RE: THE TOP 100 HITS OF 1978 - Eight Hour
Version

December 9, 1978

For those stations electing to air program #784-12 (#100 - #51) and program #784-13 (#50 - #1) back to back, here is a suggestion for accomplishing this feat. At the end of side 4B on program #784-12, Casey does the outro for #51 Imaginary Lover by the Atlanta Rhythm Section. There is a beat between the end of the outro and the beginning of the closing theme. It is at this point that you should cut away from the program and go to a commercial, a station jingle or whatever you have planned. I strongly suggest that you listen to the disc in advance.

For those stations that do not plan to run all eight hours at once, just let the disc track after the outro for #51. The theme will hit, Casey will close the show and invite everyone to join him next week for the second half of "THE TOP 100 HITS OF 1978".

HAVE A HAPPY HOLIDAY SEASON

*Bob - we will carry
this on 2 Saturdays*
