### ACTIVE DIVISION I FBS HEAD COACHES WITH 200-OR-MORE WINS

RK.	HEAD COACH	WINS

2.	Nick Saban	243
3.	Brian Kelly	243
4.	Willie Fritz	217

In just four seasons, Tulane football head coach Willie Fritz has already made an immediate impact, directing the program to back-to-back bowl victories for the first time in program history.

Dating back to 1974, Tulane has posted back-to-back winning seasons on just three separate occasions.

The 2020 season marks Fritz's 28th year as a collegiate head coach and 24th leading a NCAA program at the Division I or Division II level.

Under Fritz's watch, the Green Wave have established a renewed sense of enthusiasm and a winning culture for the Green Wave. Tulane's bid to the 2020 Lockheed Martin Armed Forces Bowl marked just the second time in program history that the Green Wave have made bowl appearances in back-to-back seasons. The Green Wave's bowl visit in 2020 also marked just the 13th bowl appearance in the 126-year history of the program.

In 2019, Fritz led the Green Wave to the best start to a season in over 20 years and came within one spot of cracking the top 25 in both the Associated Press and USA Today Coaches Poll for the first time over 20 years. The Green Wave also established a strong homefield advantage under Fritz's direction in 2019, as they posted a 5-1 record inside Yulman Stadium. Tulane's 5-1 mark at home was the team's best record at Yulman Stadium since the venue opened in 2014.

Tulane's 2019 unit also featured an impressive rushing attack, which ranked 13th in the country, averaging 249.8 yards per game. The Green Wave rushing attack finished the year with a program-best 3,162 yards. Tulane closed the year with 5,841 yards of total offense, which marked just fourth time in program history the Green Wave surpassed 5,000 yards of offense.

Tulane also finished the 2019 campaign by scoring 430 points for the season, averaging 33.1 points per game.

The Green Wave defensive unit also posted another impressive season, as they held eight of their 13 opponents under their season average in total yards and forced 16 turnovers.

Following the regular season, Tulane had four players receive All-American Athletic Conference honors for the third straight season, as Patrick Johnson, Corey Dublin, P.J. Hall and Thakarius Keyes were all honored by the league office.

In April of 2020, Tulane continued its NFL Draft tradition, as the Green Wave had a pair of players selected for the second time in three years. Wide receiver Damell Mooney and cornerback Keyes were taken in the fifth (Chicago Bears) and seventh rounds (Kansas City Chiefs), respectively. The selections of Mooney and Keyes on day three of the event marked the fourth consecutive year that a Tulane player was drafted.

Of Fritz's 216 wins, 80 have come on the NCAA Division I level (Football Bowl Subdivision and Football Championship Subdivision), and 164 of his wins have come at NCAA institutions.

In 2018, Fritz guided Tulane to its first bowl trip since 2013, a share of the American Athletic Conference title and just its sixth winning season in the last 37 years, while facing the second toughest schedule among teams from the conference.

Tulane closed the year with wins in five of its last six games to earn a share of the American Athletic Conference West Division crown and a bid to the 2018 AutoNation Cure Bowl where it would post a convincing win over in-state rival Louisiana-Lafayette to claim its fifth bowl victory in program history. Three of the Green Wave's losses in 2018 came by seven points or less.

Following the regular season, four Tulane players earned all-conference honors from The American, while eight players earned all-league recognition from Phil Steele College Football Magazine, including junior long snapper Geron Eatherly, who also earned fourth team all-America from the publication.

Under Fritz's watchful eye in 2018, Tulane's rushing attack was among the nation's best, ranking 23rd in the nation and fifth in The American, averaging 218.2 yards per game. The Green Wave rushing attack also proved to be an explosive unit, as they totaled 18 plays of 30 yards or more.

Tulane's defense also proved to be a force, as it ranked third in The American in total defense, but it was the Green Wave's ability to rush the quarterback that made the unit one of the best in the conference. In 2018, Tulane averaged just over three sacks per game (3.15), which led The American and ranked eighth nationally. Sophomore Patrick Johnson led the way for the Green Wave as he averaged nearly one sack a game (0.81), which ranked 12th in the FBS and second in The American.

The Green Wave continued their success in April of 2019, as cornerback Donnie Lewis Jr., was drafted in the seventh round by the Cleveland Browns.

The 2017 campaign saw Tulane finish the year with its highest win total since 2013

despite facing one of the nation's toughest schedules, as nine of its opponents earned invitations to bowl games. In addition, four of the Green Wave's losses came by six points or fewer.

The Green Wave earned three victories against bowl participants in 2017 while four players earned All-Conference honors. Among the players was former cornerback Parry Nickerson, who was named to the all-conference first team, and earned All-America honors from Sports Illustrated and SB Nation.

Under Fritz's direction, the 2017 squad featured an aggressive ground attack, which averaged 231.5 yards per game – a figure that ranked No. 20 nationally and fourth in The American – and an opportunistic defensive unit that recorded 19 turnovers.

The 2017 season also served as a milestone season for Fritz as he earned his 200th victory as a head coach and in the process became just the fourth active Football Bowl Subdivision head coach with 200 wins.

The program's success continued into April, as Fritz saw two of his players selected in the 2018 NFL Draft. Nickerson and defensive lineman Ade Aruna were both selected in the sixth round by the New York Jets and Minnesota Vikings, respectively.

In his first season in the Crescent City, Fritz guided Tulane to a 4-8 record and earned his first AAC victory in the team's season finale at UConn. The Green Wave posted 30 or more points in five games in 2016, four of which were in wins. Three of the eight losses were by seven points or fewer with Tulane leading in four of those games entering the fourth quarter.

Following the year, linebacker Nico Marley, defensive tackle Tanzel Smart and Nickerson earned All-AAC honors. In the spring of 2017, Smart was selected in the sixth round of the NFL Draft by the Los Angeles Rams.

The Shawnee Mission, Kansas, native was named the Green Wave's 40th head coach by director of athletics Troy Dammann on Dec. 15, 2015. At that time, he brought 33 years of collegiate experience as a football student-athlete or coach to Tulane, having led teams to six combined conference championships (one at every level he had coached) and two bowl appearances. He was twice named the national coach of the year, including the American Football Coaches Association FCS Coach of the Year in 2011 and the Liberty Mutual FCS Coach of the Year in 2012.

Fritz came to New Orleans from Georgia Southern where he spent two seasons and led the Eagles to a combined record of 17-7, a 2014 Sun Belt Conference title and the school's first-ever NCAA postseason bowl game with their berth in the 2015 GoDaddy.com Bowl. Georgia Southern concluded the 2015 regular season with an 8-4 overall record including a mark of 6-2 in conference play.

Fritz led the Eagles to a 9-3 overall record and a perfect mark of 8-0 in conference play during his first season at Georgia Southern in 2014, and was named the Sun Belt Conference Coach of the Year. However, the school's waiver claim to allow Georgia Southern to play in a bowl despite being in the second year of the NCAA's transition period was denied.

Prior to Georgia Southern, Fritz served as head coach at Sam Houston State from 2010-13 where he led the Bearcats to back-to-back Southland Conference titles, NCAA Division I Championship game appearances in 2011 and 2012 and a third straight NCAA playoff berth in 2013.

Honored as the American Football Coaches Association Regional Coach of the Year in 2011 and 2012, Fritz was selected by the media and his peers in the Southland Conference as the league's Coach of the Year in 2011 after his team went a perfect 7-0 in conference play.

In 2011 and 2012, Sam Houston State posted the two highest single-season win totals in program history with marks of 14-1 (2011) and 11-4 (2012) and Bearcat players were showered with accolades. More than 50 earned All-Southland Conference honors under Fritz in his last four years, not including additional Player of the Year, Offensive Player of the Year, Defensive Player of the Year and Newcomer of the Year awards. All-America status from national coaching and media outlets were bestowed on 11 Sam Houston State players during his tenure.

Prior to his head coaching tenure at Sam Houston State, Fritz revitalized Central Missouri and guided the Mules to 11 winning seasons in 13 years. The NCAA Division II program's ledger included two 10-win seasons with the 2001 Mule squad earning its first postseason trip in more than 30 years.

In 2002, Central Missouri made its first-ever appearance in the NCAA Division II playoffs and was the Mid-America Athletic Association (MIAA) co-champion a year later. A 97-47 mark in 13 seasons ranks Fritz as the winningest coach in the program's history. He was the only coach to ever win seven or more games in eight consecutive seasons, and his victory total ranked him 15th among active Division II coaches at the time. In addition to his impressive 67.4 winning percentage with the Mules, Fritz coached his student-athletes to achieve their potential on the field and in the classroom. More than 150 Mules

## COACH FRITZ ON...

### The importance on a Tulane degree

"I think the first thing that stands out about a Tulane degree is that it is a global degree. A degree from Tulane will not only help you regionally, but nationally and internationally as well. With a student body representing all 50 states and 78 countries from around the world, our graduates are going to make worthwhile connections no matter where they are from or where they want to work. The academic reputation at Tulane speaks for itself and helps our graduates stand out in the workforce as employers truly understand the significance of a Tulane degree."

### What he looks for in recruits

"The No. 1 thing we look for is character. That is a big deal for us. We talk all the time about a guy being a 'Tulane Guy'. A 'Tulane Guy' for us is someone who is strong academically, a bona fide Division I football player and also someone who makes great decisions. All of those things are very important to us when we go out and recruit someone to bring into our family."

### The team's style of play

"We are a disciplined team and program. To win, you cannot beat yourself. We feel like we do a good job teaching our guys the fundamentals to help them be the very best player they can be when they have that crucial one-on-one matchup."

### How to build a program

"You have to recruit the right guys, retain them and then you have to develop them as students and as people. You do not want guys who come in for a year and then leave. You want guys to come in and have a great experience for four or five years."

### Attending school in New Orleans

"Our guys don't like going to school here - they love going to school here. As a Tulane student-athlete, you have an opportunity to get a world-class education, you get to play big-time college football and you get to do this in the iconic city of New Orleans. New Orleans is the No. 1 destination city in the world. There are so many great things to do here in New Orleans. It is a unique city and I think that's why there are so many Tulane graduates that live in New Orleans. They don't want to leave after they get that degree."

### The program's relationship with the New Orleans Saints

"We are so blessed to have a NFL team in our city that welcomes us with open arms. Not only do the Saints do a wonderful job with us, but they also do an outstanding job with the high school programs and the park league programs throughout the city. We have access to their indoor facility, which helps us out tremendously when we need to practice indoors because of the weather. They also have great people in place with the Benson Family and head coach Sean Peyton. They have been very gracious about sharing their facilities and time with Tulane football, and we could not be more appreciative."

### On the Social Justice Movement

"We have a long way to go to ensure social justice and true equality among in our nation. At Tulane University, we are extremely fortunate to have a group of leaders that understands what steps are needed to ensure equality. This process truly begins with us as an athletics department and it has been so refreshing for me as a head coach to see the steps our administration has taken to engage in this movement to provide a platform for our student-athletes to voice their to discuss, promote and exemplify diversity. Our social justice movement at Tulane will not go away and I look forward. My wife Susan and I have made a sizable financial contribution to the Social Justice Movement."

### On how Tulane will prepare student-athletes for Name, Image and Likeness

"Through our Wave Brand Works program, our student-athletes will have the opportunity to take advantage of a comprehensive and innovative program that will truly benefit each of them during the years on campus and long after in their professional careers. This program partners with the Tulane Center for Sport and provide incredible resources that our institutional leadership, our campus and our city have to offer. We have a responsibility to our student-athletes to educate them on Name, Image and Likeness and to provide them with whatever support is permissible by legislation."

THE FRITZ FAMILY

were recognized with All-MIAA honors with 41 first-team selections and 24 All-Americans.

Under Fritz, Central Missouri recorded a graduation rate of 84 percent with 144 MIAA Commissioner's Academic Honor Roll recipients, 14 Academic All-Region and three Academic All-Americans. For all of his accomplishments guiding Central Missouri, Fritz was honored by the school with induction into its Athletics Hall of Fame on Feb. 11, 2017.

Prior to his time at Central Missouri and Sam Houston State as a head coach, Fritz spent two different stints as an assistant coach with the Bearkats. He first served as a graduate assistant during the 1984 and 1985 seasons when he earned a master's degree in kinesiology. During that two-year stretch, Sam Houston State posted a 16-6 record and won the 1985 Gulf Star Conference championship. He returned to Sam Houston State a second time in 1991 after spending four years at Coffeyville Community College in Kansas under legendary coach Dick Foster, earning a promotion to defensive coordinator after one year. He stayed another two years to work for Coach Foster's Skip and the Red Ravens. During the 1990 season, Fritz served as the defensive coordinator where he helped guide the Red Ravens to a national title.

When Fritz was brought back to Sam Houston State in 1991 under Ron Randleman as secondary and special teams coach, he instilled an attitude of excellence on special teams that would last more than a decade. The Bearkats' "block party" racked up 80 blocked punts, field goals and extra points beginning with Fritz in 1991 and lasting through 2004.

In Fritz's first year as a full-time assistant coach at Sam Houston State in 1991, the Bearkats won the Southland Conference. That league title and an eight-win season launched Sam Houston State to the program's second-ever appearance in the NCAA Division I Football Championship.

Fritz departed Huntsville for a second time prior to the 1993 season for an opportunity to be the head coach at Blinn College, where he would turn around a program that had only five wins in its previous three seasons.

From 1993-96, Fritz and the Buccaneers would rack up 39 victories against only five losses with a tie and claim two national junior college championships. He was inducted into the NJCAA Football Hall of Fame for the environment of success he created at Blinn.

One of seven children, Fritz is the son of the late Harry Fritz, who coached the Central Missouri football team in 1952 before continuing his career as the Executive Director at the National Association of Intercollegiate Athletics (NAIA) in Kansas City. The elder Fritz also served at several colleges and universities in administration as an athletics director.

Fritz played on two conference title teams and was a four-year starter at defensive back for Randleman at Pittsburg State and remained at his alma mater as a student assistant coach in 1982. Early coaching stops included a year at Shawnee Mission Northwest (Kansas) High School in 1983 and Willis (Texas) High School in 1986, with his return to Sam Houston State for graduate school in between those years.

Fritz and his wife Susan have three children, a son and two daughters. Their son Wesley, who was married in the summer of 2019 to his wife Rebecca, is a member of the Tulane football staff and serves as the Director of Player Personnel. The couple's daughter Lainie is an elementary school teacher and sports broadcaster while their youngest daughter Brooke is a CPA for Deloitte in Houston, Texas.

# GREEN WAVE GAMEDAY

## TULANE FOOTBALL GOES DOWN UPTOWN AT YULMAN STADIUM

Yulman Stadium, the crown jewel of the university's athletics complex, opened its gates for the first time in front of a capacity crowd on September 6, 2014, against Georgia Tech. Yulman Stadium marked the beginning of a renaissance of Tulane Athletics, which saw Green Wave football return to campus for the first time in nearly 40 years.

Tulane's new home field advantage came from the generosity of three couples in particular: Richard Yulman and his late wife Janet; Gayle and the late Tom Benson; and Jill and Avie Glazer.

Richard Yulman, the retired chairman and owner of mattress manufacturing giant Serta International, donated \$15 million toward construction of this \$73 million facility. Yulman Stadium is named in honor of Richard, Janet and the Yulman family.

The late New Orleans Saints owner Tom Benson and his wife Gayle, a member of the Board of Tulane, donated \$7.5 million to Yulman Stadium. Benson Field, which hosts the games of Yulman Stadium, is named in their honor.

Jill and Avie Glazer supported the stadium with a multi-million dollar gift. The Jill H. and Avram A. Glazer Family Club, the premium space in which to experience games at Yulman Stadium, is named in their honor.

Construction of Yulman Stadium began in January 2013. Gould Evans and Associates and Lee Ledbetter & Associates served as the project architects, while Woodward Design + Build LLC was the contractor.

Tulane football has been a part of the fabric of New Orleans since the Green Wave played their first season back in 1893. Generations experienced college football at the old Tulane Stadium from 1926-74.

It is not hard to find a story about someone's experience at old Tulane Stadium. Boy Scouts selling programs, a record crowd of 86,598 watching the Green Wave defeat LSU in 1973, the annual Sugar Bowl and early Saints football are all part of the story of Tulane Stadium.

Now in its fifth year, a new chapter continues to be written in a new home by a new (and old) generation of Green Wave fans.

# Game 1 • Tulane 27, South Alabama 24

Hancock Whitney Stadium • Mobile, Alabama  
Sept. 12, 2020 • 6,000 Attendance

**MOBILE, Ala.** - The Tulane football team scored 21 unanswered points in the second half to complete a 27-24 comeback road win over South Alabama in its 2020 season opener.

Redshirt sophomore running back Cameron Carroll scored two rushing touchdowns and redshirt freshman Tyjae Spears ran for 105 yards on 11 carries, as the Green Wave ran for 203 yards as a team.

Making his first career start, redshirt senior quarterback Keon Howard threw for 191 yards and ran for 31 more with one score.

Tulane forced South Alabama to punt on each of its last five possessions in the game and held the Jaguars to just 96 yards of total offense in the second half.

Both teams got off to slow starts offensively, committing turnovers on their first possessions of the evening respectively, as the first quarter elapsed without any scoring plays.

South Alabama (1-1) got on the scoreboard first with a 34-yard touchdown strike just over four minutes into the second quarter, but the Green Wave countered less than 90 seconds later on a six-yard rushing score by Carroll. The Wave were unable to convert their extra point attempt and trailed, 7-6, with 9:27 left in the first half.

The Jaguars scored another touchdown to take a 14-6 advantage into halftime, and that began a streak of 17 unanswered points as they extended their lead to 24-6 on a 49-yard field goal halfway through the third quarter.

**NEW ORLEANS** – The Tulane football team suffered its first loss of the 2020 season, as Navy kicked a 33-yard field goal as time expired to complete a 27-24 comeback win in an American Athletic Conference matchup Saturday afternoon at Yulman Stadium.

Tulane (1-1, 0-1 AAC) freshman running back Tyjae Spears rushed 18 times for 119 yards, eclipsing the century mark for the second straight game. Redshirt sophomore running back Cameron Carroll ran for 62 yards and two touchdowns and now has multiple scores in back-to-back games after scoring twice in the win at South Alabama.

Navy (1-1, 1-0 AAC) did all the scoring in the second half of the game with 27 unanswered points despite being held scoreless in the first half.

The Green Wave jumped in front early with a five-play, 66-yard drive on its first possession of the day. Spears broke a 42-yard run down the sideline which set up a three-yard touchdown run by Carroll for his third score of the year.

Tulane's defense was stout for the entire first half, holding Navy to just 59 total yards and two first downs while forcing the Midshipmen into punts on each of their first five possessions.

Following a 14-play drive on the Wave's second possession of the game that resulted in a 22-yard field goal by Merek Glover, Tulane pieced together an 11-play drive that covered 63 yards and ended with a 3-yard rushing touchdown by Phat Watts to extend the lead to 17-0 with 8:12 remaining in the first half.
