You will need to use certain types of computers or personal devices, obtain an internet account, and use compliant browser software to use your Online/Mobile Branch. The installation, maintenance, and operation of those items are your responsibility. We are not responsible for any errors or failures of your computer equipment or internet connection software. Your Online/Mobile Branch can be used at any time, 24 hours a day; however, certain system maintenance or malfunctions may make it unavailable at times.

Your Liability for Unauthorized Transactions

Tell us AT ONCE if you believe your password has been lost or stolen and immediately change your password from within the Online Branch section. Calling is the best way to notify us immediately. You could lose all the money in your account (plus your maximum courtesy pay). If you tell us within two (2) business days, you can lose no more than \$50 if someone used your password without your permission.

Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was sent to you, you may not get back any money you lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If you believe your password has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call or write us at the telephone number and address listed below in the "How to Notify Us" section.

Error Resolution

In case of errors or questions about Online/Mobile Branch; if you think your statement is wrong; or if you need more information about a transfer listed on the statement, call or write us at the telephone number or address listed in this disclosure, as soon as you can. We must hear from you no later than 60 days after we send the first statement on which the problem or error appeared.

1. Tell us your name and account number
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is error or why you need more information
3. Tell us the dollar amount of the suspected error

We will tell you the results of our investigation within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this we will re-credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or questions in writing and we do not receive it within 10 business days, we may not re-credit your account.

If we decide that there was no error, we will send you a written explanation within three business days after we finish our investigation and your account will be adjusted accordingly. You may ask for copies of the documents that we used in our investigation.

****If you give notice of an error within 30 days after you make the first deposit to your account, notice of an error involving a point-of-sale (POS) transaction, or notice of an error involving a transaction initiated outside the U.S., its possessions and territories, we will have 90 days instead of 45 days to investigate the error.**
