By competing on the F1 circuit combined with the world famous Nordschleife, the Nurburgring 24 Hours is raced on one of the most formidable circuits in the world.

To then invite 200 GT and production cars to participate creates a spectacle not to be missed by any motorsport fan.

All spectators have access to the grandstand and paddock areas around the F1 circuit. They can also explore the forests around the Nordschleife to find some exceptional viewing points.

Spa Classic 18th - 21st May 2018

Although the Spa Classic is the smaller sister of the Le Mans Classic, it still regularly attracts more than 30,000 spectators. With a diverse selection of racing grids and few restrictions on spectator access, the Spa Classic has to be an event for everyone to consider.

So what draws in the crowds for the Spa Classic weekend? Number one is the circuit itself. The Spa-Francorchamps track winds its way up and down through the hills of the Ardennes. Surrounded by forest, it creates a wonderful atmosphere and the many viewing points from around the whole track make for beautiful photography. The tight, multi-layered paddock keeps all the cars within walking distance so access is great and you are never far from the next piece of beautiful machinery.

The different competing grids at the Spa Classic keep things interesting on the track. Group C endurance racers from the 80's can often be heard before they are seen, whilst grids of historic touring cars recreate scenes from Spa's vibrant history.

In addition, grids of Le Mans racers from the 60's and a full grid of Italian sports cars adds a touch of class to the paddock.

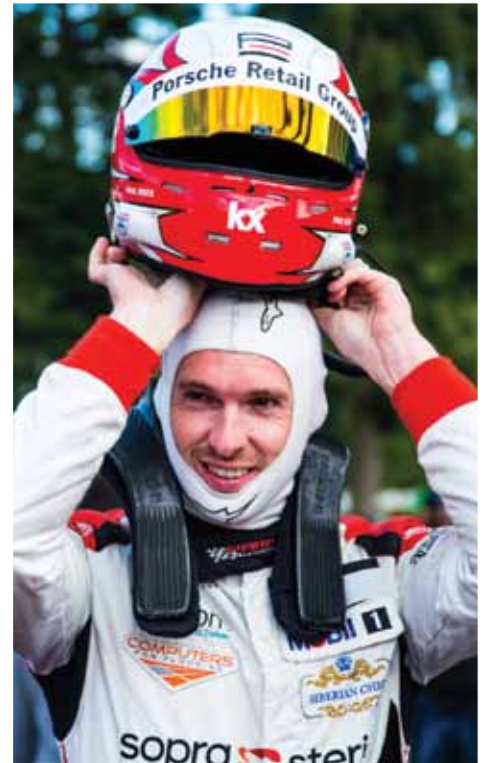

Travel Destinations customers also benefit from some exclusive additions. As the official agent of the Spa Classic, we can offer all guests an invite to our private hospitality suite overlooking Eau Rouge, for light refreshments throughout the weekend.

For those arriving in Classic and Sports cars, Travel Destinations has its own private car parking area on the top level of the paddocks adjacent to the F1 garages.

All cars can become part of the display in this area whilst overlooking the paddocks and with views of the La Source hairpin & the hill at Eau Rouge.

As an optional extra, you can also choose to take your classic or sports car for a few laps around the famous Spa-Francorchamps circuit for an additional **£120.00** per car.

For further details and to book your place please visit www.traveldestinations.co.uk or call our staff on **0844 873 0203**

Le Mans 24 Hours 16th - 17th June 2018

It is all change at Le Mans. Audi & Porsche have dominated the podium for more than a decade, but now they have moved aside, it will mean that we are guaranteed a new winner in 2018. There may be private teams competing for the prototype win, but the manufacturers are all present in the GTE field. BMW are returning to Le Mans to compete with Aston Martin, Ferrari, Ford, Porsche and Corvette. That battle will be worth the entrance fee alone!

Le Mans is the pinnacle of endurance motorsport. It attracts top manufacturers, big name drivers and more than 250,000 spectators every June to the Circuit de la Sarthe. Le Mans is an endurance race where tactics, efficiency, experience and teamwork are every bit as important as outright speed.

Official Agency

Travel Destinations is an appointed official agency for the Le Mans 24 Hours. This enables us to provide all our customers with the best and widest choice of available travel, tickets and accommodation options.

Camping is a tradition at Le Mans and staying on-circuit is still the best way to experience everything at Le Mans. There are a number of circuit run campsites located around the track, that provide basic facilities for all race fans.

Travel Destinations customers can also choose to camp trackside at our exclusive campsite at **Porsche Curves**. Our campsite provides superior facilities, 24 hours security, a hospitality marquee and our very own private viewing bank overlooking the track.

We can also offer two different options for those wishing to stay at the track, without having to bring your own tent. Our **Event Tents** are the only dedicated area for "Glamping" at Le Mans. These large pre-erected bell tents are fully carpeted and come with mattresses, bed-linen and pillows.

For those that aren't keen on any sort of camping then our **Flexotel Village** is the perfect answer. This pop-up hotel in the centre of the circuit provides lockable bedrooms. Each room has two beds and comes with all bed-linen. The rooms are located in their own secure paddock just a few minutes' walk from the start/finish straight and are ideally situated adjacent to the tram stop that gives excellent access to Le Mans town and the railway station.

You can choose to add grandstand seats and hospitality options to any of our offers enabling us to tailor make your Le Mans visit to your needs.

Travelling to Le Mans with Travel Destinations ensures that you will be well looked after.

Angouleme; Circuit des Remparts 13th - 18th September 2018

Each year the town of Angouleme, in the Cognac area of France, is turned into a celebration of all things motoring. This culminates in a full day of historic racing around the walls of the old town. The racing on this tight street circuit has its roots back in the late 1930's when Juan Fangio was competing here. The event was revived in the late 1970's and has become a firm favourite with British competitors and spectators.

The relaxed event really begins on Friday evening with a light-hearted Concours D'Elegance where classic car owners dress in the clothes of a similar era to their cars as they are displayed to the watching crowd.

Saturday sees the International rally. All owners with classic cars can enter this non-competitive drive through the countryside. The route stops at local chateaux and other points of interest for locally sourced food and drinks. The rally finishes back in the centre of town and includes a drinks reception.

The racing starts early on Sunday with a full programme to get through. Different grids provide a look back through the ages and the winding street circuit provides for great views, whether seated in the temporary stands or out and about on the streets. The open paddock is a must see with vintage race cars at every turn.

Accommodation options

The Ibis Styles Hotel is located to the North of Angouleme, with an easy drive to the centre of the city.

Price: From **£499.00** per person (based on 2 people in a car, sharing a double/twin room)

- Return crossings with Brittany Ferries from Portsmouth to Caen
- Large 2 berth window cabins in each direction on overnight ferries
- 3 nights at the Hotel Ibis Styles, Angouleme Nord on a B&B basis
