The successful bidder, upon its refusal or failure to execute and deliver the Contract, certificate(s) of insurance, W-9 form, performance security or other documents required by this ITB within **ten (10) business days** of written notification of preliminary award, unless the Town otherwise agrees in writing, shall forfeit to the Town, as liquidated damages for such failure or refusal, the security submitted with its proposal.

Upon the successful bidder’s execution of the Contract in the form enclosed with this ITB, the Town shall return the proposal security to the successful bidder and to all other bidders.

15. PRESUMPTION OF BIDDER’S FULL KNOWLEDGE

Each bidder is responsible for having read and understood each document in this ITB and any addenda issued by the Town. Each bidder is deemed to be familiar with and is required to comply with all federal, state and local laws, regulations, ordinances, codes and orders that in any manner relate to this ITB or the performance of the work described herein.

By submitting a proposal, each bidder represents that it has thoroughly examined and become familiar with the scope of work outlined in this ITB, and it is capable of performing the work to achieve the Town’s objectives. If applicable, each bidder shall visit the site, examine the areas and thoroughly familiarize itself with all conditions of the property before preparing its proposal.

16. SUBSTITUTION FOR NAME BRANDS

“THIS ITEM IS NOT APPLICABLE TO THIS ITB”

17. TAX EXEMPTIONS

The Town is exempt from the payment of federal excise taxes and Connecticut sales and use taxes. Federal Tax Exempt #06-6002140. Exemption from State sales tax per Conn. Gen. Stat. Chapter 219, § 12-412(1). No exemption certificates are required, and none will be issued.

18. INSURANCE

The successful bidder shall, at its own expense and cost, obtain and keep in force at least the insurance listed in the Insurance Requirements that are a part of this ITB. The Town reserves the right to request from the successful bidder a complete, certified copy of any required insurance policy.

The successful bidder shall furnish a performance bond OR an irrevocable letter of credit covering the faithful performance of the Contract (the “Performance Security”). The Performance Security shall be the full amount of the Contract price, and in a form reasonably acceptable to the Town. If the Performance Security is an irrevocable letter of credit, it shall be issued by a financial institution that is reasonably acceptable to the Town. If the Performance Security is a performance bond, it shall be issued by a company licensed by the State of Connecticut that has at least an “A-” VIII policyholders rating according to Best Publication’s latest edition Key Rating Guide.” The cost of the Performance Security shall be included in the proposal price.

The Payment Bond shall be (a) in the full amount of the Contract price; (b) in a form reasonably acceptable to the Town; and (c) issued by a company licensed by the State of Connecticut that has at least an “A-” VIII policyholders rating according to Best Publication’s latest edition Key Rating Guide. The cost of the Payment Bond shall be included in the proposal price.

The successful bidder shall deliver the items that are the subject of the ITB, at its sole cost and expense, to the location(s) listed in the Specifications.

21. AWARD CRITERIA; SELECTION; CONTRACT EXECUTION

All proposals will be publicly opened and read aloud as received on the date, at the time, and at the place identified in this ITB. Bidders may be present at the opening.

The Town reserves the right to correct, after bidder verification, any mistake in a proposal that is a clerical error, such as a price extension, decimal point error or FOB terms. If an error exists in an extension of prices, the unit price shall prevail. In the event of a discrepancy between the price quoted in words and in figures, the words shall control.

The Town will accept the proposal from the lowest responsible bidder provided that, all things considered, the Town determines it is in its best interests. Although price will be an important factor in most ITBs, it will not be the only basis for award. Due consideration may also be given to a bidder’s availability to complete

the project within the prescribed time frame, experience, references, service, ability to respond promptly to requests, past performance, ability to satisfy State set-aside and contract compliance requirements, and other criteria relevant to the Town's interests, including compliance with the procedural requirements stated in this ITB.

The Town will not award the proposal to any business that or person who is in arrears or in default to the Town with regard to any tax, debt, contract, security or any other obligation. The Town may reject any bids that are obviously unbalanced.

The Town will select the bid that it deems to be in the Town's best interest and issue a Preliminary Notice of Award to the successful bidder. The award may be subject to further discussions with the bidder. **The making of a preliminary award to a bidder does not provide the bidder with any rights and does not impose upon the Town any obligations. The Town is free to withdraw a preliminary award at any time and for any reason. A bidder has rights, and the Town has obligations, only if and when a Contract is executed by the Town and the bidder.**

In the case of an apparent conflict or ambiguity between the terms and conditions between this ITB wording and the appended State of Connecticut's Required Contract Provisions then a clarification shall be requested in writing and a determination made by the Town Engineer.

If the bidder does not execute the Contract within ten (10) business days of the date of the Preliminary Notice of Award, unless extended by the Town, the Town may call any proposal security provided by the bidder and may enter into discussions with another bidder.

22. AFFIRMATIVE ACTION, AND EQUAL OPPORTUNITY

Each bidder confirms that it has a properly completed Employment Eligibility Verification, Form I-9, for each person who will be assigned under the Contract and that it will require each subcontractor, if any, to confirm that it has a properly completed Form I-9 for each person who will be assigned under the Contract.

26. CONTRACT TERMS

The following provisions will be mandatory terms of the Town’s Contract with the successful bidder. a. DEFENSE, HOLD HARMLESS AND INDEMNIFICATION

The successful bidder agrees, to the fullest extent permitted by law, to defend, indemnify, and hold harmless the Town of Wolcott and the State of Connecticut, their employees, officers, officials, agents, volunteers and independent contractors, including any of the foregoing sued as individuals (collectively, the “Town Indemnified Parties”), from and against all proceedings, suits, actions, claims, damages, injuries, awards, judgments, losses or expenses, including attorney’s fees, arising out of or relating, directly or indirectly, to the successful bidder’s malfeasance, misconduct, negligence or failure to meet its obligations under the ITB or the Contract. The successful bidder’s obligations under this section shall not be limited in any way by any limitation on the amount or type of the successful bidder’s insurance. Nothing in this section shall obligate the successful bidder to indemnify the Town Indemnified Parties against liability for damage arising out of bodily injury to persons or damage to property caused by or resulting from the negligence of the Town Indemnified Parties.

In any and all claims against the Town Indemnified Parties made or brought by any employee of the successful bidder, or anyone directly or indirectly employed or contracted with by the successful bidder, or anyone for whose acts or omissions the successful bidder is or may be liable, the successful bidder’s obligations under this

section shall not be limited by any limitation on the amount or type of damages, compensation or benefits payable by the successful bidder under workers' compensation acts, disability benefit acts, or other employee benefits acts.

The successful bidder shall also be required to pay any and all attorney's fees incurred by the Town Indemnified Parties in enforcing any of the successful bidder's obligations under this section, which obligations shall survive the termination or expiration of this ITB and the Contract.

As a municipal agency of the State of Connecticut, the Town will NOT defend, indemnify, or hold harmless the successful bidder.

The successful bidder shall not name the Town in its advertising, news releases, or promotional efforts without the Town's prior written approval.

If it chooses, the successful bidder may list the Town in a Statement of References or similar document required as part of its response to a public procurement. The Town's permission to the successful bidder to do so is not a statement about the quality of the successful bidder's work or the Town's endorsement of the successful bidder.

c. W-9 FORM

The successful bidder must provide the Town with a completed W-9 form before Contract execution.

d. PAYMENTS

All other payments are to be made 30 days after the appropriate Town employee receives and approves the invoice, unless otherwise specified in the Specifications. Completion of work based upon the itemized bid item list shall serve as the basis for partial payments.

Such statement shall identify the pending change orders and pending change directives, and shall include the date such change orders and change directives were initiated, additional cost and/or time associated with their performance and a description of any work completed. The successful bidder shall require each of its subcontractors and suppliers to include similar statements with each of their payment applications or invoices."

e. TOWN INSPECTION OF WORK

The Town may inspect the successful bidder's work at all reasonable times. Such records shall be available for examination and audit by Town, state and federal representatives during that time.

h. SUBCONTRACTING

Prior to entering into any subcontract agreement(s) for the work described in the Contract, the successful bidder shall provide the Town with written notice of the identity (full legal name, street address, mailing address (if different from street address), and telephone number) of each proposed subcontractor. The Town shall have the right to object to any proposed subcontractor by providing the successful bidder with written notice thereof within seven (7) business days of receipt of all required information about the proposed subcontractor. If the Town objects to a proposed subcontractor, the successful bidder shall not use that subcontractor for any portion of the work described in the Contract.

All permitted subcontracting shall be subject to the same terms and conditions as are applicable to the successful bidder. The following clause is applicable if the Contract has a value of Five Million Dollars (\$5,000,000) or more.

Whistleblowing. This Contract may be subject to the provisions of Section 4-61dd of the Connecticut General Statutes. In accordance with this statute, if an officer, employee or appointing authority of the Contractor takes or threatens to take any personnel action against any employee of the Contractor in retaliation for such employee's disclosure of information to any employee of the contracting state or quasi-public agency or the Auditors of Public Accounts or the Attorney General under the provisions of subsection (a) of such statute, the Contractor shall be liable for a civil penalty of not more than five thousand dollars for each offense, up to a maximum of twenty per cent of the value of this Contract. Each violation shall be a separate and distinct offense and in the case of a continuing violation, each calendar day's continuance of the violation shall be deemed to be a separate and distinct offense. The State may request that the Attorney General bring a civil action in the Superior Court for the Judicial District of Hartford to seek imposition and recovery of such civil penalty. In accordance with subsection (f) of such statute, each large state contractor, as defined in the statute, shall post a notice of the provisions of the statute relating to large state contractors in a conspicuous place which is readily available for viewing by the employees of the Contractor.

10. Connecticut Freedom of Information Act

- (a) **Disclosure of Records.** This Contract may be subject to the provisions of section 1-218 of the Connecticut General Statutes. In accordance with this statute, each contract in excess of two million five hundred thousand dollars between a public agency and a person for the performance of a governmental function shall (a) provide that the public agency is entitled to receive a copy of records and files related to the performance of the governmental function, and (b) indicate that such records and files are subject to FOIA and may be disclosed by the public agency pursuant to FOIA. No request to inspect or copy such records or files shall be valid unless the request is made to the public agency in accordance with FOIA. Any complaint by a person who is denied the right to inspect or copy such records or files shall be brought to the Freedom of Information Commission in accordance with the provisions of sections 1-205 and 1-206 of the Connecticut General Statutes.

(b) Confidential Information. The State will afford due regard to the Contractor's request for the protection of proprietary or confidential information which the State receives from the Contractor. However, all materials associated with the Contract are subject to the terms of the FOIA and all corresponding rules, regulations and interpretations. In making such a request, the Contractor may not merely state generally that the materials are proprietary or confidential in nature and not, therefore, subject to release to third parties. Those particular sentences, paragraphs, pages or sections that the Contractor believes are exempt from disclosure under the FOIA must be specifically identified as such. Convincing explanation and rationale sufficient to justify each exemption consistent with the FOIA must accompany the request. The rationale and explanation must be stated in terms of the prospective harm to the competitive position of the Contractor that would result if the identified material were to be released and the reasons why the materials are legally exempt from release pursuant to the FOIA. To the extent that any other provision or part of the Contract conflicts or is in any way inconsistent with this section, this section controls and shall apply and the conflicting provision or part shall not be given effect. If the Contractor indicates that certain documentation is submitted in confidence, by specifically and clearly marking the documentation as "CONFIDENTIAL," DOT will first review the Contractor's claim for consistency with the FOIA (that is, review that the documentation is actually a trade secret or commercial or financial information and not required by statute), and if determined to be consistent, will endeavor to keep such information confidential to the extent permitted by law. See, *e.g.*, Conn. Gen. Stat. §1-210(b)(5)(A-B). The State, however, has no obligation to initiate, prosecute or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information that is sought pursuant to a FOIA request. Should the State withhold such documentation from a Freedom of Information requester and a complaint be brought to the Freedom of Information Commission, the Contractor shall have the burden of cooperating with DOT in defense of that action and in terms of establishing the availability of any FOIA exemption in any proceeding where it is an issue. In no event shall the State have any liability for the disclosure of any documents or information in its possession which the State believes are required to be disclosed pursuant to the FOIA or other law.

Both parties agree that it is fair and reasonable for the validity and construction of the Contract to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Contractor waives any objection which it may now have or will have to the laying of venue of any Claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

PROJECT OVERVIEW:

1. PROJECT DETAILS

The main project proposed was to widen North Street to allow for the installation of a sidewalk for the safety of pedestrians walking along the existing Cedar Lake Dam. 3. Install new toe drains and cleanouts to address the existing seepage problem
4. Place new rip rap for preformed scour holes
5. Install articulated concrete blocks to function as the chute downstream of the new box culvert
6. Expand the width of the crest of the dam to facilitate construction of a concrete sidewalk on the southern side of North Street
7. Install 283 lf of metal rail beam with two terminal sections
8. Install 275 lf of wood fence on the south side of the sidewalk
9. Mill 2" of 200 lf existing pavement

NOTICE TO BIDDERS FROM THE STATE OF CONNECTICUT
COMMISSION ON HUMAN RIGHTS AND OPPORTUNITIES
CONTRACT COMPLIANCE REGULATIONS

NOTIFICATION TO BIDDERS

(Revised 09/3/15)

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.” “Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

- (a) the bidder’s success in implementing an affirmative action plan;
 - (b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive; (c) the bidder’s promise to develop and implement a successful affirmative action plan;
 - (d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
 - (e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises.
- See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

INSTRUCTIONS AND OTHER INFORMATION

The following **BIDDER CONTRACT COMPLIANCE MONITORING REPORT** must be completed in full, signed, and submitted with the bid for this contract. The contract awarding agency and the Commission on Human Rights and Opportunities will use the information contained thereon to determine the bidders compliance to Sections 4a-60 and 4a-60a CONN. GEN. STAT., and Sections 46a-68j-23 of the Regulations of Connecticut State Agencies regarding equal employment opportunity, and the bidder’s good faith efforts to include minority business enterprises as subcontractors and suppliers for the work of the contract.

SECTION 2:

No official or agent of the Town of Wolcott, or any member of any board, office, department, commission or agency thereof shall issue a certificate of occupancy, zoning, building, inland wetlands, driveway or any other permit for the use of or improvements to real property to any owner thereof or other applicant from whom any delinquent amounts are owed to the Town of Wolcott or for any real property for which any delinquent amounts are owed to the Town, except as provided in Section 4 below.

At the time any such application for a certificate or permit is filed, the applicant shall submit to the appropriate Town Official having authority to issue such certificate or permit, sufficient written evidence from the Wolcott Tax Collector that there are no delinquent amounts due to the Town from the owner of the real property for which said application is made and from the applicant if other than the owner.

This section shall not be deemed to apply to those applications for permits which involve repair or construction work ordered by a public agency or for emergency work to be performed for public health and/or safety concerns, nor shall it apply to those applicants who are making improvements to their real property with loans or grants received under any State and/or Federal rehabilitation programs.

SECTION 3:

No payment shall be made by the Treasurer of the Town of Wolcott or by any other Town Official, department head, employee, board, commission or agency to any person who has sold goods or provided services to the Town or to any board, office, department, commission or agency thereof, if, at the time said payment is due, it is determined that said person owes delinquent amounts to the Town, provided that no such payment to be withheld shall exceed the delinquent amounts owed at the time of the withholding. Any such sums withheld pursuant to this section shall be paid to the Tax Collector and applied against the outstanding delinquent amounts owed by such person, first to any outstanding interest, fees and charges and then to the outstanding principal balance. This section shall not apply to the payment of wages to employees of the Town of Wolcott, or any board, office, department, commission, or agency thereof.

SECTION 4:

Notwithstanding anything provided hereinbefore to the contrary, no certificate or permit under Section 2 hereof shall be withheld if the person owing said delinquent amounts has entered into a written agreement with the Town of Wolcott, by and through the Wolcott Tax Collector, which shall provide for an immediate payment to the Town of all outstanding interest, fees and charges included in said delinquent amounts and at least one half of the principal balance owed, and a payment plan requiring the balance of said delinquent amounts to be paid in equal monthly installments over a period of no greater than twenty-four months from the date of said agreement. In the event any person owing delinquent amounts is unable to enter into such agreement with the Tax Collector as a result of severe financial hardship, such person may propose to said Tax Collector an alternate method for paying said delinquent amounts which, if acceptable to the Tax Collector, shall be subject to the approval of the Town Council. In either event, interest shall continue to accrue on said delinquent amounts at the rate allowed by law. Any such payment agreement shall be in addition to, and not in lieu of, any and all other collection methods and remedies available to the Tax Collector as allowed by law.

In the event any person enters into a written agreement with the Tax Collector as provided hereinbefore, or proposes an alternate method of paying said delinquent amounts which proposal is acceptable to the Tax Collector and approved by the Town Council, proof of any such agreement or approval shall be delivered to the appropriate Town Official having authority to issue such certificate or permit prior to the issuance of such certificate or permit.

The exception provided in paragraph (A) of this section and any agreement entered into pursuant thereto shall be for the sole purpose of allowing a person owing delinquent amounts to obtain a certificate or permit and shall not in any way constitute, or to be construed to constitute, an agreement by the Town of Wolcott or the Tax Collector to forebear the collection of said delinquent amounts during the period of the approved monthly payment plan. The Tax Collector shall continue to have the right to exercise all powers allowed by law to collect said delinquent amounts sooner than set forth in said agreement and at no time shall the Town be required to stay or forestall any other collection methods or remedies during such period.

SECTION 5:

If the "Person" as defined in Section 1 (b) owes any money to the Town of Wolcott, said person shall be deemed ineligible to bid any municipal project until such time as payment is made or arrangements are made in accordance with Section 4 (C) supra.
