# WELCOME

Welcome to the Transitional Programs for College and Career (TPCC) Family! We are glad that you decided to continue your education with Wayne Community College. The faculty and staff of our department are eager to assist you in achieving success.

How would you define success? Would it be how much money you have in the bank? Would it be your job title or position in an organization? Does success hinge upon the wheels of the car you drive? Today, let's agree that one measure for success is the completion

of your high school equivalency or adult high school diploma, or learning how to speak English.

Think about the benefits of obtaining your diploma. By obtaining this level of educational success you are opening the door to post-secondary education as over 95 percent of two-year colleges and four-year universities accept a high school equivalency or adult high school diploma for enrollment. High school equivalency and adult high school graduates earn **over \$10,000 more** a year than those without a diploma. There are also benefits to learning English as your second language. Being able to communicate with others in your community to help you look for a job, advocate for your children, or understand your rights are a big deal! A world of opportunity exists for those who are willing to put in the time.

There are many successful people by today's standards who got their start by receiving their high school equivalency diploma: songstress Fantasia, actor Nicholas Cage, rapper Eminem, Olympic gold medalist Mary Lou Retton, boxer Oscar de la Hoya, and NBA umpire, Tommy Nunez. Today, you too have started the journey towards success. There is no limit to what you can do!

Yours in Learning,

*Renita Allen Dawson*

Renita Allen Dawson, Associate Vice President  
Workforce Continuing Education Services

Welcome to the Transitional Programs for College and Career Department at Wayne Community College. We are truly happy that you have chosen our institution to pursue your educational goals.

The staff and faculty of TPCC are here to help you accomplish your goal of earning your High School Equivalency diploma, Adult High School diploma, or learning the English language. Earning a credential or simply learning to speak English or improve your English skills will help you to have a happier and more productive life.

We are here to help you earn a credential and then enter a program of higher education or begin a career.

Students can attend traditional classes on campus or take classes online. We have a Basic Skills Plus program which could give you an opportunity to take college classes free of charge along with your Basic Skills classes. We offer classes in the evening so if you work during the day, you can attend school at night. The Workforce Innovation and Opportunity Act (WIOA) Youth Program for 16 to 24 year olds is available. This program can assist you with transportation, childcare, job internships, and leadership classes.

Again, welcome to the Transitional Programs for College and Career Department. We look forward to a successful and productive partnership with you.

# WCC MISSION STATEMENT

## **VISION STATEMENT**

Wayne Community College will be the preferred choice for quality education and training in the communities it serves.

## **MISSION STATEMENT**

Wayne Community College (WCC) is a learning centered, public, associate degree granting institution with an open door admissions policy. WCC is located in Goldsboro, North Carolina and is part of the North Carolina Community College System.

Wayne Community College's mission is to meet the educational, training, and cultural needs of the communities it serves.

Wayne Community College

## **TRANSITIONAL PROGRAMS FOR COLLEGE AND CAREER MISSION STATEMENT**

The mission of the Transitional Programs for College and Career is to help adult learners fulfill their potential to become self-sufficient, contributing members of society, and to provide adult learners with the skills necessary to complete a secondary school education, to find meaningful employment, and to become parents who are full partners in the education of their children.

# ORIENTATION and ASSESSMENTS

## ORIENTATION

All students must attend an orientation prior to enrolling into the Adult High School (AHS) Program, High School Equivalent (HSE) Program, or English Language Acquisition (ELA) Program.

## ASSESSMENTS

Students must take the Test of the Adult Education (TABE) placement test during orientation. Students need a minimum score equating to the 9th grade level in Reading and Math to enter the AHS or HSE program.

Students not meeting the test requirements will be registered in pre-AHS/HSE courses to improve their academic skill level.

Students interested in the ELA Program will take the Comprehensive Adult Student Assessment System (CASAS) test for enrollment.

## ADULT BASIC EDUCATION (ABE) PROGRAM

The Adult Basic Education Program contains curriculum designed to assist students to improve their reading and math skills in order to function in today's society and/or enroll in either the AHS or HSE Program. The ABE curriculum explores ways to enhance job performance, parenting skills, self-esteem, and critical thinking skills. ABE classes are also referred to as Pre-AHS or Pre-HSE classes.

# ADULT HIGH SCHOOL Diploma Program

The purpose of the Adult High School (AHS) Program is to assure competence in specific course content. Some courses provide an opportunity for students to test out by taking a pre-test with a 70 percent mastery of the course content.

Students are required to complete either 21 or 24 course credits depending upon catalog year of enrollment aligning with the curriculum of the Wayne County Public Schools.

# HIGH SCHOOL EQUIVALENCY (HSE) PROGRAM

The High School Equivalency (HSE) Diploma is a credential which assesses knowledge in language arts, writing, mathematical reasoning, social studies, and science. North Carolina Community Colleges offer the General Educational Diploma (GED) test and the HiSet test.

**GED** - The GED high school credential is accepted by more than 95 percent of U.S. employers, colleges and universities. Passing the GED Tests can mean a better job, further training or a pathway to higher education. The GED at Wayne Community College is computer based. Wayne Community College is an authorized Pearson Vue test center.

**HiSet** - The HiSET high school credential is intended to measure whether a student has the academic skills that are equivalent to a typical high school graduate. It is an alternative exam to the GED test. The HiSET exam has been designed to align with the Common Core State Standards in Language Arts and Math. At Wayne Community College, the HiSet is a paper and pencil exam.

# ENGLISH LANGUAGE ACQUISITION (ELA) PROGRAM

The ELA program is designed to assist speakers of other languages to improve reading, writing, and speaking skills in the English language. There is also a focus placed on learning American culture and employability skills. ELA is also known as English as a Second Language (ESL).

ELA classes focus on group conversation, grammar and writing instruction and reading comprehension.

United States citizenship classes are also offered at Wayne Community College and other locations throughout Wayne County at various times.

**For more information, call 919-739-6911.**

## BASIC SKILLS PLUS

Basic Skills Plus offers transitions and career pathway support to students preparing for entry into employment and postsecondary education programs. The North Carolina legislature approved the Basic Skills Plus program in 2010. Students performing at the adult secondary education level 5 or higher in either reading or math are eligible for the program. Students must be enrolled in the AHS or HSE program while taking college curriculum and/or continuing education courses working toward a career pathway.

# TPCC STUDENT POLICIES

## **ATTENDANCE POLICY**

The Wayne Community College TPCC Department expects student to gain soft skills, competencies, and an awareness of a workplace ethic which emphasizes responsibility and commitment. Regular attendance is the student's responsibility and is important for academic success.

### **A. CLASSROOM ATTENDANCE**

Students must show up for class by the second class period for a high school class, pathway class, reading or math class. Pre-registered students do not become officially registered until they attend class. A student who regularly attends class has a better chance of successfully completing the class. Tardiness and leaving class early are disruptive for the instructor and other students. In case of absence from class, a student is required to make up missed assignments.

### **B. ONLINE ATTENDANCE/COMPUTER-BASED INSTRUCTION**

Students registered in hybrid classes or total online classes must meet the expected campus hours for that class and pass the modules associated with that course. Students should log in at least 10 hours per week and have evidence of work shown on the weekly computer report. Failure to meet these hours may result in being disconnected from the course and/or a grade of "I" incomplete or "F" for a high school course.

### **C. ATTENDANCE COMMITTEE**

Students with excessive absences from class may be referred to the Attendance Committee by the instructor. The committee shall review the student's attendance history and other academic factors and determine if the circumstances warrant a student to continue in the classroom course. Students must provide documentation for the reasons of the excessive absences. Documentation may include death of an immediate family member, hospitalization, or other sickness. Other reasons may or may not be evaluated. Only one appeal is allowed per 16-week semester. The Committee shall make a recommendation to the Program Director regarding the student's attendance. The Director will make the final decision.

# TPCC STUDENT POLICIES

## **TECHNOLOGY POLICY**

Wayne Community College has adopted a Technology Acceptable Use Procedure (TAUP). The purpose of this procedure is to enhance and support the educational mission of the college. This procedure is subordinate to all the applicable laws of the State of North Carolina and the United States of America. All students, faculty, staff, and public patrons are responsible for using WCC's technical resources in an effective, ethical, and lawful manner to ensure that WCC maintains confidentiality, integrity, and availability of systems and information assets.

## **ACCEPTABLE USE**

- Use consistent with the Acceptable Use Policy (AUP) for the Microelectronics Center of North Carolina (MCNC). WCC uses as its Internet Service Provider and is therefore subject to its established AUP.
- Use related to administrative and other support activities considered consistent with the mission of WCC.
- Use for purposes of, or in support of, education and research.

## **UNACCEPTABLE USE**
