More Capabilities with your VoIP Phone: CommPortal

How would you like to search for an FHSU phone extension, and with one click, call that extension; how about update/change your voicemail pin; listen to a voicemail message on your phone or mobile device; or send an incoming call directly from your computer? With the recent phone conversion & new VoIP phones installed throughout campus, YOU CAN! You can do all these things and much more from your desktop and/or laptop computer by using CommPortal.

CommPortal is an application that allows you to configure various settings and features for your FHSU Polycom phone extension. It can be accessed using an Internet browser or installed as an application onto a Windows computer for convenient desktop toolbar access. User guides on how to use and/or install CommPortal can be found on our FHSU Telecommunications webpage, www.fhsu.edu/telecom.

- Access CommPortal from your internet browser / Download & Install the CommPortal Assistant: [Click here](#)
- Use the CommPortal Call Manager to set up rules and schedules for routing incoming calls: [Click here](#)

Nex-Tech, along with our Telecommunications department, will be providing open lab sessions to allow each of you the opportunity to stop by, discuss any questions you may have regarding CommPortal, or receive assistance installing the application to your computer. Currently, there are two (2) come-and-go sessions available to attend (see below).

- *Thursday, October 26: 1:00pm – 3:00pm*
- *Friday, October 27: 9:00am – 11:00am*

Because these sessions are come-and-go, it is recommended that you review the information provided on the Telecom website prior to attending.

The second 2017-18 Faculty Development Funding application due date (to provost with chair and dean approval) is November 1

The Faculty Development Funding application process remains in Lotus Notes. Use this link to access the FDF application in your **Lotus Notes Workspace***. Please read instructions and guidelines (blue buttons in left menu of the LN process) **prior** to completing the form. Track the progress of your submitted application by returning to "Faculty Development Funding" on LN Workspace.

- **Check with your chair and dean for earlier department/college deadlines.**
- *Only those applications completing chair and dean approval by September 20 will be considered in this cycle.*
- Funding decisions will be relayed approximately 3 weeks following the due date.
- Bank Roll Over is an option available for higher cost events (more than \$3,000) taking place in the *next* academic year (18-19). This requires applying twice, once in 17-18 and again in 18-19. Contact the Office of the Provost for additional details.

* **Alternate instructions** for accessing the FDF process in Lotus Notes: Open LN Workspace. Use Ctrl O **or** Command O **or** go to the top menu and click File, pull down to Open and then IBM Note Application. Any of these will bring up the "Open Application" box. Next to "Look in" it might say "On My Computer." Click the arrow next to this box to switch it to "LNapps/FHSU." In the box below, scroll down to "apps" and open, then scroll down to "Faculty Development Funding" and open. The process will open and will also be placed on your Workspace for future use.

The next 2017-18 due date is February 1. If you have any questions or would like assistance accessing and/or completing the FDF form, please contact Janet Kohl at jakohl2@fhsu.edu or by phone, 4207.

Upcoming Changes in Filing Claims for Injuries at Work

As in the past, an employee must report any work-related injury to his/her supervisor. The injured employee's supervisor is responsible for filing a claim through the SSIF portal.

The State Self Insurance Fund has sent the following announcement:

The State Self Insurance Fund (SSIF) is excited to announce the launch of a new web portal to enter claims electronically. When you access the link below, you can complete the required fields and submit the claim. The attachment contains the information required to submit a claim electronically. After submitting the claim, you will receive a confirmation email (to the email provided in the web portal claim submission process) along with a claim number. The information you entered will go directly into SSIF's database allowing for a real-time submission of the claim which will benefit the injured employee and assist the staff authorizing/directing medical treatment and answering questions in general in a more timely manner for the injured employee. All other documentation, return to work slips, etc. should be emailed to wc1101a@ks.gov. There will be a transition period where SSIF accepts claims via paper, email, fax and web portal. Beginning November 1, 2017, SSIF will no longer accept mailed, faxed or emailed paper claim forms. All claims will need to be submitted through the SSIF web portal. If you have any questions, please contact SSIF at 785-296-2364 or via email at wc1101a@ks.gov.

You may access the SSIF portal through this link: <https://kansas.systemasoft.com/Sims/PortalNew.aspx?insurancelineid=1>.

If an employee suffers a life-threatening or limb-threatening injury at work, he/she should immediately be taken to the nearest Emergency Room. For less serious injuries, the employee should call/go to the Work Smart Clinic, located in the Hays Family Medicine Building, 2509 Canterbury, Hays, KS, phone 785-623-6270.

Additional information is available at www.fhsu.edu/physicalplant/environmental-and-safety/work-related-injuries/.

Red Flag Campaign

October is Domestic Violence Awareness Month, and the Women's Leadership Project will once again be holding the Red Flag Campaign here on campus. We will be promoting a bystander intervention strategy to address and prevent sexual assault, dating violence, and stalking on college campuses. The campaign encourages friends and other campus community members to say something when they see warning signs ("red flags") for sexual assault, dating violence, or stalking in a friend's relationship.

Visit the Red Flag Campaign's website at www.theredflagcampaign.org.

For more information, or if you have any questions, please contact us at womensleadershipproject@fhsu.edu or call us at 768-628-4312.

TGOF Has Prizes

On Friday be watching on campus for the TGOF feather flags. TGOF Committee now has two feather flags that we set out one or more times per month on campus or in the community. Anytime someone takes a selfie with the flags and tag the photo #TGOF, they are entered into a drawing at the end of the month for a prize from one of our TGOF Businesses.

Questions? Call TGOF co-chairs: Mary Ridgway @785-628-4521 or Kelsey Stremel at 785-628-4741.

The fair will have representation from every academic department, Career Services, Honors College, Study Abroad, Graduate School and the Academic Advising and Career Exploration Center in one room to answer academic inquiries for current and prospective FHSU students. This provides freshmen an opportunity to confirm and explore academic majors, and sophomores a chance to confirm their major and learn ways to expand their involvement in their department. For juniors and seniors it's an opportunity to fill knowledge gaps on how to prepare for graduate school and/or the work force.

The AACE Center staff would be happy to come and talk with your class about the Majors and Graduate Programs Fair (what to expect, benefits of attendance and how to get the most out of the event). If you are interested in a 15 minute presentation for your class, please email me your course section, preferred date of presentation, time of class and we will get you scheduled. Scope & Requirements Management

Tuesday & Wednesday, October 24 & 25; 9:00am to 4:00pm
Sternberg Museum

Managing scope on a project is one of the most difficult and demanding jobs of a project manager. Pinning down the project scope starts with a clear understanding of the needs and expectations of the key stakeholders. It involves more than just knowing what needs done. It also requires knowing what not to do and how to manage the changes that inevitably come up during a project.

In this Management Development Center Workshop, participants will work in teams to develop a project charter, gather requirements, write a scope statement and create a Work Breakdown Structure (WBS), as well as learn to manage scope once the work begins.

This workshop is facilitated by Christina House. Please view the full details on our website:

<http://www.fhsu.edu/cob/mdc/Scope-and-Requirements-Management/>.

Because we partner with the Wichita State University Center for Management Development, this workshop is not complimentary to FHSU employees. However, you or someone you know, can register online here:

<http://cmd.wichita.edu/Courses/scope-requirements-management-in-hays-kansas/>.

Contact Hannah Hilker at (785) 628-4121 or hehilker@fhsu.edu if you need assistance with registration.
