Stephen Russell - Kansas Stockman..... 785-458-2650
Kevin Schultz, President AHA Board of Directors

Terms and Conditions:

Terms of the sale are cash unless prior arrangements are made. Every animal will be sold to the highest bidder with the auctioneer settling bid disputes. Announced changes in catalog information on sale day take precedence over printed material. All cattle are the buyers property as soon as sold and will be cared for a reasonable length of time at the buyers risk. Any person attending the sale does so at his own risk.

This will be a video auction but Cattle will be available for viewing on site at the Mill Creek Cowboys Rodeo Arena on North side of WabCo Fairgrounds. Trailer parking is available on the east side of the Fairgrounds off of 9th Street. Sale will be in the building located along 9th street on the south west corner of the Fairgrounds.

Insurance:

Insurance can be arranged through Jensen Livestock Agency. Contact Sheila Jensen (785) 262-1116 and/or sale clerks the day of the sale to assist you with your insurance needs.

Transportation:

Commercial air service is available into Kansas City (120 miles east) or into Manhattan, KS. Private aircraft facilities are available at Wamego with a paved strip 15 miles east of the sale facility.

Mill Creek Breeding Guarantee:

We guarantee that all breeding cattle sold by Mill Creek Ranch, both bulls and females, are fertile to the best of our knowledge. If a bull is found to be infertile or a female is determined to be a non-breeder, within a year of purchase, we will offer a credit in the next MCR sale, for the difference between the purchase price less the salvage value. If a problem arises, contact MCR before the animal is culled so that arrangements can be made. This guarantee will not replace a dead animal if it is killed or dies for any reason. We suggest that normal care needs to be exercised for any animal purchased and that yearling bulls not be allowed to get too thin. This guarantee is in addition to the Suggested Terms and Conditions of the American Angus Association and the American Hereford Association.

Delivery

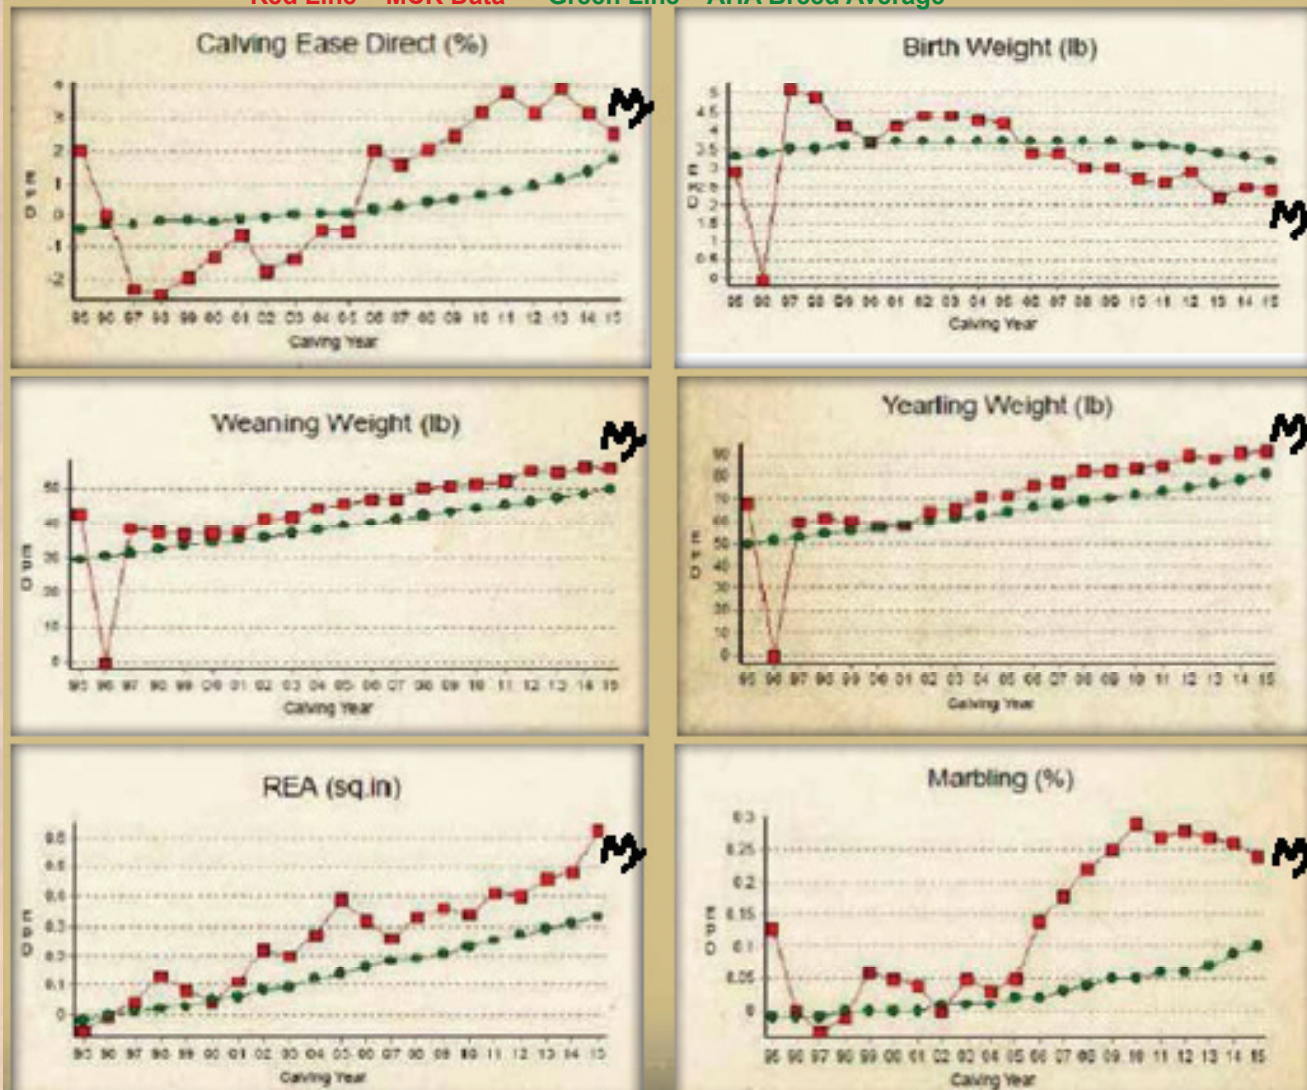

Free delivery on purchases of \$15,000 or more up to 500 miles. Otherwise, we will make arrangements to ship to central point at buyer's expense. If you pick up your bull purchase on sale day, we will discount your purchase price by \$50/bull. This discount does not apply to female purchases.

LiveAuctions. 

Internet Bidding: If you are unable to attend the bull sale for any reason, internet bidding is available via the LiveAuctions.tv website, on high speed internet only. Internet buyers must create an account and request a buyer number prior to the sale. If you choose to use this service please visit our sale at <http://www.LiveAuctions.tv>. Web Address <http://www.LiveAuctions.tv>
LiveAuctions.tv, e-mail address brad@LiveAuctions.tv
Questions call Brad Fahrmeier (816) 392-9241
Buyers who would like to bid via the internet must register with LiveAuctions.tv two days prior to the sale.

At Mill Creek Ranch, our focus has been to place selection pressure on calving ease, performance and carcass traits for genetic progress and our customer's profitability. But don't just take our word for it; the proof is in the data. Buy with confidence. Buy "The Brand That Works".

Red Line = MCR Data Green Line – AHA Breed Average

Cattlemen,

Welcome to our annual sale! A new year brings new opportunities, and 2018 is no different. Before we get to that, let us back up and answer one question: What does the "Brand That Works" mean? We believe that it represents genetics that will out perform the genetics you had the previous year. We believe that it means we have the responsibility to stand behind the product sold to you. We believe that it means we will work to make your operation more profitable.

How do we do this? We maintain the long-term vision to produce animals that shows steady improvements in all economically important traits every year. We listen to what you need and point you in directions that will allow you to see results for the genetics you choose. We put you into contact with individuals that are trying to procure good cattle and know what that is worth.

The "Brand" has not changed. However, we have looked in the mirror and made some changes to our program that we believe will be a benefit to our vision of continuing to provide Hereford and Angus genetics "That Work". Everyone has a dream of passing on something to the next generation and, in 2018, Mill Creek Ranch will be better set to accomplish that dream.

First and foremost, we decided to bring the sale closer to home. The cattle will be on display in Alma, KS at the Mill Creek Cowboys arena. Dave and the boys helped to build the arena in the 80's and it will be exciting to be able to use that facility to get the sale closer to the ranch and still be easily accessible. Plus, it will be able to support the needed connectivity to be able to offer online bidding.

Because of this, we have moved to a video auction. All animals will be onsite for the sale. However, during the sale you will be watching videos of each lot. Videos will be available on our website prior to the sale. We are excited for these changes to the production sale and feel they will make this sale more sustainable in the long run.

We have also moved from the traditional pedigree-driven sale catalog to a data-centered method of passing the information to you. This is the information we collect on a yearly basis and feel is the most important for you to digest and use to make your breeding decisions. If you need further clarity on any of the lots, please let us know and we will be glad to assist you.

We are excited for our changes in 2018! We hope you are excited to take a trip to Alma on February 27th and see what we have to offer you. We think you will be impressed!

Dave Breiner

Chad Breiner

Clay Breiner

Ryan Breiner

Mill Creek Herd Health and Management

Herd Health

Dr. Amy Bandel, Mill Creek Veterinary Services, manages the herd health program at MCR. Individual health papers will be furnished for shipment of cattle out of state.

Bred Females have been Pregnancy Checked by Dr. Clay Breiner, Cross Country Genetics, and if the sex of the calf is determined, it is noted.

Vaccination Protocol

Mature Cows

Prior to AI – PregGuard Gold FP 10 + VL5
Prior to Calving – Guardian
Preg-Check – Wormed + LeptoFerm5

Replacement Females

Prior to AI – PregGuard Gold FP 10 + VL5
Prior to Calving – Guardian – 2 shots

Calves 3-4 months old

Bovishield Gold 5 + Ultrachoice 8

Sale Bulls

Vibrio/LeptoFerm 5 + Poured with Cydectin

Sale Day Phones

Sale Schedule

Sunday, February 25, 2018

Bulls will arrive to Mill Creek Cowboys Arena/
Fairgrounds.

Monday, February 26, 2018

Cattle available for viewing all day. Please join
us at 6:00 p.m. for dinner.

Tuesday, February 27, 2018

SALE DAY!!!

11:00 a.m. Mulligan & Chili Lunch compliments of the
Breiner family.

12:30 pm CST - “The Brand that Works” Production Sale

Absentee Bids: Anyone who cannot attend the sale, may place phone bids by contacting Dave, Chad, Clay, Ryan Breiner or any of the listed sale representatives or utilize internet bidding through LiveAuctionsTV.

Performance: Pregnancy and calving information on the female lots will be in the catalog or the supplement sheet. Performance records and ultrasound information will be available on both the female and bull lots. Please check out our website for current information.

Mill Creek Calf Buy Back Program

Any bull or heifer calf out of a registered female in this sale has the option of being brought back to MCR to be fed at MCR's cost and merchandized through the 2019 “Brand that Works” Production Sale at a partnership percentage. The calf would have to be a marketable calf (healthy, no pinkeye, 600+ weaning weight) and be delivered to MCR by September 15, 2019 to participate in this program. If interested, contact MCR for additional details.

Possession Retained

Mill Creek Ranch reserves a flushing interest on any female sold in this sale. If MCR requests to use the flushing interest, it would occur at the buyer's convenience and at MCR cost. Buyer retains full possession and 100% of the salvage value. MCR also retains a segment interest in any bull sold. Again, the buyer receives full possession and 100% of the salvage value. If you have any questions on any of the above, contact MCR for additional details.

Comments

- 1-Exceptional stats for this horned Denver lead-off bull. He's the combination herdsire prospect with added performance but still useful on heifers.
- 2-Unique individual that ratioed 107 for WW, and ranks in the upper 10% of the breed for both CED and Marb.
- 3-Performance prospect with upper 5% rankings for WW, YW, and CHB, and his dam is a powerful full sister to the popular Burns and CK herd sires by Harland.
- 4-Upper 5% ranking for YW, Milk and Marbling.
- 5-Balanced, moderate-framed Cowboss son with added calving ease and carcass appeal.
- 6-Hometown son that stems from one of the more popular and proven cow families in the Hereford breed.
- 7-Heifer bull prospect whose granddam boasts WW ratio of 8@106 and a whopping 51 scans for REA@101 and 52@106 for Marb and was quite possibly the best 8020 daughter in the breed.
- 8-Heifer bull prospect by Cowboss with a Dam of Distinction mother who ratios 5@105 for WW and 4@105 Marb.
- 9-Balanced-numbered Homegrown son whose dam sells at lot 103.
- 10-This Cowboss son by Bluestem's full sister would work perfectly on a set of black heifers.

Comments

- 11-Selling ½ interest, full possession. Super Sensation son from Stuber that would take the guesswork out of your heifer bull needs. AI to him then live cover for a solid, uniform set of baldy calves. Upper 5% ranking for BW, Marb and CHB with upper 1% ranking for CED.
- 12-Natural calf of Bluestem's full sister by Hometown that writes about as good an EPD profile as you would want, and is safe to use on heifers.
- 13-177R son that ratioed 109 for WW.
- 14-Heifer bull prospect.
- 15-Calving ease deluxe herdsire that ratioed 127 for Marb.
- 16-Top 10% WW EPD.
- 17-Heifer bull prospect.
- 18-Heifer bull prospect.

Comments

- 45 – Lots 45 – 48 are full sibling Homegrown sons by a full sister to Select Sire's MCR Bluestem, and these brothers won't disappoint; moderate-framed, stout-featured, with EPDs that read well across the board.
- 49 – Lots 49 -52 are full brothers by Cowboss out of the same donor full sister to Bluestem, who records 3 natural calves at 94 for BW, 3@110 WW, and 2@104 YW. These brothers could be a useful set on heifers with supervision.
- 53- Heifer bull prospect.

Comments

54- Curvebender Encore son with upper 5% ranking for WW and YW.

65- Lots 65 – 67 are full siblings by 177R out of a daughter of the 682 donor cow that is owned by Carswell Nichols and Mrnak. 682 records 14@104 WW, 50@103 REA and 50@109 Marb. These curvebender brothers rank in the upper 5% of the breed for CED and have the proven lineage to buy with confidence.

68- Lots 68 and 69 are full brothers by 177R that stem from the 159 donor owned by Bowling Ranch. Look for these brothers to cover lots of bases and leave you a set of females to be proud of.

Comments

- 103 - Unique breeding piece that stems from two of the more popular bulls in the breed – Revolution and Harland. She records 3@97 BW, 3@101 WW, and 2@109 YW, as well as 2@111 REA. This power cow ranks in the upper 10% for YW and top 5% for REA while also attaining the top 15% for CED. We like that her foundation is set by the immortal 035 cow family on the bottom side.
- 104 - Young Redeem daughter by the popular 808 cow. This donor dam reads balanced across the board and has many productive years left.
- 105 - Full sister to the high-selling bull of the 2015 “Brand that Works” sale, owned by Hill 70 Quantock Ranch, Canada. This donor ranks in the upper 5% of the breed for WW, YW, and CHB.
- 106 - Redeem female ranks in the top 15% of the breed for WW and YW.
- 107 - Balanced-numbered 732T daughter bred to the high-selling bull from the 2017 sale, Flint Hills.

Comments

108 - Trust daughter who stems from the foundational donor 191, who owns a WW ratio of 8@106, a whopping 51 scans for REA@101 and 52@106 for Marb.

532 ratioed well individually and ranks in the upper 10% of the breed for YW, REA, and CHB. Buy these young cows to set your foundation for the future.

109 - Well-numbered 9525 daughter by the Durbin Creek donor 313. We like that she ranks in the upper 15% of the breed for CED, BW, WW, and YW.

110 - Horned 9525 daughter out of the broody, big-ribbed Bowling donor 159. This young prospect ranks in the upper 15% of the breed for WW and YW.

111 - Lots 111 and 112 are full sisters with a different purpose: 177R's out of the 159 donor, who records 2 natural calves at 111 for WW, and 17@102 for REA.

Comments

131 - Lots 131, 133 and 134 are full siblings by Prophet and out of the mother of Select Sires' Horizon and Security. Buy with confidence!

132 - Prophet out of the Primrose 906 donor with an upper 2% Marb ranking.

135 - Powerful Net Worth daughter mated to Cowboy Up.

137- Lots 137-139 are full sisters by Confidence out of a powerful Concrete daughter, who read well across the board.

140 - Lots 140 – 142 are performance prospects by Butkus out of a massive daughter of Concrete, with performance projections that rank in the upper 10% of the breed.

144 - All In daughter that projects well across the board, as she ranks in the upper 20% of the breed or better for 13 traits, most notably in the upper 15% of the breed for WW, YW, REA, \$W and \$B.

156 20 BWF and Black Brockle Face - Replacement Heifers

Owned by Dusin Ranch, Rick Dusin - Phillipsburg, KS 785-543-4009 (cell)

Will be sorted and sold in groups on sale day. They are sired by Mill Creek Hereford and Angus bulls.

These females have been calf-hood vaccinated, pelvic checked and preg checked open.

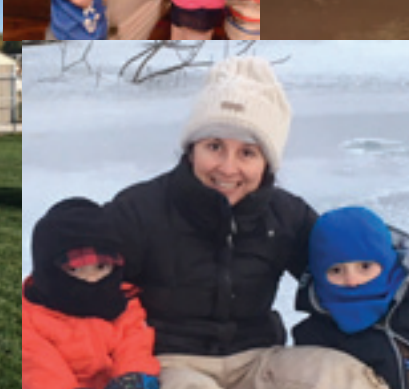

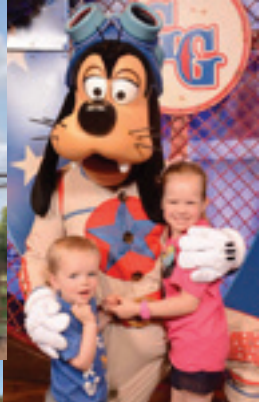

EPDs as of Jan. 11, 2018
