TORCHES

The source of the light is modern, high efficient LED diodes.

In comparison with traditional bulbs, LED diodes have characteristic very clear, closer to daily colour of light.

The sheaf of the light is very even without circles and smudges characteristic for traditional bulbs.

New generation LED diodes secure the combination of maximum clarity and durability.

The compilation of all content on Stanley Sites is the exclusive property of The Stanley Works (or the Affiliate identified in any copyright notice on the site) and is protected by United States and international copyright laws.

USE

Viewing a Stanley Site creates a copy of Stanley materials in your computer's random access memory and/or in your hard drive and/or in your proxy server. You are hereby permitted to view this site and to print pages for your own personal, noncommercial use, provided that you do not modify, copy, distribute, transmit, display, perform, reproduce, publish, license, create derivative works from, transfer or sell any information, material, software, printouts or services from the Stanley Site. The materials published in printed version of catalogue and Stanley Sites may not be copied, distributed, republished, uploaded, posted or transmitted in any way without the prior written consent of The Stanley Works or its appropriate Affiliate.

TRADEMARKS

The trademarks, service marks and logos (the "Trademarks") used in printed version of catalogue and displayed on Stanley Sites are registered and unregistered Trademarks of The Stanley Works, its Affiliates and others. Nothing in printed version of catalogue and on any Stanley Site should be construed as granting, by implication, estoppel or otherwise, any license or right to use any Trademark displayed on the site without the prior written consent of the Trademark owner. STANLEY, STANLEY in a Notched Rectangle design, BOSTITCH, CONTACT EAST, GOLDBLATT, HUSKY, JENSEN, LABOUNTY, MAC, FACOM, VIRAX, PROTO, VIDMAR, and ZAG are some of the registered and unregistered trademarks owned by The Stanley Works and/or its Affiliates ("Stanley Trademarks"). Stanley Trademarks may not be used in connection with any product or service that is not manufactured by or under license from The Stanley Works or its appropriate Affiliate.
