# TREE FEVER DESIGNS

## TREE FEVER DESIGNS

started in 2001, in the East Kootenays manufacturing custom furniture for resorts and hotels, working with designers and developers for local ski hill projects and projects in Banff and Canmore. Select commercial projects include Sullivan Stone Lodge, Timberstone Lodge and Northstar Mountain Village.

From commercial projects we expanded to retail.

**TREE FEVER DESIGNS** not only offers furniture lines as seen in our catalogue, we are one of only a handful of Canadian manufacturers, which still proudly offers customizing of furniture, through retail locations.

Furniture is built to order, using solid woods only, no particle board, no kits.

- Reputable Canadian mills, highest quality Canadian woods & commercial finishes
- ¾" backing which gives superior strength to our dressers, end tables & hutches
- Full extension slides
- Choice of Rustic or Smooth effects
- Choice of colours and hardware
- Custom stained, multi-coated, low sheen conversion varnish

## TREE FEVER DESIGNS

specialize in creating "conversation pieces" with high quality furniture that will last a lifetime, and is fully Made in Canada from start to finish.
