

Tiguan

2013

Das Auto.

Information Provided by
DEALER
STANDARD

Responsibly wild.

You can have your road and drive it too, with the best-of-both-worlds 2013 Tiguan. Sleek yet bold, sizable but also compact – its versatility shines with rear seats that not only recline and fold down but also slide forward or back for more rear cargo room or rear passenger leg room. Standard safety features like front passenger front and side airbags along with front and rear Side Curtain Protection® are there for your peace of mind. The Tiguan's available 4MOTION® all-wheel-drive off-road capability, on the other hand, is there for whatever comes to mind.

No-nonsense. Okay, maybe a little.

We took building the 2013 Tiguan very seriously. You can see that in its fluid yet rigid structure, the result of energy-absorbing deformation zones and various protective systems. Then we powered it with a 2.0 TSI turbocharged direct-injection 200-horsepower engine. It's the same engine that adds adrenaline to the Golf GTI. When you combine that kind of performance with the dynamic handling that comes with the Tiguan's compact architecture, you're in for one serious drive.

Key Features

Features

Available Technology Package with RNS 510 navigation and Dynaudio® sound system*

The path to your destination, or your parking spot, will be just as clear as the music piping out of the speakers with the available Technology Package in your 2013 Tiguan.

Available Bi-Xenon headlights with AFS and LED Daytime Running Lights*

In every way, our lights go farther. Not only brighter than regular bulbs, the Bi-Xenon lights with Adaptive Front-light System turn up to 13 degrees around corners before you do. On top of that, the LED Daytime Running Lights last significantly longer than traditional headlights while consuming less energy.

R-Line Package*

Give your Tiguan an athletic aesthetic, both inside and out, with the sporty R-Line Package.

Panoramic power sunroof*

The panoramic, power-sliding sunroof gives a whole new meaning to the term "open road".

2.0 TSI engine with impressive 200 horsepower and 207 lb-ft of torque

This award-winning turbocharged engine has 200 horsepower and 207 lb-ft of torque. In plain English, it's fast and powerful.

60/40 split-folding and sliding rear seats for maximum versatility

The Tiguan's rear seats offer a world of possibility. With their ability to fold, recline, and slide back and forth, you can either stretch your cargo space or stretch your legs out.

More Features

Fold-flat front passenger seat for transport of long items

If you're looking to take something long for a haul, the Tiguan's front passenger seat folds down to accommodate items up to 2.5 metres long.

6-speed manual or automatic transmission with Tiptronic*

Whether you opt for manual or decide to go for automatic transmission with Tiptronic®, the Tiguan's driving dynamics will not disappoint.

Available 4MOTION® all-wheel drive system

With 4MOTION®, the 2013 Tiguan can navigate almost any terrain with ease by instantly reacting to changes in wheel slippage and adjusting power to each individual wheel accordingly.

Specifications

Trendline

Engines:

- 2.0 TSI 200 hp, 6-speed manual transmission
- 2.0 TSI 200 hp, 6-speed automatic transmission with Tiptronic®
- 2.0 TSI 200 hp, 6-speed automatic transmission with Tiptronic® 4MOTION®
- Maximum torque: 207 lb-ft at 1,700–5,000 rpm

Trendline includes:

- 16" Portland alloy wheels with anti-theft locks and all-season tires
- 60/40 split-folding/sliding rear seats with recline feature
- 8-way manually adjustable front seats with lumbar support and passenger seat fold-flat function
- Auxiliary input
- Cargo volume: 23.8 ft³ (674 L)
- Chrome front grille
- Cruise control
- Diversity antenna
- Driver and front passenger front and side airbags and front and rear Side Curtain Protection®
- Electronic parking brake
- Electronic Stability Control (ESC)
- Exterior temperature display
- Front and rear floor mats
- Front fog lights
- Manual climate control
- Multifunction trip computer and indicator
- Power heatable and adjustable exterior mirrors
- RCD 310 radio with single in-dash CD player and 8 speakers
- Tire Pressure Monitoring System (TPMS)

Trendline 4MOTION® adds the following additional equipment:

- Bluetooth® mobile phone connectivity with voice activation
- Leather-wrapped multifunction steering wheel and shift knob

Optional Equipment:

- Cold Weather Package
 - Heatable front seats and washer nozzles

Comfortline

Engines:

- 2.0 TSI 200 hp, 6-speed manual transmission
- 2.0 TSI 200 hp, 6-speed automatic transmission with Tiptronic®
- 2.0 TSI 200 hp, 6-speed automatic transmission with Tiptronic® 4MOTION®
- Maximum torque: 207 lb-ft at 1,700–5,000 rpm

Comfortline includes Trendline plus:

- 17" Philadelphia alloy wheels with anti-theft locks and all-season tires
- 8-way partial-power driver seat
- Black roof rails
- Bluetooth® mobile phone connectivity with voice activation
- Comfort seats with seatback pockets
- Heatable front seats and washer nozzles
- Leather-wrapped multifunction steering wheel and shift knob
- Leatherette seating surfaces
- Media Device Interface (MDI) with iPod® connectivity
- Panoramic power sunroof
- Premium 8 radio – touch screen with 6-disc CD changer and 8 speakers
- Privacy glass
- SIRIUS® Satellite Radio integrated

Optional Equipment:

- Technology Package
 - Dynaudio® premium audio system – 300-watt digital sound package
 - Rearview camera
 - RNS 510 navigation system – touch screen with 30 GB hard drive

Sport Package

- 18" Pasadena alloy wheels with anti-theft locks and all-season tires
- Bi-Xenon headlights with LED technology and Adaptive Front-light System (AFS)
- Silver roof rails
- Sport suspension

Highline

Engine:

- 2.0 TSI 200 hp, 6-speed automatic transmission with Tiptronic® 4MOTION®
- Maximum torque: 207 lb-ft at 1,700–5,000 rpm

Highline includes Comfortline plus:

- 12-way power adjustable driver seat with power lumbar support and memory
- 18" New York alloy wheels with anti-theft locks and all-season tires

- Bi-Xenon headlights with LED technology and Adaptive Front-light System (AFS)
- Black interior roof lining
- Flared wheel arches
- Rear spoiler
- R-Line exterior badging
- R-Line metal pedal caps and door sills
- R-Line sport steering wheel
- Sport suspension

Think Blue. It's how we put more thought into what and how you drive.

Fuel Consumption*	Engine	City L/100 km	Highway L/100 km
Manual	2.0 TSI	12.0	7.7
Automatic	2.0 TSI	9.6	7.4
Automatic	2.0 TSI 4MOTION®	10.2	7.8

* Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Your fuel consumption may vary.

TSI – TSI brings together the power of FSI® direct fuel injection with the extra boost of a turbocharger. The end result? An ultra-efficient engine that provides maximum torque from 1,700 to 5,000 rpm, gives you outstanding performance through a wide range of speeds, power when you really need it, ultra-low fuel consumption and, ultimately, lower CO₂ emissions.

Comfort high, fuel consumption low. Air conditioning and other auxiliaries add comfort, but rapidly consume fuel. So when the weather is nice, open your windows for some fresh air and let the heat escape. In the winter, turn off your seat heaters once warm and your defrosters once clear. Just a few ways that we can all Think Blue.

Think Blue.
