1989 OUTLOOK

TOREROS LOADED WITH EXPERIENCE

Mark Farren

The University of San Diego men's tennis team will have a veteran look in '89; as many as 5 seniors will be in the lineup.

The only starting underclassman will be freshman Jose Luis Noriega, and he may hold down the top spot. Jose Luis, who goes by the nickname of "Tato," won the '87 South American Junior Chps and the German Open Juniors, and was ranked #15 in the world junior rankings.

Joining "Tato" at the top of the ladder are seniors David Stewart and Mark Farren.

Stewart has been a mainstay of Coach Ed Collins' team since his

freshman year. "Dave has always played solidly in the top 2 singles positions and at #1 doubles," said Collins. Last year David and partner Scott Patridge won the WCAC doubles title.

Farren, an '86 transfer from West Valley JC, played mostly at #5 in '88, but has made steady progress since then. Mark qualified for 2 of 3 tournaments on the '88 Canadian satellite circuit and in the fall he won the San Diego Metro Chps.

Joining the Toreros at the semester is Chris Toomey, a former #1-ranked San Diego junior, who transfers from the U. of Oklahoma, where he played #2 singles and #2 doubles. "Chris is a proven college player, in both singles and doubles," said Coach Collins.

The balance of the lineup will be filled by returnees Curtis Dadian (Torrance, CA) 2-1 at #6; Dan Mattered (Lomita, CA) 12-11 at #4; J.R. Edwards (Denver, CO) 12-10 at #3 and Rick Matheson (Caldwell, ID) 11-4 at #6.

"These 8 players are as good as any group I've coached in my 10 years at USD," said Collins. If everyone plays their position, we'll earn top-25 rankings again this year."

How the team will pair up in doubles is a question at the time of this writing. Edwards and Tim Bubnack (Del Mar, CA) reached the finals of the S.D. Metro; Stewart and Noriega made it to the quarters of the Rolex SoCal Regionals and the team of Dadian and Mattered has performed well.

The challenge of '89 Torero Tennis will be to get back into the national rankings and go from there. The opportunities will be plenty as the USD squad will take on UCLA, USC, Cal Berkeley, UC Irvine and Pepperdine, in addition to playing in the Corpus Christi Intercollegiate and the Blue-Gray National Collegiate Championships.

UNIVERSITY PROFILE

The University of San Diego is an independent, Catholic university located on a 170-acre mesa overlooking Mission Bay, San Diego Harbor, and the Pacific Ocean. The campus is named Alcalá Park after the Spanish university town where St. Didacus (i.e., Diego) spent much of his time.

Complementing its splendid natural setting is the University's location just 10 minutes from downtown San Diego — conveniently close to the major business, cultural, residential, and recreational areas, as well as the rail, bus and air terminals.

Founded in 1949, USD is presently experiencing record attendance. Undergraduate enrollment stands at 3600, graduate students bring the overall campus enrollment to 5600.

The University includes a College of Arts and Sciences, and Schools of Business Administration, Education, Nursing, and Law. Each is characterized by high academic standards, small classes, and excellent student-faculty relations.

Though the majority of students come from the West Coast, every region of the United States is well-represented on campus. Students also attend USD from 24 foreign countries.

In January of 1987, USD opened the doors to its new University Center, a 74,500 square foot building for students, faculty and staff. The two-level Center is the largest building on campus. It is the seventh major project completed at USD during the past eight years. It's a place for people to meet for leisure and fun, a place for extracurricular activities.

Recreation, intramural and athletic activities are expanding rapidly. Among the many recreation and intramural programs offered, some of the favorites include: Mission Bay Aquatic Center activities (water skiing, surfing, sailing, crew), modern dance, aerobics, bowling, karate, backpacking, softball, floor hockey, volleyball and tennis.

USD intercollegiate sports for men include football, soccer, cross country, basketball, baseball, crew, golf and tennis. In women's intercollegiate sports, USD fields programs in volleyball, cross country, swimming, basketball, softball, crew and tennis.

1988 REVIEW

USD WINS SD INTERCOLLEGIATES; 2ND AT WCAC'S

The 1988 Torero netters fell short of their goal of improving on their '87 season when they posted a 24-9 record, defeated Stanford and Pepperdine and earned a season-ending ranking of #24.

Although a bit disappointed, Coach Ed Collins and his squad enjoyed a winning season (15-11) and reached several team and individual goals.

In the fall San Diego All-College Tournament, senior Scott Patridge walked away with the singles title.

At the Volvo/ITCA College Tennis Chps. held at UCLA in October, Dan Matterna defeated Todd Watkin of Clemson, Jeff Wood of ASU and Murphy Jensen before losing to NE Louisiana's Ville Jansson. Scott Patridge defeated Houston Baptist's Johan Thellmark and BYU's David Harkness before losing to Fresno State's Jean LeClercq.

In November Matterna continued his winning ways by reaching the finals of the Rolex/ITCA SoCal Regional Chps, where he lost to Byron Black of USC. In earlier rounds Dan bested UCSB's Scott Morse, UCLA's Robert Jan Bierens and UCI's Trevor Kronemann.

In February, for the first time in its 17-year history, the San Diego Intercollegiate was won by a USD team, thanks to the efforts of Rick Matheson (#5-6 sgl's champ) and the doubles teams of Farren-Edwards and Buback-Choi (#2-3 doubles finalists).

March began on the road, at the Corpus Christi College Championships, where the Toreros split 4 matches, beating Maryland and Oklahoma State and losing to Texas A&M and Nebraska. Up to that point in the season USD had maintained a top-25 national ranking.

Back home Collins' netters won the 2nd Annual Torero Team Invitational, decisively beating Washington, Yale and Nebraska.

The week before Easter break Collins took his team to the prestigious 16-team Blue-Gray National Collegiate Tennis Classic, at Montgomery, Alabama. In its first match the Toreros battled #6 Kentucky before losing 5-2. In consolation matches USD overcame a 4-2 deficit to beat Auburn, then lost 5-3 to Miami.

USD defended its unofficial title as San Diego College Champ by beating San Diego State 6-0.

At the WCAC Championships, the Toreros finished second to Pepperdine. Dave Stewart lost in the semis to Pepperdine's Robbie Weiss (who won both the WCAC's and the NCAA's) and Scott Patridge lost in the quarters to Pepperdine's Craig Johnson. Together Dave and Scott became USD's first WCAC doubles champs, beating Pepperdine's Johnson and O'Neill in the semis and Weiss and Klembith in the finals.

Senior Scott Patridge led the team in overall W/L% with a 15-11 record in singles and 13-8 record in doubles.

Season-high Volvo/ITCA rankings were: team #22, Stewart #72, Patridge #99, Matterna #98, Stewart/Patridge #36. Special award winners at the year-end banquet were: Stewart and Patridge, for Best Doubles Team; Rob MacKay, for Team Captain; Curtis Dadian, for Most Inspirational (voted by his teammates); Rick Matheson, for Best Singles Record; Mark Farren, for Most Improved; Chris Smith, for Best Sportsmanship and MacKay, Dan Matterna, Peter Choi and J.R. Edwards for WCAC All-Academic Team.

A WINNING TRADITION

TENNIS AT USD

USD is proud of its men's tennis program. Twice the team won NCAA Division II titles. In 1979 the team finished second and in 1980 the program moved up to Division I.

This winning tradition was started by Andrew Rae, a native of Melbourne, Australia, who won NCAA Division II singles and doubles titles in '74 and '75. In 1978 USD's Rick Goldberg and Par Svensson won the NCAA II Doubles Championship.

From 1980 through 1982 the netters were regularly ranked among the nation's top 20 Division I teams. In '80 and '81 the Toreros won Ojai team titles. During that time the team was led by Scott Lipton (San Jose, CA, '80 NCAA Div. I All-American), Terry Ward (St. Louis, MO, '81 WCAC Singles Champ and '81 Ojai Champ) and Peter Herrmann (San Diego, holder of USD's record for most wins, '82 Ojai Champ).

The Toreros were back in the national rankings in '87, on the strength of their 24-9 record and dual match wins over Stanford and Pepperdine.

USD annually competes at the nation's highest level of intercollegiate play. The '88 Torero schedule includes a number of the top-ranked teams and several prestigious tournaments. The Blue-Gray Nat'l Collegiate Championships and the Corpus Christi College Team Championships are second only to the NCAA's. The Toreros also will play in the San Diego Intercollegiate and the West Coast Athletic Conference Chps. (WCAC), of which USD is a member.

The Fall semester tennis schedule is just as busy as the Spring. USD annually hosts the San Diego All-College Tournament. They participate in several local open events, as well as the Volvo Tennis Collegiate Chps. at U of Georgia and the Rolex/ITCA Tennis Collegiate Chps. at UCLA.

The Toreros practice and play at USD's West Courts, an 8-court facility located in a park-like setting on the west end of campus. The setting, courts and the cool ocean breeze create a perfect tennis environment.
