Employer Group Pharmacy Directory

Introduction

This booklet provides a list of Tufts Medicare Preferred PDP's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Tufts Medicare Preferred PDP's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Tufts Medicare Preferred PDP only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of September, 2017. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at tuftsmedicarepreferred.org. You may also call Customer Relations for updated provider information.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

The Tufts Medicare Preferred PDP Pharmacy Directory divides pharmacies into several sections to allow you the flexibility to search for information in the way that suits your needs:

- Retail pharmacies, including chain pharmacies
- Mail order pharmacies
- Home infusion pharmacies
- Long-term care pharmacies

Within each section, the pharmacies are listed in alphabetical order by city/town.
