

Tiara 4400 Sovran

Length	Make	Model	Year	Beam	Draft
47 ft	Tiara	4400 Sovran	2006	14 ft 6 in	4 ft 5 in
Price	Engine Make	Engine Model	Fuel Type	Location	
\$ 365,000	Cummins	QSM11-M	Diesel	Seattle, WA, United States	

The Tiara 4400/4700 Sovran is really 50'4" overall. This particular Tiara is in great condition - - has been professionally maintained and moored in fresh water. Engines have been fully serviced! Custom ordered with teak exterior decks (helm and cockpit area) plus all teak/holly flooring in the interior. In addition to the many factory options, this Tiara has several Northwest additions including Watermaker, Diesel forced air furnace, bow thruster (new 2019), custom cockpit controls, and a new davit system on the swim platform. Located in a private marina and is shown by appointment.

Number of Heads: 2

Propulsion

Engine #1

Engine Make: Cummins
Engine Model: QSM11-M
Primary Engines: Inboard
Drive Type: V Drive
Location: Port
Hours: 1350
Power: 660 hp
Propeller Type: 4 Blade
Propeller Material: Bronze

Engine #2

Engine Make: Cummins
Engine Model: QSM11_m
Primary Engines: Inboard
Drive Type: V Drive
Location: Starboard
Hours: 1350
Power: 660 hp

Propeller Type: 4 Blade
Propeller Material: Bronze

Manufacturer Provided Description

Tiara Yachts is proud to offer another beautifully designed and constructed yacht - the Sovran 4400/4700. A gelcoat outer layer, high-performance tie-coat quadaxial fiberglass, balsa core, epoxy resin, and vacuum bag technology lay the groundwork for a yacht that's unsurpassed in quality and simple quiet elegance. The long, sweeping deck of the 4700 is constructed with a gelcoat outer layer, hand-laid fiberglass and balsa core with vinylester resin. The beautifully crafted, custom-curved composite windshield is seamlessly integrated with the hardtop of the 4700. Behind the composite windshield, the 4700 incorporates a hinged helm console, with full engine instrumentation and an admiral full double-wide helm seat which is adjustable forward to aft, up and down. Intuitive design plus time-tested placement of gauges, throttles, and controls, ensure that being behind the helm is akin to a ride on cloud nine. The aft of the 4700 offers a standard swim platform, extending the 4700 by an extra 52 inches. This extra space provides room for a personal watercraft, an inflatable dinghy, and / or plenty of room for family and friends to enter and exit the water on a diamond patterned non-skid surface. Rear storage space is built-in and accessed through a hydraulically actuated fiberglass hatch. Belowdecks, the 4700 features plush leather seating, Corian countertops, stainless steel sink, abundant storage, and a built-in 22-inch flat screen TV with DVD technology. The lounge features a folding birds eye maple / teak table which converts to berth, increasing sleeping accommodations to six. The master stateroom boasts a queen-size pedestal bed, with spring mattress, and storage below. The second stateroom comes with two overlapping, bunk style beds. The second stateroom also has it's own access to the head.

Mechanical

Twin Cummins QSM11-M, 4-cycle, inline 6-cylinder, turbocharged and aftercooled

Cummins SmartCraft Digital displays

ZF Marine transmission

Glendinning electronic engine controls (2 stations)

Espar Diesel furnace

Watermaker
