

# Turkey

## Word Family

## Worksheets

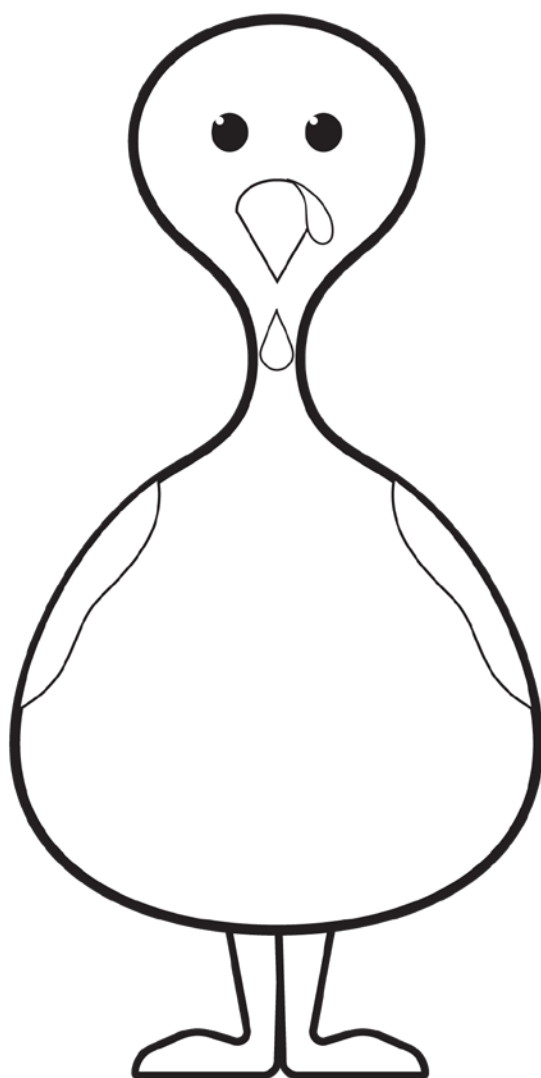

Cut, paste and color each word family onto a turkey.

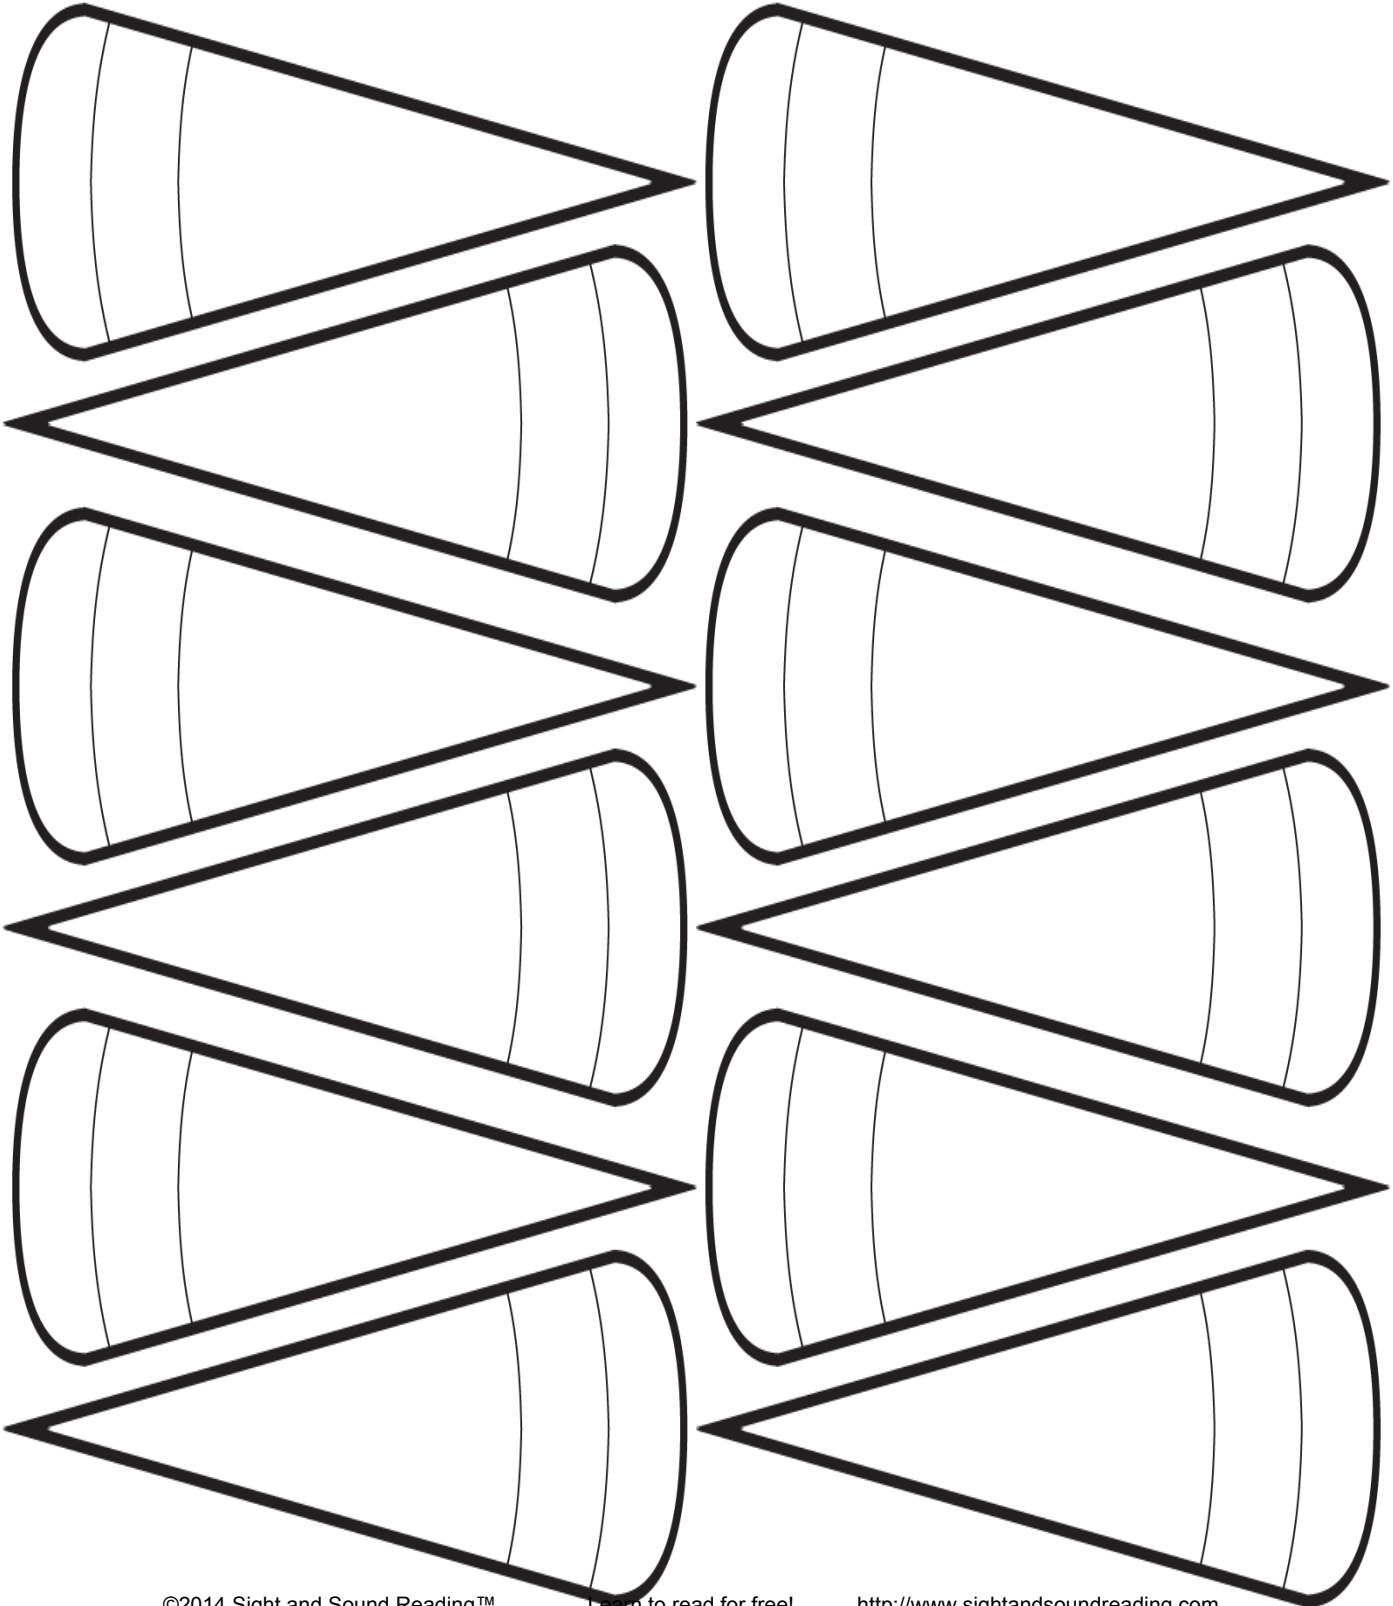

Directions:

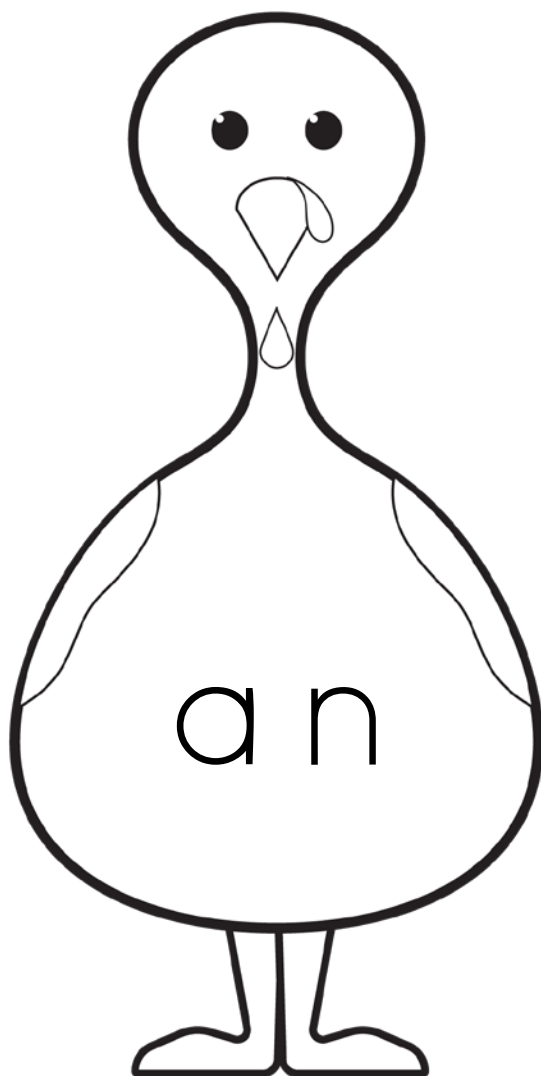

1. To make a turkey, have students trace and read each of the words to a word family.
2. Cut out feathers and glue behind the turkey body.
3. Color the turkey.

Blank templates of both turkey body and feathers are included. You can have students make their own word family turkeys by writing on the blank feathers
