We reserve the right to cancel the booking if you do not wish to accept the price which is applicable to the holiday. Even in these cases we will absorb the cost equivalent to cost of the first 2% of the holiday price. Amounts more than this plus £1 administration fee and Travel Agents commission will be surcharged to you. If this means the total cost of the holiday increases by more than 8% then you are entitled to cancel your holiday and receive a full refund of all monies paid except any insurance premium and amendment charges. We will communicate the options with you either through email or letter, with a reminder if necessary. If you exercise the right to cancel, we must receive written notice within 20 days of the date of the surcharge invoice. If, after our confirmation has been issued, you wish to change to another of our holidays or change departure date, we will do our utmost to make the changes, but we cannot guarantee to do so. However, notification must be received in writing at our offices from the person who signed the booking form, at least 6 weeks before departures. Alterations cannot be made within 6 weeks of departure and any such request for an alteration will be treated as a cancellation of the original booking and will be subject to the cancellation charges set out in paragraph below. Some arrangements cannot be changed without paying a cancellation charge of up to 100% of the ticket cost.

7. Transferring your booking

You can transfer your booking to somebody else, but the person must satisfy all the conditions of the holiday and you must inform us either by letter or email no less than 7 days before departure. This transfer will cost £25 plus reasonable costs to make the transfer. You will remain responsible for ensuring payment before the balance due date. This is in addition to (and does not affect) the separate liability of the transferee to us.

8. If you need to cancel your holiday

You or any member of your party, may cancel your holiday at any time provided the cancellation is made by the person signing the booking form and is communicated to us in writing via the office who made your original booking. You must pay cancellation charges to cover our administration costs and to compensate for the risk of us not reselling the holiday. If the holiday is resold a refund will be made. Your cancellation will take effect from the date on which we or our agent receive your written confirmation of your cancellation. You must also return any tickets or vouchers you have received. A reduction in room occupancy may increase the charges for the remaining passengers by the application of supplements for low occupancy of rooms. Where bought in supplies, such as ferries, hotel accommodation etc have been bought in on your behalf, and where the terms and conditions of the supplier are non-refundable, these products will be charged to you at the full retail rate. If this applies, the non-refundable items will be deducted from your holiday costs and the following scale of charges will be applied to the remainder:

9. Alterations to your holiday by us

We hope that we will not have to make any change to your holiday but, because our holidays are planned many months in advance, we sometimes do need to make minor changes. We reserve the right to do this at any time. We will let you or your booking agent know about any important changes as soon as possible, including the minimum number of passengers required on the trip. If after booking, and before departure, we make a major change to your holiday, you will have the option of withdrawing from the holiday without penalty or transferring to another holiday without any charge. In either case, we will pay you compensation, according to the scale set below. A major change includes the time of your departure or return time by more than 12 hours, a change in departure point, location of resort or type of hotel, a change in cross channel travel, or specification of the coach. If we tell you about any of these changes after we have confirmed your holiday booking (other than force majeure), you may either:
 - accept the new arrangements offered by us; or
 - accept a replacement holiday from us of equivalent or similar standard and price (at the date of the change), if we can offer you one; or
 - cancel your holiday with us and receive a full refund of all monies. Either way, we will pay you compensation, using the Compensation table shown,

Period before departure in which significant change is notified to you or your agent

| Period before departure in which significant change is notified to you or your agent | Amount per person |
|--|-------------------|
| More than 28 days | Nil |
| 15 to 27 days | £15 |
| 8 to 14 days | £20 |
| 0 to 7 days | £25 |

IMPORTANT NOTE Compensation will not be payable if the holiday is cancelled because the number of persons booked is less than the number required, or for events beyond our control, which include: war, threat of war, riots, civil disturbances, terrorist activity and its consequences, industrial disputes, natural and nuclear disasters, fire, epidemics, health risks and pandemics, unavoidable and unforeseeable technical problems

with transport for reasons beyond our control or that of our suppliers; hurricanes and other actual or potential severe weather conditions and any other similar events. You are also advised to check with The Foreign and Commonwealth Office Advice Unit regularly at www.fco.gov.uk/ travel prior to travel. All holidays operate if the minimum number of participants is met. However, in no case will we cancel your holiday less than 4 weeks before the scheduled departure date, except where you have failed to pay the final balance or because of force majeure (force majeure means an event which we or the suppliers of the services in question could not foresee or avoid and is therefore beyond our control).

10. Our responsibility to you

We accept responsibility for ensuring the holiday which you book with us is supplied as described in our publicity material and the services offered reach a reasonable standard and if you are in difficulty, we will assist you. If any part of our holiday contract is not provided as promised, you may terminate the contract without paying a termination fee and we will pay you appropriate compensation if this has affected your enjoyment of your holiday. We will, however, not be liable if there are any unforeseeable or unavoidable actions of a third party not connected with our travel services, or there were unavoidable or extraordinary circumstances, or the lack of conformity is due to a traveller in the party. We accept responsibility for the acts and/or omissions of our employees, agents and suppliers except where they lead to death, injury or illness. Our liability in all cases shall be limited to a maximum of twice the value of the original holiday cost (not including insurance premiums and amendment charges). We accept responsibility for death, injury, or illness caused by the negligent acts and/or omissions of our employees or agents together with our suppliers and sub-contractors, servants and/or agents of the same whilst acting within the scope of, or during their employment in the provision of your holiday. We will accordingly pay to our clients such damages as might have been awarded in such circumstances under English Law. In respect of carriage by air, sea, tunnel and rail and the provision of accommodation our liability in all cases will be limited in the manner provided by the relevant international convention. If we make any payment to you or any member of your party for death or personal injury or illness, you will be asked to assign to us or our insurers the rights you may have to act against the person or organisation responsible for causing the death, personal injury or illness. This clause does not apply to any separate contracts that you may enter for excursions or activities during or outside of your holiday. If you or any member of your party suffer death, illness or injury whilst overseas arising out of an activity which does NOT form part of your holiday, we may offer guidance and where legal action is contemplated and you want our assistance, you must obtain our written consent prior to any proceedings (We limit the cost of our assistance to you or your party to £5,000 per party)

11. If you have a complaint

If you have a problem during your holiday, please inform your Tour Manager, your driver or the relevant supplier/resort representative immediately who will endeavour to put things right. If your complaint cannot be completely resolved locally, you must complete a Holiday Report Form which can be obtained by your driver or local representative, which you should keep. Our contact number, for unresolved complaints will be our office number on 01934 415000 (open in office hours). If you remain dissatisfied please follow this up within 14 days of your return home by writing to Bakers Dolphin Coach Travel giving your original booking reference number and all other relevant information, including the reference of the Holiday Report Form. It is therefore a condition of this contract that you communicate any problem to the supplier of the services in question AND to our representative whilst in resort and obtain a written report form. If you fail to follow this simple procedure, we cannot accept responsibility as we have been deprived of the opportunity to investigate and rectify the problem. Should you wish to pursue the complaint further, BCH/ABTOT have an Alternative Dispute Resolution scheme and full details are available from them. Please contact them at ABTOT 117 Houndsditch London EC3A 7BT.

12. Our Coaches

We will always use our reasonable endeavours to provide a coach to the specification in our brochure or advert but reserve the right to substitute an alternative vehicle should there be unforeseen circumstances. There is a seating plan but, in some cases, operational reasons may require a coach with a different configuration. We reserve the right to alter a coach seating plan and allocate seats other than those booked. Single passengers may be required to share a double seat with other single passengers. When your booking is confirmed, you will be offered the best seats that are available at that time. If you feel that you require two seats, then these must be booked and paid for in advance, at the time of booking. If you fail to do this and it transpires that the seat allocated to you is insufficient for your needs and there is no alternative seating available, then you will be refused access to the coach and any payments made will be liable to forfeiture. Specific seats will not be allocated on coaches operating a feeder service between joining points and main holiday departure points or on coaches that carry out transfers between airports, seaports etc.

13. Hotel facilities

Some hotel facilities and entertainment may be withdrawn for routine maintenance or be subject to seasonal availability and provision of the facilities cannot be guaranteed. Single occupancy of rooms may be subject to a supplementary charge.

14. Health and Safety

In some foreign countries, standards of infrastructure, safety and hygiene may be lower than those to which we are accustomed in the UK. You should therefore exercise greater care for your own protection. There may be countries that we visit that have special medical requirements for tourists. These regulations are subject to change and our clients are responsible for complying with entry and current health requirements. If you are not sure of the health requirements for the country you are visiting, you are advised to check with your own GP before travelling. You are also advised to refer to the Department of Health leaflet 'Health Advice for Travellers'. Some people may be at risk from discomfort or deep vein thrombosis (DVT) if they remain immobile on a journey for a long period. If you are planning to undertake a journey of more than three hours, you should consult your doctor, if you have ever had DVT, pulmonary embolism, a family history of clotting conditions, cancer or treatment for cancer, stroke, and heart or lung disease or if you have had major surgery in the past three months. We

reserve the right to refuse any booking in the absence of a doctor's certificate confirming that you are fit to travel. Where we provide comfort stops you are encouraged to walk around. Exercise reduces any discomfort, which may be caused by coaches (including E-Cigarettes) and we do not allow pets or any other animals, although we accommodate registered assistance dogs, but not on overseas holidays.

15. Travel documents, itineraries, pick-up points and passports

For all Continental holidays, you will require a full 10-year British Passport (machine readable) valid for 10 years from date of issue with a further 3 months after your holiday. If you do not hold a full British Passport or have any doubts about your status as a resident British subject, you must check with the Embassies or Consulates of the Countries to be visited to confirm the Passport or visa requirements when you book. We cannot accept responsibility if passengers are not in possession of the correct travel documents. For full details on passport requirements, please contact 'the identity and passport service' on 0300 222 0000 (www.direct.gov.uk). You are responsible for ensuring you are at the correct departure point, at the correct time and with the correct documents. Bakers Dolphin Coach Travel reserve the right to modify itineraries to conform with requests from competent authorities both within the UK and abroad. Excursions which are included in the cost of your booking are detailed on the brochure page and refunds will not be made for excursions not taken. Optional excursions booked and paid for in resort do not form part of your booking. Admission fees to buildings may not be included in the price of the holiday, please check.

16. Special requests

All special needs and requests, if agreed, should be entered on the booking form and be included in the confirmation of the holiday. These cannot be guaranteed except where confirmed as part of our holiday commitment to you and are detailed on your holiday booking confirmation. We are keen to ensure that we plan the arrangements for your holiday so that special needs and requests can be accommodated as far as possible. If you will need assistance or may be unable to fully enjoy all aspects of your holiday you must tell us in advance so that we can maximise your enjoyment of the holiday. We will need to know if you will need special facilities in the hotel, taking part in the excursions or have difficulty boarding and travelling on the coach or other

means of transport. Before booking your holiday, you should be sure that you and your party are both physically and mentally capable of completing the itinerary. If you need advice or further information either you or your booking agent should contact 01934 415000. If you will require a special diet please tell us at the time of booking, or as soon as you are medically advised, together with a copy of the diet.

17. Passengers with disabilities

We want everyone to enjoy our travel arrangements. We are happy to advise and assist you in choosing a suitable holiday. But, as some of the accommodation and resorts featured may not cater for even minor disabilities, it is important that, when booking, you advise us of any disability, specific need or complex need you may have and any special requirements that will make sure the holiday is suitable. If a passenger requires personal assistance (for example, assistance with feeding, dressing, toileting, mobilising) then this passenger must travel with an able-bodied companion or carer and written confirmation that such assistance will be provided for the entirety of the holiday is required at the time of booking. Coach drivers/Tour Managers are unable to provide such assistance. Important You must tell us if you have an existing medical condition, disability or complex need that may affect your holiday or other group members' enjoyment of it before you book your holiday. We reserve the right to request a doctor's certificate confirming the passenger is fit to travel. If, in our reasonable opinion, your chosen holiday is not suitable for your medical condition or disability, we reserve the right to refuse your booking. You are responsible for bringing with you the proper clothing and equipment, which we advise you about in our printed trip information. We want you to enjoy your holiday and will help you select an appropriate trip.

18. Passenger Behaviour

We want all our customers to have a happy and carefree holiday. You are responsible for your behaviour and hygiene and the effect it may have on others. If you or any other member of your party is abusive, disruptive or behaves in a way that could cause damage or injury to others or affect their enjoyment of their holiday or which could damage property, we have the right to terminate your contract with us and we will have no further liability or obligation to you. The coach driver representative, ship's captain, or authorised official is entitled to refuse you boarding if in their reasonable opinion you are unacceptably under the influence of drink or

drugs or you are being violent or disruptive. If you are refused boarding on the outward journey, we will regard it as a cancellation by you and we will apply cancellation charges. If on your return journey, we have the right to terminate the contract with you. We also request that mobile telephones are not used on the coach.

19. Travel Insurance

We strongly advise that you take out personal travel insurance for the trip. We have arranged travel insurance with Travel & General Insurance Services Ltd, which is outlined below. You may use an alternative insurer, but you must advise us. The insurance should cover medical and repatriation costs, personal injury, loss of baggage and cancellation charges. If you do not have adequate insurance and require our assistance during your holiday, we reserve the right to reclaim from you any medical repatriation or other expenses which we may incur on your behalf which would otherwise have been met by insurers. You must advise us if you use an alternative insurer, the policy number and 24-hour contact number.

20. Luggage

Please restrict your luggage to a suitcase weighing no more than 20kgs per person. We cannot accept responsibility for loss or damage to luggage unless through our negligence. Please do not leave valuable items in your suitcase when left on the coach. Please contact us for our policy on mobility scooters.

21. General Data Protection Regulations

We comply with the GDPR 2018 Regulations, our data controller is Stephen Hunt and our data protection policy can be found online at www.bakersdolphin.com or you can request a copy from Bakers Dolphin, 48 Locking Road, Weston super Mare, North Somerset. BS23 3DN.

HEALTH DECLARATION AND HEALTH EXCLUSIONS

It is very important that you read the following:

For UK travel only - If you are only travelling within the UK, Channel Islands or Isle of Man during your journey, it is a condition of this policy that you can comply with the following:

- You are fit to travel and undertake your planned journey.
- Following any claim investigation, your doctor confirms they would have agreed with or recommended your travel plans when you took out this insurance, booked your journey or at the time you travelled (whichever is later).
- You are not travelling with the purpose of having medical treatment or a consultation.
- You are not awaiting the outcome of any medical tests or an appointment at a medical facility for any medical investigations.

For travel outside of the UK & All Air & Cruise Holidays - You will not be covered for any claims arising as a direct or indirect result of an existing medical condition if, in the 12 months before taking out this insurance or booking your journey (whichever is later), you:

- Were referred for tests, investigations, treatment or surgery, or were awaiting the results of any referral
- Attended or were due to attend a hospital or clinic as an outpatient or inpatient;
- Received treatment or saw a medical practitioner for a medical condition; or
- Were prescribed medication. Unless the condition(s) has (have) been declared to and accepted by us in writing. You should contact the Medical Screening Team by calling 02392419063 if:

- You need to declare a medical condition.
- You are unsure whether a medical condition needs to be declared or not. The confidential helpline will be able to confirm if cover can be provided for your medical condition(s). If you need to make a claim arising from a medical condition that has not been declared and accepted by us, it is unlikely that your claim will be paid. Each person insured by us would still be covered for any unrelated medical condition(s) and other sections of cover subject to the terms and conditions of this policy.

You will not be covered if:

- Following any claim investigation, your doctor confirms they would not have agreed with or recommended you travel as planned either when you took out this insurance, booked your journey or at the time you travelled (whichever is later).
- You know you will need medical treatment or a consultation at a medical facility during your journey.
- You are travelling specifically for the purpose of having surgery, procedures or hospital treatment, whether medically necessary or not.
- You had been diagnosed with a terminal illness prior to the date you took out this insurance or booked your trip (whichever is later). If we are unable to cover a medical condition, this will mean that any other person insured by us will not be able to make a claim arising from the medical condition(s). This may even apply if the person with the medical condition(s) purchases cover from another provider.

Exclusions relating to the health of someone not insured on this policy, but whose health may affect your decision whether to take or continue with your journey:

- You will not be covered for any directly or indirectly related claims (see note at the end of this section) arising from the health of a travelling companion, someone you were going to stay with, a close relative or a business associate if at the time your policy was issued:
- You were aware they had undiagnosed medical condition(s) for which they were awaiting tests, investigations or the results of these;
- You were aware that their medical condition(s) were unstable, were likely to get worse in the next 12 months or they had been diagnosed as having a terminal condition. Note: Only claims relating to a medical condition where any of the above apply will be affected. This includes indirectly related claims. For example, if someone breaks a bone and a

doctor confirms it is related to an existing diagnosis of osteoporosis (brittle bone disease), this would not be covered if we have not agreed in writing to cover the osteoporosis.

SIGNIFICANT EXCLUSIONS RESIDENCY

If you or anyone else named on this policy has not been a resident in the UK for more than 12 months, or if studying or working in the UK for more than 6 months, before the policy was issued, this policy cannot cover you. In addition to the above the policy also contains the following main exclusions:

- Any existing medical conditions unless they have been declared to (where appropriate) and accepted by the insurer.
- Your participation in any organised sports or dangerous activities unless they have been declared to and accepted by the Insurer.
- Suicide, self injury or deliberately putting yourself at risk (unless you are trying to save another person's life).
- Travel against the advice of the carrier, any other public transport provider, the Foreign Office or the World Health Organisation.
- Any manual work or hazardous occupation undertaken during the insured trip.
- The bankruptcy / liquidation of the tour operator, travel agent or transportation company with whom you have booked your trip.

Examples of these and other conditions and restrictions and what to do if you are unsure about any aspect of an exclusion are contained within your policy information. Full details are contained within your policy information.
