an upright one. This also is paralleled to Revelation, Chapter 11, verse 11. After the Spirit of Life entered into them, the people whose dead bodies were not placed in graves, also stood on their feet. Great fear fell upon them which saw them. In the previous verses, the people of the Earth were celebrating because the dead (so-called Black man of America) were being tormented together with יהוה בן יהוה (Yahweh Ben Yahweh). But in the end, their enemies were fearful of them because they stood upon their feet with their minds rooted in the knowledge of יהוה (Yahweh).

It is evident that those who were fearful of the lame (mind-set) man's rise from oppression and ignorance were filled with amazement and consternation. Consider this. If you had a friend who suffered from a chronic ailment and was near death but that person's condition was reversed by a miracle you would probably be happy that your friend is well and of sound mind. But on the other hand, if you were responsible for creating the condition with malicious intent, of course you would be amazed that there was any type of recovery at all. So it is with this lame (minded) man. This lame-minded person had finally entered the gate of the temple which was Beautiful. Peter and John told the people that were in the temple that it wasn't their work that caused this lame mind to be "raised up." Peter and John told them, "The God of Abraham, and of Isaac, and of Jacob, the God of our fathers, hath glorified His Son יהוה בן יהוה (Yahweh Ben Yahweh); whom ye

The Valley of the Dry Bones

delivered up, and denied Him in the presence of Pilate (the government of America and its representatives), when he was determined to let Him go. But ye denied the Holy One and the Just, and desired a murderer to be granted unto you; And killed the Prince of Life, whom יהוה (Yahweh) hath raised from the dead; whereof we are witnesses. And His name through faith in His "name" hath made this man strong, whom ye see and know: yea, the faith which is by Him hath given him perfect soundness in the presence of you all." It is the power of the name of יהוה בן יהוה (Yahweh Ben Yahweh) that allowed this man's mind to be raised up (Acts 3:10-16). There is power in a name and there is even more power in the correct name of the God of Abraham, Isaac and Jacob. Here it is in the New Testament, the Book that the whole world is led to believe is all there is to read from referring to the Old Testament to the God of the Old Testament. This means that the God of the Old Testament and knowing His name is vital and was vital to this lame-minded person being able to walk.

The next question is where did he walk to after being raised up? He began to walk the road of independence and self-sufficiency. The lame man began to take control of his life and began to build a future for his children that would prevent his children from being victimized by the same elements that oppressed him and kept him lame. He walked away from the many winds, doctrines, and philosophies that blew his mind in every conceivable direction, away from the knowledge of the Creator, יהוה (Yahweh), and the knowledge of "His" name. This man was able to get up and walk because he gained faith through the

The Valley of the Dry Bones

study of "his" own respective name. When he discovered who he was, this enabled him to receive the power due him from his name. This is why יהוה בן יהוה (Yahweh Ben Yahweh) stresses that we should study our name. Each letter contained in our respective names carries with it power, once we receive it, that will enable us to rise above (transcend) pettiness and impotency to become profitable and productive.

Chapter Five

**THE
WISE AND FOOLISH
VIRGINS**

The Valley of the Dry Bones

The parable of the five wise and five foolish virgins (Matthew 25:1-13). There was something peculiar about these virgins. In verse 3, "they that were foolish took their lamps, and took no oil with them. But the wise took oil in their vessels with their lamps." Notice that the wise possessed an added element that the foolish did not. The wise possessed a vessel. What is so important about a vessel? A vessel, by definition, is "a person into whom some quality is infused." Infuse means, by definition, "to cause to be permeated with something (as a principle or quality) that alters, usually for the better". The principles of profit-making and success that were given to them by the bridegroom were inculcated by these depicted as wise virgins, infused into their being. This added element allowed the wise not only to have the knowledge of making money but they understood what it meant to place these principles into action and make it a part of their everyday life. Therefore for us to become as the wise virgins, we must inculcate the principles that יהוה בן יהוה (Yahweh Ben Yahweh) is giving us and allow them to become infused into our way of life and thinking. The wise were "unified with the Creator, יהוה (Yahweh). The foolish were of another mind-set and never really believed that the bridegroom was coming (out).

The foolish refused to pay יהוה (Yahweh) and themselves first. They were profligates and profane. They demonstrated this by not being prepared for the coming of the bridegroom. The foolish were as the lame man (mind) was (is). The foolish wanted to borrow oil from the wise, but their minds were so carnal that they believed that begging was (is) the answer. The foolish didn't have the propensity or the inclination to get up and do

The Valley of the Dry Bones

for themselves. They were not self-starters or self-motivated. The foolish waits for a crisis before they begin to change their ways, if they will change them at all.

The wise possessing the attributes of a vessel, were “ready” when the bridegroom arrived on the scene. The wise were prepared mentally for whatever was to take place and adroit, skilled, notably dexterous, knowledgeable, studious, well-learned, scholarly, and obedient. We must be as the wise virgins, ready (having studied) and prepared to be used exclusively for the bridegroom, יהוה בן יהוה (Yahweh Ben Yahweh's) purpose.

Remember that the unprofitable servant was cast into outer darkness and was not known at the door. This should be a serious concern for those not sure of where they are standing. If you aren't sure of yourself, whether you are a wise or foolish virgin, then consider this. The unprofitable servant was cast into darkness that was beyond that which is defined as darkness. This means that your mind will be caused to exist on a level that will be puzzling to you, obscure, dreary, weak, joyless, vile, shady, unilluminated, cheerless, depressed, base, and menacing. Whatever your former mind-set and condition, it will become seven times worse for your disobedience (Leviticus 26:14-39). Your mind will become as a homeless person with no place to rest your worries and concerns.

Returning to Ezekiel, Chapter 37, verse 6, the next part of becoming one with the Creator, hence with each other with the same mind (spirit), is covering us with skin. Two words must be defined to place in perspective this divine work of יהוה בן יהוה (Yahweh Ben Yahweh). The first word is **cover** which means to defend, protect, guard, watch, secure,

The Valley of the Dry Bones

fortify, and reinforce. It also means to incorporate, study, examine, consider, inundate, and surround. This suggests that יהוה בן יהוה (Yahweh Ben Yahweh) is giving us knowledge that will protect us from evil. It will cause us to become fortified and secure. The skin of a human body is a regulatory organ that regulates body temperature. Therefore, the skin that יהוה בן יהוה (Yahweh Ben Yahweh) is going to “cover” the dry bones with is of a regulatory nature.

The one thing that is necessary for us as a people to be regulated by is the laws, statutes, judgments, and commandments of God יהוה (Yahweh). The “skin” that יהוה בן יהוה (Yahweh Ben Yahweh) is going to surround us with will cause us to become managers of time, commitment, and money. Having studied the principles of the laws of God יהוה (Yahweh), it will give us the authority we need to take control of our lives and our spirits. Presently, we are like a city that is broken down without walls (Proverbs 25:28). A city without walls is vulnerable to attack from its enemies. We, too, without the principles of the laws of God, יהוה (Yahweh), are and have been victims of our own ignorance resulting from our disobedience to יהוה (Yahweh) in the garden. Therefore, it is a necessary prerequisite to building a temple of divine minds, that we allow ourselves to be covered with “skin.” These are the elements that will fortify our backbone and unity with all moral people of the Earth. This knowledge must be a part of our everyday lives. With these principles in tact, there would be no problem for יהוה בן יהוה (Yahweh Ben Yahweh) to “square” the Earth in righteousness. Once we have allowed ourselves to be

The Valley of the Dry Bones

covered with the skin of the law, we then having received the power of our names, can cover the Earth with skin. We are to become the regulatory commissioners of the Earth. We must become the disciplinarians, the standing order, and the supervisors. The world will be caused to follow our bylaws and directives. This will make the Earth joyful. Why? Because when the wicked are ruling the people mourn but when the righteous beareth rule the people rejoice (Proverbs 29:2). The whole Earth will and must attend our conventions or it will not rain in their land (Zechariah 14:16-18). What does this mean? Anyone who does not attend our conventions will not have the wisdom, knowledge, and understanding of יהוה בן יהוה (Yahweh Ben Yahweh's) "rain" upon their minds. The purpose of rain is to nourish the land (minds) so that the land will be able to be cultivated and properly irrigated for productive use. There is no way that you will be able to receive "rain" in your land if you are not in attendance. Your land (mind) will become barren, unproductive, malnourished, dry, fruitless, inane, gainless, unsuccessful, naked, poor, impoverished, impotent, and dead. יהוה בן יהוה (Yahweh Ben Yahweh) has established a foundation of morality, fortitude, and strength on which He can build. Next is the desire to bring (cause) our fleshly (carnal) mind-set to be raised up to a level where we would begin to appreciate this divine work. Not everyone is going to receive this message because their flesh (carnal mind-set) desires to dwell in the muck and mire of Luciferian doctrines and "eat the dust." It should be rather clear why the Scriptures say only a remnant will be saved. Many will be called but only a few will be chosen (Matthew 20:16).

The Valley of the Dry Bones

It is amazing how America and its government seeks to mute the voice of **יְהוָה בֶּן יְהוָה** (Yahweh Ben Yahweh). For the past 12 years that **יְהוָה בֶּן יְהוָה** (Yahweh Ben Yahweh) has been teaching and imparting divine principles of love and understanding to us in our pitifully deceived condition, the wicked in high places have created an ecliptic body that has reduced the light shining from **יְהוָה בֶּן יְהוָה** (Yahweh Ben Yahweh's) Divine Mind. What an adulterous and wicked generation this is. "When it is evening ye say, It will be fair weather: for the sky is red. And in the morning, It will be foul weather to day: for the sky is red and lowering. O ye hypocrites, ye can discern the face of the sky; but can ye discern the sign of the times? A wicked and adulterous generation seeketh after a sign; and there shall no sign be given unto it, but the sign of the prophet Jonas" (Matthew 16:2-4). **יְהוָה בֶּן יְהוָה** (Yahweh Ben Yahweh) Himself is the sign that we need to look for. You must read (study) the story of Jonah and the whale. "For as Jonas was three days and three nights in the whale's belly; so shall the Son of man be three days and three nights in the heart of the Earth" (Matthew 12:40).

It is time for the world to take notice of the injustices being wrought against **יְהוָה בֶּן יְהוָה** (Yahweh Ben Yahweh) and His followers. Why haven't all local, state, and federal prosecutors come against the various church officials and the priests who are guilty of sexual misconduct? Why hasn't one cardinal, bishop, priest, pastor, Vatican official been indicted as a result of the practices of their subordinates. If **יְהוָה בֶּן יְהוָה** (Yahweh Ben Yahweh) is responsible for the actions of a miscreant, liar, and serial killer, then why aren't these

The Valley of the Dry Bones

church officials held responsible for the actions of their members as יהוה בן יהוה (Yahweh Ben Yahweh) allegedly is for His former followers? Is this another example of the double standards of justice served in the American judicial system? Could this be the “American way” of keeping Black people in the grave afraid to come out because of the American government?

The American government's purpose is to govern the mentality of the people to the point of continual deceit and their own ultimate destruction. America isn't bound by the Atlantic and Pacific Oceans. America is a mind-set and attitude that is prevalent across this Earth. America is the Anti-Christ. Any land (mind) that has adopted an attitude of hate, war, injustice, individualism, materialism, pornography, violence, drugs, and sex will be destroyed. יהוה בן יהוה (Yahweh Ben Yahweh) is the unifying force that is needed in the Earth. He is the symbol of truth and perfection.

You must study what is happening to יהוה בן יהוה (Yahweh Ben Yahweh) and see the direct parallels that exist between what happened 1900 years ago and the present. If the Bible teaches that you should love everyone – even your enemies, then why haven't any of you so-called men/women of God stood up and demonstrated your love for יהוה בן יהוה (Yahweh Ben Yahweh)? Don't be a hypocrite and seek to change what is written and what you say you were called to do. What are you teaching the flock of people that come to you? You must be teaching them to believe in the laws of the land, the very laws that have oppressed the masses of the people for the past 5,995 years in this world as we've

The Valley of the Dry Bones

come to understand it. "Woe unto the pastors who destroy and scatter my sheep (moral people) into the various structures of deceit established by Lucifer and his angels. For both prophet and priest are profane: yea, in my house have I found their wickedness. Behold, I am against them that prophesy false dreams, and do tell them, and cause my people to err by their lies, and by their lightness: yet I sent them not, nor commanded them: Therefore they shall not profit these people at all, saith the Lord, יהוה (Yahweh) (Jeremiah 23:1, 11, 32). It is not the fault of the preachers that they have been deceived also: The whole world has been deceived to believe that all the established institutions are teaching God's principles. They are not. If they were teaching God's principles, then why is the world suffering socially, politically, economically, educationally, and spiritually? There is a famine in the land (America) for the truth, and יהוה בן יהוה (Yahweh Ben Yahweh) is the only one bringing it to the world.

Chapter Six

THE BREATH OF LIFE

The Valley of the Dry Bones

The next part of this process is when יהוה בן יהוה (Yahweh Ben Yahweh) “put breath” in us. Put means to apply. Apply means to have relevance or a valid connection. It also means to place into operation. Therefore, the breath that יהוה בן יהוה (Yahweh Ben Yahweh) will “put” in us will cause us to make a valid connection to His Divine Mind. Then once we have made this connection we place it into operation. Breathing is a Divine process of which we have no control. We must be thankful to God, יהוה (Yahweh), for breath and the ability to breathe physically. It is equally important to understand that without breath or the inability to breathe, our lives would be cut short or we would be (remain) severely brain damaged.

Looking closely at the word “breath” you will discover that it is part of a process called breathing. In this Scripture, we read that יהוה בן יהוה (Yahweh Ben Yahweh) is the One who will put breath in us. This means that for Him to put breath in us we must be suffering from a particular type of death – a mental death. We must receive spiritual CPR (cardiopulmonary resuscitation).

Breathing is defined as taking in oxygen and giving out carbon dioxide through a natural process; to inhale and exhale freely; to live; to make manifest. The words inhale and exhale are compound words with in- and ex- serving as prefixes and hale as the base or root. Hale by definition means to be free from defect, dis-ease, and infirmity. Therefore, to be able to “breath” or to have breath “put” in us we must first learn how to free ourselves from defects, diseases, and maladies. If we must become free from these elements

The Valley of the Dry Bones

then certainly we are bound (mentally) by them for we are not able to identify them readily. We are bound by character flaws that defect and affect our love for one another and our ability to become productive resources in our communities. We must become free from those elements that keep us in bondage – materialism, individualism, sex, drugs, and violence. Lucifer and his angels are real and so is our state of mind. Until בן יְהוָה (Yahweh Ben Yahweh) came, we agreed, identified, and embraced all that Lucifer “put” in us. We never imagined that we were having our breath taken away from us each moment that we sat in front of a television or listen to the radio. Lucifer and all the institutions that he established have addressed our subconscious mind, which is simply a reservoir for information, and manipulated our actions and thought patterns via these mediums.

בן יְהוָה (Yahweh Ben Yahweh) has the key on how to hale. First, we must hale that which is in our minds. Once we mastered that process then we can hale that on the outside of our minds. That’s why, physically, we in-hale first then ex-hale. Oxygen represents that which is good and received into our lungs (minds – mechanism for inhaling). Carbon dioxide represents those elements that we must rid ourselves of. These are the poisonous doctrines and wicked images that are constantly being given to us by Lucifer and his manipulative forces. This, too, is a necessary requisite to beginning to live. Our beginning to “live” is conditional based on our participating in the process established by בן יְהוָה (Yahweh Ben Yahweh). He holds the keys to life and true freedom. Had

The Valley of the Dry Bones

anyone else been given these keys or given the power that Lucifer has over the minds of the people, we would have never been given a chance to live. This is a part of what true resurrection is all about. The power of our resurrection is within our names. Understanding, becoming cognizant and exemplifying the characteristics of our names are very important. We cannot begin to “live” until we know who we are. We will never be able to free the world or change the present global conditions and attitudes outside of our minds until we connect with (י) Yod – יהוה בן יהוה (Yahweh Ben Yahweh's) Divine Mind. When this happens, then the world will know and believe that יהוה בן יהוה (Yahweh Ben Yahweh) is God.

As יהוה בן יהוה (Yahweh Ben Yahweh) began to prophesy – mediate between the two mind-sets – there was a noise. The Hebrew word for noise is קול (KOPH LAMED). Kole means to proclaim publicly or to talk much about. This means that as יהוה בן יהוה (Yahweh Ben Yahweh) continues to build and mediate, the public begins to talk about the works of יהוה בן יהוה (Yahweh Ben Yahweh) and the injustices being wrought against Him and His disciples. The letter ל (LAMED) symbolizes the crowning accomplishments with a dual meaning that encompasses both the beginning and the ending. The world will begin to realize that no other being that has walked the planet Earth has accomplished what יהוה בן יהוה (Yahweh Ben Yahweh) has. The world, particularly the moral people of the Earth, will begin to understand and realize that יהוה בן יהוה (Yahweh Ben Yahweh) is the Messiah that is promised to come to the Earth in the last days

The Valley of the Dry Bones

of wicked rulership. KOPH (ק) symbolizes the end of Lucifer's grip on the minds of the people and the subsequent beginning of the world to come – the Theocratic Government of יהוה (Yahweh).

KOPH (ק) also relates to four points crucial to rulership. The four points are kingship, priesthood, the Word of יהוה (Yahweh), and having a good name. The noise spoken of in Ezekiel, Chapter 37, verse 7 causes a shaking in the minds of the people. The peace that they thought they had has now been disturbed by the cogent and incisive teachings of יהוה בן יהוה (Yahweh Ben Yahweh). The LAMED (ל) in the word "kole" - the Hebrew for noise -- means to teach and to learn. The noise and the resulting shaking is a product of the principles יהוה בן יהוה (Yahweh Ben Yahweh) is sharing with the world. The profundity and the inscrutableness of His teachings are changing the way people view each other and their lives. The world will, because of His teachings, begin to show love one to another and revere God and place Him first in their lives. As the world begins to end practicing the ways of Lucifer and adopt the ways of the Bible and יהוה בן יהוה (Yahweh Ben Yahweh), they will begin to come together mind to His mind (bone to His bone). This is when true unity will begin and all the strife will cease.

Though the sinews were laid and the fleshly mind-set is raised to a spiritual mind-set, and the skin -- knowledge of their names and of the laws of יהוה (Yahweh) -- covered them above, there still wasn't any breath in them. Here, יהוה בן יהוה (Yahweh Ben Yahweh) was instructed to prophesy to the wind. The Hebrew word for wind is RUWACH-

The Valley of the Dry Bones

ו ר ר. The definition of “ruwach” is courage, mind, spirit, and to make of quick understanding. This means that יהוה בן יהוה (Yahweh Ben Yahweh) is to prophesy to those minds that have the courage, propensity, and the ability to have His spirit to rest upon them. This will enable that mind to have the spirit of wisdom and understanding, the spirit of counsel and the spirit of knowledge, and of the fear of the Lord יהוה (Yahweh); and it shall make Him of quick understanding. Thus, when יהוה בן יהוה (Yahweh Ben Yahweh) shares wisdom with these minds, they will perceive readily what His intentions are without allowing other flavors or others colors added (Isaiah 11:1-4). These minds will judge not after the sight of their eyes, neither reprove after the hearing of their ears: but with righteousness shall they judge the poor, and reprove with equity for the meek of the Earth: and they shall smite the Earth with the rod of their mouth, and with the breath of their lips shall they slay the wicked.

Resh (ר), the primary word (letter) of wind, tells us who יהוה בן יהוה (Yahweh Ben Yahweh) is to speak to. Resh (ר) literally means “head,” “chieftain,” “supreme one.” יהוה בן יהוה (Yahweh Ben Yahweh) is to speak to the Godhead. Resh (ר) also stands from the Challenge of Choice – greatness or degradation. To receive the knowledge of your name and the principles that יהוה בן יהוה (Yahweh Ben Yahweh) is sharing with the world will cause you to become great – only through practical application of the principles. Denying the knowledge of your name and His principles will cause one to remain in the grave of degradation and sin (I Tim. 3:5,7). This is what Judgement Day is all about:

The Valley of the Dry Bones

Choosing which way you want to conduct your life. **יהוה בן יהוה (Yahweh Ben Yahweh)** is not here to force anyone to follow Him, He is here to share the knowledge of our present condition and what **יהוה (Yahweh)** can do for you. All of this information will enable you to make a sound decision without any excuses.

The second letter in the Hebrew word for wind is WAV (ו). WAV (ו) means Restoration of Judgement and it is a symbol of Humanity. It is the minds that receive the power of their names and the principles that accompany them, which will allow humanity-true brotherhood, love, compassion, kindness, benevolence, and a sincere concern for the inhabitants of the Earth and improving the welfare (not the welfare system which keeps people lame) of **יהוה (Yahweh's)** creation to flourish. These very minds are the ones that will restore righteous rulership back to the Earth. These are the ones that will cast the thrones of Lucifer's government down (Daniel 7:9) so that the Ancient of Days, **יהוה בן יהוה (Yahweh Ben Yahweh)**, can sit.

The last letter (word) of the Hebrew for wind -- CHET (ח) is a symbol of life and transcendence. The RESH (ר) and WAV (ו) will allow the moral people of the Earth to exceed the mundane and terrestrial existence (mind-sets) of Lucifer's world and receive life eternal in the world to come. Notice the next set of instructions: **יהוה בן יהוה (Yahweh Ben Yahweh)** is to say to the wind -- the influential intelligentsia -- to "come from the four winds." Here **יהוה בן יהוה (Yahweh Ben Yahweh)** is instructing the wind to come from four different perspectives of intelligence. **יהוה בן יהוה (Yahweh Ben**

The Valley of the Dry Bones

Yahweh) is calling on the four winds now to breathe upon these dry, bone-headed people. Wind also represents the knowledge that will make those of quick understanding to “live.” This wind is blowing in the various mediums that only intelligent people would consider. They are newspapers, periodicals, television, and radio. As the wind begins to blow (to spread the report of) the message of יהוה בן יהוה (Yahweh Ben Yahweh) up-on these winds and they begin the process of in-haling so that they will be able to ex-hale, then they (the minds that have the propensity to B-One with “YOD” [י], despite being obdurate and stiff-necked) will stand upon their feet an exceeding great army.

The Hebrew word for army – CHAYIL or CHET (ח) YOD (י) LAMED (ל) illustrates precisely what type of an army will stand. Army in Hebrew means might, strength, power, ability, valiant, virtuous, valor, forces, riches, substance and wealth. CHET (ח) YOD (י) LAMED (ל) means that those minds that have received and are applying the principles of יהוה בן יהוה (Yahweh Ben Yahweh's) teachings would be able to transcend the earthly, materialistic, and individualistic mind-set of Lucifer and his doctrines to unite with the Creator, יהוה (Yahweh) and His Son, יהוה בן יהוה (Yahweh Ben Yahweh) to the point where they are able to teach the world of Him.

This army (group of minds) are the ones that will be caused to come “up” out of their mental graves of ignorance and have the spirit of יהוה בן יהוה (Yahweh Ben Yahweh) in them. These are the minds that would be dauntless in propagating יהוה (Yahweh). This group of minds are the ones that will become eternally rich through

applying the laws of God, יהוה (Yahweh). These are the people that the Bible speaks of obtaining great wealth and great substance (Genesis 15:13-14).

The power in obtaining the knowledge of יהוה בן יהוה (Yahweh Ben Yahweh), your name (in Hebrew), the laws, statutes, judgements, and commandments of יהוה (Yahweh) is eternal life. This knowledge needs to remain as frontlets in our minds as we walk through life, as we sit in our homes, when we rise up from resting, and when we lie down to sleep. We must teach our children to teach their children to walk (behave) in this manner. This way יהוה (Yahweh) will bless those of us that walk this way to have our days prolonged on the Earth (Deuteronomy 6:1-25). The principles that יהוה בן יהוה (Yahweh Ben Yahweh) is sharing with the world is the way to SHALOM -- true peace, happiness, eternal life, prosperity and justice to all moral people. The wicked forces of the Earth believe that יהוה בן יהוה (Yahweh Ben Yahweh) is the Son of יהוה (Yahweh) and tremble (James 2:19). Brothers and sisters, be not hearers of the word only but doers also. For as the body without the spirit is dead, so faith without works is dead. Even so faith, if it hath not works, is dead, being alone (James 2:17,26).

CONCLUSION

The Valley of the Dry Bones

This work that יהוה בן יהוה (Yahweh Ben Yahweh) is producing is phenomenal, original, unparalleled, prodigious, and wondrous. For Him to create an army of minds that will teach the world of the laws, statutes, judgements, and commandments of God, יהוה (Yahweh) from out of a people that are dry, bone-headed, indiscreet, unlearned, and impressionable, is miraculous. This is the way the wicked will be chased out of the world. The name of the wicked (Lucifer and his angels) shall perish from the Earth, and he shall have no name in the street (Job 18:17-18).

יהוה בן יהוה (Yahweh Ben Yahweh) shall gather His people from among the heathen and infidels and bring them into their own land. Having the proper mind-set and attitude will allow us to claim any land as ours. Wherever the Messiah, יהוה בן יהוה (Yahweh Ben Yahweh) places His name is our land. We have the deed and the right to claim it. It is written in the Bible that way. יהוה בן יהוה (Yahweh Ben Yahweh) will make one nation in the land and there shall be One King - יהוה (Yahweh). There shall be no more two nations, neither shall they be divided into two mind-sets -- but of the mind of יהוה בן יהוה (Yahweh Ben Yahweh). Neither shall they defile themselves any more with their idols of materialism, nor with their detestable things, nor with any of their transgressions. They shall have one shepherd and they shall walk in the judgements and statutes of יהוה בן יהוה (Yahweh Ben Yahweh), and do them. The heathen shall know and understand that יהוה בן יהוה (Yahweh Ben Yahweh) have spoken it and performed it (Ezekiel 37:12-28).

The Valley of the Dry Bones

יְהוָה בֶּן יְהוָה (Yahweh Ben Yahweh) is suffering at the hands of those that chiefly walk after the flesh in the lust of uncleanness, and despise righteous government. Presumptuous are they, self-willed, they are not afraid to speak evil of dignities. But these as natural brute beasts, made to be taken and destroyed, speak evil of the things that they understand not; and utterly perish in their own corruption; and shall receive the reward of unrighteousness, as they that count it pleasure to riot in the day time. Spots they are and blemishes, sporting themselves with their own deceivings while they feast with you. Having eyes full of adultery, and that cannot cease from sin; beguiling unstable souls: (II Peter 2:10-14).

The time is fulfilled, and the Kingdom of God, יְהוָה (Yahweh), is at hand: repent ye, and believe the gospel (Mark 1:15). This illustration of the Divine Work of בֶּן יְהוָה (Yahweh Ben Yahweh) clearly shows that He is the Messiah. Understanding the purpose, reason, and timing of His arrival is vital to appreciating this work. בֶּן יְהוָה (Yahweh Ben Yahweh) is the only door (DALET ד) to salvation and true independence (John 10:1-5). All the doors opened to us in the name of liberation and self-determination had brick walls directly behind them which prohibited our progress to a new way of living. יְהוָה בֶּן יְהוָה (Yahweh Ben Yahweh) is offering the only solution to today's and tomorrow's global concerns, and the solution is יְהוָה (Yahweh) and His laws.

The Valley of the Dry Bones

יהוה בן יהוה (Yahweh Ben Yahweh) is here to establish the Theocratic Government of God, where God and His laws are the standard. It is amazing how those that claim they were called by God don't teach the knowledge of God or what His name is. It is also paradoxical why these same shepherds, that supposedly are watching over God's children, don't teach that God is the only solution. Why do they seek to cause us to believe in this system of oppression, education, manipulation, and degradation? יהוה בן יהוה (Yahweh Ben Yahweh) is here and is establishing the true Kingdom of SHALOM where there will be no more crying, suffering, and pain (Rev. 21:3). יהוה בן יהוה (Yahweh Ben Yahweh) is making the lame (mind) to walk the road to independence and self-sufficiency. He is causing the blind to see the light concerning their condition and the solutions to free themselves from this condition. יהוה בן יהוה (Yahweh Ben Yahweh) is causing the deaf to hear the wisdom concerning the name of God, יהוה (Yahweh), and their "true" history, the world's best kept secret. He is also causing the dumb to speak wisdom concerning the name of God, יהוה (Yahweh) and knowledge of their (Hebrew) names, nationality, and purpose of the Messiah. The man 1900 years ago was able to perform the same work but only with a few people. יהוה בן יהוה (Yahweh Ben Yahweh) has and is performing this work on tens of thousands of people. Solomon was the wisest man in the Earth. He was wise concerning the name of the Lord, יהוה (Yahweh) (I Kings 10:1). Behold a greater than Solomon is here (Matthew 12:42).

The Valley of the Dry Bones

Draw nigh to יהוה (Yahweh), and He will draw nigh to you. Cleanse your hands (minds) ye sinners and purify your hearts, ye double-minded (James 4:8). Love your moral neighbors as you love yourself. But above all, Thou shalt love the Lord יהוה (Yahweh) with all your hearts, with all thy soul, and with all thy mind. This is the first and greatest commandment. On these two commandments hang all the law and the prophets (Matthew 22:37-40).
