2021-22 OLE MISS DRUMLINE

AUDITION PACKET

# THE UNIVERSITY *of* MISSISSIPPI

Thank you for your interest in the 2021 Ole Miss Drumline! The Pride of the South has a proud tradition of great performances and unrelenting school spirit, and we are excited to have you become a part of that tradition.

The Pride of the South is looking for individuals who are responsible, diligent, and hard working. During the course of the audition process, you will be asked to do things that may be different from how you have previously learned them. Please keep an open mind and be flexible. There are many ways to approach technique and playing, and many of these can be considered “correct.” All we ask is that you give your best effort to learn our methods, as to create a unified approach in our ensemble. One frequently asked question is what is required to make the line, and the answer is to have a great attitude, strong work ethic, and always do your best.

Over the course of the audition process, we usually have more individuals auditioning than we have available instruments. Because of this, we ask that you have a primary choice and a secondary choice of instruments to audition on. We will do our best to honor first requests, but the main priority is to place individuals where they can utilize their strengths. In doing this, we are able to set the ensemble up for success as a whole.

Included in this packet are audition exercises and music. Please learn this music prior to arriving, as it will be used to teach technique, concepts, etc. No matter how simple or difficult the music may look, you must strive for accurate playing. This includes incorporating correct heights, accurate note interpretation and placement, consistent tempo (practice with a metronome), and quality of sound with each rep. Additionally, individuals auditioning for snare, tenors, basses, or cymbals must be prepared to mark time correctly to all exercises and music.

Again, we are so glad that you are interested in the Ole Miss Drumline, and we are looking forward to seeing you at auditions!

Best,

The 2021 Ole Miss Drumline Staff

### **Basses:**

- Rudiments – these may be played in the context of a previously learned exercise, or individually.

## **General Audition Video Instructions**

- Please state the following information at the beginning of your video:
  - o Your name
  - o What school you are from
  - o The instrument you are auditioning for
    - Please specify drum number (1 – 6) for basses or split
- Exercises may be recorded individually, but each exercise, including those with multiple reps required, must be recorded in one, continuous take. Please do not edit in the middle of an exercise or between multiple reps of the same exercise.
- Audition videos on actual drums or keyboards are best, but as access to instruments may present a problem, the following options are acceptable and will not influence your chances of earning a spot:
  - o Snares may play on a Real Feel, Offworld, or similar style pad.
  - o Tenors may play on a commercial or homemade pad. If you make one, be sure it is spaced to mimic drum sizes of 6", 8", 10", 12", 13", 14".
  - o Basses may play on a commercial or homemade pad.
  - o Cymbals may clap. Be sure to maintain proper marching posture and clap with appropriate technique with your hands in front of you.
- All audition videos must be recording while standing.
- The metronome must be clearly audible in your videos.
- Your YouTube video or Google Drive link will need to be uploaded by the link provided on the marching percussion page of the Ole Miss Band's website.
