Sacrament of Reconciliation
Saint Rita: Saturday 4-5 PM

4th of JULY

As we commemorate the founding of our great nation, we recall how the history of our own Walton County is woven into that rich history. The flags along the right side of the church represent the various nations that ruled over this area in the past, in contrast with the Vatican flags along the left side -- a reminder for of how the Church remains ever constant amidst the ebb and flow of politics.
God bless America.

**God Squad Reflections:
Supernatural Resources**

The Book of Wisdom of Solomon ends with an inspiring statement of faith: "For every way, Lord! You magnified and glorified your people; unyielding, you stood by them in every time and circumstance" (19:22).

Could you say these words? Do you have the kind of faith that is able to see the hand of God at work through everything that happens?

So many times, we pray for God's help, especially if we are struggling or someone we love is suffering. Later, when that particular crisis is over, we quickly forget how God helped us through. The Bible's message is that God is at work through all the times in our lives, even in ways we do not realize in the moment. The church's word for God's help is grace. Unlike most of our natural resources, the supernatural resource of grace is never in danger of being used up. In fact, the more we use it, the more of it there is!

Find a way of keeping track of how God has helped you through life. Perhaps you can maintain a journal of the difficult times you've made it through and the people who have supported you. You might be surprised by this record of how God's grace has been active.

Wis 19:22

Amen
