SHELBI'S STORY

September 14, 2012

This is the story of a young girl's dream and desire to help someone in need.

5 years ago Shelbi Low was in a preschool program; where she met a little friend who was in a wheelchair, due to an illness. Being an inquisitive 4 year old, she asked all kinds of questions about why he was in this chair. The teachers were very helpful and informed all of the children as to why. They also told them how expensive these chairs were and that they would be required for a long time, as the child grew. He would need new ones to accommodate him growing. That is when they were informed that tabs from drink cans were used as a donation with certain associations to help pay for new wheelchairs.

That evening Shelbi came over to her grandparents' house and Grandpa was having a beverage from a can. She told him that she needed the tab; when he asked why, she told him for a wheelchair. He asked her why she needed a wheelchair and she told him it was not for her, but for her friend.

After some investigating on the internet, we learned that this was true and from that day forward everyone that knew Shelbi started helping her collect the tabs.

As the collecting went on we tried to find out how to donate the tabs, with no success. In a conversation with a friend, Bill Hand, the topic of the tabs came up and he advised the grandparents that he knew how to handle this and that Shelbi could donate her tabs to the Independent Order of Oddfellows. So today, she is donating her tabs to the IOOF Lethbridge Lodge #2. They will in turn, purchase not one but 2 wheelchairs in Shelbi's name for a child in need of them.

Along with Shelbi's parents, grandparents, her sister, friends of friends and some restaurants, clubs and a school, tabs have been collected from parking lots, parks, recycle cans on golf courses, our homes and businesses. Anytime and anywhere we saw one, we pick it up.

Today after 5 years Shelbi, now 9, is very proud to donate over 80 gallons of these tabs and to make her dream come true. The 80+ gallons turned into 241 pounds.

Shelbi would like to thank everyone that helped with this and also let us know that she is not done with this dream and will continue to save them for children in need.

Your vote is important!

BY-ELECTION 2012

HOW DO I KNOW I AM ELIGIBLE TO VOTE?

If you are 18 years of age, a Canadian citizen; have resided in Alberta for the six consecutive months immediately preceding Election Day and are a resident of the Town on Election Day you are eligible to vote in the Town Election.

Ballots can be cast at the Coalhurst Community Centre (Ron Coombes Room) on By-Election Day (Monday, October 15) from 10:00 a.m. until 8:00 p.m. Upon entering the voting station report to the Deputy Returning Officer who will ask you to sign a register indicating that you are eligible to vote. You will be given your ballot and instructed to step into one of the voting compartments so you can vote in private. You have one vote for Councillor. After you have marked your ballot give it to the Deputy Returning Officer for deposit into the ballot box.

HOW SHOULD I MARK MY BALLOT? With an "X" on the right hand side of the ballot opposite the name of the candidate you have chosen to vote for.

WILL THERE BE AN ADVANCE VOTE? OR AN INCAPACITATED VOTER VOTE? An Advance Vote has been arranged for the convenience of voters who expect to be absent from the Town on By-Election Day. The Advance Vote will be held Thursday, October 11th from 10:30 a.m. to 12:30 p.m. and from 6:00 p.m. to 8:00 p.m. at the Town Office – 100 - 51st Avenue, Coalhurst. If you are incapacitated, arrangements can be made to bring a voting station to your home. Please call the Town Office no later than 4:30 p.m., Wednesday, October 10th to make the necessary arrangements.

ARE THERE ANY RULES OF CONDUCT IN THE POLLING STATION? Yes, you will be asked to leave if you are intoxicated or making a disturbance of any kind. You should not "visit" with a neighbour or acquaintance in the polling station; if you do you will be asked to go outside to do your visiting.

WHO WILL BE IN THE POLLING STATION WHEN I ARRIVE? Besides the Returning Officer, the Presiding and Deputy Returning Officers and

residents casting their vote you may find one or more candidates or their agents. Candidates or agents are allowed in the polling station as observers only and cannot converse with you as a voter.

WHAT HAPPENS AFTER THE POLLING STATION CLOSSES? Only the Returning Officer, the Presiding and Deputy Returning Officers and the Candidates, or their Agents, are allowed in the polling station after the poll closes. The Returning Officer will open the sealed ballot boxes and counting will commence. If everyone is in agreement after all the ballots are counted the unofficial results are announced. If there is disagreement the ballots may be re-counted.

WHAT HAPPENS IF THE TWO CANDIDATES RECEIVE THE SAME NUMBER OF VOTES? Both names will be put into a hat and the name drawn out will be counted as having one more vote than the other candidate.

WHEN ARE THE RESULTS FINAL? At noon on the fourth day following election day, the Returning Officer will post the official results of the vote showing how many votes each candidate received.

WHY THE DELAY BETWEEN ELECTION DAY AND THE DAY THE RESULTS ARE PUBLISHED? This allows time for the candidates to decide if they will request a recount. A candidate must show good cause before the Returning Officer will consider a recount.

IS THERE ANY OTHER RECOURSE IF A CANDIDATE FEELS THERE HAS BEEN INCONSISTENCIES IN THE ELECTION? Yes, he/she can apply to the Court for a judicial recount or for a ruling where other rules have been broken. The judge has the power to order a new election.

Fire Prevention Week
October 7-13, 2012

Town of Coalhurst

September 26, 2012

In case of a fire...do you have two ways out?

Fire Prevention Week highlights importance of fire safety

Edmonton... Having two ways out can help save your life if your first escape route is blocked by smoke or flames.

This year's theme for Fire Prevention Week (October 7 to 13) is *Have 2 ways out*. Fire Prevention Week is an important public safety campaign designed to raise awareness of fire safety. This year the focus is on ensuring you and your family have two ways out of every room.

"Fire Prevention Week reminds us that we can all make small changes to help keep our families and communities safe and secure," said Minister of Municipal Affairs Doug Griffiths. "I have two ways out and I practice our family's fire escape plan with my children regularly. I encourage all Albertans to do the same."

Ensure everyone in your home knows what to do if the alarm sounds or if there is smoke or fire. Follow these simple tips to help keep you and your family safe:

- Get out quickly if there is a fire. Fire moves extremely fast. You may have only three minutes or less before the toxic smoke overtakes you.
- Teach children to never hide in closets or under beds.
- Choose two ways out of every room. If heat or smoke blocks the usual fire exit (door), then use the second way out (another door or a window).
- If you live in an apartment building and the smoke alarm goes off, never use an elevator.
- Choose a family meeting spot, a safe distance away from the home.
- Practice, practice, practice.

"By taking the time to develop a plan and practice it, everyone in your home will have the knowledge and confidence they need in the event of a fire," said Trent West, Alberta Fire Commissioner. "I encourage all Albertans to talk about fire safety and have two ways out."

It will be a mixed level class so anyone is welcome to join! ISHTA yoga has aspects of a Vinyasa flow class, which keeps everyone constantly moving. ISHTA yoga embraces the fact that we are all different! Yoga practice, not performance!

BYLAW ENFORCEMENT INFORMATION

It is now October and I would like to remind everyone that The Town of Coalhurst Traffic Bylaw does not allow recreational trailers unhitched on the roads after September. I ask that you find a place to store your trailers for the winter, as I will be patrolling Town and issuing tickets for any recreational trailer that is on a road unhitched.

The Town of Coalhurst By-law #313-06 Part 10 Section 1010 and 1011 says:

1010.” No person shall park any trailer (whether designed for occupancy by persons or for the carrying of goods and equipment), upon any highway unless said trailer is attached to a vehicle by which it may be propelled or drawn and when so attached the trailer shall be deemed part of the vehicle and subject to the regulations pertaining to vehicles.”

1011. “Notwithstanding Section 1010, a person may park a recreational trailer upon a highway, for a period not to exceed 72 hours and for the purposes of loading and unloading only, during the months of June through September provided that in so doing no obstruction is caused to vehicular or pedestrian traffic.”

Any person or owner who parks a trailer on a public road which is not attached to a vehicle is liable to receive a fine of \$50.00 and get their trailer towed at their own expense. If you have any questions or concerns about this or any other Bylaws of the Town of Coalhurst or would like to file a complaint please contact me at the Town Office at 403-381-3033 or on my cell phone at 403-915-4440.

With Appreciation,

Alex McLeod
Bylaw Enforcement Officer

Coalhurst Elementary School

This month our school is participating in 'Adopt a School' through Indigo Books.

All funds raised by our school will be used to buy new books for the library. We cannot do this alone- we need your help to ensure our school raises enough money to fill our library with new books for our children.

On or after September 16th, 2012, please visit <http://adoptaschool.indigo.ca> and "ADOPT" our school. This costs nothing, Indigo will donate a book to our school every 50 times we are adopted.

Make a donation or buy an Indigo e-gift card on the same web site. For each e-gift card sold, Indigo will donate one book to our school. They can be redeemed at Indigo, Chapters or Coles stores and online at chapters.indigo.ca or kobo.com.

We thank you in advance for helping us. Let's work together to fill our library with new books.

Please visit us online at <http://www.coalhurstelementaryschool.ca>.

WELCOME:

Welcome Back Everyone! We're back in the swing of things. It's hard to believe that one month of school has passed already. It's been a wonderful start to the new school year.

Parking Lot Safety

It is important that you avoid the use of the school parking lot as a drop-off and pick-up station for your children. There are many people, including toddlers that walk through this parking lot. When backing out of the lot, it may be impossible to see smaller children if they emerge from between the parked vehicles. Thank you for respecting this safety concern. Drivers with handicapped parking permits are, of course, encouraged to use the handicapped parking that is available.

CES Website & On-Line Newsletter:

Make sure you check out our web site, as new items are being added daily. Some teachers are now using the site for homework updates. Please help us make the paper newsletter obsolete. With our web site, (www.coalhurstelemnetaryschool.ca) we are striving to save paper and make the newsletter available on the web. We understand that some people do not have access to the internet, so there will be paper copies of the newsletter available in the office. Please let us know if you no longer need a paper copy of the newsletter.

Picture Retakes:

School picture retakes will be on **October 25, 2012**. Any student who was away or parents who are not happy with their child's first photo can have their picture taken on this day. We will also be taking the class pictures at this time.

IMPORTANT MESSAGE:

We cannot stress enough how important it is that every person coming into our school that is not on staff or a student attending school **MUST** sign in at the office. The

purpose of signing in at the office is one of safety. In case of an emergency we **MUST** be able to account for every individual who is in the school.

Electronic Devices at school:

We ask that personal electronic devices, such as Game Boys, Ipods, and cell phones be left at home during school hours. When these devices come to school they are a distraction to your child and their classmates. If these items must come to school, they are to be left in back packs until the end of school. Electronic items will be taken away from students and they can get them back from the office at the end of the school day.

Terry Fox Run:

CES participated in the Terry Fox run on Thursday September 27, 2012. As a school we raised \$271.55, thanks for all the families that donated.

Congratulations:

One of our grade 4 students, Shelbi Low was recently honoured by the IOOF. Her name has been placed on 2 wheel chairs she helped to raise funds for, by collecting pop tabs since she was 4 years old. CES is once again collecting pop tabs as well as campbells soup can labels.

Library News:

CES once again will be holding our Fall book fair. Thursday October 11, 2012 6-9 PM, Friday, October 12, 2012 8:00 AM -12:00 PM, Monday October 14, 2012 8:00 AM - 3:30 PM
Come out and check out the latest books available for our students. Don't forget that CES gets a percentage of the total sales to purchase books for our library. You will be encouraging your children to read and helping CES to expand our Library at the same time.

Curriculum Handbook for Parents 2012-2013

Alberta Education has introduced a new curriculum resource for parents. This is quite an improvement from the booklet and the charts that used to be available to describe curriculum from grade to grade. The resource is available at: www.mychildslearning.alberta.ca and includes a customizable package of information about what students learn in various subject areas at each grade level. Parents may customize the information they receive based on the courses that their child is taking.

Please visit us online at <http://www.coalhurstelementaryschool.ca>.

Coalhurst High School

Opening Assembly and Pizza With the Principal

What better way to start the New Year than with some fun and games? After the basic rundown and welcome back, Principal McIntyre introduced us to our first “Pizza With the Principal” competition. Everyone had fun as students randomly selected from all grades worked together in teams of four for a fun balloon popping relay. Students ran up and down the gym in pairs with a balloon held between their heads before sitting on the balloon to pop it so the rest of their team can go. The best out of four teams then competed against the “trained professionals” teacher team for their opportunity to win the pizza. In the end, the teachers were disqualified because of their outrageous headbands, but not before a good laugh!

Pancake Breakfast and Staff Hat Day

Parent council was kind enough to bring a pancake breakfast for all on September 21st. (Thank You!!) And to add to the amazing morning, the staff had their own crazy hat day, so we could enjoy the funny hats while munching on our yummy breakfast.

Boys Club

Boys in grade 5 through 9 are invited to participate in a weekly program from noon until 1:45 p.m. every Friday starting October 12. The programs take place at Coalhurst High School on Fridays when there is school, so not on holidays, There is no cost for the program– wear sneakers so you can enjoy the gym activities.

We will have a snack together (bring your lunch) and will enjoy recreational games, sports and other activities.

September Fires

A big thank you from all of us at CHS to Coalhurst Emergency Services and all those who helped ensure our school was evacuated promptly and safely during the September grass fire.

Toonie for Terry

Even if I don't finish, we need others to continue. It's got to keep going without me. “

-Terry Fox

Our school is proud have participated in the Terry Fox National School Run Day on September 27th! Students were encouraged to donate at least a “Toonie for Terry,” and as a school we managed to raise over \$500 for cancer research!

A big thank-you to everyone who participated and volunteered to help make this event a success!
