

*This program is jointly provided by the
New York Society for Gastrointestinal Endoscopy and Mount Sinai Beth Israel*

Japan Society

333 East 47th Street (near First Avenue)
New York, NY 10017

COURSE DESCRIPTION

The Spring Course is devoted to a review of the most compelling topics in gastroenterology, endoscopy, and liver disease as presented during Digestive Disease Week®, May 21-24, 2016. At this event, the most significant data from national and international research efforts is presented, affording attendees a first look at critically important information on new drugs, the etiology and pathophysiology of disease states, the epidemiology of diseases, the medical, surgical and endoscopic treatment of disease, and the social impact of disease states in the fields of gastroenterology, hepatology, and GI surgery.

The Spring Course: Best of DDW 2016 will be presented in an expanded one and one-half day format. The program will include a video forum of new endoscopic techniques as well as a summary of the major topics presented at the most important academic forum in gastroenterology, making for an invaluable educational experience for those who were unable to attend Digestive Disease Week® and an excellent summary review for those who did.

LEARNING OBJECTIVES

- Discuss the spectrum of commonly seen esophageal motility disorders, and outline both current treatment options and the effectiveness of these therapies.
- Identify novel therapies in the management of gastroesophageal reflux disease and Barrett's Esophagus, including medical, endoscopic and surgical approaches.
- Identify the presence and treatment of common disorders of the small bowel including celiac disease and small intestinal bacterial overgrowth, and review the current role of imaging in small bowel disease.
- Evaluate the commonly seen types of colon polyps, recognize the progression of such polyps to malignancy, and review data on the efficacy and safety of techniques for removal of colorectal polyps.
- Identify appropriate methods to assess mucosal damage and disease status in patients with inflammatory bowel disease, and then discuss the application of these techniques in the evaluation of healing and successful treatment.
- Identify novel medical and endoscopic approaches in managing obesity, and evaluate the effectiveness of these techniques.
- Evaluate current advances in both diagnostic and therapeutic endoscopic retrograde cholangiopancreatography (ERCP) including management and treatment of biliary stones, cholangitis, strictures, malignancies, and prevention of pancreatitis.

- Review state-of-the-art use of endoscopic ultrasound in the diagnosis of and therapy for disorders of the gastrointestinal tract, including pancreatic cysts, solid masses, lymph nodes, injection therapies, and drainage of collections.
- Examine the effectiveness and safety of new treatments for hepatitis B, hepatitis C, and non-alcoholic steatohepatitis (NASH). Discuss the role of imaging in diagnosis and surveillance of hepatocellular carcinoma in patients with chronic liver disease.
- Examine and discuss novel endoscopic therapies in comparison to traditional medical and interventional treatments.
- Demonstrate tools and skills necessary to accurately identify and effectively treat complications of gastrointestinal endoscopy.
- Recognize the diagnostic and therapeutic capabilities of interventional endoscopy. Identify appropriate methods to detect and assess dysplasia and early mucosal cancers of the gastrointestinal tract, and evaluate the various endoscopic and surgical treatment modalities for these early malignancies.

INTENDED AUDIENCE

Practicing gastroenterologists, gastrointestinal endoscopists and surgeons, GI fellows, and GI nurses and associates

REGISTRATION

Register online at www.nysge.org. Contact info@nysge.org for assistance or call 646-218-0650

FRIDAY, JUNE 10, 2016

Best of DDW 2016 Clinical Symposium

1:00 pm – 2:00 pm

Registration

2:00 pm

Welcome

2:00 pm - 2:40 pm

Focus on Esophageal Disease

Felice Schnoll-Sussman, MD

Philip O. Katz, MD

2:40 pm – 3:20 pm

Highlights of the ASGE Video Plenary

Jonathan Cohen, MD

Gregory B. Haber, MD

3:20 pm – 3:40 pm

Refreshments Break

3:40 pm -4:20 pm

Updates in Inflammatory Bowel Disease

Ellen J. Scherl, MD

Adam F. Steinlauf, MD

4:20 pm – 5:00 pm

Advances in Hepatology

Ira M. Jacobson, MD

Anna Patel, MD

5:00 pm – 7:00 pm

NYSGE Member Appreciation Reception

All Spring Course registrants, whether NYSGE members or not, are welcome to attend the Member Appreciation Reception.

SATURDAY, JUNE 11, 2016
Updates from Digestive Disease Week 2016

8:15 am - 9:00 am
Registration and Continental Breakfast

9:00 am
Welcome

9:00 am – 9:25 am
Esophageal Motility
Abraham Khan, MD

9:25 am – 9:50 am
Barrett's Esophagus
Charles J. Lightdale, MD

9:50 am – 10:15 am
Small Bowel Imaging
Blair S. Lewis, MD

10:15 am – 10:45 am
Break

10:45 am – 11:10 am
Best of the ASGE Video Plenary Part 1
Tamas A. Gonda, MD
John M. Ponerros, MD

11:10 am – 11:35 am
Colon Cancer and Polyps
Arnold J. Markowitz, MD, NYSGEF

11:35 am – 12:00 pm
Inflammatory Bowel Disease
David P. Hudesman, MD

12:00 pm – 1:00 pm
Lunch Break

1:00 pm – 1:25 pm
Managing Obesity
Demetrios Tzimas, MD

1:25 pm – 1:50 pm
Biliary Tract Disease
Franklin E. Kasmin, MD

1:50 pm – 2:15 pm
Endoscopic Ultrasound and Pancreatic Disease
Christopher J. DiMaio, MD

2:15 pm – 2:50 pm
Break

2:50 pm – 3:15 pm
Liver Diseases
Sonal Kumar, MD, MPH

3:15 pm – 3:45 pm
Frontiers in Endoscopy
Michel Kahaleh, MD

3:45 pm – 4:15 pm
Best of the ASGE Video Plenary Part 2
Tamas A. Gonda, MD
John M. Ponerros, MD

4:15 pm – 4:30 pm
Wrap-Up and Final Questions

4:30 pm
Adjourn

POLICY ON FACULTY AND PROVIDER DISCLOSURE

It is the policy of Mount Sinai Health System Hospitals: Mount Sinai Beth Israel, Mount Sinai St. Luke's and Mount Sinai West, that faculty and providers disclose real or apparent conflicts of interest relating to the topics of this educational activity and have established policies in place that will identify and resolve all conflicts of interest prior to this educational activity. Detailed disclosure will be made in the activity handout materials.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Mount Sinai Beth Israel and New York Society of Gastrointestinal Endoscopy (NYSGE).

The Mount Sinai Health System Hospitals: Mount Sinai Beth Israel, Mount Sinai St. Luke's and Mount Sinai West, are accredited by the ACCME to provide continuing medical education for physicians.

CREDIT DESIGNATION

Mount Sinai Beth Israel designates this live activity for a maximum of **8.0 AMA PRA Category 1 Credits™**. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

NURSE PLANNER

Maria Alma Estrera-Yorke, BSN, MSN, MHA, CGRN, CFER

NURSING ACCREDITATION STATEMENT

This activity has been submitted to Northeast Multi-State Division (NE-MSD) for approval to award contact hours. Northeast Multistate Division (NE-MSD) is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

CBSPD APPROVAL

This educational activity has been approved by the Certification Board for Sterile Processing and Distribution, Inc. (CBSPD) for continuing education credit toward maintenance of certification.

FACULTY

Jonathan Cohen, MD, NYSGEF

Course Director

Clinical Professor of Medicine
NYU Langone Medical Center
New York, NY

Christopher J. DiMaio, MD, NYSGEF

Associate Professor of Medicine
Icahn School of Medicine at Mount Sinai
Director of Therapeutic Endoscopy
Mount Sinai Hospital
New York, NY
