## TERMS & CONDITIONS

### PRICES

U.S. shipments are FOB Buffalo, New York (refer to Spec's U.S. prepaid shipping program). Prices include all carton and crating charges and do not include any taxes, storage, shipping or installation charges. Prices are subject to change without notice.

### WARRANTY

We are pleased to provide the initial purchaser with a Lifetime Structural Warranty against defects in design, construction and materials. Finishes and cover materials are warranted for two years subject to normal wear and tear. Our warranty will not apply where there is evidence of alteration, misuse, negligence or abuse. No warranty shall apply to COM fabrics. During the warranty period, we will repair, or at our option, replace any product where we are satisfied the product is defective. Decisions on warranty rest solely with Spec. All freight charges for items being returned for service must be prepaid by the customer. If a claim is accepted, we will gladly refund the charges incurred.

### CREDIT

All purchase orders are subject to credit approval. For our established dealers, terms are net 30 days from date of invoice. In some instances a deposit may be required to accompany an order. We will advise you if a deposit is required when we acknowledge your order.

### DAMAGE AND CLAIMS

All products are carefully examined before packaging for shipment. Ownership of your product passes to you upon pick-up by the carrier at our factory. Upon receipt of your order, check for any physical damage to the product (even if the carton is unmarked) that may have occurred during transit. Note any physical damage on all copies of the bill of lading and enter a freight claim with the carrier immediately. If you discover damage while unpacking, arrange for a carrier inspection immediately. Any damage, visible or concealed, must be reported to the carrier within 15 days from delivery. Our customer service department would be pleased to help you in any way during the process.

### CANCELLATIONS, RETURNS AND CHANGES

Orders are in process once acknowledged and may not be cancelled without our consent. You may be responsible for work in process and administration costs including labor and raw materials. Merchandise may be returned only with our clear written authorization. Freight costs for returns are your responsibility. Our product designs, processes, and materials are always under review ensuring the best quality and value to you. We will do our best to notify you as improvements occur.

### ORDERING PROCEDURES

Please submit all orders in writing and fax, e-mail or forward

directly to the factory. Orders sent by fax do not require confirmation. Please use our model numbers and finish codes with a brief description of the product(s) being ordered. Your order will be acknowledged promptly and in writing to you (usually by fax or e-mail) once clarified. We request your assistance in checking our acknowledgement's accuracy to your order to ensure discrepancies do not occur. It is your responsibility to let us know of any discrepancies within 5 business days from the acknowledgement date.

### CUSTOM ORDERS

Custom orders are encouraged. Our constant design innovation and adaption to new ideas is fueled by our customers. If you can't find what you require, or have a unique application, simply call us.

### COM SHIPPING INSTRUCTIONS

All COM fabrics should be ordered and shipped directly to our factory at 165 City View Drive, Toronto, Ontario, Canada, M9W 5B1. For fabric originating in the United States, most suppliers are aware of the required documentation for entry into Canada. Please have your COM supplier mark on the customs documentation that UPS is our customs broker. If there are any questions, please feel free to contact us. All COM fabric shipments should be shipped freight prepaid.

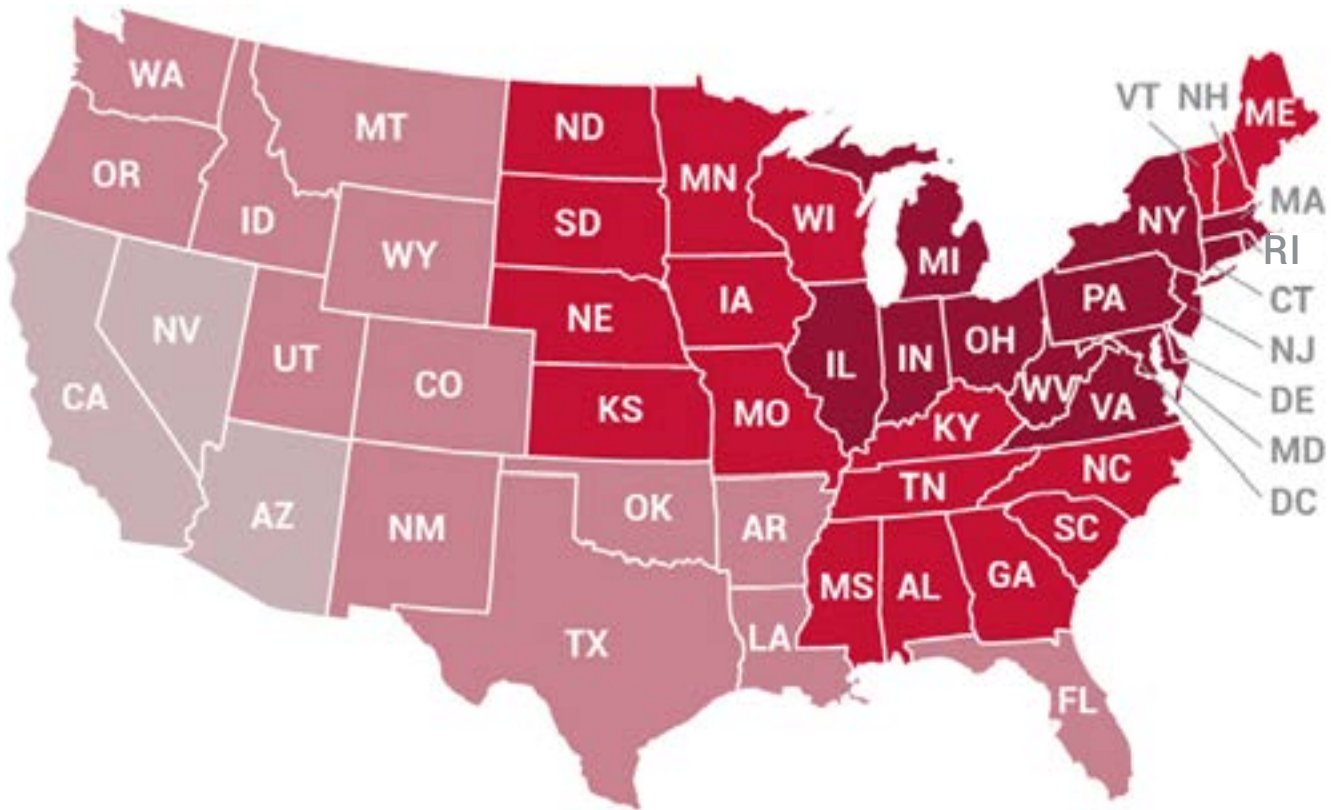

### 10 DAY QUICKSHIP

The 10 Day Quickship features products from the Snowball Chair Series, the Fitt Table System and a selection of General Purpose Tables. Spec ships your confirmed order within 10 business days – or it's free. Refer to our 10 Day Quickship for more details.

# SHIPPING PROGRAM

Shipping costs will be added to your invoice. For those orders outside continental US, contact us for a freight quote.

Orders less than \$5,000 List, are shipped at a flat rate of \$125 Net.

- ARIZONA
- CALIFORNIA
- NEVADA

## CLEANING & MAINTENANCE

### SPECTONE EPOXY FINISH

Light soiling may be removed with a damp cloth or household glass cleaners. Heel marks, heavy soiling and surface marring may be removed with automotive grade polishing compounds or car wax. Do not apply abrasive cleaners, polish or lubricants to table bases or moving parts. Damaged paint may be repaired with touch-up paint which is available from the factory. Touch-up paint is supplied in powder form to provide an exact match with the existing color. To use the powder, add a small quantity of commercially available lacquer thinner to a small quantity of the powder, stirring with a metal stirrer until the desired consistency is achieved. The paint solution may then be applied using a brush. Avoid using too thick a consistency resulting in brush marks. Allow at least one hour to dry.

### LAMINATE TABLE TOPS

Clean with mild soap and water. Do not use abrasive cleaners or wax. Avoid flooding laminate surfaces as water can seep between laminate joints, loosening the finish from the wooden substrate and damaging the substrate.

### VENEER TABLE TOPS

Clean with mild soap and water. Always wipe the surface in the direction of the wood grain and ensure there is no pooling of liquid at the seams. Do not use abrasive cleaners or wax.

### FOLDING BASES

Remove plastic caps & add 2 drops of WD-40. Move column back and forth to lubricate. Let sit for one hour. Replace plastic caps. To maintain ease of movement, repeat every 6 months.

### CHROME

Minor marks may be removed with a household cleaning solvent such as Windex. Chrome polish may be used to restore luster on chrome products.

### FABRICS

Care of fabrics varies with the type of fabric. To prevent damage, Spec recommends using only mild water based solutions. For stubborn stains, we recommend that you check the website of the fabric manufacturer or call them for specific cleaning instructions for the fabric. For healthcare applications, stronger cleaning solutions are used for infection control. These solutions must be cleaned off with clean water following their use.

### WOOD FRAMES

For light cleaning/dusting, use soft cloth or duster. For stubborn stains, use non-abrasive, water-based cleaners only.

## CALVIN PUBLIC SEATING – Layouts

### Description

- Spec's Calvin offers an oval steel frame with either wood or aluminum side rails.
  - Your layout possibilities are unlimited with spacer, radius and corner tables – for both standard and bariatric seating in virtually any combination.
  - Bariatric seating is a 30" wide seat and is load tested to 750 lbs. Cannot be connected to other bariatric seats.
  - 21" seat width is standard.
  - Choice of wood or polyurethane arms.
  - Wood and polyurethane arms are replaceable in the field.
  - Two and three seat models offer a choice of no center arms or half arms between seats.
  - Glides and separate seat and back are standard.
  - Foam formulated to meet California Bulletin 133 standards is available.
  - Please send a drawing of the configuration you require with your order.
- Ships assembled as one, two and three seater units.
- For fabrics you wish railroded or repeats larger than 5" x 5", please contact the factory with repeat information and yardage requirement will be provided.

## COMPANION LOUNGE SEATING – Layouts

### Description

- Spec presents the high performance Companion Series, offering warmth, durability, value and an unbeatable array of options and features.
- Your layout possibilities are unlimited with spacer, radius and corner tables – for both standard and bariatric seating in virtually any combination.
- Bariatric seating is a 30" wide seat and is load tested to 750 lbs. Cannot be connected to other bariatric seats.
- Velcro removable seats and backs are standard.
- 21" seat width is standard.
- Choice of wood or polyurethane arms which are replaceable in the field.
- High and medium back contours fit perfectly and provide exceptional comfort.
- All models offer a choice of no center arms, half arms or full arms to the floor.
- A 5° seat pitch is standard. An optional 7° pitch can be specified at no upcharge. A 3° pitch may be specified at an upcharge of \$22 List per seat.
- 1.75" diameter wall-saving frame is standard to protect both wall and fabric.
- Rear glides and separate seat and back are standard.
- Foam formulated to meet California Bulletin 133 standards is available.
- Please send a drawing of the configuration you require with your order.
- Optional floor mounting glides available.
- For fabrics you wish railroaded or repeats larger than 5" x 5", please contact the factory with repeat information and yardage requirement will be provided.

# COOPER COLLECTION LOUNGE SEATING – Layouts

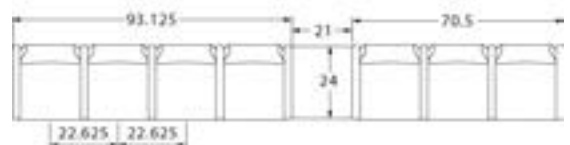

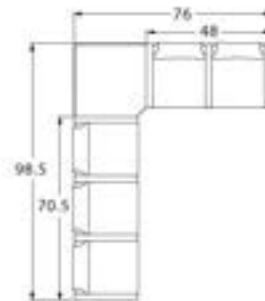

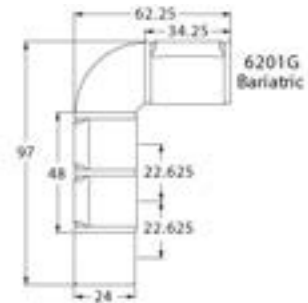

Bala 6200

## Description

- Spec's Bala offers the softer look and feel of wood, without sacrificing high durability.
- Your layout possibilities are unlimited with spacer, radius and corner tables – for both standard and bariatric seating in virtually any combination.
- Bariatric seating is a 30" wide seat and is load tested to 750 lbs. Cannot be connected to other bariatric seats.
- 21" seat width is standard.
- Standard in European Beech in any of 7 standard stains or stain-to-match at no upcharge.
- Choice of wood or polyurethane arms which are replaceable in the field.
- All models offer a choice of no center arms, half arms or full arms to the floor.
- Glides and separate seat and back are standard.
- Foam formulated to meet California Bulletin 133 standards is available.
- Please send a drawing of the configuration you require with your order.
- Ships assembled as one, two and three seater units.
- For fabrics you wish railroaded or repeats larger than 5" x 5", please contact the factory with repeat information and yardage requirement will be provided.

# COOPER COLLECTION LOUNGE SEATING – Layouts

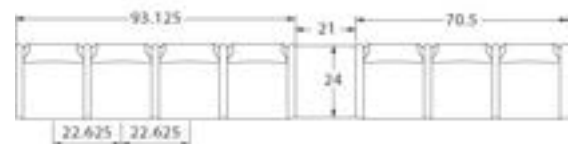

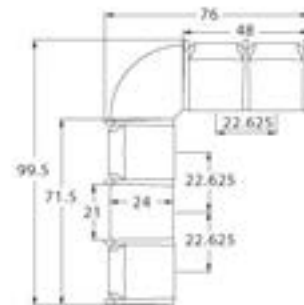

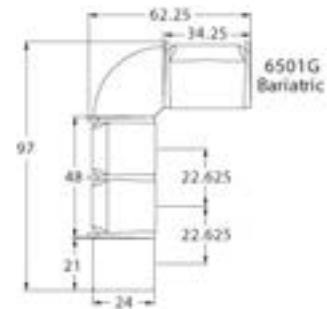

Bracebridge 6500

## Description

- Spec's Bracebridge offers the softer look and feel of wood, without sacrificing high durability.
- Your layout possibilities are unlimited with spacer, radius and corner tables – for both standard and bariatric seating in virtually any combination.
- Bariatric seating is a 30" wide seat and is load tested to 750 lbs. Cannot be connected to other bariatric seats.
- 21" seat width is standard.
- Standard in European Beech in any of 7 standard stains or stain-to-match at no upcharge.
- Choice of wood or polyurethane arms which are replaceable in the field.
- All models offer a choice of no center arms, half arms or full arms to the floor.
- Wall-saving frame is standard to protect both wall and fabric.
- Glides and separate seat and back are standard.
- Foam formulated to meet California Bulletin 133 standards is available.
- Please send a drawing of the configuration you require with your order.
- Ships assembled as one, two and three seater units.
- For fabrics you wish railroaded or repeats larger than 5" x 5", please contact the factory with repeat information and yardage requirement will be provided.

# COOPER COLLECTION LOUNGE SEATING – Layouts

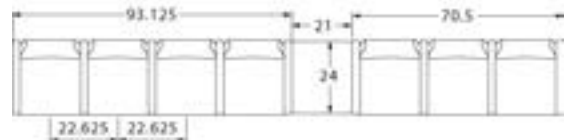

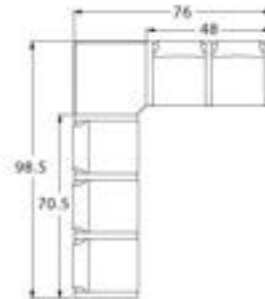

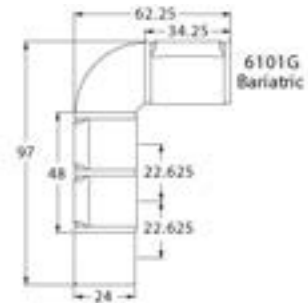

Dwight 6100

## Description

- Spec's Dwight offers a steel leg frame with elements of wood giving it a softer look and feel of wood, without sacrificing high durability.
- Your layout possibilities are unlimited with spacer, radius and corner tables – for both standard and bariatric seating in virtually any combination.
- Bariatric seating is a 30" wide seat and is load tested to 750 lbs. Cannot be connected to other bariatric seats.
- 21" seat width is standard.
- Standard in European Beech in any of 7 standard stains or stain-to-match at no upcharge.
- Choice of wood or polyurethane arms in flat (WF or PF) or rounded (WR or PR) profile.
- Arms are replaceable in the field.
- All models offer a choice of no center arms, half arms or full arms to the floor.
- Glides and separate seat and back are standard.
- Foam formulated to meet California Bulletin 133 standards is available.
- Please send a drawing of the configuration you require with your order.
- Ships assembled as one, two and three seater units.
- For fabrics you wish railroaded or repeats larger than 5" x 5", please contact the factory with repeat information and yardage requirement will be provided.

# COOPER COLLECTION LOUNGE SEATING – Layouts

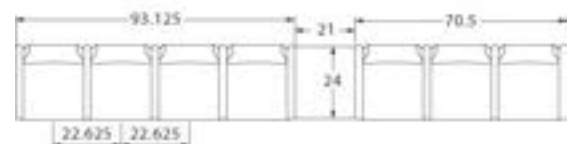

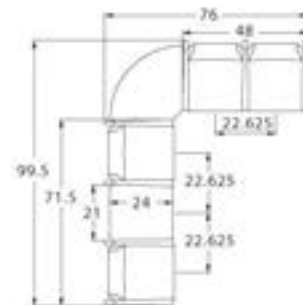

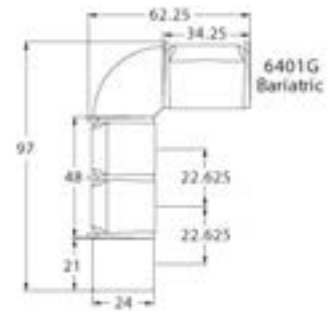

Huntsville 6400

## Description

- Spec's Huntsville offers the softer look and feel of wood, without sacrificing high durability.
- Your layout possibilities are unlimited with spacer, radius and corner tables – for both standard and bariatric seating in virtually any combination.
- Bariatric seating is a 30" wide seat and is load tested to 750 lbs. Cannot be connected to other bariatric seats.
- 21" seat width is standard.
- Standard in European Beech in any of 7 standard stains or stain-to-match at no upcharge.
- Choice of wood or polyurethane arms which are replaceable in the field.
- All models offer a choice of no center arms, half arms or full arms to the floor.
- Wall-saving frame is standard to protect both wall and fabric.
- Glides and separate seat and back are standard.
- Foam formulated to meet California Bulletin 133 standards is available.
- Please send a drawing of the configuration you require with your order.
- Ships assembled as one, two and three seater units.
- For fabrics you wish railroaded or repeats larger than 5" x 5", please contact the factory with repeat information and yardage requirement will be provided.

# COOPER COLLECTION LOUNGE SEATING – Layouts

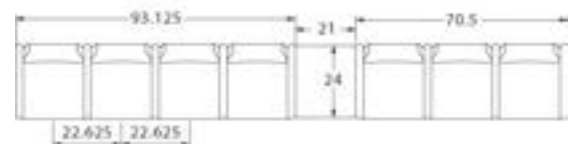

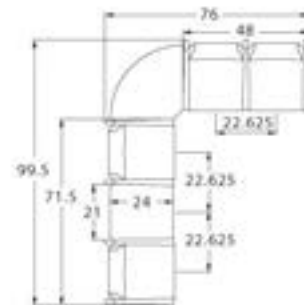

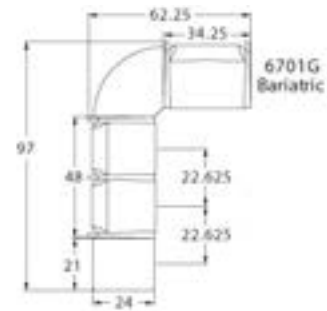

Midland 6700

## Description

- Spec's Midland offers a lighter, residential feel at a value price with extensive environmental considerations.
- Your layout possibilities are unlimited with spacer, radius and corner tables – for both standard and bariatric seating in virtually any combination.
- Bariatric seating is a 30" wide seat and is load tested to 750 lbs. Cannot be connected to other bariatric seats.
- 21" seat width is standard.
- Standard in European Beech in any of 7 standard stains or stain-to-match at no upcharge.
- Choice of wood or black polyurethane arms which are replaceable in the field.
- All models offer a choice of no center arms, half arms or full arms to the floor.
- Wall-saving frame is standard to protect both wall and fabric.
- Glides and separate seat and back are standard.
- Foam formulated to meet California Bulletin 133 standards is available.
- Please send a drawing of the configuration you require with your order.
- Ships assembled as one, two and three seater units.
- For fabrics you wish railroaded or repeats larger than 5" x 5", please contact the factory with repeat information and yardage requirement will be provided.

## GRAVITY PUBLIC SEATING – Layouts

### Description

- Spec's Gravity Public Seating offers specifiers outstanding value in an eco-friendly design.
- Your layout possibilities are unlimited with spacer, radius and corner tables – for both standard and bariatric seating in virtually any combination.
- Bariatric seating is a 30" wide seat and is load tested to 750 lbs. Cannot be connected to other bariatric seats.
- 21" seat width is standard.
- Standard with steel arms.
- Choice of wood or black polyurethane arms at an upcharge.
- Wood and polyurethane arms are replaceable in the field.
- All models offer a choice of no center arms, half arms or full arms to the floor.
- Glides and separate seat and Flex Back are standard.
- Foam formulated to meet California Bulletin 133 standards is available.
- Please send a drawing of the configuration you require with your order.
- For fabrics you wish railroaded or repeats larger than 5" x 5", please contact the factory with repeat information and yardage requirement will be provided.

## MIDWAY PUBLIC SEATING – Layouts

### Description

- Spec's high durability public seating in a lighter scale allows specifiers to maximize space requirements.
- Your layout possibilities are unlimited with spacer, radius and corner tables – for both standard and bariatric seating in virtually any combination.
- Bariatric seating is a 30" wide seat and is load tested to 750 lbs. Cannot be connected to other bariatric seats.
- 20.5" seat width is standard.
- Choice of polyurethane or wood arms which are replaceable in the field.
- All models offer a choice of no center arms, half arms or full arms to the floor.
- 1.25" diameter wall-saving frame is standard to protect both wall and fabric.
- Separate seat and back provide exceptional comfort and ease of maintenance.
- Please send a drawing of the configuration you require with your order.
- Optional floor mounting glides available.
- For fabrics you wish railroaded or repeats larger than 5" x 5", please contact the factory with repeat information and yardage requirement will be provided.

## Connected and Tables

### To order connected Snowballs

- Select and price the Snowballs required for your configuration
- Select and price the corner, spacer and end tables required
- Add Snowball connecting bars (between chairs only)
- Do not add connecting bars for tables (they are part of the table)
- For quick takedown or reconfiguration, use connecting clips (\$8 List/set) on chairs rather than connecting bars
- Send a drawing with your order or call Spec for assistance

*Connecting bars and tables can be retrofitted, allowing you to change configurations later or create new configurations from your present Snowballs*

*Connecting bars can be added to any Snowball chair, including Bariatric and Midsize*

*Connecting bars and table frame bars are finished in the same color as the color of the chair frames*

*Connecting bars are fastened to the underside of the Snowball chair frame at the front and back*

### Snowball Tables

- Table top is 3/4" thick
- Self Edge, 2MM Bio or PVC (flat only). 2MM Bio and PVC edge have a choice of 38 colors to match frame color
- Laminate tops available in any Arborite, Formica, Nevamar, Pionite or Wilsonart standard finish

## Snowball 1 – Connected and Tables

## Tablet Arms and Wire Basket

### Tablet Arm

- Fits any Snowball, freestanding or within a configuration
- Standard or laptop size available
- Right and left handed versions (defined when sitting in chair), add TR for right handed or TL for left handed to model number
- Laminated on both sides, standard in Wilsonart Dove Grey D-92-60 with flat black PVC edge.  
For other laminate please contact the factory for pricing
- Tablet constructed of 3/4" Nu Green core
- Snowball with Tablet Arm is standard with no arm on opposite side
- Add price of Tablet Arm to your Snowball selection

### Wire Basket

- Add to any 18" wide Snowball
- Black
- Removable

**Note: We do not recommend stacking Snowballs that have tablet arms**

## Connected and Tables

### To order connected Snowballs

- Select and price the Snowballs required for your configuration
- Select and price the corner, spacer and end tables required
- Add Snowball connecting bars (between chairs only)
- Do not add connecting bars for tables (they are part of the table)
- For quick takedown or reconfiguration, use connecting clips (\$8 List/set) on chairs rather than connecting bars
- Send a drawing with your order or call Spec for assistance

*Connecting bars and tables can be retrofitted, allowing you to change configurations later or create new configurations from your present Snowballs*

*Connecting bars can be added to any Snowball chair, including Bariatric and Midsize*

*Connecting bars and table frame bars are finished in the same color as the color of the chair frames*

*Connecting bars are fastened to the underside of the Snowball chair frame at the front and back*

### Snowball Tables

- Table top is 3/4" thick
- Self Edge, 2MM Bio or PVC (flat only). 2MM Bio and PVC edge have a choice of 38 colors to match frame color
- Laminate tops available in any Arborite, Formica, Nevamar, Pionite or Wilsonart standard finish

## Snowball 2 – Connected and Tables

## Tablet Arms and Wire Basket

### Tablet Arm

- Fits any Snowball, freestanding or within a configuration
- Standard or laptop size available
- Right and left handed versions (defined when sitting in chair), add TR for right handed or TL for left handed to model number
- Laminated on both sides, standard in Wilsonart Dove Grey D-92-60 with flat black PVC edge.  
For other laminate please contact the factory for pricing
- Tablet constructed of 3/4" Nu Green core
- Snowball with Tablet Arm is standard with no arm on opposite side
- Add price of Tablet Arm to your Snowball selection

### Wire Basket

- Add to any 18" wide Snowball
- Black
- Removable

**Note: We do not recommend stacking Snowballs that have tablet arms**

## Connected and Tables

### To order connected Snowballs

- Select and price the Snowballs required for your configuration
- Select and price the corner, spacer and end tables required
- Add Snowball connecting bars (between chairs only)
- Do not add connecting bars for tables (they are part of the table)
- For quick takedown or reconfiguration, use connecting clips (\$8 List/set) on chairs rather than connecting bars
- Send a drawing with your order or call Spec for assistance

*Connecting bars and tables can be retrofitted, allowing you to change configurations later or create new configurations from your present Snowballs*

*Connecting bars can be added to any Snowball chair, including Bariatric and Midsize*

*Connecting bars and table frame bars are finished in the same color as the color of the chair frames*

*Connecting bars are fastened to the underside of the Snowball chair frame at the front and back*

### Snowball Tables

- Table top is 3/4" thick
- Self Edge, 2MM Bio or PVC (flat only). 2MM Bio and PVC edge have a choice of 38 colors to match frame color
- Laminate tops available in any Arborite, Formica, Nevamar, Pionite or Wilsonart standard finish

### Snowball 3 – Connected and Tables

## Tablet Arms and Wire Basket

### Tablet Arm

- Fits any Snowball, freestanding or within a configuration
- Standard or laptop size available
- Right and left handed versions (defined when sitting in chair), add TR for right handed or TL for left handed to model number
- Laminated on both sides, standard in Wilsonart Dove Grey D-92-60 with flat black PVC edge.  
For other laminate please contact the factory for pricing
- Tablet constructed of 3/4" Nu Green core
- Snowball with Tablet Arm is standard with no arm on opposite side
- Add price of Tablet Arm to your Snowball selection

### Wire Basket

- Add to any 18" wide Snowball
- Black
- Removable

**Note: We do not recommend stacking Snowballs that have tablet arms**

## Seat Back Options

### Seat Back Designs

- Backs standard in Natural maple in any of 7 standard stains or stain-to-match at no upcharge
- On the 10 Day Program; only back design A is available in Cherry stain or Natural Maple stain

### Custom Seat Back Cut-out

- A one time set up charge of \$260 list applies
- Design should fit within a 5" x 5" space (due to contour of back)
- Shape will be mirrored from the front of the chair

*Pick a back design and add suffix A-E following the model number, e.g. 1901BA (Snowball 3 with black arms and back design A)*

### Custom Seat Back Engravings and Vinyl Decals

- For quantities over 25, add an upcharge of \$53 List/chair
- For quantities under 25, add an upcharge of \$53 List/chair, plus a \$260 List set up fee **per order**

**Engravings:** *Please note that inconsistencies in the wood may show after the engraving is completed. When choosing the raw wood, we take extra care to select backs that are similar in graining and color, however, no guarantee can be made. We recommend that an engraved image be stained a darker color to hide possible inconsistencies.*

## TRAFFIC PUBLIC SEATING – Layouts

### Description

- Today's high traffic public areas demand high durability and low maintenance without sacrificing design.
- Perforated steel seats, with optional field replaceable cushions, can be connected with perforated steel or laminate spacer tables to fit virtually any layout.
- Standard seat width is 22". Bariatric seating is a 30" wide seat and is load tested to 750 lbs.
- Seat, leg column and foot can be specified in different finishes.
- Arms or armless can be specified in any standard width combination.
- Arms only for Bariatric.
- Please send a drawing of the configuration you require with your order.
- Optional floor mounting brackets available.
- Seat mounting option location offers wall-saving if desired.
- For fabrics you wish railroaded or repeats larger than 5" x 5", please contact the factory with repeat information and yardage requirement will be provided.

# Urban Wood Back

## Seat Back Options

### Seat Back Designs

- Backs standard in Natural maple in any of 7 standard stains or stain-to-match at no upcharge

### Custom Seat Back Cut-out

- A one time set up charge of \$260 list applies
- Design should fit within a 5" x 5" space (due to contour of back)
- Shape will be mirrored from the front of the chair

Pick a back design and add the name of the cutout following the model number, e.g. 1401Cityscape

### Custom Seat Back Engravings and Vinyl Decals

- For quantities over 25, add an upcharge of \$53 List/chair
- For quantities under 25, add an upcharge of \$53 List/chair, plus a \$260 List set up fee **per order**

**Engraving:** Please note that inconsistencies in the wood may show after the engraving is completed. When choosing the raw wood, we take extra care to select backs that are similar in graining and color, however, no guarantee can be made. We recommend that an engraved image be stained a darker color to hide possible inconsistencies.

## Connected and Tables

### To order connected Urban Chairs

- Select and price the Urban chair required for your configuration
- Select and price the corner, spacer and end tables required
- Add Urban connecting bars (between chairs only)
- Do not add connecting bars for tables (they are part of the table)
- For quick takedown or reconfiguration, use connecting clips (\$8 List/set) on chairs rather than connecting bars
- Send a drawing with your order or call Spec for assistance

### Urban Tables

- Table top is 3/4" thick
- Self Edge, 2mm Bio or PVC (flat only). 2mm Bio and PVC edge have a choice of 38 colors to match frame color
- Laminate tops available in any Arborite, Formica, Nevamar, Pionite or Wilsonart standard finish

*Connecting bars and tables can be retrofitted, allowing you to change configurations later or create new configurations from your present Urban chairs.*

*Connecting bars can be added to any Urban chair.*

*Connecting bars and table frame bars are finished in the same color as the color of the chair frames*

*Connecting bars are fastened to the underside of the Urban chair frame at the front and back*

## 2000 SERIES LOUNGE SEATING – Layouts

### Description

- A popular choice for healthcare and institutional applications, 2000 Series combines great looks and comfort, with durability to meet real life demands.
- Available in one, two or three seaters as freestanding or connected.
- Your layout possibilities are unlimited with spacer, radius and corner tables – for both standard and bariatric seating in virtually any combination.
- Standard seat width is 22". Bariatric separate seat and back is a 30" wide seat and is load tested to 750 lbs. Cannot be connected to other bariatric seats.
- Zipper removable seats and backs are standard on split back designs.
- All models offer a choice of no center arms or half arm.
- Option of one piece or separate seat and back.
- Standard in 1.5" tube.
- Foam formulated to meet California Bulletin 133 standards is available.
- Please send a drawing of the configuration you require with your order.
- Optional floor mounting is available.
- For fabrics you wish railroaded or repeats larger than 5" x 5", please contact the factory with repeat information and yardage requirement will be provided.

ARK DOUBLE COLUMN WITH PERFORATED DOOR FOR WIRE MANAGEMENT

**NOTES AND OPTIONS**

- Laminate Tops are available in any standard Wilsonart, Nevamar, Formica, Arborite or Pionite matte Finish.
- For other laminates please contact the factory.
- Veneers and hardwood edge stains are standard in Maple, Mahogany, Cherry, Oak, Walnut, Pecan and Chocolate or Stain-to-Match at no upcharge.

- Standard with leveling glides.
- Bases available in any Spectone color.
- Standard 29" table height.

## BOARDGAMES BOARDROOM TABLES

### HOW TO ORDER

Boardgames is a series of tabletops and bases that allows complete flexibility when specifying boardrooms, meeting rooms, video conferencing and training areas.

For simplicity and ease of choice, tabletops and bases are priced separately. All bases are standard with a touch latch door for wire access and a cutout at the top for wire pass-through.

#### Step 1 - Select the tabletop

1. Choose the shape and size of the tabletop
  - see tabletop shapes
  - see tabletop dimensions and finishes
  - see tabletop sections and seating layouts
2. Choose laminate or veneer top finish
3. Choose an edge profile in hardwood, self edge, PVC or 2MM Bio Edge

---

#### Step 2 - Select the base

1. Choose a base design
  - be sure to select the correct number of bases required for the table
2. Choose a base finish
  - laminate or veneer
3. Choose a base trim profile
  - aluminum extrusion or wood
4. Choose the finish of the base trim profile
  - if aluminum extrusion, choose any Spectone color
  - if wood, choose from 7 standard stains or stain-to-match at no upcharge

---

#### Step 3 - Select power and communication modules (if required)

1. Determine the number and type of modules required on the table
2. For each module select the appropriate power and data configuration.

### BASE

### TRIM DETAIL

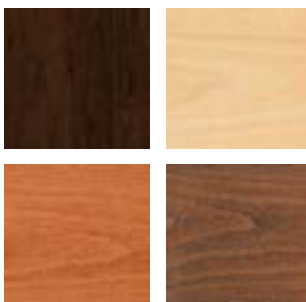

## FINISHES

### LAMINATE

Select laminate from our virtually unlimited laminate options

### VENEER

Select from one of our 7 standard wood stains or stain-to-match at no upcharge

### ALUMINUM BASE TRIM

Select from one of our 76 standard Spectone colors

### EDGE

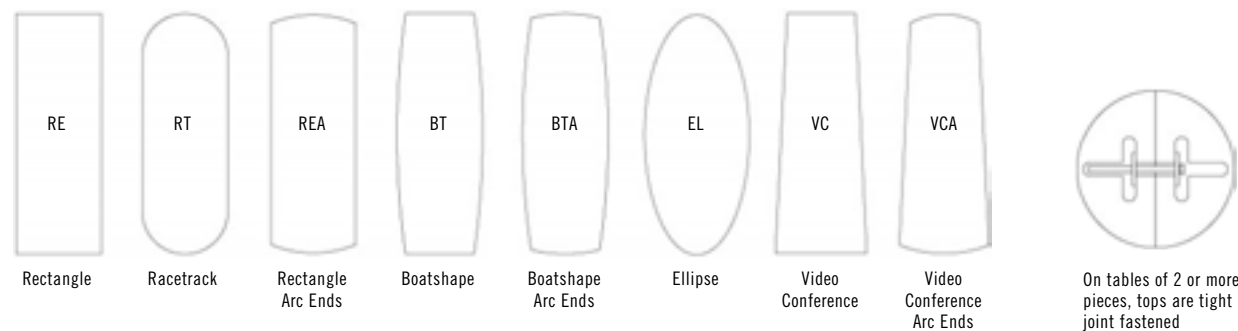

# BOARDGAMES BOARDROOM TABLES

## TABLETOP SHAPES

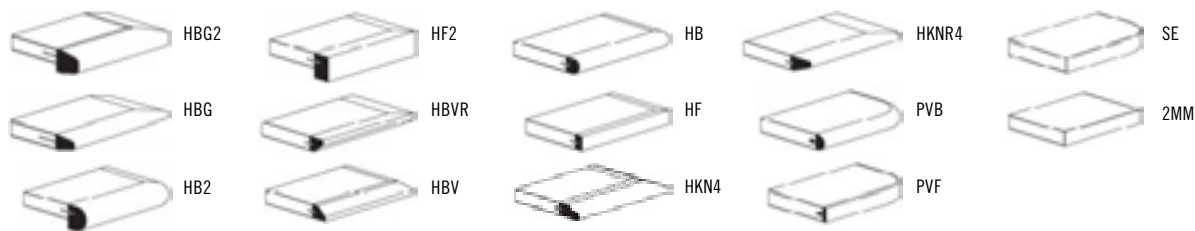

On one piece tabletops, grain direction runs lengthwise.

On tabletops of two or more pieces, grain direction runs from side to side, as standard.

## EDGE PROFILES

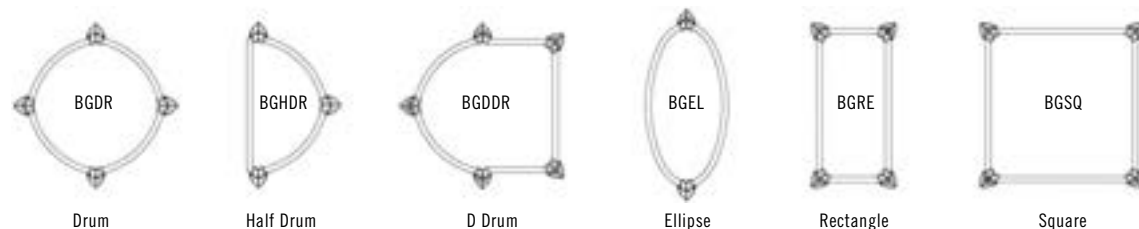

Boardgames tabletops in veneer or laminate can be specified with any one of our standard hardwood edge profiles. Also available in self edge, PVC flat, PVC bullnose and 2mm Bio Edge.

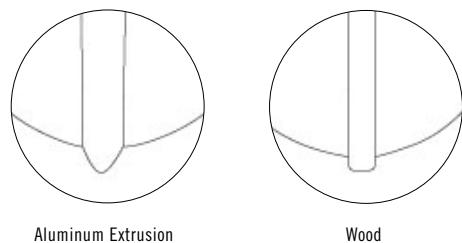

## BASE DESIGNS AND TRIM PROFILES

### Boardgames - Base Designs

Six different Boardgames bases are available, in laminate or veneer, standard at 22" width. For 30" width options, please contact Spec Customer Service. Each base features trim profiles in your choice of aluminum extrusion or wood. Aluminum extrusion is available in any Spectone color at no upcharge. Wood trim on base stained in any of Spec's standard stain colors or stain-to-match at no upcharge. The bases are standard with a touch latch removable door for wire access and a cutout at the top for wire pass-through.

## LARGER TABLE SIZES

Boardgames tabletops with a length of 108" to 216" and a width that doesn't exceeds 60", will be made in 2 equal pieces. Boardgames tabletops with a length of 216" to 324" and a width that doesn't exceed 60", will be made in 3 equal pieces. All multiple piece tabletops are tight joint fastened. Bases standard in 22" width. 30" width available. Please contact factory for pricing.

## WOOD FINISHES AND GRAIN DIRECTION

### Finishes

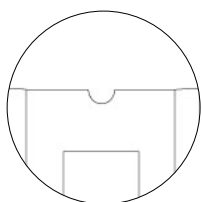

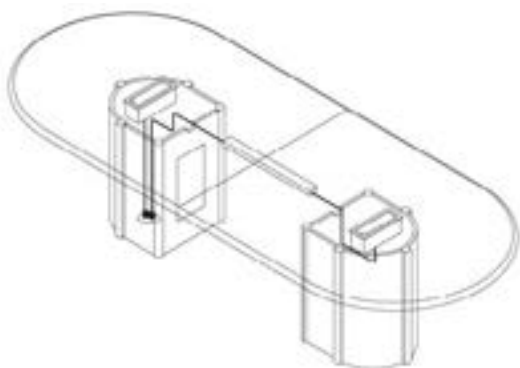

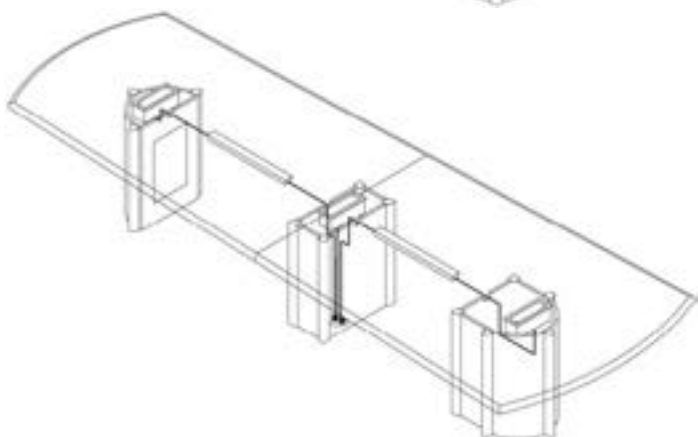

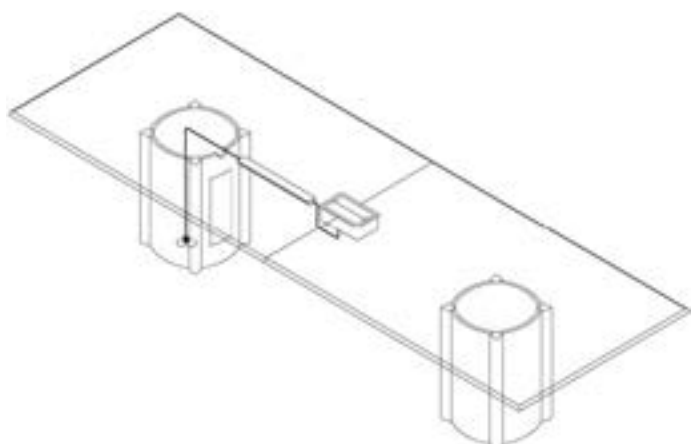

Veneers and hardwood edge finishes are available in our 7 standard stains or stain-to-match which is never an upcharge.

### Grain Direction

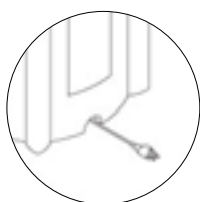

The grain on a single piece boardroom tabletop will run lengthwise. The grain on a 2 piece or more top runs from side to side, signified on line drawing with grain direction symbol. Laminates with wood grain patterns follow the same direction as veneer wood grains.

# BOARDGAMES BOARDROOM TABLES POWER AND VOICE/DATA MODULES

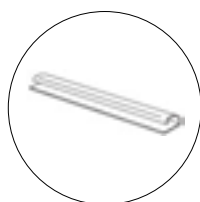

BACK TO CONTENTS

All Boardgames bases are standard with a touch latch removable door and a 3" cutout for wire pass-through at the top

Optional cutout for wire pass-through at the bottom of Boardgames bases must be specified if required

Tops are standard with 24" PVC under table wire manager between bases

### STANDARD FEATURES

- 2" built up edge
- Specify Self edge (SE) or 2mm Edge (2MM)
- 36" height
- Undersurface Support Trough
- Recessed Glides
- Ships Knocked Down

### OPTIONS

- 2mm Bio edge available in 38 solid colors
- 2mm PVC edge available in wood grain to match 7 standard stains
- Specify power modules for EndZone. Power Access Door and Cove power available, see the end of EndZone tables section
- Rectangular Vertical Wire Manager
- For Solid Core laminate, call factory for pricing
- Foot Rest only available in chrome
- For two different laminate colors, call factory for pricing

### HOW TO ORDER

1. Select Size
2. Select Base Style
3. Select Edge Style
4. Select Top Finish
5. Select Edge Finish
6. Select Base Finish
7. Select Metal Finish

# HEAVY DUTY TABLES

PLACING AN ORDER IS EASY

## PRODUCT CODE

**2424SQ-TR HD**

Product Code

Specification  
HD: Heavy Duty\*

\*The code for our heavy duty tables featured in the pages below is the same as a regular model of the table you are specifying. By adding the letters "HD" at the end of the product code, it lets us know the product is intended for a behavioral health environment and the features below will automatically be specified.

## FEATURES

TAMPER PROOF

WEIGHTED

LOCTITE GLIDES

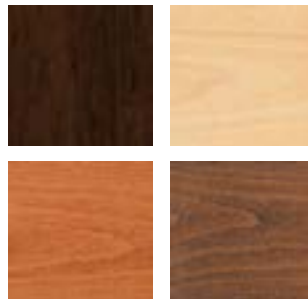

## FINISHES

LAMINATE

Select laminate from our virtually unlimited laminate options

VENEER

Select from one of our 7 standard wood stains or stain-to-match at no upcharge

BASE

Select from one of our 76 standard Spectone colors

EDGE

2MM

PVC

Hard Wood

Check out our website for a complete list of edge profiles.

# HEAVY DUTY TABLES

## TAILGATE TABLES

## INTRODUCTION

### STRENGTHEN THE ABILITY TO WORK, LEARN AND CREATE TOGETHER

Tailgate is a series of collaborative tables designed around a unique power and communication trough, making interaction and data sharing simple and straightforward. Available with a Media Wall or Freestanding, two base designs and endless finish options, Tailgate can be specified to fit virtually any environment from boardroom to hardworking collaborative groupings.

Access to power and communication is instant with the Tailgate Power and Communication Trough that runs along the center of the table surface. The trough door has a dual hinge, allowing users to access power and communication from either side of the table. Ports within the trough can be customized to meet your needs. Tailgate Tables will adapt to the inevitable changes of technology.

Our Customer Service and Design Team is always ready to help you find the best solution for collaboration and teamwork through standard or custom designs.

### CONSIDERATIONS

- How many people do you need to accommodate?
- Do you require an attached media wall support for your collaborative area?
- Do you require a freestanding solution where your monitor(s) will be wall-mounted or on a credenza?
- What kind of collaborative enhancing hardware and software will be utilized?
- Which base design will you specify?
- Where will you access necessary power and/or communication requirements?

### Tailgate Tables and Credenzas

- A variety of sizes and shapes
- Manhattan Bases or Plinth Bases
- Laminate and veneer standard (stain-to-match is available at no upcharge)
- 2mm Bio Edge is standard on tops with Media Wall. Freestanding tables have a wide choice of edges
- Matching credenzas

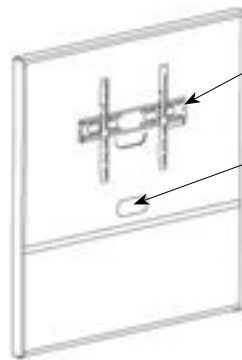

# TAILGATE TABLES WITH MEDIA WALL MEDIA WALL OVERVIEW

The media wall is attached to the table to create a structural wall to mount desired monitor.

Height: 55 3/8"  
Width: 55"  
Thickness: 2 3/8"

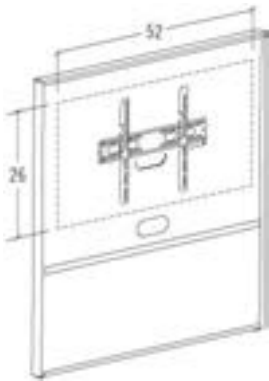

Custom sizes may be available, please contact factory.

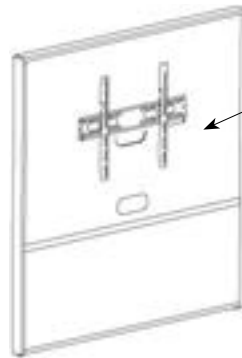

Monitor mounting brackets included. Accommodates monitor up to 165 lbs.

Standard with wire pass through for power/data and monitor. Interior of media wall allows routing of necessary wiring to the floor, or trough.

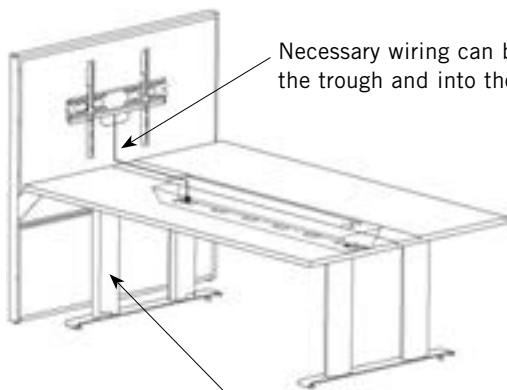

Trim and end caps are standard in anodized aluminum.

Media wall accommodates monitors that can fit within an area measuring up to a maximum of 52" W and 26" H. Holds up to 165 lbs.

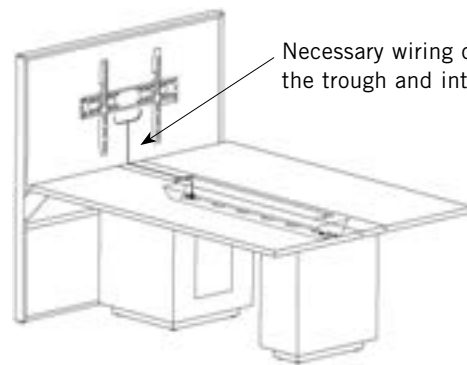

Finished front and back in any standard Wilsonart, Nevamar, Formica, Pionite or Arborite laminate matte finish options. For veneer, fabric finishes, or writeable surface materials, please contact factory.

Necessary wiring can be routed under the trough and into the media wall.

The optional vertical wire manager on the Manhattan base allows necessary wires to be routed to the floor.

Necessary wiring can be routed under the trough and into the media wall.

All Plinth bases are standard with a touch latch door which allows necessary wires to be routed to the floor.

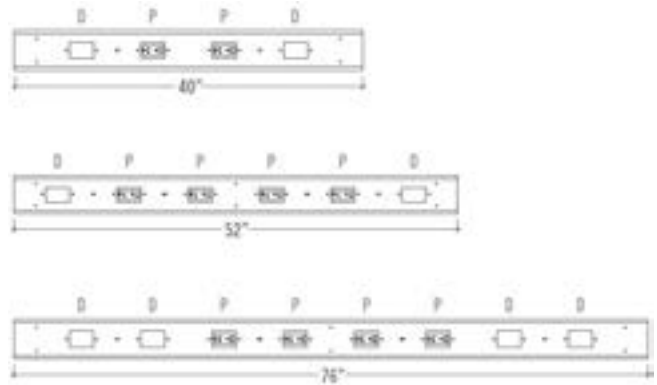

# TAILGATE TABLES WITH MEDIA WALL POWER AND COMMUNICATION TROUGH OVERVIEW

Tailgate power and communication troughs are shipped fully assembled and are included in the price of the table. There are three trough sizes to accommodate different size tops. The Trough door opens and closes from either side. It can be customized to meet your power and/or communication specification. An open perimeter around each side of the trough door allows the door to be closed while laptops and other items are plugged in.

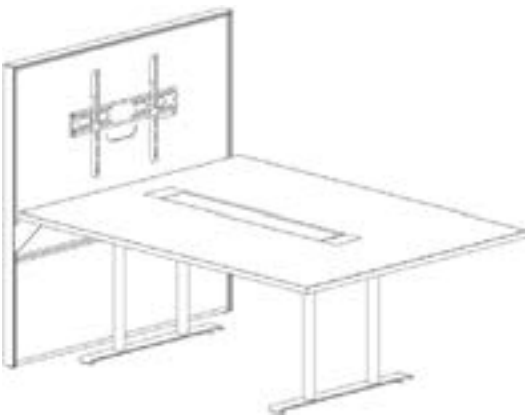

Each trough is standard with power duplexes (labelled P) with a 9 ft. cord. Cutouts for data and communication (labelled D) are also included, however data ports must be specified separately and can be configured to meet specific requirements, see page 30. Specify blank plates when data and communication is not required at no upcharge.

## Number of Duplexes and Data & Communication Cutouts

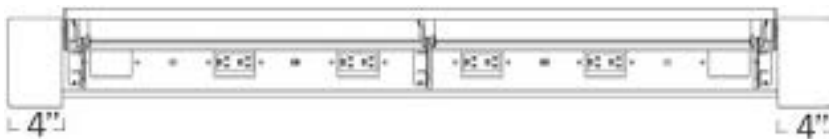

## Trough End Caps Sizes

Tailgate with Media Wall

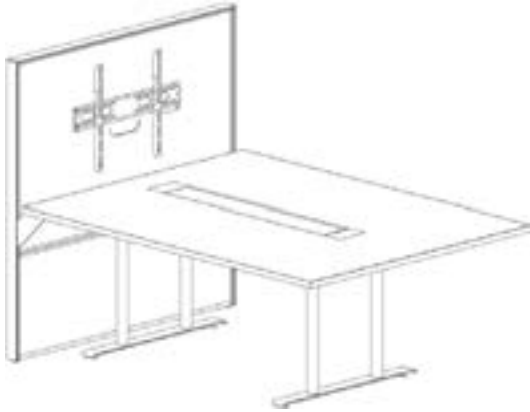

When specifying Tailgate with a Media Wall and Rectangular top or a Bullet top, the trough end caps are 4" on both ends.

# TAILGATE TABLES WITH MEDIA WALL MANHATTAN BASE – OVERVIEW

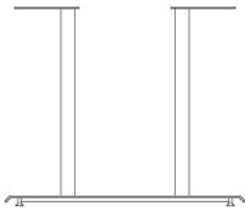

The Manhattan Double Column T Base is available with or without Vertical Wire Manager.

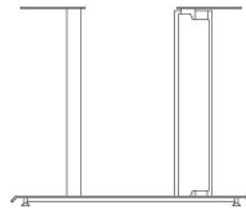

Manhattan Double Column T Base and Rectangular top  
Shown without Vertical Wire Managers

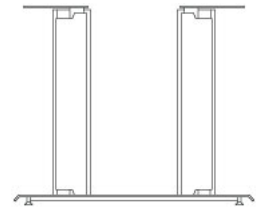

Manhattan Single Column T Base and Bullet top  
Shown with Vertical Wire Managers

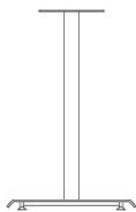

Double Column T Base is standard without Vertical Wire Manager, includes adjustable glides.  
*Specify Round or Rectangular Column*

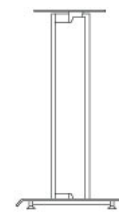

Optional Vertical Wire Manager can be attached to one of the columns on a Round Double Column T Base to route wires from table surface to floor.  
*Specify Oval or Rectangular Vertical Wire Manager.*

Two optional Vertical Wire Managers can be attached to Round Double Column T Base to route wires from table surface to floor and provide a consistent look. *Specify Oval or Rectangular Vertical Wire Manager.*

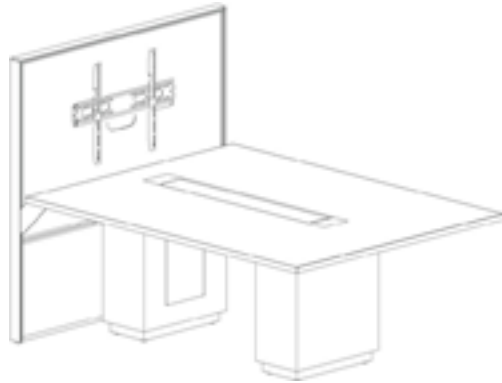

Manhattan Single Column T Base supports Tailgate Manhattan base tables with bullet top at end, and is standard without a vertical wire manager.  
*Specify Round or Rectangular Column*

Optional Vertical Wire Manager attaches to single column Round T Base to route wires from the table top surface to floor.  
*Specify Oval or Rectangular Vertical Wire Manager.*

## TAILGATE TABLES WITH MEDIA WALL PLINTH BASE – OVERVIEW

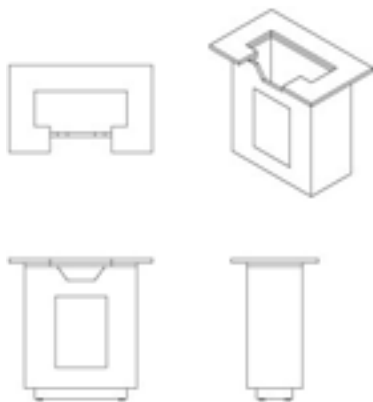

Tailgate Plinth bases are available in square or rectangular in laminate or veneer. Veneer bases are available in 7 standard stains or stain-to-match at no upcharge. Laminate bases are available in any standard Wilsonart, Nevamar, Formica, Pionite or Arborite laminate matte finish.

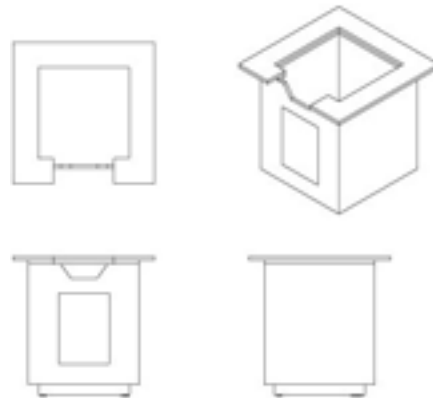

Rectangular top

Bullet top

Rectangular 11”x 22” Plinth Base is standard on rectangular tops.

Square 22” Plinth Base is standard when used against a media wall to ensure adequate support. An 11”x 22” rectangle Plinth Base may not be specified against the media wall.

- When a bullet top is specified, a square 22” Plinth Base is required to support the top.

**NOTE:**

All Tailgate Plinth Bases are standard with a touch latch door and kickplate. Kickplate is finished in Wilsonart 6257 Satin Brushed Natural Aluminum.

## TAILGATE TABLES WITH MEDIA WALL HOW TO ORDER

### HOW TO ORDER

Tailgate is a series of tabletops and bases that allows complete flexibility when specifying boardrooms, meeting rooms, video conferencing and training areas.

For simplicity, Tailgate with Media Wall is priced as a unit. All Tailgate Plinth bases are standard with a touch latch door for wire access and a cutout at the top for wire pass-through. Manhattan double column bases are available with or without vertical wire management.

---

#### STEP 1 TABLETOP - *Power and Communication Trough is included*

1. Choose the shape and size of the tabletop
2. Choose laminate top finish - For veneer pricing contact the factory
3. Choose edge color

---

#### STEP 2 BASE

1. Choose a base design - Manhattan or Plinth
2. Choose a base finish
  - Plinth in laminate or Manhattan in any Spectone finish

---

#### STEP 3 POWER AND COMMUNICATION

1. Duplexes are included
2. For each module select the appropriate data configuration

---

#### STEP 4 MEDIA WALL

1. Choose from any standard Wilsonart, Nevamar, Formica, Pionite or Arborite laminate matte finish

## TAILGATE FREESTANDING TABLES

### HOW TO ORDER

Tailgate is a series of tabletops and bases that allows complete flexibility when specifying boardrooms, meeting rooms, video conferencing and training areas.

For simplicity and ease of choice, tabletops and bases are priced separately. All Tailgate Plinth bases are standard with a touch latch door for wire access and a cutout at the top for wire pass-through. Manhattan double column bases are available with or without vertical wire management.

---

#### STEP 1 - TABLETOP - *Power and Communication Trough is included*

1. Choose the shape and size of the tabletop
2. Choose laminate or veneer top finish
3. Choose an edge profile in hardwood, Self edge, PVC or 2mm Bio Edge

---

#### STEP 2 - BASE

1. Choose a base design - Manhattan or Plinth
  - be sure to select the correct number of bases required for the table
2. Choose a base finish
  - Plinth in laminate or veneer, or Manhattan in any Spectone finish

---

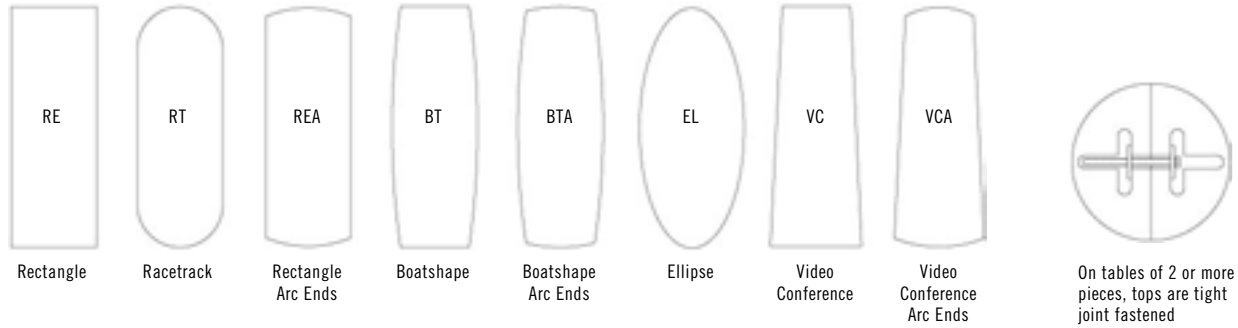

#### STEP 3 - POWER AND COMMUNICATION MODULES

1. Duplexes are included
2. For each module select the appropriate data configuration

# TAILGATE FREESTANDING TABLES

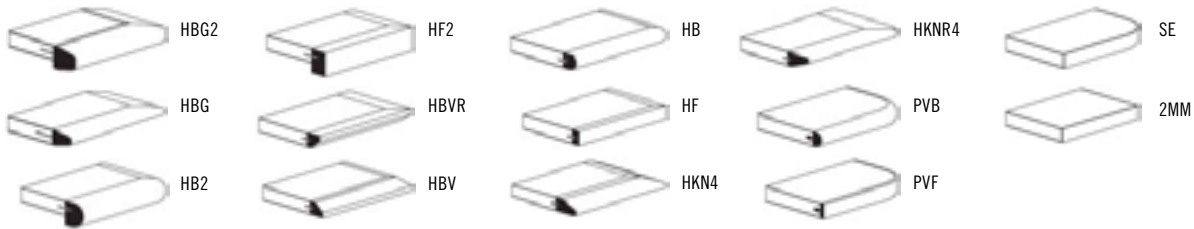

## FREESTANDING TABLETOP SHAPES

On one piece tabletops, grain direction runs lengthwise.  
 On tabletops of two or more pieces, grain direction runs from side to side, as standard.

## EDGE PROFILES

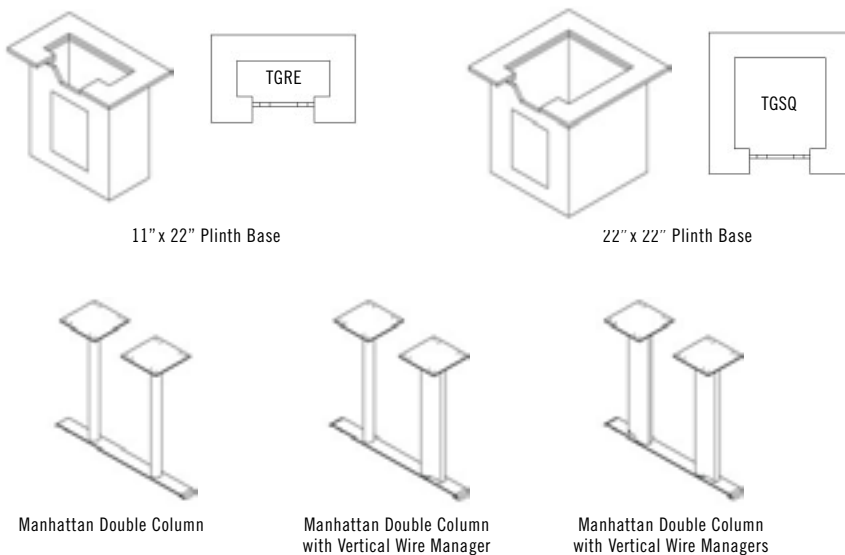

Tailgate tabletops in veneer or laminate can be specified with any one of our standard hardwood edge profiles.  
 Also available in self edge, PVC flat, PVC bullnose and 2mm Bio Edge.

## BASE DESIGNS

### Tailgate - Base Designs

Two different bases designs are available, Plinth and Manhattan Double Column T Base. The Plinth bases are available in two shapes and sizes, 11" x 22" rectangular and 22" square. Plinth bases can be specified in laminate or veneer. Manhattan bases are available in any of 76 Spectone finishes.

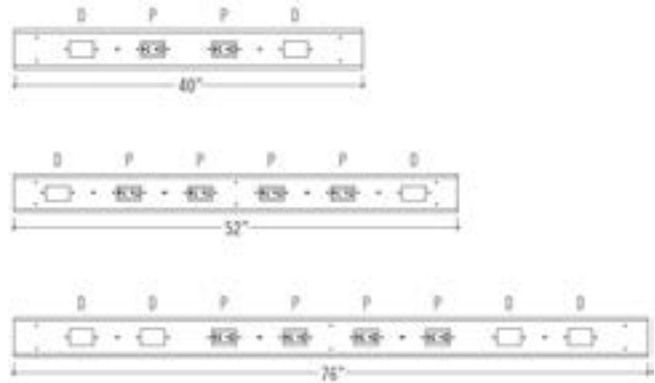

# TAILGATE FREESTANDING TABLES POWER AND COMMUNICATION TROUGH OVERVIEW

Tailgate power and communication troughs are shipped fully assembled and are included in the price of the table. There are three trough sizes to accommodate different size tops. The Trough door opens and closes from either side. It can be customized to meet your power and/or communication specification. An open perimeter around each side of the trough door allows the door to be closed while laptops and other items are plugged in.

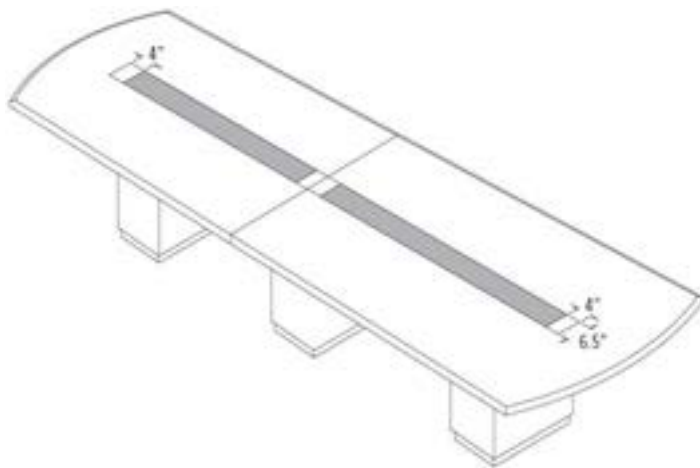

Each trough is standard with power duplexes (labelled P) with a 9 ft. cord. Cutouts for data and communication (labelled D) are also included, however data ports must be specified separately and can be configured to meet specific requirements, see page 30. Specify blank plates when data and communication is not required at no upcharge.

## Number of Duplexes and Data & Communication Cutouts

## Trough End Caps Sizes

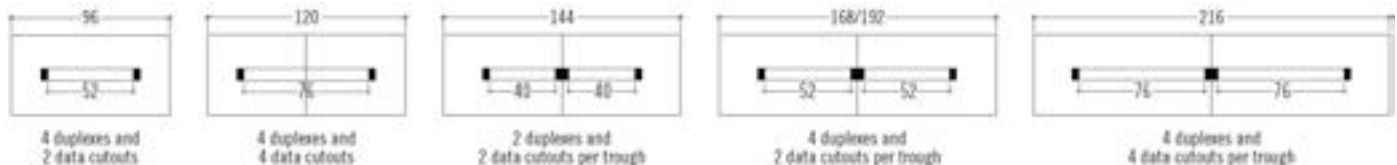

### Freestanding Tailgate

When specifying Freestanding Tailgate tables the trough end caps are always 4".

# TAILGATE FREESTANDING TABLES PLINTH BASE - POWER AND VOICE/DATA MODULES

BACK TO CONTENTS

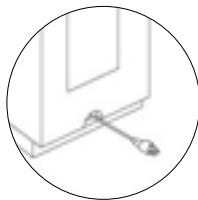

TGRE  
Rectangle

TGSQ  
Square

All Tailgate bases are standard with a touch latch removable door

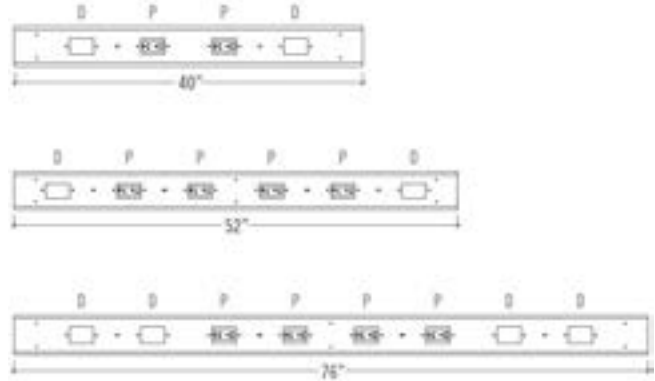

Optional cutout for wire pass-through at the bottom of Tailgate bases must be specified if required

# POWER AND VOICE/DATA ACCESSORIES TAILGATE

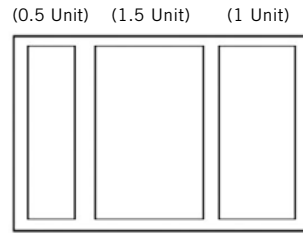

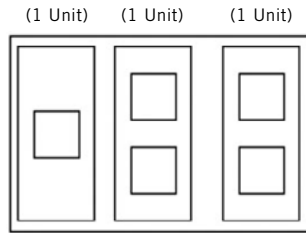

Each trough is standard with power duplexes (labelled P) with a 9 ft. cord. Cutouts for data and communication (labelled D) are also included, however, data ports must be specified separately and can be configured to meet specific requirements. Specify blank plates when data and communication is not required at no upcharge.

Units in data plates must equal 3. Plates can be made up of items that equal 1 unit each for a total of 3 units or a combination of items that total 3 units.

QUICKSHIP

## 10 DAY QUICKSHIP PROGRAM

### 10 Day Guarantee

Upon Acceptance and acknowledgement, 10 Day Quickship orders will ship from our factory (165 City View Drive Toronto, On, Canada) within 10 Business Days (excluding any statutory holidays) or the order will be deemed free. The original bill of lading, with your shipment from the Spec factory at 165 City View Drive Toronto, On, Canada, shall determine the shipping date.

Spec will endeavor to expedite your shipment upon departure from the factory.

Spec reserves the right to cancel or change the 10 Day Quickship program at any time, and may refuse to acknowledge a 10 Day Quickship order at our discretion.

### Credit

All purchase orders are subject to credit approval. For our established dealers, terms are net 30 days from date of invoice. In some instances a deposit may be required to accompany an order. We will advise you if a deposit is required when we acknowledge your order.

### Damage and Claim

All products are carefully examined before packaging for shipment. Ownership of your product passes to you upon pick-up by the carrier at our factory. Upon receipt of your order, check for any physical damage to the product (even if the carton is unmarked) that may have occurred during transit. Note any physical damage on all copies of the bill of lading and enter a freight claim with the carrier immediately. If you discover damage while unpacking, arrange for a carrier inspection immediately. Any damage, visible or concealed, must be reported to the carrier within 15 days from delivery. Our customer service people would be pleased to help you in any way during the process.

### Cancellations, Returns and Changes

Orders are in process once acknowledged and may not be canceled without our consent. You may be responsible for work in process and administration costs including labor and raw materials. Merchandise may be returned only with our clear written authorization. Freight costs for return are your responsibility. Our product designs, processes, and materials are always under review ensuring the best quality and value to you. We will do our best to notify you as improvements occur.

### Ordering Procedures

Please submit all 10 Day Quickship orders in writing via fax or e-mail direct to factory. Orders sent by fax do not require confirmation. Please use model numbers and finish codes with a brief description of the product(s) being ordered. Your order will

be acknowledged in writing to you (usually by fax) once clarified. We request your assistance in checking our acknowledgement's accuracy to your order to ensure discrepancies do not occur. It is your responsibility to let us know of any discrepancies within 24 hours of receiving the acknowledgement.

### Quantity Limit

The 10 Day Shipping Program is available for a selection of Fitt, General Purpose tables and Snowball chairs to a maximum quantity of 20 pieces per order. If you need more than this quantity on your 10 day shipment, please contact Spec Customer service for approval. We will do our best to accommodate your needs. Spec reserves the right to limit product quantities for 10 Day shipments. The standard Spec shipping program applies to all 10 Day orders. Please refer to the online Shipping Program or contact Customer Service at 1.888.761.7732.

Spec reserves the right to cancel or change the 10 day program at any time and may refuse to acknowledge a 10 day order at our discretion.
