

Background

TiE Global Summit is the largest Global Entrepreneurial Leadership Summit that takes place once a year across the Globe. This is the 2nd edition of TGS, which took place in Mumbai on the 21st & 22nd of Feb, 2018. This Summit, in partnership with the leading agencies of the Government of India, 20+ TiE chapters from India, USA, Canada, Singapore, Hong Kong, Australia and Dubai, and global venture capital funds is a culmination of Global Wealth Creators with Global Innovators.

TiE Global Summit has seen the participation from successful entrepreneurs, industry leaders, leading investors (VCs, PE, Angels & Banks), senior corporate professionals and academia. In addition, myriad-networking opportunities created at the event makes it a hot bed of ideators, potential leaders and influencers.

Key Highlights

Global Speakers - The summit brought a chance to meet & listen to the international speakers and distinguished delegations talking about their experience of how they get where they are today. Eminent speakers from various industry joined the event and shared their thoughts on various subjects.

The Angels Pitch room - Many Startups has showcased their ideas at the multiple investor sessions conducted where startups were able to pitch for investments, network and meet mentors.

There was a dedicated investor pitching session organized exclusively for **iStart Rajasthan** curated startups. The session gave a golden opportunity to all the curated startup entrepreneurs from Rajasthan by bringing them to one platform where they have pitched their ideas of various fields such as healthcare, banking, education, e-commerce et al to the investors from across the globe.

Growth & Innovation Workshops - Various business accerleartion workshops were conducted in the event which was a great advantage to the budding entrepreneurs who participated in the summit.

Speed Networking - During the course of the 2-day summit, a zone was created for speed networking where attendees met each other for 2 mins each to introduce themselves on one-to-one basis.

Curated Mentoring - There were curated sessions with startups, showcasing the sector overview of areas such as finance technology and healthcare. There were also focused sessions for startups, which encapsulated areas of ideas to market and on the challenges startups face.

Meet the network enablers - Selected startups got a chance to meet with Global Charter Members , and get mentoring in slots of 15 mins each to gain valuable insights from the leaders from around the world.

Exhibition - The summit also hosted a exhibition where the various products/ services were showcased by the different startups. The **iStart Rajasthan** also participated in the exhibition and brought together the startups of Rajasthan to showcase their latest inventions that has brought a crucial impact in the society.

Conclusion

TiE Global Summit went on really well and witnessed the meeting of the global wealth creators with the global innovators. The event also gave opportunity to new startups to gain knowledge and mentorship from the Charter Members present from around the world.

This is the 2nd edition of TGS organised in the country. The next summit should continue in the same vein setting the first step towards the next 25 years of Business & Innovation and providing opportunities to the young population to come up and showcase their talents at a grand stage and get a chance to meet and network with like minded entrepreneurs , senior management of the top corporates and gain valuable insights from the leaders of today and tomorrow.
