***Roll Of Honor:
A Roster Of Owasco Residents
Who Have Served In The U.S. Military Forces***

INTRODUCTION

Fellow Residents of Owasco,

Our updated and expanded Veterans Memorial Park is located just north of the Firehouse on Highway 38A. Local architect Mike Palmieri was the designer, and Bob Bruno and his crew developed it.

The Roll of Honor is a roster of almost 750 Owasco residents who have served in the U.S. Military from World War Two up to the present day. With the sponsorship of the Town Council and Supervisor Ed Wagner, Bob arranged for their names, service branches and dates to be engraved on brick pavers for the Park. Engraving was partially funded through the generosity of a corporate donor. Bob contributed many of the pavers and the labor to install them.

A roster of wartime veterans was begun in 2004 by Mr. Anthony Gero, local history teacher and author. Several years ago Laurel restarted his project, with the scope expanded to find and honor all Owascoans who have served in our military forces from WWII on, including wartime, peacetime, active duty and reserve duty. John Leonard, Owasco resident and Navy vet, assisted as a volunteer researcher and computerized our paper notes. We gathered information from many sources, including: veterans and their families; the Town Assessor's Office; the County Historian; cemetery listings; obituaries; newspaper archives; and Laurel's late husband Milo, an Army veteran. A special thanks goes to Leon Jessie of the Owasco FD, who gave us much information. For a few veterans we could find only names, but for 95% of the roster we were able to include service branch, period of service, medals, etc.

The Town held a final dedication ceremony at the new Park on September 16, 2016. The ceremony, which was open to the public, was well attended and made possible by the support of the Council, Supervisor Wagner and his staff. We thank the State, County, City and Town officials who attended and spoke - a complete list can be found in the beautiful Ceremony Program prepared by Town Clerk Tammy Flaherty. Our keynote speaker was General John P. Herrling, USA (Ret.), Owasco native and high school classmate of Rich Knaul and Laurel. The Owasco and Auburn Fire Departments' contributions included flying a 50-foot American flag as the backdrop. Swietoniowski-Kopeczek Post #1324, American Legion, provided Colors and Taps. The Invocation and Benediction were performed by Rev. E.J. de Waard of Owasco Reformed Church, and Susan May was our soloist.

Over the past four years we have worked to accurately and completely record each veteran from the information available to us, and to ensure that their information is correctly engraved. During this time, the project has been publicized through Laurel's articles in the Auburn Citizen newspaper; outreach from Tammy via emailings and the Town website; two public dedication ceremonies; phone calls and mailings made by us; and ordinary word of mouth. All veterans and their families have had the opportunity to contribute names and our project is now concluded. We are honored to have been a part of this worthy effort.

You're cordially invited to visit the new Veterans Memorial Park (and the new children's playground)! Owasco has much to be proud of, and thanks go to our veterans for their service.

Sincerely,

Laurel Auchampaugh

Town Historian
