Volunteer Coaches Needed!

The New York State Trappers Association was formed in 1938 by a small group of trappers at O.L. Butcher's Adirondack camp on the Blue Ridge. In attendance was E.J. Dailey, O.L. Butcher and Pete Rickard. We believe the first New York State Trappers Association Convention was held in 1941 at Piseco Lake on Labor Day Weekend and has been held on this weekend ever since. It was held at Piseco Lake until the NYSTA outgrew the facilities. In 1978 it was moved to West Winfield and until 1994 was moved from fairground to fairground statewide. In 1994 we were welcomed by the Herkimer County Fair Board. A close alliance was formed with them and the New York State Trappers Association has hosted their Labor Day weekend Convention and Sportsman's Show at the Herkimer County Fairgrounds ever since. At the convention and Sportsman show you can find all kinds of sportsman supplies, kid's activities, trapping supplies, tanned fur, wildlife paintings and photographs, and more. At the NYSTA booth in dealer building #1, you can purchase a membership, and pick up some cool T-shirts, sweatshirts, hats and NYSTA merchandise of all types. This year the New York State Trappers Association welcomes Rose Anna Moore to our convention. Rose was one of the participants featured on season 8 of the History Channel's "Alone" series on television that aired in July and August of this year. Rose will have a booth in building #1 to meet and visit with anyone that stops by. On Friday, September 3rd, Rose will give a special presentation, in the demo area, about her experiences on the series and what it was like being "Alone" for months on Grizzly Island. Don't miss this special presentation!

TECHNICS ORGAN like new condition, used very little. Can create many different sounds, compose, record and store data \$800 315-855-5022.

The USDA has announced plans to invest “\$500 million to expand meat processing capacity as part of efforts to increase competition, level the playing field for family farmers and ranchers and build a better food system”

The Eastern Upstate NY region could clearly benefit should grant monies find their way here. They are asking for public comment. We thought you may want to share your thoughts with them.

Trinity is reaching out to regional farms to: 1) let them know of this opportunity to voice their opinion and 2) to provide an easy way to respond, anonymously or not.

Attached are 6 survey questions we think would generally reflect a farm's opinion of the potential impact of expanding accessible processing capacity along with a place for general comments.

There are two ways to respond. Print out the survey, answer it and either mail it back to Trinity at 3524 State Highway 205, Hartwick, NY 13348 or scan it and email to tonya.b3487@gmail.com and ask that someone from Trinity call and you'll answer the questions over the phone. **NEED YOUR PHONE NUMBER WHEN YOU REPLY IF YOU CHOOSE THIS OPTION.** In both cases, you can choose to respond with your farm name or not.

Trinity will compile all the results and send them to the USDA as one comment along with copies of any responses that have additional general comments.

THE DEADLINE for submission is August 31st so we need to have this completed by August 27th.

Thank you. Feel free to call Tonya at 607-293-7925 or Andy at 585-770-0755 if you have any questions. ➡
