Ada Jane Jones. This was the name of the child born to James Jones and Ann Jane Walsh Jones at 78 Manchester St., Oldham, Lancashire, England on June 1, 1873. Her father ran an inn named The British Flag. There was nothing unusual about her - in fact, she was quite often described as rather homely. Little did anyone know how well-known this baby would become in adulthood and how her unique talents would win such a large following.

The family moved to Philadelphia in 1879, her mother died soon after. Ada's father remarried and her stepmother, Annie Douglas Maloney, was the one who encouraged Ada to make use of her singing talents by making stage appearances as early as 1883 as "Little Ada Jones". She had no musical training and learned songs by ear as she was unable to read music or play an instrument. The fact that she refused to learn songs until she got into the studio, resulted in an impromptu, loose style making her sound like she was having fun with her singing. Her style was described as light and chipper. Her voice was said to be contralto with her singing style popular for sentimental ballads, hits from Broadway shows, British music hall material, ragtime and Irish songs. It was discovered that she had a great ability to mimic several different dialects and she made use of this ability in the variety of songs she performed and later in vaudeville sketches. She specialized in singing while colored slides were projected illustrating the song. Live performances proved to be difficult for her as she suffered from epilepsy for which, at that time, there was no known help. Because of this she welcomed the opportunity to make records out of the direct scrutiny of a live audience.

On August 9, 1904, she married Eugene Hugh Flaherty (Hughie), an Irishman born in 1878 who was a vaudeville entertainer. They had one daughter, Sheliah, born in 1918, who died at a young age.

Her recordings began to gain notice with over two hundred being recorded

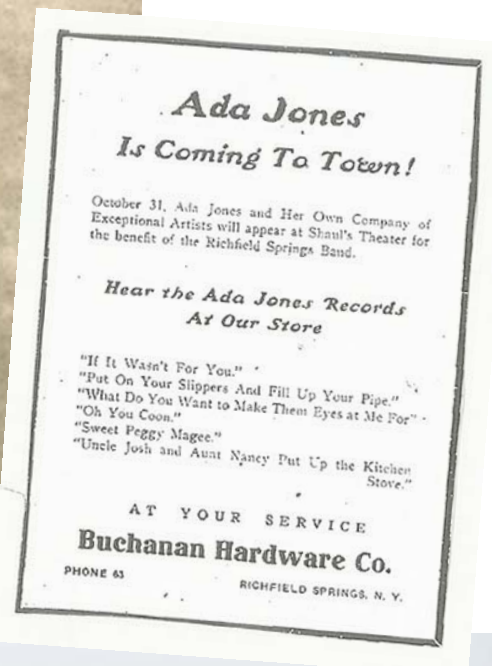

Ada Jones

from 1904 to 1917. This was the era of wax records produced by the Edison Company and Ada was considered the "first lady of the phonograph". Songs like "Shine on Harvest Moon" and "By the Light of the Silvery Moon" were among the most popular. Aside from solo recordings for Edison and Victor records, she teamed up with several partners to produce a variety of popular songs that were on the list of top ten hits.

For several years beginning in 1913, Ada recorded steadily. She had had such meager formal schooling that her writing was most often illegible. Others signed autographs in her name for this reason. As the recording sessions became more infrequent by 1916 with the change in the type of music that was popular, Ada went on tour making personal appearances in smaller towns. She had lost most of her followers to the point that in 1918, she was reported as being dead. Her reply was that "Like Mark Twain, I object to being reported dead!"

No doubt as a promotion for the record companies, the stores that carried her records and as a way to earn a living, the famous Ada Jones, as part of an Eastern tour, appeared in Richfield Springs in October 1921 at

Shaul's Theater for the benefit of the Richfield Springs Military Band. The event was advertised as follows: "Ada Jones, being the idol of millions on the phonograph, now seen for the first time in person. Thousands of people have heard the voice of America's best known female singer, Ada Jones, on the phonograph and now they will have the opportunity and pleasure of hearing and seeing her in person on October 31st. As long as life lasts, we shall each of us who see and hear Ada Jones recall the thrills and delights of her records. Miss Jones, from the very start, holds her audience captive with the melodious beauty of her voice and wins the hearts and admiration of all who hear her and her delightful company consisting of Miss Beth Hamilton, violinist, Miss Mabel Loomis, pianist and Armstrong, the Man of Mystery. Enjoy the music, mirth and magic. Come and hear her and help the band to purchase new uniforms."

It wasn't long after her appearance in Richfield that she was taken ill and died of kidney failure on May 2, 1922. She is buried at St. Patrick's Cemetery, Long Island, alongside her husband who died in 1969. Ada was posthumously inducted into the Songwriters Hall of Fame.

TO ALL TOWN OF RICHFIELD VOTERS

Tuesday, November 2nd, 6:00am – 9:00pm is voting for the Town of Richfield elections. I would appreciate all your votes. My name is Tim Proctor. I am the current Highway Superintendent, finishing my fourth year in office. Previous to this, I was a Town Highway employee for over 20 years. I have paved approximately 9 miles of roads in the town since taking office. This was done at no taxpayer expense, being funded by the NY State chips program. I would appreciate your support in this year’s election. I have the full support of Mike Kress, previous Highway Superintendent. Thank you for your consideration and support.

Write-In Paul Palumbo for Richfield Town Councilman

Greetings Richfielders—
Life happens—and I won’t be serving another term as Town Supervisor; I am not asking for anyone’s vote.

In the best interests of the Town, I urge everyone to write-in **Paul Palumbo for Councilman.** Paul has served previously as Councilman and Supervisor; for the past two years he has kept the Town books. We have worked together at Town Hall for six years and I know that he will be an honest broker on the Town Board.

His election will mean that the modest changes to the zoning law that we are working to pass will be upheld. Changes like allowing parking in front of a business on Route 20, instead of restricting parked cars to the side and rear. Changes like allowing cars to be worked on out-of-doors. Reasonable changes.

Paul knows every aspect of Town government including New York State municipal accounting rules. He will be particularly valuable helping the Board perform its most important function: auditing the supervisor’s books. Looking after our tax dollars. It has been a privilege to work with Paul these past six years because he always puts the interests of the Town first.

You can write-in “Paul Palumbo” on your ballot—at the bottom of either column 8 or column 9. Per the Board of Elections, be careful to write within the box provided. You may vote for one other candidate for Councilman, but you do not have to. If you cast only 1 vote, it will count. Don’t vote for more than 2 candidates. Don’t vote for the same person twice.

All the best.
Nick Palevsky, Richfield Town Supervisor

★ Paul Palumbo ★

Write-in Candidate For Richfield Councilman

I would like to offer my sincerest thanks to Community Leaders, Business Owners, Town Officials, and residents for their encouragement to run as a write-in candidate for Richfield Councilman.

I was truly humbled by the level of support received as a write-in candidate at the Republican Primary. I had intended to retire from Town service this year, but we find ourselves at some very important steps of multiple town issues, and I believe my experience will be valuable to both the Board and the taxpayers as we move forward. Thank you!

Experience:

- Richfield Town Councilman (2014-2015)
- Richfield Town Supervisor (2016-2019)
- Richfield Town Bookkeeper (2020-present)
- Zoning Review Committee Chairman (2021)

Platform:

- Smart management of Town expenses and assets
- Landowner rights – against overly restrictive zoning rules
- Reduce burdensome zoning rules on small businesses
- Moving forward with the Business Park, Water/Sewer

Other:

- 6 years of town government financial experience
- A long history of **independent voting** on the issues
- Board Member - Richfield Area Chamber of Commerce and the Richfield Springs Community Center

I would greatly appreciate your vote on November 2nd
To cast your vote for me, please write “Paul Palumbo” in the bottom box of column 8 or 9 on your ballot. Thank You!

Otsego County Office for the Aging (OFA) has launched a new nutrition program for county residents age 60 and older. The Senior Restaurant Dining program is a partnership between Otsego County Office for the Aging and local restaurants that offers older adults a unique opportunity to enjoy a meal at a local restaurant in the community.

- To participate, eligible residents must register with Otsego County Office for the Aging to receive meal tickets for a suggested contribution of \$3.50 per ticket.
- Up to six meal tickets can be obtained per month.
- Once registered, the participant can use the meal tickets at participating restaurants by presenting the ticket to the wait staff prior to ordering.
- The participant will then be provided with a menu offering meal selections that meet one third of the daily recommended nutrition requirements.
- Instead of paying at the end of the meal, the senior will sign and date the meal ticket which will be retained by the restaurant and submitted to OFA for payment.
- Gratuity is the responsibility of the participating senior.
- Current participating restaurants include Jackie's Restaurant in Milford, Southside Diner & Grill in Oneonta and Red Door Dairy Store in West Winfield. OFA continues to seek participation from local restaurants to expand the program.

For more information, please contact Office for the Aging at 607-547-4232, visit our department website at www.otsegocounty.com or email aginginfo@otsegocounty.com.

GREAT PETS can be found in the Pennysaver...find yours today!

**Richfield's Town Government is not
a Team Sport**

In last week's Pennysaver you were asked to "vote for all three of us—vote for our team of Sullivan, Frigault and Seamon." This ad could well have been titled "please give us control of everything." As scary a thought as that is, it means exactly the same thing. Taxpayers pay for 5 Board members to the tune of \$20,000 per year total. If you vote for that team of 3 on a 5 member board, keep in mind they are all "teammates" and they will all vote the same way on every Board vote. The other 2 Board members will be totally ignored. The team of 3 will have the ability to choose every new member of the various appointed Boards, remove long time appointees they don't like and be able to choose the chairman of every Board and totally control the budget. But wait—it gets scarier!

The last time this "team" was put in charge, we ended up with a 10% tax increase after years of flat taxes, a very prohibitive zoning law that many residents and business owners strongly opposed. In addition, they fired a long-time attorney that worked at a low fixed cost. Town legal costs paid by the taxpayers have skyrocketed since.

Typically, Town Boards, as well as Boards of any nature, consist of members who ideally bring different viewpoints from people with different backgrounds and expertise working together to arrive at the best possible decisions for those they serve. This would not be the case with the "team of Sullivan, Frigault and Seamon." The remaining 2 Board members will be getting paid by taxpayers for, essentially, filling empty seats. Their voices will land on deaf ears.

DON'T BE FOOLED AGAIN!

"Paul Palumbo" and "Isaac Ames" as Write In Candidates**

Richfield Deserves Better

2016, 2017, 2018 & 2019 - Supervisor Paul Palumbo hires Nick Palevsky to be **his** personal secretary/bookkeeper.

2020 & 2021 - Supervisor Nick Palevsky hires Paul Palumbo to be **his** personal secretary/bookkeeper.

2019 - Paul Palumbo and Nick Palevsky put forth a budget with 25.52% tax increase. The board worked it down to 8.9% increase.

2019 - Department of Health sends document to Paul Palumbo to be signed concerning Town ambulance service. Palumbo ignores it.

2020 - Town Attorney and Board urge Supervisor Palevsky to sign Department of Health document to continue Town Ambulance service; the same document Palumbo chose to ignore. Nick refused to sign and service is still disrupted, this has cost residents \$2630.00 in unnecessary attorney fees.

2021 - Paul while Supervisor in 2018-19 refused to work on updating local land use law. Nick then put him in charge of a committee to change the newly updated town law and together they have spent over \$2900 tax dollars on attorneys so far.

2021 - After the September board meeting Paul Palumbo and Nick moved \$49,869.51 illegally from a highway account to a town account without board approval.

**Don't you think Richfield has had
enough of Paul Palumbo and Nick Palevsky?**

In the battle against breast cancer, early detection is a woman’s most powerful weapon. In fact, according to the National Cancer Institute, when breast cancer is detected in an early, localized stage, the five-year survival rate is 98 percent. Ten-Digit Dialing Required Starting October 24th

Due to the fact that the planned National Suicide Prevention Hotline will use the three-digit number “988” (similar to “911” now being used for emergencies), any area codes in the United States containing local exchanges of 988 will now require ten-digit dialing as of October 24, 2021.

In New York State there are five Area Codes affected- 516, **607**, 716, 845, 914. All calls, including local calls, within those areas will need to be dialed with the 3-digit Area Code.

Visit the FCC’s website for complete information: www.fcc.gov/consumers/guides/ten-digit-dialing

Victims of Success?

Sales have been phenomenal this year- were they all in one place, there'd be a 3.5 by 1 mile piece gone from the market. Our inventories are 20% of normal - even at today's high prices, still they call.

For instance, if you have a waterfall on your land, we have a list of 250 buyers for it. Many with the cash, too.

We badly need farms, dairies, acreage, country homes with land - in all sizes. If you fail to call, 2 parties are going to be disappointed: 1) our buyers & 2) you - for not taking advantage of this unprecedented real estate climate. You know it won't last. Let's "Make hay when the sun shines."

We cover a surprisingly broad area. Call now to see how we make money for you. As a client, your interests become ours.
