### **Director’s Lunch and Learn: Leading with a Growth Mindset**

*Trainer: Nancy Heathman, The Family Conservancy*

The role of a director/leader is multi-faced and challenging on our best days. This session will explore leading from a mindset of growth. Are we being intentional in promoting growth-growth in the children we serve, in the parents who are struggling to do their best, in our teachers, and in ourselves as leaders. When we begin to see our program through the lens of talents that can be grown, we lose our fear of challenging situations and are more willing to risk the idea that something might not work the first time.

**This training cost includes lunch.**

North Kansas City Hospital Pavilion– Burlington Room  
2800 Clay Edwards Drive, North Kansas City, MO 64116

### Using Blocks in the Classroom

*Trainer: Nancy Heathman, The Family Conservancy*

Blocks are universal play materials, they are found in preschool classrooms around the globe. There is a great deal of research documenting the benefits of playing with blocks; consistently showing that block play supports the development of mathematical thinking, social skills, abstract thinking, creativity, and most recently literacy. However, despite this evidence, block play remains largely a limited “choice” activity. This session will explore what is learned when children play in the block area, what should or might be included and the 10 things NAEYC says that children learn from block play. Participants will earn 2 clock hours and a light meal will be provided. **To register for this event, you must contact Gary Brock at 816-398-4321**

### **STEAM in Early Childhood Education**

*Trainer: Nancy Heathman, The Family Conservancy*

Science, Technology, Engineering, Arts, and Math are today's buzz word in Early Education. We often are intimidated by one or more of these words. Although it's not necessarily WHAT we know about each subject, but rather HOW we ask questions and foster the child's learning in the different subject areas. After this session, participants will understand the multi-faced approach to embedding STEAM experiences in your daily curriculum and activities.

Friday, March 20, 2020 from 9:00 am – 11:00 am (2.0 hours)

Cost: **\$25.00**

The Family Conservancy – 2<sup>nd</sup> Floor

444 Minnesota Avenue, Suite 200, Kansas City, KS 66101

### Working with Temperaments (Infant/Toddler)

*Trainer: Meg Fuehne, The Family Conservancy*

To create nurturing relationships with children, caregivers need to become aware of the feelings, expectations, and attitudes they bring from their own past experiences, particularly in childhood. In this class, participants will have an opportunity to explore their own temperament traits and how both their temperament and a child's may influence the the relationships in group care. As part of responsive caregiving, an awareness of temperament can help the caregiver create a good fit with each child in his/her care.

Thursday, April 2, 2020 from 6:30 pm – 8:30 pm (2.0 hours)

Cost: **\$25.00**

North Kansas City Hospital Pavilion – Burlington Room

North Kansas City Hospital – North Oak Room  
2800 Clay Edwards Drive, North Kansas City, MO 64116

### **Engaged Children are Learning Children**

*Trainer: Shari Williams, The Family Conservancy*

When adults talk about children and attention they are often referring to “paying attention” - getting the child to listen to what a teacher or peer is saying. In this session we will use the term engagement to emphasize that the goal is helping children remain involved in activities and events that interest them. Sustained engagement leads to ongoing discovery, which results in more learning than does merely paying attention to something an adult is saying or doing. **CLASS Dimension: Pre-K – Instructional Learning Formats**

Tuesday, April 21, 2020 from 6:30 pm – 8:30 pm (2.0 hours)

Cost: **\$25.00**

Welcome to early childhood education! The purpose of this session is to review the basics of working as an early childhood teacher including developmentally appropriate practice, diapering, handwashing, professionalism, supervision of children, and safe sleep practices.

Thursday, April 23, 2020 from 6:30 pm – 8:30 pm (2.0 hours)

Cost: **\$25.00**

The Family Conservancy – 2<sup>nd</sup> Floor  
444 Minnesota Avenue, Suite 200, Kansas City, KS 66101

### **Director’s Lunch and Learn: Emotional Intelligence and Leadership**

*Trainer: Polly Prendergast, Berkeley Child and Family Development Center*

Leadership and Emotional Intelligence: learn how they are connected and why it can affect your reasoning and problem solving skills. This presentation identifies the skills needed for an individual to improve their ability to understand their emotions and how they affect their reasoning and problem-solving skills. The main focus is to learn about emotional intelligence and the need for individuals to recognize and manage their own emotions; the core of quality leadership starts with an individual and his or her actions. **This training includes lunch.**

Friday, May 1, 2020 from 11:30 am – 2:00 pm (2.0 hours)

Cost: **\$35.00**

North Kansas City Public Library  
2251 Howell Street, North Kansas City, MO 64116

### **Introduction to CLASS**

*Trainer: Shari Williams, The Family Conservancy*

What is the CLASS tool? Where was it developed and why should we know about this tool? This brief overview of the CLASS tool will help us have an understanding of this assessment tool that is becoming widely used in our community and across the United States.

Thursday, May 7, 2020 from 6:30 pm – 8:30 pm (2.0 hours)

123 E. 31<sup>st</sup> Street, Kansas City, MO 64108

### **Be a Sportscaster and a Dictionary! Language Modeling throughout the Day**

*Trainer: Shari Williams, The Family Conservancy*

Sportscasters describe what is happening during a game just as teachers can describe their own actions and the actions of children in order to expand children's language. Dictionaries provide multiple ways to understand the meaning of words, just as teachers can use several words and phrases to support a child's understanding of a new word or concept. In this session we will practice using these strategies throughout the day and design a plan for continuing to enhance your language modeling skills. **CLASS Dimension: Toddler – Language Modeling, Pre-K – Language Modeling**

Thursday, May 21, 2020 from 6:30 pm – 8:30 pm (2.0 hours)
