Rick Landry

Message from the President

My Corvette family,

Can you say 5 STAR !!! In the last month I have spoken to dozens of people who are anxiously waiting for CGCC's 5 Star event at Clover Park Technical Institute on August 9th. I mean not only fellow Corvette owners but customs, rat rods, VW's, Camaros...you name it. Thanks to all of CGCC for the effort put towards passing out flyers at all the events you have and are continuing to attend...I have seen them out at quite a few shows I have attended [;) PLEASE contact the 5 Star committee with any donations, baskets, raffle items, ect. There is one more committee meeting on the 6th at Johnny in Fife starting at 6:30 PM

Many car shows, cruise-ins, rod runs, you name it are occurring every weekend for the next couple of months which means there are plenty of opportunities to share a common interest with like minded people which in turn just means FUN!!! Take the time to enjoy your favorite venues and even try a different show to see many other cars, trucks, motorcycles and maybe even a Ford or two [;)

The weather is fantastic and ideal for playing with the top down on "Charvette". Mind the sunscreen and plenty of hydration when appropriate!

Save the wave,

Dennis Petersen

NATIONAL CORVETTE MUSEUM

As you read this article, I will be on the 5th Corvette Caravan somewhere between the Seattle area and Bowling Green heading southeast for the 20th Anniversary Celebration of the National Corvette Museum. They have over 7,000 participants registered for this event. Their target is 10,000, we'll see how close they will get to that number.

I'm getting real excited about the Caravan and Anniversary Celebration. This will be my 4th Caravan, 3rd from Tacoma. This one is going to be extra special because of the opening of the Motorsports Park.

The members of Corvettes Limited of Bowling Green can be seen here volunteering to begin curb painting at the Motorsports Park! Painting will continue through the weekend with the help of Nashville Corvette Club, weather permitting.

As a One Acre Club member, I have the opportunity to be one of the first to drive a Corvette on the track for inaugural parade laps.

I will work with Conrad to see if we can get photos posted as we head for the Museum.

If you haven't done a caravan, start planning now for the one in 2019

Do you consider yourself a Corvette enthusiast? Are you a member of the Museum? If not, why not? Go to the Museum's web site and check out all they have to offer.

If you are interested in the National Corvette Museum events or items, please contact me or see me at one of our meetings or events.
