Explanation of Catalog Contents:

The abbreviations contained in the parentheses after each entry represent the name of the pastor who preached the sermon(s). They are as follows:

(DWM) Pastor Dave Merck
(GGN) Pastor Greg Nichols
(SEW) Pastor Sam Waldron
(MJC) Pastor Mark Chanski
[BRG) Pastor Bob Gonzales

A single asterisk (*) before a title represents those messages given during the Adult Sunday School Hour.

A double asterisk (**) before a title represents those series yet to be completed.

A code such as TE-00-001 etc. is used for a single sermon on a topic.

A code such as TE-AA-001 etc. is used for a topical expository series of sermons.

A code such as CE-AW-001 etc. is used for a consecutive expository series.

The last 3 digits of the code are the number of the sermon, and a code such as TE-DN-001 through 007 means there are 7 sermons in the series, 1 audio sermon per tape.

(V) indicates that the sermon or series of sermons is available on video cassette.

This catalog has been abbreviated and arranged according to subjects. When a series is new, each individual tape in a series is listed. If you save old catalogs you will have that listing, or you may request it at any time.

The cost of audio tapes is \$3.00 each; series of 6 or more, \$2.75 each. We have albums for series of 4 tapes. If you wish to have a series of 4 in an album, add \$2.30.

Sermons on **video** cassettes may be purchased with 1 sermon per video cassette (standard play), for \$8.75, or 2 or 3 sermons (extended play), for \$12.50.

Please send credit card # or check with your order. Thank you.
