Toro finance offers and competitions are only available through the Toro independent dealer network.

*Available to non-ABN holders and approved applicants only. Fees, terms, conditions & minimum finance amounts apply, incl \$99 Annual Fee charged on the account open date and annually on the anniversary of that date. Interest, (charged at the Expired Promotional Rate) payable on outstanding balances after any Interest Free Period. See skyecard.com.au for current interest rates. †The indicative repayments is only an estimate and results should be used as an indication only. They do not represent either a quote or pre-qualification or approval. To take advantage of the Interest Free Period, the indicative monthly repayments stated would need to be made by the due date for each statement period. Therefore, you repay the purchase amount on your Skye Mastercard in full within the Interest Free Period. This monthly repayment excludes the \$99 Annual Fee. The Annual Fee must be paid in full within 90 days of it being charged or interest will be charged on it.
