

United Way of Monroe County 2015-2016 Donor Choice Program

Through United Way's donor choice program, contributors can direct their gifts through the United Way campaign to eligible nonprofits organization in the community. Organizations must have a Section 501(c)(3) designation from the IRS and have a local presence. This list contains many of the eligible organizations in our community. United Way member agencies are shown in capital letters. If you choose to designate to an organization not listed here, please provide contact information for that organization so that we can obtain the necessary documentation. Contact the United Way of Monroe County at info@monroeunitedway.org or (812) 334-8370 with questions about the donor choice program.
