JAMES PATTERSON'S

#1 *New York Times* bestseller is now available in premium-size!

“Patterson has always been an expert at conceiving chilling villains.... [The Private series] is wide-ranging and marvelously conceived.”
—BookReporter.com

“James Patterson knows how to sell thrills and suspense in clean, unwavering prose.”

—People

Paris is burning—and only Private can put out the fire.

When Jack Morgan stops by Private's Paris office, he envisions a quick hello during an otherwise relaxing trip filled with fine food and sightseeing. But Jack is quickly pressed into duty when his client Sherman Wilkerson asks him to track down his young granddaughter who is on the run from a brutal drug dealer. Before Jack can locate her, several members of France's cultural elite are found dead—murdered in stunning, symbolic fashion. The only link between the crimes is a mysterious graffiti tag. As religious and ethnic tensions simmer in the City of Lights, only Jack and his Private team can connect the dots—before the smoldering powder keg explodes.

For Dusty McNeil, falling for Amy Lyndon is completely out of the question. But the more he gets to know her, the more he wants to teach her about the things he loves. He also knows that whatever is between them can't last, since he's locked in a legal battle with her father over a valuable piece of land. But Amy is used to getting what she wants—and this time, she wants Dusty.
