

# TOOLBOX SYSTEMS

## TOOLBOXES THAT GET THE JOB DONE

All toolboxes are not created equal. Professionally engineered to handle up to 250 lbs\* of storage, toolboxes by UWS® and GMC Accessories are made from commercial-grade aluminum to withstand virtually anything you throw at them or in them.

### SINGLE-LID DEEP-WELL TOOLBOX

The strength and dependability you rely on and security you count on. This patented, fully foamed lid creates a rigid wall that was designed to help prevent bending or warping. The box and lid handle heavy loads and can withstand the impact from dropped tools. Accompanying coated J-hooks protect your truck from scratches and make for easy installation.

### LOW PROFILE TOOLBOX

This toolbox is built two inches lower than other UWS® toolboxes, providing a sleeker look and better view from the rear window of your truck. Available with a secure paddle lock. Also offered in Silver.

### GULLWING TOOLBOX

This toolbox combines convenience and security with half-box access. An innovative connecting rod enclosure helps prevent the box contents from bending or jamming the locking system. With a slight pull, the self-closing struts automatically shut the lid and secure the toolbox. Coated J-hooks provide your truck protection from scratches and assist in easy installation.

# A TOOL BOX THAT WORKS FOR A LIVING.

## RHINO LININGS® STEEL TOOL BOX BY LUND®

Help protect the tools and gear that keep you on the job with a tool box that works for a living. The Rhino Linings® Steel Tool Box by Lund® helps to keep contents safe, dry and secure in a 22-gauge steel vault protected by a thick, seamless elastic polyurethane coating.

### THE RHINO LININGS® COATING:

- Bonds permanently with steel and helps to extend tool box life
- Provides a rugged look and helps to deliver excellent skid, scratch and impact resistance
- Helps to resist water, acids, alkalis, oils and grease, cleaning chemicals, fertilizers and salts
- Uses an environmentally friendly formula

### RHINO LININGS® STEEL TOOL BOX BY LUND® FEATURES:

- Coated J-hooks help to protect the cargo bed rails
- A three-finger, double-latch paddle handle offers added security
- A weather-resistant gasket helps to keep dirt and moisture out
- Nearly 90-degree lid opening, a piano-style hinge and industrial-grade shock to dampen lid opening/closing
- Assembled in the USA and backed by LUND®'s limited lifetime warranty\*
