WIAA HIGH SCHOOL RULES AT A GLANCE

The WIAA Rules at a Glance offers a brief synopsis of WIAA Bylaws and Rules of Eligibility, to address in general some of the most common questions of the membership.

WIAA Bylaws, which outline the provisions of membership in the Association and the Rules of Eligibility, appear in the WIAA Handbook. The reader should refer to that publication, or confer with your school athletic director, for more complete information. Your AD should always be your first contact for questions or concerns about school sports.

WIAA rules and regulations are established by membership vote. The Annual Meeting is held in the spring of the year, at which time amendments are presented. The interpretation and enforcement of the rules and regulations are the responsibility of the WIAA executive office and Board of Control.

It is the responsibility of member schools to abide by the rules of the Association, to educate students, coaches, parents and others regarding the provisions of membership and Rules of Eligibility and to report to the WIAA all violations of Association provisions.

I. COACHES AND COACHING CONTACT

Coaches may not have coaching contact with any athletes they will be coaching the following school season during restricted times (except their own children). There is no distinction between varsity and J.V. coaches, i.e., J.V. coaches cannot coach varsity athletes during restricted times, and vice-versa, nor any distinction between paid and nonpaid (volunteer) coaches. An exception is that varsity and J.V. coaches can have coaching contact with students who have just completed 8th grade or any preceding grade up until these 8th graders actually start their 9th grade year.

Coaching restrictions apply to all sports during the school year, except during the respective sport season. All sport coaches have five days of unrestricted coaching contact opportunity in the summer, between the end of school and July 31; the days do not need to be consecutive. The 5 contact days must be the same for all levels within a sport program. Football must follow WIAA Fall Football Acclimatization rules and contact ends July 22, 2017. In 2018, July 21 will be the last day for football coaches contact. In addition, coaching restrictions do not apply in the summer beyond the 5 unrestricted days in all sports except football, the summer being defined as when school is not in normal session, **provided such nonschool programs are not limited to students on the basis of school or team affiliation.** Other than during the actual school season and as specifically approved in the summer, coaches may not have coaching contact with their athletes other than as listed above; including practicing or competing with athletes, driving athletes to nonschool competition, driving athletes to camps, clinics, etc., or having basically anything to do with the athletes' nonschool participation. Further, coaches may not:

1. Mandate athletes participate in nonschool competition, or determine who may or may not participate in nonschool activity.
2. Require involvement in out-of-season activities as part of the requirements for making a school team, earning a school letter award, etc.
3. Provide incentives such as T-shirts, etc., for participation in the off-season.

A school coach must always be present when an athlete is participating in interscholastic competition. It is not acceptable for parents, or others, to take the place of the coach at school-sponsored competition, unless they meet WIAA coaching requirements and have the approval of the school administration. (RE – Art. I, Sect. 7 and Art. VI, Sect. 2)

II. SCHOOLS AND SCHOOL TEAMS

A. COMPETITION AND PRACTICE

Schools may conduct sport competition and practice only during the defined respective sport season as specified in Season Regulations and during Board of Control approved unrestricted contact days in the summer (up to 5 days in all WIAA sports), between the end of school and July 31. Season Regulations spell out, among other things, when practice starts, how many contests may be played, how many contests individuals may participate in, how many practice days are required before the first competition, and when the season ends. This means schools and school organizations, such as the letter winners club, the senior class, etc., cannot be involved in running any competition or practice in WIAA recognized sports outside the defined school season for that sport and those 5 days in the summer identified as unrestricted contact days.

WIAA rules also specify a school may not assemble athletes, or prospective athletes, in physical education classes, or some other manner, for purposes of teaching fundamentals, techniques, plays, etc., except during the designated school season of that particular sport and summertime, unrestricted days. Further, schools may not organize conditioning programs limited to students with athletic team status, or to prospective athletes, except during the designated school season of that sport. Nor may a school conduct intramural programs, which involve athletes with past status on a school team, at any level, except during the established school season of a sport. (BL – Art. II)

Interstate Competition: WIAA Bylaws prohibit member schools from competing against school teams that are post secondary schools and/or academies and schools that are not members of their respective state associations. They also limit the number of events member schools may schedule in nonbordering states to one competition, event and/or scrimmage per team each school season. Schools may schedule any number of events in bordering states within season game maximum limitations. Bylaws also provide that competition which involves out-of-state teams may require additional WIAA and/or National Federation sanctioning. Additional requirements exist relative to school teams participating in competition sponsored by non-school providers, e.g. Professional sport teams, American Legion, YMCA, (BL – Art. II)

B. UNIFORMS AND EQUIPMENT

Schools may not issue wearing apparel and protective equipment prior to the first allowable day of practice, unless specifically allowed in Season Regulations for that sport.

One exception is that with approval of its governing body schools may issue school uniform or other wearing apparel and protective equipment for use by athletes in training or competition, in the summertime. For school protective equipment, summertime shall be from the Friday before Memorial Day to the first day of school. Reminder: Coaching contact is not allowed prior to the last day of school. During the school year, with approval of its governing body, a school may issue its baseball and softball equipment at its own discretion. It is acceptable to issue implements at anytime if the school wishes, such as vaulting poles, shot puts, hurdles, baseball bats, basketballs, volleyballs, etc. (BL – Art. II and RE – Art. VI, Sect. 2)

C. CLINICS AND SCHOOL FACILITIES

Schools may not be involved in conducting clinics outside the season, with the following exceptions. So long as participation is voluntary and available to all interested students:

1. There shall be no restrictions upon schools, school teams and school coaches (grades 9-12) relative to assembling in the summertime, for

up to 5 days, which do not need to be consecutive. Unrestricted contact days must conclude no later than July 31 for all sports except football. Unrestricted contact for football must conclude by July 22, 2017 and July 21, 2018.

2. A school may conduct a clinic for students in grades 8 and below, where high school varsity and junior varsity coaches may use some or all of their high school athletes as clinicians. This may be done for a maximum of six days during the summer (when school is not in session) and must conclude no later than July 31. Clinics not utilizing athletes as clinicians may be conducted throughout the summer up to the start of school.
3. School facilities may be used for nonschool programs, according to board of education policy, which can result in clinics being conducted, outside the season, by nonschool groups. The nonschool group must request the facilities from the board of education or governing board, through normal procedures and are encouraged to provide their own insurance protection. (BL – Art. II and RE – Art. VI, Sect. 2)

D. OPEN GYMS

Coaches and schools cannot be involved in out-of-season practice for athletes. However open gyms do not violate WIAA rules if they are conducted according to the following guidelines:

1. The open gym is made known and available to all students in the designated population of that school that are interested in attending. Open gyms may be gender specific. It is also acceptable to include people from the community. Schools may conduct “open gyms” in any activity. It is not acceptable to include athletes from another school, public or nonpublic.
2. There is no instruction during the open gym by a coach or anyone else.
3. Coaches may supervise open gyms, but they may not instruct, organize drills, etc. Coaches can also recreate with students in school sponsored, open gym settings that are purely recreational in nature, i.e., there is no instruction, sport skill demonstration, organized drills or resemblance of a practice being conducted.
4. There is no organized competition, such as established teams participating in round-robin competition, etc.

“Open Gym” is not a code word for out-of-season practice. The philosophy of the open gym is students from that school may attend, for wholesome recreation, or for purposes of improving their skills, but it's something they do on their own. It would be a violation of WIAA rules to mandate attendance at open gyms, or to provide incentives for athletes to attend open gyms, or to limit participation based on athletic status, or to allow athletes from other schools to come and work out or compete against the host school's athletes. (BL – Art. II and RE – Art. VI, Sect. 2)

E. SCRIMMAGES

WIAA rules limit the number of interscholastic (another high school, tech school, college, etc.) scrimmages/practices teams may have. Teams may practice/scrimmage with or against nonschool groups (alumni, city team, etc.) at their discretion.

Note (1): An alumni contest counts toward season maximums. (BL – Art. II and SR)

Note (2): If either school counts a scrimmage as a game, it must be counted as a game for both programs, schools and/or teams.

F. WHO MAY PARTICIPATE INTERSCHOLASTICALLY

A school may use on its interscholastic teams only its full-time students enrolled in grades affiliated with WIAA membership.

Note (1): No eligibility will be granted for a student whose residence within a school's attendance boundaries, with or without parents, or whose attendance at a school has been the result of undue influence (special consideration due to athletic ability or potential) on the part of any person, whether or not connected with the school.

A bona fide home school student may be eligible at their public school of residence on the same basis and to the same extent as all other full-time students of the member school.

Full-time students enrolled in member charter schools are eligible only at the school of residence.

The administration of the school is responsible for the eligibility of all its athletes. School administration must verify the eligibility of each participating student prior to their first competition each school year. A student must meet school and WIAA definition of a full-time student (as identified by school policy), be carried on a school's attendance roles and be meeting the minimum academic requirement in credits accepted by the school in order to be eligible to participate in any interscholastic competition.

1. Students that are academically ineligible, ineligible due to code of conduct violations, or those required to miss the next competitive event due to being ejected from their last competitive event, may participate in scrimmages against other schools according to local school policy. Students ineligible for other reasons may not participate in scrimmages against other schools.
2. For varsity eligibility, public school students are basically eligible to participate in the district in which their parents reside in their primary residence. A transfer of guardianship, or reaching 18 years of age, does not set aside this rule. Parents may not establish a secondary residence, in a second district, and gain athletic eligibility. Nonpublic school students, with the exception of boarding schools, must reside full-time with parents in their primary residence.

Note: For the purpose of this rule, attendance at one day of class and/or attendance at one athletic practice shall determine "beginning of school year."

3. Students entering 9th or 10th grade at the beginning of the school year as open enrollment students are eligible starting with the fall season, from a residence standpoint. If this student transfers back to the school of residence or to a nonpublic school, after attending one day of school or one athletic practice, he/she is ineligible for varsity competition for one calendar year. Additional transfer restrictions may apply to students following entry into their third consecutive semester.
4. Students entering 9th or 10th grade at the beginning of the school year as Board of Education approved full-time student(s), paying their own tuition and residing full-time with parents in their primary residence shall be afforded eligibility. Additional transfer restrictions may apply to students following entry into their third consecutive semester.
5. Students not meeting residence requirements and who are within the first four consecutive semesters following entry into Grade 9 will be eligible for nonvarsity competition only, unless a waiver is provided.

6. All transfer students should initially be treated as ineligible athletes until the athletic director at the receiving school has had the opportunity to completely check all aspects of athletic eligibility.

A student who transfers with a status of ineligibility for disciplinary reasons or academics, retains such status at his/her new school for the same period as decreed by the former school.

Students transferring more than once in any school year are not eligible for any level of competition unless a WIAA waiver is provided. (RE – Art. II Sect. 3-A-3)

7. 9th grade students who transfer after the beginning of the school year and with written consent from both schools directly involved may be provided nonvarsity opportunities for the remainder of the school year, unless the transfer is made necessary by a total and complete change in residence by parent(s). Restrictions are removed upon entering 10th grade. First-time 9th grade students will be permitted one transfer upon appropriate petition to the WIAA Board of Control if the student has attended no more than three days of practice and/or no more than three days of school.

10th or 11th grade students who transfer after the beginning of the school year and with written consent from both schools directly involved may be provided nonvarsity opportunities for one calendar year (365 days beginning with first day of attendance at the new school).

Transfer students entering 11th grade or transferring after the beginning of 11th grade are restricted to nonvarsity for one calendar year.

In the event of divorce or legal separation, whether pending or final, residence at the beginning of the school year shall determine eligibility for students entering 9th and/or 10th grade. Students transferring at the beginning or during 11th grade will be restricted to nonvarsity for one calendar year. In situations involving transfer after the sixth consecutive semester following entry into grade 9 the student is ineligible to compete at any level for one calendar year, but may practice.

8. A student who transfers from any school into a member school after the sixth consecutive semester following entry into Grade 9 shall be ineligible for competition at any level for one calendar year, but may practice, unless the transfer is made necessary by a total and complete change in residence by parent(s), or a waiver is provided.
9. Foreign exchange students may be granted one year of varsity eligibility if they come to a school through a CSJET approved exchange program with full listing status and are placed randomly. These students are not eligible until the appropriate form has been submitted to the WIAA and eligibility has been granted.

Foreign exchange students who transfer from one school to another should be regarded as ineligible for varsity competition, the same as any other transfer student. (RE – Art. I and Art. II)

G. CONSECUTIVE DAYS OF COMPETITION/PRACTICE

A team must take one day off, from all physical activity, after six consecutive days of practice/competition. Teams may schedule nonphysical activity, such as film review, scouting reports, rehab, etc., during this off day. (SR)

H. PROTESTS

A protest is possible relative to a game official's misapplication of a rule. Such protests are not allowed in WIAA tournament competition. During the regular season, a protest will not result in replaying or repeating any game, meet, match, event, or race, or any portion of any game, meet, match, event, or race. The purpose of the protest is to correct an official if an official was in error. It is not possible to recreate the game situation that existed. (BL – Art. VI)

With the exception of the tournament series, a school may appeal a ruling of forfeiture based on an ineligible student's contribution to victory, in a team sport, with the understanding the school must satisfy to a clear and convincing standard the student in question did not contribute in any way to the victory. (RE – Art. I)

I. CODE OF CONDUCT

WIAA rules require that all schools have a code of conduct, which they enforce on a year-round basis. WIAA rules do not indicate specific penalties, other than stating in-season violations involving possession and/or use of alcohol, possession and/or use of tobacco products and/or the possession, use, buying or selling of controlled substances must result in at least a one-game (not scrimmage) suspension. Any suspension, which results in a student missing any portion of WIAA tournament competition, results in that athlete being ineligible for the remainder of the WIAA tournament series in that sport.

A student that transfers from one school to another, with a suspension due to athletic code violation(s) from the previous school, must serve that mandated suspension at the new school.

The school must provide an opportunity for the student to be heard prior to any penalty being enforced.

If a student appeals a suspension, according to the school's appeal procedure, **the student is ineligible during the appeal process.**

A student ejected from a contest is suspended for the rest of that competition and the next scheduled competition. If it happens the next competition is a multischool meet, which counts as one meet on the schedule, the student misses the entire competition. (RE – Art. VII)

A student-athlete, disqualified from a contest for flagrant or unsportsmanlike conduct, is also suspended from the next competitive event.

Any player who in the judgment of the official, intentionally spits on, strikes, slaps, kicks, pushes or aggressively physically contacts an official at any time shall be immediately ineligible for competition a minimum of 90 calendar days from the date of the confrontation. In addition, the player is ineligible to compete for the first 25% of the next season in that same sport.

J. PHYSICAL EXAMINATION

It is necessary the school have a current physical examination on file for every athlete **before the athlete is allowed to start practice.** This physical examination must bear the signature or signature stamp of a physician, or the stamp of the clinic the physician is associated with or the signature of a Physician's Assistant (PA) or Advanced Practice Nurse Prescriber (APNP). A physical examination taken April 1 and thereafter is valid for the following two school years; a physical examination taken before April 1 is valid only for remainder of that school year and following school year. (RE – Art. VII)

III. STUDENTS

A. AGE REQUIREMENT

A student shall be ineligible for interscholastic competition if he/she reaches his/her 19th birthday before August 1 of any given school year. (RE – Art. III)

B. CONSECUTIVE SEMESTER RULE

A student has eight consecutive semesters of potential athletic eligibility, starting with the first semester of his/her 9th grade year. A fifth year senior is not eligible to participate, unless a waiver is granted by the WIAA. (RE – Art. V)

C. AMATEUR STATUS

A student may not accept, receive and/or direct to another, reimbursement in any form of salary, cash, or share of game or season proceeds for athletic accomplishments, such as being on a winning team, being selected for the school varsity team, or being a place winner in an individual tournament, etc. A student may receive: school mementos valued not more than \$200, an award valued no more than \$100 retail, and may retain nonschool competition apparel worn by the student as part of the team uniform. Rules further prevent athletes from receiving compensation or benefit, directly or indirectly, for the use of name, picture and/or personal appearance as an athlete because of ability, potential and/or performance as an athlete. This includes receiving free and/or reduced rates on equipment, apparel, camps/clinics/instruction and competitive opportunities that are not identical for any and all interested students. A student may not be identified as an athlete, provide endorsement as an athlete, or appear as an athlete in the promotion of a commercial/advertisement and/or profit-making event, item, plan or service. Also, an athlete violates this rule if he/she plays in any contest (school or nonschool) under a name other than his/her own. (RE – Art. IV)

D. NONSCHOOL PARTICIPATION

WIAA rules do not prevent athletes from practicing with nonschool teams or from receiving private skills instruction during the school season. Rules indicate athletes may not participate in more than two nonschool competitions during the school season, in the same respective sport with school approval. Nonschool competitions include: races, scrimmages against other teams, normal nonschool games, "gimmicks," such as reduced numbers competition (3-on-3 basketball, 6 player soccer, etc.), fun runs (including "banditing"), etc. During the season, athletes may participate in a skills contest with approval of the school. Specific skill contests (punt, pass, and kick, shooting contests e.g., free throws, 3 point, drive, chip and putt) isolate separate skills outside of the traditional competition setting. The skill contest may not include physical contact or extreme fatigue as the actual sport competition. Fun runs are not considered skills contests. There can be no school coach involvement. All other eligibility rules including amateur status apply. Additionally, a student who was a member of a school team during the previous year may not delay reporting for the school team beyond the school's official opening day of practice in order to continue nonschool training or competition. (RE – Art. VI)

E. ALL-STAR CONTESTS

Athletes with remaining high school eligibility may not participate in all-star contests. During the school year, a school, including its administrators, athletic director and coaches shall not become involved directly or indirectly with any kind of all-star or similar contest that involves students with remaining eligibility. An all-star team is one where participants are chosen on the basis of individual accomplishment or reputation. An underclassmen becomes ineligible in a sport for a maximum of one year from the date of last offense for participation in an all-star game or similar activity. A senior who violates this rule forfeits all remaining high school eligibility in the same specific sport as the all-star event. Violation of this rule results in loss of eligibility for the remainder of the season. (BL – Art. IV, Sect. 1 & RE – Art. VI, Sect. 3)

F. EXPENSES – TRAINING AND COMPETING

1. The WIAA recognizes a distinction between training and competing. Students must pay their own expenses, including transportation, to any nonschool (out-of-season) camps, clinics, or specialized training. Schools may pay expenses and provide transportation to similar in-season activities in that sport and during unrestricted contact days in the summer.
2. A student may be reimbursed actual and necessary costs associated with competing. This may include transportation, food, lodging and entry fees.
3. A school may not become involved financially, through transportation or any other way in a student's nonschool participation outside the sport season and the five Board of Control approved unrestricted contact days in the summer. (BL – Art. II, RE – Art. IV and Art. VI) Note: Funds kept in school activity accounts are considered school funds.

G. OUT-OF-SEASON

Athletes may participate in nonschool competition, outside the school season; however, certain restrictions apply. Amateur status rules are still in effect and must be observed. Schools cannot be involved, and coaches are restricted as indicated in Number 1, page 1. Team makeup may not be restricted based on school or team status. (BL – Art. II, RE – Art. IV and VI)

H. FALSIFICATION OF INFORMATION

If a student or a student's parents or guardian falsify any information submitted to a school, and a student participates resulting in an order of forfeiture, the student becomes ineligible in all sports for one calendar year from the date of the last game or meet in which the student participated. (RE – Art. I, Sect. 5)

IV. PENALTIES FOR VIOLATIONS

It should be noted most rules do not have a specific penalty associated with them. The WIAA has the authority, however, to impose penalties relative to rules violations such as, suspension of membership for not more than one year; probation for not more than one year; denial of participation in Association tournament program; denial of any area of Association services and benefits; monetary fine equal to Association expense incurred in any investigation and actual reimbursement of costs resulting from the violation; forfeiture (team sports) of contests won by school or (individual sports) of points/places won by individuals; loss of conference affiliation; loss of eligibility for athletes involved. (WIAA Constitution, Art. VI, RE – Art. 1)

There are occasions relative to specific items when you may want to talk directly with secretarial-clerical-bookkeeping members of the staff or the business office rather than a member of the administrative staff. It would be assumed that in such cases the caller would ask the receptionist to refer him or her to the appropriate person. Situations involved would be information on paying dues, ordering rule books or supplies (forms), requesting a film, questions about officials' licensing procedures and materials, etc.

Introduction to the WIAA

The Wisconsin Interscholastic Athletic Association is a voluntary, unincorporated and nonprofit organization. In 2017-18, there are 512 schools in the membership, including all senior high schools in Wisconsin's public school districts, statewide schools, specialty schools, and religious and independent schools. Another 80 are associate members. On the basis of the 2016-17 school year, there are also 38 members in the WIAA Junior High/Middle Level association with two associate members. The WIAA had its earliest beginnings in late 1895 and early 1896, and the first set of rules was adopted in December of 1896.

The governing body of the WIAA is the Board of Control which consists of 10 administrators from the senior high membership and one representative of the Wisconsin Association of School Boards. Seven of the 11 members represent geographical districts of the state, one is an at-large gender representative, one an at-large ethnic minority representative, and one is an at-large nonpublic school representative. The WASB member is named by its Board of Directors. Liaison representation is given to WADA (Wisconsin Athletic Directors Association), WASB (Wisconsin Association of School Boards) and the DPI (Department of Public Instruction). The first Board of Control was elected in 1897.

To assist the Board, an Advisory Council of administrators from senior highs was created in 1949 that now consists of 18 members. There are five members each from large, medium and small school categories and three at-large representatives, gender, ethnic minority and nonpublic school.

A Middle Level Council was created in 1996. Seven of the 10 members represent geographical districts of the state, one is an at-large gender representative, one an at-large ethnic minority representative, and one is an at-large nonpublic school representative. Liaison representation is provided to WAMLE (Middle Level Educators Association), DPI (Department of Public Instruction) and WATA (Wisconsin Athletic Trainers Association).

Operation of the WIAA is the responsibility of Executive Director Dave Anderson and the executive staff at WIAA headquarters at 5516 Vern Holmes Drive in Stevens Point, WI. In addition to Anderson, there are five additional executive staff members and 13 members of the support staff. There have been four other executive heads of the WIAA, the first being P.F. Neverman who served from 1924-1951, Cliff Fagan from 1951-1957, John E. Roberts from 1957-1985 and Doug Chickering from Jan. 1, 1986-July 31, 2009. Dave Anderson became executive director on Aug. 1, 2009.

The WIAA conducts an Annual Meeting (senior high) each April which provides its membership the opportunity to amend the Constitution, Bylaws and Rules of Eligibility and address special topics. The WIAA is a charter member of the National Federation of State High School Associations.

The WIAA HANDBOOK, which is published each summer, is distributed free of charge to all administrators and coaches of member schools. It also is available to others at a cost of \$12. The WIAA YEARBOOK also is available at a cost of \$18. The Association also prints 4 issues of the WIAA BULLETIN from August to May. It is distributed without charge to the membership, as well as to licensed game officials, and it may be purchased by others at a cost of \$12 per year.

Calendar of Numbered Weeks

The National Federation of State High School Associations of which the WIAA is a member has adopted a national calendar of numbered weeks.

This calendar, which is shown on Page 11 covering the current year, as well as the next eight years, runs from early July to early July. Dates indicated are Sunday through Saturday, inclusive.

It will be noted the calendar changes by one day (two days if Leap Year is involved) each year. Every five or six years (depending on the number of Leap Years), the calendar “swings.” The 2019-2020 school year is a “swing” year, when all dates moved to their latest possible position for each numbered week.

In an effort to familiarize themselves with this national calendar of numbered weeks, schools will note the WIAA has indicated the week number in references to starting date and finishing date of all sports seasons in the calendars on pages 9 and 10. For example, the cross country season's earliest starting date is in Week 7 and the end of the season (meet) is in Week 17.

WIAA schools should keep the following additional points in mind as they use the national calendar of numbered weeks:

Labor Day is always the first Monday in September.

Thanksgiving Day is always the fourth Thursday in November.

The week of Easter Sunday is indicated with an asterisk () in the calendar of numbered weeks.*

Memorial Day is always the last Monday in May.

The number of the week for start and finish of seasons in all WIAA sports ALWAYS will be the same year after year UNLESS there is a change in length or time of season. For example, cross country's earliest starting date is Week 7 in 2017-18 and it will remain Week 7 year after year as long as present rules continue.

- A. The Board of Control shall have authority to add or eliminate a sport.

Section 4 – Exceptions

- A. Until a sport has reasonable participation on the part of member schools, the Board of Control shall have authority to make exceptions to rules as necessary for the satisfactory sponsorship of such a sport.

Section 5 – WIAA Tournament Entry

- A. A member school must have an officially-adopted program in a sport in order to enter a team and/or individuals in the WIAA tournament series of that sport.

- B. Requests to add a team into WIAA tournament competition must be received in the WIAA office by the following deadline dates to be included in the subsequent year’s tournament program:

Fall Sports – February 1	Winter Sports – April 1	Spring Sports – June 1 and Summer Baseball
--------------------------	-------------------------	---

Note: The WIAA membership-sponsored tournaments are the collective property of the Association and not of any individual member. The Association reserves the right to promote and advance the membership’s interests with publication information; exclusive arrangements to create recognition and exposure for school-sponsored activities; restrictive policies prohibiting exploitation and commercialization of membership-sponsored tournaments; appropriate proprietary interests; and the use of images or transmissions identifying students, administrative personnel and member school marks.

- C. When a member school withdraws from a tournament for any reason other than a violation, the scheduled opponent will receive a forfeit.

Section 6 – Non-WIAA Sports

- A. Schools may conduct interscholastic competition in sports other than those herein listed (except boxing which is prohibited), but rules and regulations of the Association do not apply to competition in such other sports.

Policy on Sport Recognition and WIAA Tournament Sponsorship

1. The Board of Control may consider adding a new sport to the list of recognized and regulated activities at such a time as five percent (5%) of the membership are participating in that sport at the same time of the year and indicate an interest in WIAA involvement.
2. A WIAA-sponsored tournament series leading to state team and, where applicable, individual champions will be provided at such a time as at least ten percent (10%) of the total membership are participating in that sport at the same time of the year and indicate an interest in such a tournament series.
3. Sports which at any time do not qualify under the 10% and 5% standards are reviewed annually by the Board of Control for purposes of determining future tournament and, where applicable, recognition status.
4. If two or more schools have the same enrollment and that enrollment is the dividing point of a division, enrollment of the previous year(s) will be used. In football, enrollment as of the third week in September of the current year will be used to break the tie.
5. Except in the sport of football, a school has the prerogative of competing in a higher classification than its enrollment. Such intentions must be provided to the WIAA in writing by school administration in advance of seasonal tournament deadline.

Article II – School Competition and Practice Requirements

Section 1 – Sport Season Requirements

- A. A school is required to follow season regulations, playing rules, and tournament procedures as annually revised and published by the Board of Control. These regulations, rules, and procedures are found in the publications entitled SEASON REGULATIONS.

SEASON REGULATIONS are published in three separate editions. The first edition covers fall sports (cross country, football, girls golf, boys soccer, girls swimming & diving, girls tennis, and volleyball). The second edition covers winter sports (basketball, gymnastics, hockey, boys swimming & diving, and wrestling). The third edition covers spring sports (baseball, boys golf, girls soccer, softball, boys tennis, and track & field) and summer baseball.

- B. It is the responsibility of the administration of each school to follow the rules contained in the SEASON REGULATIONS in competition with both member and nonmember schools. Failure to do so subjects a school to the penalties outlined in Constitution Article VI, Section 3-A and/or Rules of Eligibility Article I, Section 5.

Section 2 – Competition and Practice Restrictions

- A. A school may not hold practice, or compete in a recognized sport, other than as specified in SEASON REGULATIONS or as noted in B. Exceptions.

- 1) There shall be no restrictions upon schools, school teams and school coaches (grades 9-12) relative to assembling in the summertime, for up to 5 days, which do not need to be consecutive (all WIAA sports sponsored by the school). Unrestricted contact days must conclude no later than July 31.
- 2) A school may conduct a clinic for students in grades 8 and below, where high school varsity and junior varsity coaches may use some or all of their athletes as clinicians. This may be done for a maximum of six days during the summer (when school is not in session) and must conclude no later than July 31.

Section 3 – Nonschool Participation

- A. A school may not become involved financially, through transportation or in any other way, in a student's nonschool participation.

Section 4 – School Facilities

- A. These rules do not prevent a school's facilities from being made available for nonschool programs, provided such programs are not limited to students on the basis of school affiliation, athletic experience, team status, etc. There are limitations, however, on coaches as described in Rules of Eligibility, Article VI, Section 2.

Section 5 – A School shall not Participate in:

- A. Post-season contests (other than Association tournament games).

Note 1: Such contests as identified in C and D above may be scheduled only if an administrator or designee of the school with the WIAA sanctioned team is present and has determined all WIAA regulations are being followed.

Note 2: Involvement of business, commerce, industry, etc., in sponsorship of school events is not prohibited, except to those concerns related to alcohol, tobacco products, lottery, gambling, mood altering substances and lewd subject matter.

- E. Contests involving professional, semiprofessional, or similar post-high school age teams (except alumni teams), and teams representing institutions of higher education (universities, colleges, technical schools, etc.).

Note: An alumni contest counts toward season maximums.

- F. Contests, competition and/or scrimmages versus an out-of-state school team not a member in good standing with its State High School Association.

- G. Interstate competition, except as provided hereafter:

- 1) National Federation sanction is required for:

 - a. Individuals who want to host an event will go online at the NFHS website, register as an event manager, create an event and fill out the online application then an email is sent to the host school's principal and host state association. The state association reviews the application online and determines if they will approve or deny the application, once approved the host state association notifies the event sponsor that payment is required. Credit card payment and electronic check are the only forms of payment accepted. Once the payment is received by the NFHS, the invited states/schools are notified that they have been invited and it is listed on the NFHS website. As the invited states respond to the sanction it is automatically updated on the NFHS website. Once every invited state has responded, the application is approved for sanctioning.
 - b. There will be a processing fee for interstate and international sanctioning applications. The price per sanction application is \$100 per application; the penalty fee for not forwarding the final list of actual entries twenty (20) calendar days prior to the event will be \$100. If an outside sponsor, not the member school, is running the event the sanctioning fee will be \$200 per application.
 - c. The timeline/fee structure is as follows: The sanction application must be submitted online to the NFHS office sixty (60) calendar days or more prior to the event. The late fee for any application that arrives 15-59 calendar days prior the event will be an additional \$100 for a total of \$200. If the application is submitted less than 15 calendar days prior to the event, the late fee will be \$100 plus a \$100 penalty for not forwarding the final list of actual entries for a total application fee of \$300.
 - d. The host school shall submit a financial report about the event to the NFHS on the appropriate form within ninety (90) calendar days of the completion of the event.

Section 6 – Classes Interrupted

- A. In the event scheduled classes are interrupted or terminated due to infectious/communicable disease by the school district or by local/county/state health agencies, interscholastic athletic practice and competition will be postponed or cancelled. If school is closed through the weekend but scheduled to reopen on Monday, practice would be allowed on Sunday if approved by school administration.

Rules of Eligibility

For the convenience of readers, new rules and rules clarifications in the Constitution, Bylaws, and Rules of Eligibility have been highlighted (shaded areas).

Article I – General

Section 1 – School Administration

- A. The responsibility of educating and guiding students in the rules of eligibility governing member schools of this Association shall rest with the administration of each school.
 - 1) The administration of the school shall be responsible for the eligibility of all its athletes, and it is the duty and responsibility of one member school to immediately call to the attention of another member school and/or the Association office information or evidence pertaining to violations of Association rules.

Section 2 – School's own Standards

- A. The rules of student eligibility shall not be interpreted to prevent any member school or any conference from establishing more stringent regulations, but no school or conference may set up standards for interscholastic competition for any of its official teams, varsity or otherwise, which are less stringent than the minimums herein presented.

Section 3 – Who may Participate

- A. A school may use on its interscholastic teams only its full-time students enrolled in grades affiliated with WIAA membership.
Note 1: No eligibility will be granted for a student whose residence within a school's attendance boundaries, with or without parents, or whose attendance at a school has been the result of undue influence (special consideration due to athletic ability or potential) on the part of any person, whether or not connected with the school.
- B. According to state law, a school may use on its interscholastic teams students residing within the district boundary who are bona fide home-based private education students as defined by state law on the same basis and to the same extent as all other full-time students at the member school.

Section 4 – Who may not Participate

- A. A school may not allow its students in Grades 9, 10, 11 and/or 12 to compete against another member school's students in Grade 8 and/or below.
Note: In emergency situations a waiver may be requested allowing 9th grade student(s) to compete at the 8th grade level at member middle schools.

Section 5 – Penalties for Violation of any and all Eligibility Requirements

- A. The penalty for participation by an ineligible student, according to a school's own rules or WIAA rules, either during the regular season or in WIAA tournament activity is as follows:
Note: Violations of the individual participation limitations of the various sports, as indicated in the appropriate issue of SEASON REGULATIONS, are also treated under provisions indicated herein.
 - 1) Team Sports (baseball, basketball, football, hockey, soccer, softball, and volleyball)
The school must -
 - a. Forfeit all contests involved.
 - b. Adjust its place in conference standings and/or relinquish its place in tournament standings.
 - c. Return team and individual awards.
 - 2) Individual Sports (cross country, golf, gymnastics, swimming & diving, tennis, track & field, and wrestling)
The school must -
 - a. Eliminate all matches, places, points, scores, etc., of involved student as an individual, and eliminate all contributions made by involved student toward team score.
 - b. Reduce team points (score) and adjust conference standings and/or tournament places.
 - c. Return awards of individual(s) and, if appropriate, after adjusting standings, team awards.
 - 3) Tournaments (including WIAA tournaments) - Team or student most recently defeated, upon discovery of violation, replaces offending team or student for remainder of tournament series.
Note: When a member school withdraws from a tournament for any reason other than a violation, the scheduled opponent will receive a forfeit.
 - 4) A violation, resulting from a student or parent (guardian) falsifying records and/or providing misleading information to a school, will cause that student to be ineligible in all sports for one calendar year from date of last game or meet in which student participated.

Section 6 – School Appeal of Forfeiture Ruling

- A. With the exception of the WIAA Tournament Series, appeals of forfeiture based on an ineligible student's contribution to victory in a team sport may be heard by the Board of Control. There will be a presumption by the Board that the ineligible student's participation did impact on the competition. It will be the responsibility of the school to satisfy to a clear and convincing standard that the student did not contribute in any way to the victory. There will be a presumption that the contest(s) would not have been won without the student's participation. The Board of Control will set the criteria to be considered in appeals hearings. The opposing school(s) will be given the opportunity to be heard.

Section 7 – Coach must be Present

- A. No team (or student) shall represent his/her school at any time in connection with interscholastic competition, unless accompanied by a coach or another appointed member of the school faculty.
 - 1) It is recommended that a female member of the faculty accompany any girls team coached by a male and a male member of the faculty accompany any boys team coached by a female.
 - 2) A game shall be forfeited or a team disqualified from further participation in a meet if, after a game or meet official has ejected a coach for any reason, there is no other coach or faculty member of that school present to supervise the team.

Section 8 – Court Injunction/Restraining Order

- A. If a school declared disqualified or a student declared ineligible is permitted to participate in interscholastic competition, because of a court restraining order and/or injunction against the school or WIAA, and if such restraining order and/or injunction subsequently is voluntarily vacated, stayed, reversed, or finally determined by the courts not to justify injunctive relief, one or more of the penalties outlined in Article I, Section 5-A-1) and 2) may be taken in the interest of restitution and fairness to other member schools.

Article II - Residence and Transfer

Section 1 – Determining Residence for Public School Students

- A. A full time student, whether an adult or not, is eligible for varsity interscholastic competition only at the school within whose attendance boundaries his/her parents reside, within a given school district, with these additional provisions:
 - 1) Board of Education approved full-time student(s), paying their own tuition and residing full time with parents in their primary residence shall be afforded eligibility. (Transfer students are subject to provisions outlined in Section 3 of this article.)
 - 2) The residence of a student's guardians shall determine eligibility in cases where both parents of a student are deceased. The execution of guardianship papers in situations where one or both parents are living does not by itself make a student eligible.
 - 3) In the event of a divorce or legal separation, whether pending or final, a student's residence at the beginning of the school year shall determine eligibility except in situations involving transfer after the fourth consecutive semester following entry into Grade 9. For the purpose of this rule, attendance at one day of school and/or attendance at one athletic practice shall determine 'beginning of school year.' Under this rule, a student who transfers after the beginning of the school year shall be ineligible at the new school unless approval is granted by the Board of Control in accordance with the transfer and/or waiver provisions as described in Sections 3 and/or 5 of this Article.
 - 4) A student whose tuition is paid by the school within whose attendance boundaries parents reside or by the state and is enrolled in a district approved program may be eligible at either school (first priority to school of residence) but (a) may not participate at both schools in the same year and (b) academic ineligibility accompanies student upon transfer. The Board of Control may waive the requirements of this Section, upon request, for documented reasons of extenuating circumstances.
 - 5) Except in situations involving transfer after a student's fourth consecutive semester, a student whose tuition is paid by the school within whose attendance boundaries parents reside or by the state or who is participating full time in a legislated open enrollment option must meet all statutory timeline requirements. This Section extends the opportunity to decline attendance at the new school and continue at his/her school of residence. If the student begins the school year at the new school and then transfers back to school of residence after attending one or more days of school or one or more athletic practices, he/she shall be subject to transfer provisions as outlined in Section 3 of this Article.
 - 6) A student who has been in attendance in a school district for at least one complete school year prior to reaching Grade 9 and has not broken enrollment during that time is eligible in that school district upon entering Grade 9.
 - 7) Duly enrolled full-time students in special state and county supported schools and in public and nonpublic member residential schools as defined in Article III of the WIAA Constitution are not bound by the residence requirements.
 - 8) Students placed in foster homes, group homes, etc., by area social services agencies are considered the same as students residing with parents.
 - 9) A student may continue being eligible in the same school even though parent(s) and/or student move from within that school's attendance boundaries, provided enrollment is continuous (unbroken in that school).
 - 10) Except in situations involving transfer after a student's fourth consecutive semester, the Board of Education (School District) shall determine school assignment of a student in a district which maintains (a) more than one school of the same grades or (b) a special school so designated by the Board of Education (School District).
- B. Except in situations involving transfer after a student's fourth consecutive semester, a full time student whose residence in a given district and attendance at a member school does not conform with any of the provisions outlined in Section 1-A above shall be eligible for nonvarsity competition only, for one calendar year, unless a waiver is provided as outlined in Section 5 of this Article.

Section 2 – Determining Residence for Nonpublic School Students

- A. A full-time student, whether an adult or not, is eligible for varsity interscholastic competition only if the student is residing full time with parents in their primary residence with these additional provisions:
- 1) In the event of a divorce or legal separation, whether pending or final, a student's residence at the beginning of the school year shall determine eligibility except in situations involving transfer after the fourth consecutive semester following entry into Grade 9. For the purpose of this rule, attendance at one day of school and/or attendance at one athletic practice shall determine 'beginning of school year.' Under this rule, a student who transfers after the beginning of the school year shall be ineligible at the new school unless approval is granted by the Board of Control in accordance with the waiver provisions as described in Section 5 of this Article.
 - 2) Residing full time with guardians shall determine eligibility in cases where both parents of a student are deceased. The execution of guardianship papers in situations where one or both parents are living does not by itself make a student eligible.
 - 3) A student may continue being eligible in the same school even though parent(s) and/or student move from within that school's traditional attendance area, provided enrollment is continuous (unbroken in that school).
 - 4) A student who has been in attendance in a nonpublic, self-contained school (i.e. grades K-12 or 7-12) for at least one complete school year prior to reaching Grade 9 and has not broken enrollment during that time is eligible in that nonpublic school upon entering Grade 9.
 - 5) Students attending member residential schools shall be eligible at the member school provided they reside at the school or reside full time with parents in their primary residence, except in transfer situations occurring mid-year or after the fourth consecutive semester following entry into grade 9.
 - a. Note: Section 2-A.-1) above.
- B. Except in situations involving transfer after a student's fourth consecutive semester, a full time student attending a nonpublic school but not residing in accordance with any of the provisions outlined in Section 2-A above shall be eligible for nonvarsity competition only, for one calendar year, unless a waiver is provided as outlined in Section 5 of this Article.

Section 3 – Transfers

- A. A full time student may be afforded up to eight consecutive semesters of interscholastic eligibility upon entry into Grade 9. Transferring schools at any time may result in restrictions being imposed on eligibility, or in some cases a denial of eligibility. For the purpose of this rule, attendance at one day of school and/or attendance at one athletic practice shall determine 'beginning of school year.' These additional provisions relate to transfer cases:
- 1) A student who transfers from any school into a member school after the sixth consecutive semester following entry into Grade 9 shall be ineligible for competition at any level for one calendar year, but may practice, unless the transfer is made necessary by a total **and complete** change in residence by parent(s). The calendar year (365 days) will be determined from a student's first day of attendance at the new school.
 - 2) Open enrolled and/or tuition paying students entering 9th and/or 10th grade at the beginning of the school year and who are within the first four consecutive semesters of high school will be afforded unrestricted eligibility provided all other rules governing student eligibility are met.
 - 3) Open enrolled and/or tuition paying students entering 11th grade are restricted to nonvarsity for one calendar year.
 - 4) Open enrolled and/or tuition paying students entering 12th grade as transfer students are ineligible to compete at any level for one calendar year, but may practice.
 - 5) 9th grade students who transfer after the beginning of the school year and with written consent from both schools directly involved shall be restricted to nonvarsity opportunities for the remainder of the school year. Restrictions are removed upon entering 10th grade.
 - 6) 10th or 11th grade students who transfer after the beginning of the school year and with written consent from both schools directly involved shall be restricted to nonvarsity opportunities for one calendar year (365 days beginning with first day of attendance at the new school).
 - 7) In the event of divorce or legal separation, whether pending or final, residence at the beginning of the school year shall determine eligibility for students entering 9th and/or 10th grade. In situations involving transfer after the sixth consecutive semester following entry into grade 9 the student is ineligible to compete at any level for one calendar year, but may practice.
 - 8) District policies with respect to intra-district transfer do not supersede WIAA transfer rules in situations involving post-sixth semester transfers. Intra-district transfers occurring after the sixth consecutive semester following entry into grade 9 result in the student being ineligible for competition at any level for one calendar year (365 days beginning with first day of attendance at the new school), but may practice.
 - 9) Unless transfer, including an accompanying **total and complete** change of parents residence, is effective at the outset of a semester, a student cannot establish eligibility at his/her new school until the fifth calendar day of such transfer.
 - 10) If within the first four consecutive semesters following entry into grade 9, a student who transfers more than once in any given school year shall be ineligible for all interscholastic competition for the remainder of that current school year and will be eligible for nonvarsity opportunities only for the balance of one calendar year. In situations involving transfer after the sixth consecutive semester following entry into grade 9 the student is ineligible to compete at any level for one calendar year, but may practice.
 - 11) A student may not have eligibility in more than one member school at the same time. A parent or parents who move from a primary residence within one school's attendance boundaries, to a secondary residence within another school's attendance boundaries, may be required by the Board of Control to provide evidence of a total **and complete** move.

- 12) A student who transfers from any school, whether or not a member school, with a status of ineligibility for disciplinary reasons, academic reasons and/or as a result of another State Association's regulation or sanction, retains such status at his/her new school for the same period as decreed by the former school.
- 13) No eligibility will be granted for a student whose residence within a school's attendance boundaries, with or without parents, or whose attendance at a school has been the result of undue influence (special consideration due to athletic ability or potential) on the part of any person, whether or not connected with the school.

Section 4 – Foreign Exchange Students

- A. This provision applies to students participating in foreign exchange programs. Foreign students attending a member school, but not participating in an exchange program, may receive consideration under Section 5, waivers and/or nonvarsity eligibility in accordance with Section 1B and 2B of this Article.
 - 1) The residence requirement may be waived for one year, upon request, for students involved in foreign exchange programs that have received a 'Full' listing status by the Council on Standards for International Educational Travel (CSIET). For students who are "directly placed" through an exchange program, students who are placed through an exchange program not affiliated with CSIET, or students who will not be in attendance for at least one complete semester from start to finish, eligibility will be limited to nonvarsity competition.

Note 1: The foreign exchange program must assign students to host families by a method that ensures that no student, school or other interested party may influence the assignment for athletic or other purposes. The foreign exchange student may not be selected or placed on any basis related to his/her athletic interests or abilities. Direct placement refers to a pre-existing relationship with a family, school and/or community which affects the student's placement.

Note 2: All foreign students must have a physical conducted in the United States prior to participating in practice or competition.
 - 2) Foreign exchange students who transfer after attending one day of school and/or one athletic practice are ineligible for varsity competition at the new school unless approval is granted by the Board of Control in accordance with the waiver provisions described in Section 5 of this Article.
 - 3) Foreign students attending and residing at member residential schools are exempt from the residence requirements.

Note: Transfer provisions apply identically to all students, both foreign and domestic.

Section 5 – Waivers

- A. The residence and transfer requirement may be waived according to the following provisions:
 - 1) After a student has not participated and/or has been restricted to nonvarsity competition for one calendar year because parents do not live within that school's attendance boundaries, he/she becomes automatically eligible under this Section regardless of parents residence and for as long as enrollment is continuous (uninterrupted) in that school.
 - 2) The residence and transfer requirement may be waived, if requested in advance, by a member school on behalf of one of its students and upon presentation of documentation detailing extenuating circumstances. Such documentation must include communications from (a) parents, (b) person(s) with whom student is living within requesting school's attendance boundaries and (c) school officials within whose attendance boundaries parents reside. Depending upon the nature of extenuating circumstances, eligibility may be limited to nonvarsity competition except in situations involving transfer after a student's fourth consecutive semester following entry into grade 9.
 - 3) In cases associated with Section 1, A, (2) and (4), Section 2, A, (1) and Section 3, A, (1) of this Article, first-time 9th grade students will be permitted one transfer upon appropriate petition to the Board of Control if the student has attended no more than three days of practice and/or has attended no more than three days of school.

Note: Extenuating circumstance is defined as unforeseeable, unavoidable and uncorrectable act, condition or event which result in severe burden and/or involuntary change, that mitigates the rule.

Article III – Age Requirement

Section 1 – Senior High

- A. A student shall be ineligible for interscholastic competition if he/she reaches his/her 19th birthday before August 1 of any given school year.
 - 1) The Board of Control may provide relief from the age requirement due to extenuating circumstances.
 - 2) Under no circumstances may a student begin a sport season once the student has reached his/her 20th birthday.

Section 2 – Verification

- A. A birth or baptismal record or court verdict will establish the age of a student.

Article IV – Amateur Status

Section 1 – Loss of Eligibility

- A. A student shall be an amateur in all recognized sports of this Association in order to compete in any sport, and he/she shall become ineligible for all further participation in the school's interscholastic program for violation of any of the amateur status provisions. The penalty may be reduced upon request of a school on the basis of documented extenuating circumstances, when accompanied by evidence of complete restitution made by the athlete (when applicable).

- B. A student shall be determined to be in violation if he/she:
- 1) Accepts, receives and/or directs to another, reimbursement or award in any form of (a) salary, (b) cash, or (c) share of game or season proceeds, for achievement in athletics.
 - a. Actual and necessary reimbursement for transportation, food, lodging and entry fees paid in connection with playing a contest shall not be regarded as a violation.
 - b. A student may receive :
 - (1) a medal, cup, trophy, or plaque from the sponsoring organization regardless of cost;
 - (2) from schools, mementos not to exceed \$200 in total fair market value. Nonschool organizations desiring to make contributions toward the purchase of a championship ring/memento must make those contributions to the school;
 - (3) any other award for participation in an athletic contest, or for athletic honors or recognition, which does not exceed \$100 in fair market value in the following WIAA recognized sports: baseball, basketball, cross country, football, golf, hockey, soccer, swimming & diving, tennis, track & field, volleyball, and wrestling for boys, and basketball, cross country, golf, gymnastics, hockey, soccer, softball, swimming & diving, tennis, track & field, and volleyball for girls;
 - (4) and retain items of apparel which are worn by nonschool athletic competition as a part of a team uniform provided for and worn by the student during competition. (See Bylaws, Article XI – Awards)
 - c. A school may allow a student to retain items of practice and playing uniforms which, for reasons of hygiene, obsolescence, deterioration, etc., will not be passed on to another student.
 - 2) Signs a contract or agreement for services as a participating athlete.
 - a. A student may be employed (but not self-employed) on a part-time basis as an instructor on the playgrounds, game official, lifeguard, e.g.
 - b. This rule shall not prevent a student from signing (a) an agreement which binds him/her to play only for a particular team or (b) an athletic tender with a university or college.
 - 3) Receives compensation or benefit, directly or indirectly, for the use of name, picture, and/or personal appearance, as an athlete because of ability, potential, and/or performance as an athlete. This includes but is not limited to: receiving free and/or reduced rates on equipment, apparel, camps/clinics/instruction and competitive opportunities that are not identical for any and all interested students.
 - 4) Is identified as an athlete, provides endorsement as an athlete, or appears as an athlete, in the promotion of a commercial/advertisement and/or profit-making event, item, plan or service.

Note: When an athlete has been identified with or without permission and/or awareness resulting in a violation of this rule, the penalty may be reduced once the violation has been rectified.
 - 5) Plays in any contest (school or nonschool) under a name other than his/her own name.

Article V – Attendance and Scholarship

Section 1 – Senior High

- A. A student is eligible for interscholastic competition at a member school if he/she is:
- 1) Carried on the attendance rolls as a duly enrolled full-time student of a public member school for purposes of state equalization aids as a Grade 9, 10, 11, or 12 student in that member school.

Note: A full-time student is a student where the member school is responsible for programming 100% of the student's school day. The student is eligible for like or similar awards, privileges and services as all other students and meets all obligations and responsibilities as other students, without exception.
 - 2) Carried on the attendance rolls as a duly enrolled student of a nonpublic member school as a full-time Grade 9, 10, 11, or 12 student in that member school.
 - 3) A student –
 - a. Is ineligible after attending eight semesters or 12 trimesters while enrolled in Grades 9-12.
 - b. May not participate (practice and/or compete) in a sport in more than four different seasons while in Grades 9-12 or three different seasons while in Grades 10-12.
 - c. May not participate (practice and/or compete) in a sport in more than one season each school year with summer considered an extension of the previous school year.

Note: A student who transfers before the end of a season may not exceed in his/her total participation the individual game or meet limitations of that sport. A student may not participate in the tournament series of a sport for two different schools in the same school year. A student who transfers before the end of a season in a sport sponsored in more than one season may participate in both seasons, but may not exceed in his/her total participation the individual game or meet limitations of that sport.
 - d. Must complete eligibility in the four consecutive years starting with Grade 9 and the three consecutive years starting with Grade 10, unless there are documented extenuating circumstances.

Note: Eligibility which has been extended beyond the four-year (Grades 9-12) or three-year (Grades 10-12) period cannot be delayed until a semester of the student's or school's own choosing.
 - 4) After a student becomes a senior, he/she must conclude eligibility in one academic year through uninterrupted attendance, unless there are documented extenuating circumstances.
 - 5) A semester or trimester of eligibility shall be charged to a student after he/she (a) has been in attendance in that semester or trimester at least 40 days (using school starting date and date of withdrawal of student) or (b) has participated in an interscholastic contest.

- 6) A student is ineligible if he/she has not been enrolled in some school by the 17th day of a semester or trimester, except upon request of a school in special cases involving sickness, accident, military service, social services assignment, etc.
- 7) A freshman student who has not completed all work below Grade 9 may be eligible only if he/she is meeting the academic standard in Grade 9 classes in addition to Grade 8 make-up courses.
- 8) A student is ineligible if he/she has graduated from a school offering studies through Grade 12 or its equivalent.
- 9) A student who graduated in May or June retains eligibility for (a) any portion of a spring athletic schedule not completed by the end of the academic year and (b) the school's summer athletic schedule.
- 10) A Grade 9 student attending a school of students in Grade 9 or under is eligible only at the senior high school which he/she will be attending the following year.

Section 2 – Academic Eligibility

- A. A student must meet school and DPI requirements defining a full-time student and have received no more than one failing grade (including incompletes) in the most recent (school issued) grade-reporting period.

A senior who has acquired all necessary credits toward graduation is not exempt from this rule.

- 1) A student who becomes academically ineligible may regain eligibility on the 16th scheduled school day by meeting the academic standard, following a period of 15 scheduled school days and nights of ineligibility.
- 2) A student regains eligibility immediately if incompletes are made up within two weeks after a grade-reporting period.
- 3) A student may erase ineligibility status related to the last grade-reporting period of the school year through summer school courses (including correspondence courses) at the same or some other school, provided:
 - a. The student successfully completes not less than the same number of courses which caused ineligibility.

Note: This section does not apply to summer baseball participants who are governed under 7)-b. below.

- 4) A student who is ineligible for a minimum of 15 scheduled school days, under the provisions of this Section, may not return to competition until the school day following the 15-day ineligibility period.
- 5) A student who is enrolled in some courses in a university/college or technical college or some similar institution:
 - a. Must receive high school credit which meets the academic standard or have a notation made on his/her high school transcript that he/she successfully met the equivalent of the academic standard between the two schools involved.

Note: A student who has been assigned to a technical college by the school district is exempt from the provision requiring physical attendance at least one course each day, provided such a student continues being carried on the attendance rolls for purposes of state aids.

- 6) A student who is enrolled in any state-approved EEN program and receives no usual grades for such courses may be eligible if he/she is making satisfactory progress in his/her total school program as indicated by his/her IEP.
- 7) The ineligibility status described in the introduction to this Section (A) will be adjusted as follows for students in fall sports in which the date of earliest allowed competition is before the first day students are in class and for students in summer baseball:
 - a. Fall Sports – The minimum ineligibility period shall be the lesser of (1) 21 consecutive calendar days beginning with the date of earliest allowed competition in a sport or (2) one-third of the maximum number of games/meets allowed in a sport (rounded up if one-third results in a fraction).
 - b. Summer Baseball – The ineligibility period shall be a minimum of three weeks (21 consecutive calendar days) as of the end of the second semester.
- 8) A school because of computer printout of grades being delayed may use a prearranged date other than the last day of a grade-reporting period to determine eligibility, provided (a) all other provisions of this Section (A) are followed and (b) the procedure developed is the same for all students, all grade-reporting periods, and all sports.

A student ineligible by a school's academic standards more stringent than those herein stated is ineligible as indicated in this Section, unless the school has adopted some other ineligibility provision.

Article VI – Nonschool Participation

Section 1 – In-Season

- A. It is the philosophy of this Association that a student owes loyalty and allegiance to the school and team of which he/she is a member during the season of a given sport. Athletes may compete in not more than two nonschool competitions with school approval during each regular sport season. The contest(s) will not count against the individual maximum for the athlete in that sport. Nonschool competition will not be allowed during the respective WIAA tournament series in a sport. A student

becomes ineligible in a sport for the remainder of the season for competing in more than two nonschool games, meets, or contests in the same sport during the season of practice and competition established by the school. The penalty may be reduced upon request of a school on the basis of documented extenuating circumstances.

Note: With the approval of school administration, a student may be allowed to participate as an individual (not part of a team) in contests which isolate separate sport skills outside the traditional competition setting, e.g., shooting, passing, kicking contests. Such skill contests/events may not include physical contact with another participant or contain similar risks for serious injury or extreme fatigue as the actual sport competition. There can be no school coach involvement. The approval of the school may be granted on the basis that such participation will not impair or alter the student's eligibility (ie: Amateur status) or other membership rules.

- 1) Nonschool games, meets, or contests shall be interpreted to include (a) all games, meets, or contests outside the control of the school and (b) any games, meets, or contests within a school (other than official interscholastic athletic program) involving another school or a nonschool organization.
- 2) A student who was a member of a school team in a given sport during the previous year may not delay reporting for the school team beyond the school's official opening day of practice in order to continue nonschool training or competition, except in the fall-sponsored sports of cross country, tennis, golf, and swimming, provided the delay does not extend beyond the first interscholastic meet.
- 3) A student who is cut from the squad, during the regular season (not including WIAA tournaments) for reasons of skill, is exempt from this rule if there is an opportunity to rejoin the team later in the same regular season. A student suspended from the team, for the remainder of the season for reasons of discipline or academic problems, is exempt from this rule. A student suspended from the team for a portion of the season is not exempt from this rule.

B. National Teams and Olympic Development Programs for Team and Individual Sport Athletes

- 1) During the school year, students who participate for their school in a sport may participate through training, tryout or competition on a National Team or in a United States Olympic Development Program provided the student receives an individual invitation from either the United States National Governing Body (NGB) on the national level for that sport or from the United States Olympic Committee:

- a. **National Team Definition:** A national team is a team selected by the National Governing Body (NGB) of the sport on a national qualification basis either through a defined selective process or actual tryouts for the purpose of international competition which requires the entries to officially represent the respective nations, although it is not necessary there be team scoring by nation. Participation by high school students on bona fide national teams that represent the United States may be permitted.
- b. **Olympic Development Program Definition:** An Olympic Development Program (ODP) is defined as a training program or competition that is conducted or sponsored by the United States Olympic Committee, or directly funded and conducted by the United States Olympic committee member National Governing Body (NGB) on the national level, or specifically authorized by a national governing body involving only athletes previously identified by the NGB as having potential for future participation at the regional national, or international competition in that sport.

Official National Governing Bodies

Baseball	USA Baseball	Soccer	U.S. Soccer Federation
Basketball	USA Basketball	Softball	Amateur Softball Association
Diving	USA Diving	Swimming	USA Swimming
Football	USA Football	Tennis	U.S. Tennis Association
Golf	U.S. Golf Association	Track and Field	USA Track & Field
Gymnastics	USA Gymnastics	Volleyball	USA Volleyball
Ice Hockey	USA Hockey	Wrestling	USA Wrestling

- c. **Special Olympic Definition:** Special Olympics provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities.
- d. Waivers may be provided:
 - (1) The national team or development program meets the above definition.
 - (2) The student makes application to the high school principal or designee.
 - (3) The member school requests a waiver.

Section 2 – Out-of-Season

- A. It is the philosophy of this Association that athletes should not be unreasonably restricted, except during the actual school season of a sport. Subsequently, students may voluntarily assemble at any time without school and/or school coach involvement.
- B. With school consent, in the summertime, members of a school's team may voluntarily assemble with their teammates and coaches for purposes of instruction and/or competition for up to 5 days (do not need to be consecutive) in all WIAA sports sponsored by the school, without restriction.

Note: Whether an opportunity is school sponsored or not, coach contact outside the actual school season may not exceed Board of Control approved contact days.

- C. Other than during the actual school season and those days designated as unrestricted coach contact days in the summertime, the following provisions shall apply to nonschool participation in accordance with Section 2A above:
- 1) An acceptable nonschool program or activity is one which is not limited to students on the basis of a school affiliation, athletic experience, team status, etc. and no school monies or resources can be applied.
 - 2) The person who will be coaching a student in the following school season shall not be permitted to coach that student other than during the designated school season and Board of Control approved coach contact days in the summertime. Board of Control approved summertime coach contact is as follows:
 - a. Unrestricted School Coaching Contact - Coaches in all WIAA recognized sports (baseball, cross country, football, golf, gymnastics, softball, swimming & diving, tennis, track & field, volleyball, soccer, basketball, hockey and wrestling) have been afforded up to 5 days of unrestricted school coaching contact between the end of school and July 31, in accordance with the Bylaws and as described in item B of this section. The five days do not need to be consecutive.
 - (1) There must be a minimum of one calendar week (Sun.-Sat.) of no unrestricted school coaching contact prior to (i.e. the week immediately preceding) the first allowed practice in a fall sport. This does not affect unlimited nonschool coaching contact.
 - (2) Football must follow the WIAA Fall Acclimatization policy.
 - b. Unlimited Nonschool Coaching Contact – Coaches in all sports except football have been afforded unlimited nonschool coaching contact beyond the five unrestricted days that is permitted to continue throughout the summertime (when school is not in session from the last day of school to the start of school) in accordance with the Bylaws and as described in Section 2 – A and C-1) of this section.
 - c. This provision shall not prevent a coach from having supervisory responsibilities outside the designated season of a sport. Supervisory involvement, however, does not include situations like club team coaching (such as swimming & diving, except in summer), driving (or accompanying) student to competition or training (clinics, camps, etc.), conducting drills, throwing batting practice, running through plays, demonstrating techniques, or any other activity which could be regarded as coaching or instructing.
 - d. Coaches are allowed to recreate along with students in school sponsored open gyms which are purely recreational in nature.
 - e. Coaches are allowed to use some or all of their athletes, as clinicians, when conducting a clinic for youngsters who have just completed 8th grade on down. This may be done for a maximum of six days, during the summer (when school is not in session), and must conclude no later than July 31.
 Note: There must be a minimum of one calendar week (Sun.-Sat.) of no unrestricted school coaching contact prior to (i.e. the week immediately preceding) the first allowed practice in a fall sport. This does not affect unlimited nonschool coaching contact.
 - f. A member school is permitted to supervise conditioning programs under the open gym provisions, which may include weight lifting, speed, agility, fitness. The program must be limited to non-sport and non-sport-skill-specific instruction. Basic 'instruction' e.g., safe lifting, safe spotting, training regimen and rationale, are permitted. No sport implements and/or sport specific movement/drills should be part of the open weight room. These conditioning programs must be made known and accessible to all interested students and must be voluntary.
 - 3) With approval of its governing body, a school may issue its own equipment, uniforms and other apparel for use by athletes in training or nonschool competition in the summertime, at its own discretion.
 Note: For school protective equipment, uniforms and other apparel, summertime shall be from the Friday before Memorial Day to the first day of school. Reminder: Coaching contact is not allowed prior to the last day of school. (See Bylaws, Article III – School Equipment)
 - 4) It is not permissible for any person or organization, except the student or parents, to pay for the entire cost or fee of any kind of nonschool activity involving specialized training or similar instruction. Schools are reminded that free and/or reduced rate opportunities afforded to select individuals can impact on amateur status.
 Note: This provision shall not prevent a school from covering the costs of team participation in a clinic or similar activity during the season of a sport and/or unrestricted summer contact days.
 - 5) A student must discontinue summertime participation in nonschool competition prior to the first day of the school's official opening day of practice in the same sport.
 Note: See exception in Section 1-A-2) of this Article.

Section 3 – All-Star Activities

- A. It is the philosophy of this Association that all-star games and similar activity do not serve the best interests of high school students, because of overemphasis, exploitation, selection procedure, and/or other factors.
- B. A student becomes ineligible in a sport for a maximum of one year from date of last offense for participating in an all-star game or similar activity.
 - 1) An all-star team consists of students chosen on the basis of individual accomplishment or reputation from two or more existing or recently-existing teams. An all-star game is one played between two teams, either of which consists of selected students of two or more existing or recently-existing teams.
 Note: In individual sports, participation by invitation and with no team affiliation would be exempt from this rule.
 - 2) Activities within the confines of each member school do not come under the limitations of the all-star rule.
 - 3) Activities during the summertime within the confines of an established league or program, such as an interdivisional contest or a team picked to represent a given league in additional competition, are exempt from this rule.

- 4) A senior who violates this rule forfeits all remaining high school eligibility in the same specific sport as the all-star event, with the following exception:
 - a. Summer baseball players after the spring baseball tournament series, are exempt from all provisions of this Section as it pertains to the official coaches all-star competition, provided such all-star competition lasts no more than two consecutive calendar days.
- 5) International competition or cultural exchange programs, which are in conflict with this rule, may be approved by the Board of Control.

Article VII – Health and Behavior/Compliance

Section 1 – Required Documentation

- A. A student may not practice for or participate in interscholastic athletics until the school has written evidence on file in its office attesting to:
 - 1) Parental permission each school year including an acknowledgement of receiving the school athletic code,
 - 2) Acknowledgement of receiving the WIAA Rules of Eligibility,
 - 3) Athletic Emergency Form
 - 4) Current physical fitness to participate in sports.

Section 2 – Physical Examination

- A. A preparticipation physical fitness form attesting to current physical fitness to participate in sports as determined by a licensed physician, Physician’s Assistant (PA) or Advanced Practice Nurse Prescriber (APNP) no less than every other school year with April 1 the earliest date of examination. School policy determines when an athlete may return to competition following an injury, except where rule book or WIAA tournament policies apply.
- B. Physical examination taken April 1 and thereafter is valid for the following two school years; physical examination taken before April 1 is valid only for remainder of that school year and following school year.
Note: It is recommended that a student also have dental fitness attested by a licensed dentist.

Section 3 – Code of Conduct

- A. A school shall have a code of conduct for its athletes, and it is strongly recommended that the code (a) designate the period of time involved in a suspension in advance of the school year and (b) be developed with the involvement of students, coaches, and administration and adopted by the Board of Education or recognized governing body.
- B. The WIAA is against the use of anabolic-androgenic steroids and other performance enhancing substances (PES). Member schools shall devote time each year to positive programs which highlight prevention and education of the risks, benefits and adverse effects of PES. Coaches, teachers, sports medicine staff and school administrators who ignore or encourage the use of PES, provide and/or sell PES to athletes (including indirect distribution through a third party) shall be subject to their own school’s provisions regarding discipline.
- C. A student is required to follow the school’s code of conduct on a year-round (12 month) basis.
 - 1) In-season violations of the school code will result in immediate suspension of the student from interscholastic competition for no less than one day of competition (but not less than one complete game or meet) for acts involving (a) possession and/or use of alcohol, (b) possession and/or use of tobacco, including chewing tobacco and/or (c) use, possession, buying, or selling of controlled substances, street drugs and performance enhancing substances (PES).
Note 1: When the suspension results in a fraction of a game, the number shall be rounded up to the next whole number of games (i.e. 2.1 or 2.8 games equals 3 games).
Note 2: This is a minimum penalty and may not be reduced by any other provision of the school code.
Note 3: Any portion of the suspension not completed during the current season will carry over to the next sport or sport season.
Note 4: Victims of sexual assault and bystanders who report a sexual assault, request emergency assistance, cooperate with and assist law enforcement, and stay on the scene or who encounter law enforcement at a medical facility at which the victim is being treated cannot be issued a code of conduct violation. The victim or bystanders must meet the State Amnesty Law Requirements. The victim may not falsely claim amnesty knowing that the situation that he or she reports does not exist.
 - 2) The member school will determine minimum penalties for violation of any other provisions of its code of conduct, including all out-of-season offenses.
 - 3) The member school will determine minimum penalties for any other unacceptable conduct contrary to the ideals, principles, and standards of the school and this Association, including but not limited to criminal behavior.
Note: The school must provide an opportunity for the student to be heard prior to any penalty being enforced. If a student appeals a suspension, according to the school’s appeal procedure, the student is ineligible during the appeal process.
- D. The minimum penalty for acts outlined above in Section 3-C (1 through 3) which results in a student being suspended for any portion of WIAA tournament competitions, is immediate disqualification of the student for the remainder of the total tournament series in that sport.
- E. Athletes who are ineligible during the WIAA Tournament (for any reason) may not appear in uniform, participate in warm-ups, and may not participate in the awards ceremony at the WIAA Tournament.
Exception: An injured athlete will be allowed to participate in the awards ceremony provided he/she is included in the roster allotment for that game.
- F. A student who transfers from any school, whether or not a member school, with a status of ineligibility for disciplinary reasons and/or as a result of another State Association regulation or sanction retains such status at his/her new school for the same period as decreed by the former school.

Section 4 – Flagrant or Unsportsmanlike Conduct and/or Assault on an Official

- A. A student, disqualified from a contest for flagrant or unsportsmanlike conduct, is suspended from interscholastic competition for no less than the next competitive event (but not less than one complete game or meet).
Note: The penalty shall be served in the sport in which the offense occurred. If that sport season is completed, then it shall be served in the next sport or sport season.
- B. Any player who in the judgment of the official, intentionally spits on, strikes, slaps, kicks, pushes or aggressively physically contacts an official at any time shall be immediately ineligible for competition a minimum of 90 calendar days from the date of the confrontation. In addition, the player is ineligible to compete for the first 25% of the next season in that same sport.

Appendices

Note: the following appendices reflect WIAA Board of Control guidelines, interpretations, and policies. They are not to be confused with the WIAA membership's Constitution, Bylaws, and Rules of Eligibility.

WIAA Appeal Process

A. Aggrieved Parties May Appeal Decision

If an administrator or board of education of a member school, a student or parent/guardian or a game official is dissatisfied with a decision or with a ruling or interpretation of the Executive Director relative to the provisions of the Constitution, Bylaws, Rules of Eligibility, or Guide for Officials, and such administrator, board of education, student or parent/guardian or game official is an aggrieved and affected party, such party may within 15 days of receipt of the decision submit to the WIAA, a notice of appeal of the decision and a request for a formal hearing before the Board of Control.

Any aggrieved parties appealing a decision or a ruling or interpretation of the Executive Director relative to the provisions of the Constitution, Bylaws, Rules of Eligibility or Guide for Officials must cite the provision of the Constitution, The Bylaws, The Rules of Eligibility, or Guide for Officials allegedly violated and must state the waiver sought or the relief desired.

B. Application/Status

The WIAA Appeals Procedures do not apply to the Executive Director's rulings, interpretations or decisions relating to sports regulations, National Federation rules or regulations, WIAA adopted National Federation rules or regulations as amended or any other determinations not specifically set forth in paragraph A above. The decision of the Executive Director and any penalty or penalties imposed shall remain in effect until such time as a contrary decision is made by the Board of Control pursuant to the procedures set forth herein. If there is an event or competition which is scheduled to take place prior to the time a determination is made by the Board of Control, the Executive Director's decision will remain in effect until such time as a determination is made by the Board of Control.

C. Notice

The Executive Director shall notify the appealing party, of the time and place set for a hearing on the appeal. The hearing shall be conducted in conjunction with a regularly scheduled meeting of the Board, or the matter may be heard at a special meeting of the Board at the discretion of the Board.

D. Attendance at the Hearing

Member school administrators, boards of education, students or parents/guardian or game officials who are appealing parties are entitled to attend hearings. In the instance of a student submitting the appeal, such student may be represented by the member school attended. Any person entitled to be in attendance at such hearing may represent themselves. Such persons are also entitled to be represented by counsel.

E. Board of Control to Hear Appeals

The Board of Control of the Association shall hear and decide all appeals brought under the provision of these rules. The President of the Board of Control may appoint a hearing officer to preside over the hearing or may act as the hearing officer. The hearing officer may, at the beginning of the hearing, ask for statements clarifying the issues involved or factual matters to which the appealing party will stipulate and agree. The appealing party shall present its defense and proofs. The parties may offer such evidence, including the testimony of witnesses, as they desire and which shall be relevant to the proceedings. Each party shall have the right to cross examine witnesses of the adverse party. All parties shall be afforded the opportunity to examine all documents introduced.

F. Closing of Hearing

The hearing officer shall specifically inquire of all parties whether they have further evidence. Upon receiving negative replies, the hearing officer shall declare the hearing closed.

G. Hearing in Absence of any Party

The hearing may proceed in the absence of any party who, after it is shown has received due notice thereof, fails to be present or fails to request an adjournment. A majority of the members shall constitute a quorum for any meeting. Adjournments may be considered by the hearing officer upon the request of a party or upon the initiative of the hearing officer. However, a decision shall not be made solely upon the default of a party, but shall be based upon the evidence in the matter before the Board.

H. Decision of the Board

The decision of the Board of Control shall be made by a majority of the voting members at the hearing no later than the next regularly scheduled meeting following the hearing. The decision shall be in writing, signed by the Board of Control President or Executive Director, and shall state the conclusions of the Board. It shall be mailed to the appealing party. All decisions of the Board shall be final and nonappealable except as provided by these rules.

Conference Alignment

(Board of Control Guidelines and Philosophy)

The Board of Control's authority in conference alignment is outlined in the Constitution of the WIAA under Article VI-Powers and Duties of the Board of Control, Section 10, as follows:

The Board of Control has the authority to take action to bring about a reasonable conference affiliation and relationship for member high schools. Reasonable conference affiliation and relationship with member high schools may include total movement of member schools, sport specific relief, and/or scheduling assistance.

Note: It is not the intent to make wholesale changes in existing conference lines. It should be understood, however, that there could be shake-ups in areas where conference affiliation problems are particularly acute, and it may not be realistic to find a solution for every member school.

For inclusion in a conference, any member high school, either through co-op application or by singular sponsorship, must offer one sport for boys and one sport for girls in the fall, winter, and spring. Schools that are not coeducational must adhere to a similar single-gender requirement.

POSITION ON ALIGNMENT

The Board of Control at its February, 1978, meeting adopted the following statement (editorially updated since that time) as its position on conference alignment:

WHEREAS, the WIAA has been delegated the authority to establish conference alignment within its member schools, and

WHEREAS, conference alignment creates an emotional issue with citizens, school boards and school personnel, and total agreement of those schools involved seems largely unattainable, and

WHEREAS, the Board of Control desires to establish a procedure to accomplish realignment where necessary and yet provide for input from those directly involved, afford due process to the affected school and provide for final determination of issues.

NOW, THEREFORE, the Board of Control establishes this procedure to be followed in realignment matters:

1. The Executive Director, or a delegate, is responsible for identifying conference alignments that merit consideration for adjustment. This identification will be determined following a petition from a conference or conferences, a request by a designee of a Board of Education or Governing Body of member school, or by declaration of the WIAA staff annually at the Area Meetings.

2. Working meeting(s) may be made available when requested with administrators and/or Board of Education/Governing Body members of any of the schools potentially affected by changes in conference affiliation. Member schools are expected to send representatives with full knowledge of the impact of conference realignment and with the full authority to respond on the school's behalf. Discussions will include, but not be limited to enrollments, travel and programs. After completing the working meetings, a preliminary recommendation will be formulated.

3. The preliminary recommendation(s) shall be made known to the affected schools and conferences before the Board of Control's first consideration. The Board retains the right to alter the preliminary recommendation after first consideration. If the preliminary recommendation is altered, first consideration action will be delayed until the next scheduled Board of Control meeting.

4. Following Board of Control first consideration and resultant action on the preliminary recommendation, all affected schools and conferences shall be notified of the action. Any affected school or conference may petition for a hearing. The petition must be made within 40-days of the Board of Control action following first consideration. The hearing shall be held no later than the first regular Board of Control meeting after the 40-day petition deadline has expired.

5. All affected schools and conferences will be notified of the hearing date, time and location. The Board shall reserve the right to establish time limits on appearances by each school or conference. Testimony may be in written or verbal form. The Board of Control can accept or reject the initial action. Final Board of Control action will be taken no later than the regular meeting in the month following the hearing.

BE IT RESOLVED, that the Board of Control of the WIAA adopts the following criteria to be applied in considering realignment proposals, listed in descending order of importance with the recognition that they are guidelines only, not each will be followed in every case:

1. There is no fixed number of schools required in a conference; the number may vary depending on many factors relating to others of these guidelines and availability of schools.
2. Distances to be traveled by competing schools shall be kept reasonable, and it is recognized greater distances may be required.
3. Size of enrollment of schools shall be considered and guidelines previously established by the Board of Control shall be used but shall not be absolute in any situations.
4. Comparability of athletic participation first, then comparability of other school sponsored activities shall be considered.
5. Traditional rivalries shall be considered.

The Board of Control at its February, 1988, meeting made these provisions (editorially updated since that time) part of the official position on conference alignment:

1. WIAA schools must assume an "ownership" of conference alignment problems if solutions are to be found.
2. The Board of Control will play the role of an appeals body in all future alignment transactions.
3. Alignment changes will be reviewed as necessary at the request of member schools. The annual area meetings will serve as a way for schools to voice their concerns.
4. Inasmuch as schools desire tournament competition on a divisional basis, membership in a conference will attempt to follow the same idea. Efforts will be made to eliminate situations in which a conference contains schools from more than two divisions.
5. Odd-numbered conferences are workable as long as there are other odd-numbered conferences in the immediate area to take care of bye dates, particularly in football.

Authority of Contest Manager

The Constitution reference for this section, Authority of Contest Manager, is Article X – Game Control on Page 29 of this HANDBOOK.

Guidelines

It is necessary that a school designate a contest manager for every contest it hosts. This applies to all sports and all levels of competition. It is also important it be understood that the coach will automatically serve as the contest manager if no one else is so identified. The individual that will serve as contest manager should introduce himself/herself to the contest officials prior to the contest.

These guidelines are limited to the authority of a contest manager as it relates to whether or not:

- A. A contest shall begin after all participants have arrived.
- B. A contest should continue after it has started.

In both cases, the manager will be concerned only with playing conditions, i.e., weather, facilities, equipment, and/or crowd control.

A. Unless otherwise indicated in the rule book of the sport involved, the contest manager's authority exists from the time participating teams arrive up to the actual start of the contest.

B. The contest manager's authority is limited once the contest begins. He/she may, at an appropriate time, consult with game officials to indicate concern about safety of the participants as it relates to weather, facilities, equipment, and/or crowd control. The manager is not to interject concerns regarding such things as rough play, score differential, judgment calls, or quality of officiating. Only the contest officials have the authority to terminate a contest once it has begun.

C. If because of conduct the contest is to be rescheduled on a different day, the WIAA office should be involved in that decision.

Note: If the contest is to be resumed, proper note must be made of all pertinent details; for example, in a football game – yard line, down, yards-to-go, time, unsportsmanlike penalties, etc. Documentation of these details should be made in the form of a signed agreement by representatives of all schools involved.

When a Coach is Contest Manager

All the above provisions apply. The coach, prior to and following the contest, must act in a capacity of contest manager as well as coach. During the contest, he/she may, in addition to serving as coach, be called upon to take action as a contest manager as provided in B. above.

Reporting System

When a contest is not allowed to start after teams have arrived or is interrupted because of poor conduct on the part of spectators, contestants, and/or coaches, a letter of explanation must be sent to the WIAA office, by the contest manager and the contest officials, providing:

- A. Details regarding the incident.
- B. Plans, if any, for rescheduling or resuming the contest.

Note: It is recognized that no single guideline or statement can be all inclusive. Contest managers are expected to take any action they feel necessary as they administer their duties.

Blood-Borne Pathogens Outline of Responsibilities and Procedures

- I. Through OSHA/DILHR/DPI each school is required to have an exposure control plan that includes:
 - A. Training of total staff.
 - B. Protection of staff.
 - C. Protection of students.
 - 1. Have trained person available.
 - 2. Be prepared to handle bleeding situations.
 - 3. Get student safely back into school programs.
- II. Officials determine who must leave contest by enforcement of national rule
 - A. Because of bleeding and/or open wound.
 - B. Because of excessive blood on uniform.
- III. School personnel handles blood-related situations in accordance with OSHA/DILHR/DPI regulations.

Concussion Information - When in Doubt, Sit Them Out!

1. Before a student may participate in practice or competition: At the beginning of a school year for a youth athletic activity, the person operating the youth athletic activity shall distribute a concussion and head injury information sheet to each person who wishes to participate in that youth athletic activity. No person may participate in a youth athletic activity unless the person returns the information sheet signed by the person and, if he or she is under the age of 19, by his or her parent or guardian. At the beginning of a season for a youth athletic activity, a concussion and head injury information sheet shall be distributed to each person who will be coaching that youth athletic activity.
2. An athletic coach, or official involved in a youth athletic activity, or health care provider shall remove a person from the youth athletic activity if the coach, official, or health care provider determines that the person exhibits signs, symptoms, or behavior consistent with a concussion or head injury or the coach, official, or health care provider suspects the person has sustained a concussion or head injury.
3. A person who has been removed from a youth athletic activity may not participate in a youth athletic activity until he or she is evaluated by a health care provider and receives a written clearance to participate in the activity from the health care provider. No athlete shall return to play or practice on the same day of being diagnosed with a concussion or rendered unconscious.

These are some SIGNS of concussion (what others can see in an injured athlete):

- Dazed or stunned appearance
- Change in the level of consciousness or awareness
- Confused about assignment
- Forgets plays
- Unsure of score, game, opponent
- Clumsy
- Answers more slowly than usual
- Shows behavior changes
- Loss of consciousness
- Asks repetitive questions or memory concerns

These are some of the more common SYMPTOMS of concussion (what an injured athlete feels):

- Headache
- Nausea
- Dizzy or unsteady
- Sensitive to light or noise
- Feeling mentally foggy
- Problems with concentration and memory
- Confused
- Slow

Injured athletes can exhibit many or just a few of the signs and/or symptoms of concussion. However, if a player exhibits any signs or symptoms of concussion, the responsibility is simple: remove them from participation. “When in doubt sit them out.”

It is important to notify a parent or guardian when an athlete is thought to have a concussion. Any athlete with a concussion must be seen by an appropriate health care provider before returning to practice (including weight lifting) or competition.

RETURN TO PLAY

Current recommendations are for a stepwise return to play program. In order to resume activity, the athlete must be symptom free and off any pain control or headache medications. The athlete should be carrying a full academic load without any significant accommodations. Finally, the athlete must have clearance from an appropriate health care provider.

The program described below is a guideline for returning concussed athletes when they are symptom free. Athletes with multiple concussions and athletes with prolonged symptoms often require a very different return to activity program and should be managed by a physician that has experience in treating concussion.

The following program allows for one step per 24 hours. The program allows for a gradual increase in heart rate/physical exertion, coordination, and then allows contact. If symptoms return, the athlete should stop activity and notify their healthcare provider before progressing to the next level.

- STEP ONE: About 15 minutes of light exercise: stationary biking or jogging
- STEP TWO: More strenuous running and sprinting in the gym or field without equipment
- STEP THREE: Begin non-contact drills in full uniform. May also resume weight lifting
- STEP FOUR: Full practice with contact
- STEP FIVE: Full game clearance

Spectator/Crowd Conduct Policies

The pursuit of good sportsmanship is a priority of the WIAA and its member schools. Coaches, administrators, athletes, cheerleaders, support groups and fans are expected to display good sportsmanship at all regular season and tournament contests. The WIAA Board of Control has established the following guidelines for certain matters during WIAA tournament competition. Schools are encouraged to have policies that promote good sportsmanship on a local and conference level for regular-season events. Schools are reminded that they may be requested to submit a written report to the WIAA if problems with conduct occur during a game or meet as specified in the WIAA Bylaws (Article IX, Game Control).

The manager of each tournament site will be expected to notify the WIAA office by telephone no later than the following school day of any serious problem or situation in the area of spectator control, crowd sportsmanship, etc. Managers should contact each competing school if host school policies are more restrictive than WIAA policies listed in this section.

WIAA Tournament Policies

Note: The WIAA membership-sponsored tournaments are the collective property of the Association and not of any individual member. The Association reserves the right to promote and advance the membership's interests with publication information; exclusive arrangements to create recognition and exposure for school-sponsored activities; restrictive policies prohibiting exploitation and commercialization of membership-sponsored tournaments; appropriate proprietary interests; and the use of images or transmissions identifying students, administrative personnel and member school marks.

Locker Room

State Law (175.22) prohibits use of cell phones (and other image-recording devices) in locker rooms except in emergency situations.

Use of Public Address System

At all WIAA tournament sites, the public address system is only to be used for announcements necessary for the administration of the contest.

Sportsmanship Announcement

The following announcement is required to be read prior to player introductions of Tournament Series contests.

“ *(Insert School Name)* , *(Insert School Name)* , and the WIAA require good sportsmanship at education-based sporting events. Attendance at interscholastic activities is a privilege with the expectation to exhibit positive and respectful behavior. For the enjoyment and respect of all in attendance, your cooperation in demonstrating the high ideals of sportsmanship is expected and greatly appreciated.”

Protocol for Presentation of Colors and National Anthem

Respect the American flag and National Anthem. For additional information and protocol for the flag and anthem, please visit these websites for details: www.legion.org/national/americanflag/flagcode and www.law.cornell.edu/uscode/36/301.html. The following script may be used as an introduction to the National Anthem.

“To honor America and those defending our freedom, we ask those who are able, to stand, remove your hats, and place your hand over your heart for the playing/singing of our National Anthem.”

Bands

Participating schools will be allowed to bring their band and/or have a support group perform at halftime. Bands will be permitted to play only before and after competition, during time-outs and between periods when not in conflict with other scheduled events. Bands must receive permission from tournament managers prior to using amplifying devices.

Spectators may not bring audio and related radio equipment into facilities hosting games or meets.

Recorded Music

All audible music used before, during and following a contest must be reviewed and have school administration approval. Lyrics may not be lewd, offensive or profane and must be appropriate for an educational setting. Recorded music is allowed before and after contests, during warm-ups, between periods or during time-outs. It is not allowed during playing action or brief pauses during playing action (between pitches, plays, assessing penalties/fouls/infractions).

Nonschool facilities such as hockey rinks should be advised about the restrictions on recorded music in advance. It is understood that State events may have separate and/or different restrictions on noisemakers and recorded music.

Banners and Signs

For indoor events, temporary banners are allowed, with some restrictions. Banners and signs must be hand held and stationary. These banners may NOT have offensive language, be used to disrupt players or officials, interfere with spectators' view, used in an inappropriate manner or be carried around the facility during an event. Banners may not be hung from balconies, ceilings, etc. Permanent banners of the host school are allowed, such as those hanging in a gymnasium depicting conference schools, sportsmanship themes or with welcoming messages. At outdoor tournament events, banners may be displayed and/or hung with the approval of the tournament manager.

Shakers and pennants for spectators, cheerleaders and pom pon squads are allowed, even if attached to wooden/plastic sticks. "Homer hankies," towels, "hands" with "No. 1 fingers" are permitted, but are subject to the following restrictions: (a) They may contain no printing except school name, team nickname and/or school mascot; (b) Tournament and meet managers have the authority to prohibit items if they are deemed to cause crowd control problems.

Dress

All spectators are required to dress appropriately.

Noisemakers

Air horns, vuvuzela horns, whistles and devices that simulate gunfire are not allowed (canons, cap pistols, etc.). The WIAA Tournament Series policy on noisemakers is in accordance with NFHS rules. Please refer to NFHS sport Rule Books for sport regulations on noisemakers. Tournament and meet managers have the authority to prohibit noisemakers if they are deemed to cause crowd control problems.

Laser Pens

Laser pens are prohibited at all WIAA regular season and tournament contests. Violators shall be removed from the contest and laser pen(s) confiscated.

Photo/Video/Audio

Any non-editorial, commercial or other unauthorized use of any transmission, internet stream, photo, image, film, videotape, audio tape, play-by-play depiction or description of any competition and/or game action; and/or any non-editorial or commercial use of any team school name or logo is strictly prohibited without written consent of the WIAA.

A license to commercialize on the sale of images captured or transmissions originated at WIAA regional and sectional tournament events, or levels 1-4 for football, may be purchased and granted through the WIAA executive office. Commercialization and/or sale of images taken or transmissions originated at the WIAA State Tournaments is strictly prohibited without written consent of the WIAA.

Spectators are permitted to take photos for personal, non-commercial purposes and to record audio and/or video for personal, non-commercial and/or non-transmittable purposes.

Spectators attending WIAA State Tournament events may also be subject to restrictions on the electronic devices, sizes of cameras and/or camera lenses according to venue policies.

School Video Taping/Photographers

Spectators are allowed to use hand held "camcorders" from their seats. Tripods and power cables are not allowed. Tournament managers may designate areas from which school photographers may videotape if space is available. Any commercial use of video is prohibited without written consent of the WIAA Executive Staff.

Cheerleading Guidelines

Shakers and pennants for spectators, cheerleaders and pom pon squads are allowed, even if attached to wooden/plastic sticks. "Homer hankies", towels, and "hands" with "No. 1 fingers" are permitted, but are subject to the following restrictions: (a) They may contain no printing except school name, team nickname and/or school mascot; (b) Tournament and meet managers have the authority to prohibit them if they cause crowd control problems.

Only organized and authorized cheerleaders will be permitted to lead their cheering sections. No maximum number of cheerleaders is designated but the number should not exceed a reasonable total. Schools will be prohibited from using cheers which, in the judgment of the tournament manager, ridicule or taunt an opponent or are otherwise in bad taste. Mascots which are offensive in nature and appearance are not allowed and will be asked to leave at the discretion of the tournament manager.

Each school through its administrator is responsible for the nature of cheers. Cheerleaders can be helpful for the purpose of assisting in efforts to promote good crowd behavior. Cheerleaders and others (including spectators) may not engage in such activities as dunking the basketball, dancing on the floor during breaks in play, etc. Tournament managers will decide if “break-through hoops” will be allowed.

For reasons of safety, the following provision applies at all levels of tournament competition:

- a. Mini-trampolines, other rebounding devices and related pieces of equipment are prohibited.
- b. The use of pyramids/mounts is restricted as follows: All individuals in the pyramid/mount who are not in contact with the cheering surface must be supported by one or more individuals who are in direct weight bearing contact with the cheering surface (base).

Prohibited Activities/Materials

- * Rushing the playing surface during or immediately following a contest. Incidents are required to be reported to the WIAA by the host school.
- * Alcoholic beverages, tobacco products or illegal substances may not be available or present at high school events.
- * Lotteries, drawings, raffles or contests at WIAA Tournament events.
- * Confetti
- * Facemasks of any type
- * Body paint, other than on the face, is not allowed at WIAA State Tournaments where prohibited by venue policy.
- * Laser pens at all WIAA regular season and tournament contests. Violators shall be removed from the contest and laser pen(s) confiscated.
- * No fundraisers may be based on individual and/or team performance in competition and/or on the outcome of competition.
- * Campaigns (including but not limited to political campaigns, solicitations, petitions, etc.) and campaign materials.

Spectator Conduct Statement

The Wisconsin Interscholastic Athletic Association objects to the use of activities, materials, logos, apparel, mascots or gestures that are profane, vulgar, insulting or offensive to others. The membership disapproves of any form of taunting or expression that is intended or designed to embarrass, ridicule, disrespect or demean others under any circumstances including on the basis of race, religion, gender or national origin.

Sportsmanship Disciplinary Policy

In June of 1997, the WIAA Board of Control approved a Sportsmanship Committee recommendation that a disciplinary procedure be in place for schools that have chronic sportsmanship problems. In 2008, the Board modified the disciplinary procedure. For multiple or egregious player or coach ejections due to unsportsmanlike conduct in a specific season; for egregious or multiple reported incidents of fan/spectator misconduct taking place on school property or the contest facility; or for reports involving attacks on spectator buses or officials vehicles, the committee recommends the WIAA invoke the following penalty procedure:

1. Require offending school to submit a written report within two weeks on steps they intend to take to resolve problems, and improve and correct the conduct of the coach and/or athlete or spectator group involved. The report must meet the satisfaction of the WIAA Executive Staff.
2. Require offending school’s district administrator, principal and athletic director to meet with the Executive Staff at the WIAA office to identify steps they intend to take to resolve problems, and improve and correct the conduct of the coach and/or athlete or spectator group involved. The report may involve disciplinary action and must meet the satisfaction of the WIAA Executive Staff.
3. Schools who have multiple or egregious incidents of coach/athlete ejections and/or spectator misconduct in a specific sport will have that program placed on one year’s probation.
4. Subsequent violations during the probationary period will result in the loss of hosting privileges in the specific sport.
5. Additional violations will result in suspension of tournament eligibility for the offending school in the specific sport for one year.

Required Number of Officials for Contests

A function of the Wisconsin Interscholastic Athletic Association is the licensing of game officials for interscholastic competition as stipulated in its CONSTITUTION under Powers and Duties of the Board of Control as follows:

The Board of Control shall license game officials for interscholastic competition, and the Board shall have the authority to determine qualifications, procedure for advancement and conditions for revocation, suspension or probation of license.

Member schools of this Association are required to use only WIAA licensed sport officials as stipulated under Article IX - Officials Qualifications in the BYLAWS as follows:

A school shall use only persons licensed with the Association for purposes of officiating interscholastic contests – varsity, junior varsity, sophomore, freshman and junior high/middle level school (Grades 6-8). The following number of licensed officials (as noted in parenthesis) are required for each sport.

Baseball (2) – Umpires (Three person crews are acceptable. Three person crews will be used at sectionals, four person crews will be used at State). For junior high/middle level one licensed official is required but two are recommended. Note: Schools cannot use unlicensed individuals as their second official.

Basketball (2) – Referee and Umpire (Three person crews are acceptable. Three person crews will be used at regionals, sectionals and State.)

Cross Country (1) – Referee-Starter (two are recommended for all interscholastic competition).

*Football – Regular Season (4): Referee, Umpire, Linesman, and Line Judge
Playoffs (5): Referee, Umpire, Linesman, Line Judge, and Back Judge*

Note: For interscholastic competition other than senior high varsity games, only three officials are required (four are recommended). Five person crews are acceptable.

Gymnastics – Judges (2): Per event - Varsity. Judges (1): Per event - Junior Varsity

Hockey (3) – Referee, Assistant Referee, and Linesman - at all levels of competition.

Soccer (3) – Head Referee and Assistant Referee (2) required for all varsity (nonconference and conference) duals.

Note: Two officials are acceptable for varsity multi-school tournaments and subvarsity contests.

In emergency situations, one licensed WIAA official and two volunteers may be used to officiate subvarsity games. The volunteers would not need to be licensed and would not be required to be in a uniform. The volunteer official would only indicate when the ball is out-of-bounds and which team would get the throw in. The volunteer will not call offsides.

*Softball (2) – Umpires - (Three person crews are acceptable. Three person crews will be used at the state tournament.)
For junior high/middle level one licensed official is required but two are recommended. Note: Schools cannot use unlicensed individuals as their second official.*

Swimming and Diving (2) – Referee and Starter. Diving - Championship Meets (2). Diving - Non-Championship Meets (1).

Track and Field (2) – Field Referee and Starter

Volleyball (2) – R1 and R2

Note: For interscholastic competition other than senior high varsity games, only one licensed official is required (two are recommended).

Wrestling (1) – Referee

Middle level/junior high members are required to use the number of game officials as noted above in all competitions unless otherwise noted.

Contracts engaging services of officials (available on WIAA website) must be executed by officially designated representative of the schools for ALL interscholastic competition at ALL levels of competition. Contracts are required for Association sponsored tournament competition as well as all other types of interscholastic activity.

WIAA member schools and officials are reminded that games/meets should not be started at any level of competition without the required number of officials. Schools and officials expose themselves to potential problems as well as WIAA disciplinary action if a game/meet starts with less than the number of officials required. If an official becomes incapacitated after a game/meet begins, the school is expected to attempt to fill the position with another licensed official.

PURPOSE OF LICENSURE

1. It is the purpose of this Association, in its program of licensing officials, to advance the best interest of interscholastic competition by:
 - a. Aiding officials in acquiring a thorough knowledge of playing rules in all sports.
 - b. Promoting uniformity in the mechanics of officiating.
 - c. Encouraging competent young officials to replace retiring officials.
 - d. Establishing classifications for officials.
2. A thorough knowledge of playing rules and an ability to interpret these rules will be regarded by this Association as a primary requirement of all officials. To help implement this requirement, this Association conducts sport meetings or offers online video presentations. The official is required to attend a sport meeting in sports in which they are conducted for the purpose of keeping informed of rules changes and new interpretations as well as general review of all rules and regulations. If no sport meeting is offered officials are required to watch an online video. All officials are required to take a written examination(s) for those sports in which they are offered.
3. A thorough knowledge of the mechanics of officiating is imperative for a properly officiated contest.
4. Dedication to high-professional standards as developed by tradition and through practice will be regarded by this Association as highly desirable on the part of officials. A proper attitude toward the avocation of officiating will contribute toward the total value of the interscholastic program.
5. The WIAA encourages the formation of local officials associations. All officials are encouraged to become active members of such associations.

LICENSURE PROCEDURE

1. Officials license is valid from August 1 through July 31. License applications for any particular sport will not be accepted after the first day of the WIAA tournament series in that sport. Exceptions will be made for officials wishing to work junior high/middle level contests.
2. Individuals in high school may apply for licensing and officiate contests up to and including the 9th grade level. High school students, classified as Limited/Restricted (L/R), are allowed to officiate subvarsity contests in all sports except hockey as long as they are assigned with a fully licensed, non-high school official. High school age officials are also able to be assigned as lines people for varsity contests in soccer. Note: After 2 years experience as a L/R official there is opportunity for advancement to L2 upon high school graduation with verification.
3. The basic fee for each licensed official (no fees charged to high school students) will be \$35. A \$15 sport fee will be assessed for each sport for which you elect to be licensed.
4. A criminal background check will be done on all officials. Background checks are not required for high school age (L/R) officials.
5. OFFICIALS LICENSE APPLICATION
 - a. Persons applying for the first time or after a break in service may file an application with the WIAA at any time (in accordance with procedure Number 1).
 - b. Officials reapplying for a license after the published deadline will be required to pay a late fee of \$30.
6. Completion of your application will result in:
 - a. Name being placed on the mailing list to receive the WIAA BULLETIN.
 - b. Name being placed in the WIAA online Officials Directory.

- c. Prior to each sport season officials will receive appropriate rules books, case books, and officials manuals (when published). Simplified and illustrated rules books are available from the WIAA at an additional charge.
 - d. 2017-18 license will expire on July 31, 2018.
7. The WIAA is offering current and former military personnel the opportunity to license as a WIAA sport official by waiving the basic licensing fee and the sport fee for two years. This offer is extended to those current and former military personnel who are licensing as a WIAA sport official for the first time. The application form can be found on our website. Individuals must complete the form and return it to the WIAA office with proof of military service.
 8. By submitting an application for a license to officiate WIAA athletic contests, applicant acknowledges that he/she is performing duties as an independent contractor and not as an employee of the school or of the WIAA when officiating contests authorized by the issuance of this license.

CLASSIFICATION SYSTEM

1. Officials may advance one level in classification each year if all requirements for the next level are met.

Note: L1, L2, and L3 officials will be allowed to advance two levels in classification per sport, per year, when credited for attending a WIAA approved officiating clinic provided they meet all the criteria for the new level (maximum one clinic per sport/year). Note: Clinic attendance does not eliminate the sports meeting attendance requirement. L4, L5 and Master officials attending a WIAA approved clinic or conducting a WIAA approved clinic will be given credit for one varsity contest on their schedule of games.
2. Officials will maintain their current classification level for any of the following reasons (will not advance):
 - a. Miss the deadline for submitting Part I or Part II (if applicable) exam.
 - b. Did not achieve the required exam score for the next level, but did achieve the necessary score to maintain their current level.
 - c. Did not have the required number of contests for the next level, but did have the required number of contests to maintain their current level.
 - d. Submitted Classification Request and Schedule form late, but did achieve the necessary number of contests to maintain their current level.
3. Officials will drop in classification for any of the following reasons:
 - a. Did not attend a sports meeting in the sport(s) in which he/she is licensed.
 - b. Did not watch the online video in sports where meetings are not offered.
 - c. Did not submit Part I or Part II (if applicable) exam.
 - d. Did not work the required number of contests for the L5 or Master classification level.
 - e. A Master official did not achieve the required Part I and Part II (if applicable) exam score and/or did not have the required number of varsity contests for the Master level.
 - f. Repetitive violation of requirements listed in No. 2.
4. L1 officials that do not submit an exam and/or do not meet the sport meeting requirement will be classified as a L0 official. Classified as a L0 official shows the individual is licensed but has chosen to not submit an exam and/or watch the rules video or attend a sport meeting (if offered).
5. An official's classification level will be dropped one level, in a given sport, for each year he/she is not licensed.

Coaches' Education

WIAA REQUIREMENTS FOR COACHES NOT LICENSED TO TEACH (CNLTs)

The Wisconsin Interscholastic Athletic Association (WIAA) has approved the American Sport Education Program (ASEP) Coaching Principles and Sport First Aid Courses and also the National Federation of State High School Associations (NFHS) Fundamentals of Coaching and First Aid, Health and Safety for Coaches to meet the educational requirement for Coaches Not Licensed to Teach (CNLTs). This requirement became effective with the 1994-95 school year and requires CNLTs to successfully complete an approved coaches' education program prior to coaching during a second school year.

The following do not have to take an approved course:

- A student teacher while student teaching.
- An individual with an administrator's or counselor's license.
- Guest lecturers (one time appearance).

The following must take an approved course before they can coach a second year:

- Anyone that does not fit one of the above listed categories.
- Anyone that does not have a current license to teach in Wisconsin.

The following conditions do not exempt a person from the requirement:

- Holding a license to teach that has expired.
- Being a volunteer.
- Being unpaid.
- Being an occasional, but regularly scheduled lecturer or demonstrator.
- Having been a student teacher, but is no longer officially in that capacity.
- Being a nonvarsity coach.
- Being an assistant coach.

WIAA REQUIREMENTS FOR ALL PAID COACHES

Beginning with the 2017-18 school year, all paid coaches shall be certified and will maintain certification in First Aid, Cardiopulmonary Resuscitation (CPR) certification and AED operation.

Policy for UAVs at WIAA Tournament Series Events

The WIAA policy for Unmanned Aerial Vehicles (UAVs) or drones focuses on public safety and the facilitation of event planning and administration.

The use of drones/UAVs for any purpose at WIAA State Tournament Series may be permitted at WIAA outdoor events only, provided the following conditions and requirements are satisfied:

- A. Drone operation at WIAA Tournament Series events requires a Remote Pilot in Command license and adherence to all Unmanned Aircraft Systems (Part 107) limitations, certifications, requirements and responsibilities; advanced written consent (at least 24 hours) from the WIAA executive office; as well as approval of host facility event management.
- B. A signed agreement holding the ownership and operators of event facilities and the WIAA harmless from any claims of harm to individuals or damage to property. In addition, UAV operators must provide event management proof of insurance with liability limits of not less than \$1 million that identifies the WIAA and its member school as additionally insured.
- C. UAV controllers must maintain line of sight at all times during operation and are prohibited from flying UAVs over playing surfaces, seating and spectator areas where and when people are present, as well as event parking areas where and when people and vehicles are present.
- D. UAV controllers and their employers are responsible for ensuring operators are trained in the use of the drone that they operate. UAV operators must be aware of the risks that include, but not limited to, personal injury and property damage caused by the UAV as a result of weather, operator error or judgment, and failure of device systems and equipment.
- E. When recording or transmitting visual images,* UAV controllers must avoid areas reasonably considered private in accordance with social norms. These areas include, but are not limited to, restrooms, locker rooms, individual residences and health treatment rooms. In Wisconsin, it is a misdemeanor to use a drone to “photograph, record, or otherwise observe another individual in a place where the individual has a reasonable expectation of privacy.” (Wis. Stat. § 942.10).

Tournament host managers shall refuse admission to any individual or group attempting or intending to use a UAV without authorization. Tournament host managers are authorized to suspend play, if necessary, to remove and confiscate any authorized or unauthorized use of a UAV in prohibited areas during WIAA Tournament Series events.

Failure to follow this policy may result in WIAA sanctions, as well as local, state and federal penalties if applicable.

This policy will be updated as deemed necessary to reflect changes in WIAA administrative policies, as well as federal, state and local regulations.

Drone Requirement Checklist at WIAA Tournaments:

- FAA approval with Certificate of Authorization or necessary 333 Exemption
- WIAA Executive Staff approval
- Venue host administration approval
- Proof of insurance as required by this policy
- Statement that the operators are trained in the use of the UAV

* Any unauthorized use of any transmission, internet stream, photo, image, film, videotape, audio tape, play-by-play depiction or description of any competition and/or game action is prohibited without written consent of the WIAA. All “Real-time,” or tape-delayed audio, video or textual transmission of play-by-play is exclusive property of the WIAA and rights-granted entities. Any account/transmission of real-time video, audio or textual play-by-play is prohibited on-site or off-site without consent of the WIAA.

Audio/Text Transmission Policies

WIAA radio policies relate to transmissions during the WIAA State Tournament Series. There is no WIAA jurisdiction over regular season audio and/or text transmissions of high school interscholastic competition; however, school administrators are strongly encouraged to prohibit sponsors of transmissions whose primary business is the sale of tobacco, alcohol, lottery/gambling, mood-altering substances or lewd subject matter. Stations or websites streaming audio or video on the internet must abide by all internet policies and fees.

To apply for play-by-play audio transmission and live report rights for regional and sectional events, radio stations must complete the “Audio Transmission Application,” now available online in the restricted media area of the WIAA website. Completed applications for transmission with station manager acknowledgment must be provided to the tournament site and the WIAA in advance of the first game of a given tournament. Host managers must receive approval from the WIAA to reject any applications to audio transmit. Stations are required to contact host tournament managers to notify of their intentions to audio transmit any contest(s) during a regional or sectional and make arrangements for entry access. Host managers are expected to furnish free admission for two working persons.

By submitting the application for transmission, media and internet sites agree to abide by all WIAA regulations and policies regarding the transmission of events during the entire WIAA Tournament Series, including the prohibitions on advertising and sponsorships as described in the advertising of information in the next paragraph.

The WIAA reserves the right to approve or reject any sponsorship or advertisement in violation of these policies. For any part or segment of an entire transmission originating from the tournament site, the WIAA strictly prohibits the sponsorship, advertising, selling, encouraging, promoting or condoning of tobacco products, lottery/gambling, alcoholic beverages, mood-altering substances, lewd subject matter, activities that are illegal for minors to engage in, conduct in violation of WIAA’s Sportsmanship Reference Guide, or conduct that people of ordinary intelligence would reasonably understand to be inappropriate in the context of interscholastic athletic competition. Businesses with the primary purpose of selling or providing any of these prohibited products or services are also prohibited from advertising on all transmissions throughout the WIAA State Tournament Series. Businesses in which these products or services are available in a secondary capacity may advertise on WIAA Tournament transmissions for their primary business purposes, but may not refer to or advertise those secondary products or services. The WIAA also prohibits the reading of a list that includes prohibited advertisers or sponsors, including the name and/or locations of businesses, products or services on any WIAA Tournament transmission.

Stations and websites must make arrangements with tournament hosts to pay the transmission rights fee at the tournament site the date of the contest. The fee is to be paid whether or not the station or website originates a transmission. There is no fee for pre-State live report updates provided no play-by-play is done. Pre-State host tournament managers are authorized to refund fees if the station or website has a legitimate reason for not being able to transmit after they planned to do so and/or indicated to the manager in advance it will not be transmitting if the school it is following is eliminated from the tournament.

A “transmission” is defined as the transmitting—or intent of transmitting— of any live or taped portion, or entire duration of tournament games or complete session of games from the time the transmission begins to the time the transmission ends at the tournament site. This definition includes halftime, between games of a session, immediately before and after a tournament game or session, and during intermission stops and timeouts.

Internet blogs, forums, tweets and other text depictions or references are permitted and are not subject to rights fees unless they qualify as play-by-play or are not in compliance with the media policies of the WIAA. Play-by-play accounts of WIAA Tournament Series events via text are subject to text transmission rights fees.

Play-by-play is detailed regular entries or description of the sports events as they are happening, or of the actual action as it occurs, including the continuous sequential detailed description of play, of events, or other material such as graphics or video regarding any WIAA tournament game or event, so that it approximates a video or audio transmission that allows the recipient to experience the game or event as it occurs.

Transmissions may not begin sooner than three hours after the start time of the game or meet to be classified as a retransmission or tape-delayed transmission.

The WIAA reserves the right to require two minutes of advertising or promotional inventory to be included in any or all audio transmissions of WIAA Tournament Series events.

Transmission Fees

Audio/Text Transmissions	Regional/Sectional Fees	State Fees
Live or delayed audio transmission	\$50	\$100
Stations receiving live audio feed from originating transmission	\$50	\$100
Live transmission of play-by-play text	\$20	\$ 30
Websites receiving live play-by-play text from originating transmission	\$20	\$ 30
Live Audio Report “Updates”	--	\$ 25

State fees reflected are per game (per day for individual wrestling). Radio transmissions simultaneously streaming the same event on its internet site does not pay additional fee. Rights fees are independent of any telephone line charges covered in the Phone Line Access sections. Pre-State wrestling fees indicated covers entire regional or sectional. Transmission rights fees are applicable for stations or websites that pick-up live or delayed transmissions or links from another station or website.

Licensing and Royalty Policy

The name, emblem and/or logos of the WIAA are registered service marks with the U.S. Patent Office and are protected from unlawful use for the benefit of the Wisconsin Interscholastic Athletic Association and its member schools.

Any use of the WIAA emblem and logos shall obligate a vendor doing business with the WIAA or with a WIAA member school to adhere to WIAA licensing policy. For royalty and licensing fees information, contact the WIAA in connection with any commercial or noncommercial venture using WIAA marks on any merchandise and/or apparel, or with any promotion or service.

1. Member schools are permitted and encouraged to use the WIAA name, emblem and/or logos in printed materials, playing surfaces and in playing facilities during regular season and Tournament Series events. No approval from the WIAA is required for these uses.
2. WIAA member schools may contract with outside vendors to produce WIAA Tournament Series event merchandise that includes the WIAA name, emblem and/or logos for explicit use during a specific assigned WIAA Tournament Series event, but only if the outside vendor is licensed by the WIAA to use the WIAA marks. Vendors without license to use WIAA marks must contact the WIAA for royalty and license fee information.
3. Member schools may not authorize a non-WIAA licensed vendor to use the WIAA name, emblem and/or logos for any non-WIAA Tournament Series events without explicit licensure with the WIAA. Vendors without license to use WIAA marks must contact the WIAA for royalty and license fee information.
4. Adherence to the WIAA licensing policy, including royalties and fees, for all agreements/contracts between member schools and outside vendors for products or merchandise received in the agreement are the responsibility of the member school arranging the agreement. The WIAA retains the right to require submission, upon request, of samples of any product for the purpose of licensing compliance and quality control.
5. Any use of the WIAA name, emblem and/or logos on all merchandise and apparel, including--but not limited to--patches, shirts, sweatshirts, hats, shorts, pants, towels, artifacts, souvenirs, equipment, official/umpire gear and apparel, spectator/business giveaways and promotions require licensing with the WIAA to produce and distribute. Media may use the WIAA name, emblem and/or logos as part of its news coverage of WIAA events in publications, video, brochure, advertisement, commercial, etc., relating to its coverage of the WIAA only. Permission from the WIAA is not required and the terms of this policy does not apply. The enforcement of this policy shall be with each member school in conjunction with the WIAA. The collection of revenue required pursuant of this policy shall be the responsibility of the entities arranging the actual production and distribution of any merchandise, apparel or service. All contracts or agreements with vendors, manufacturers, suppliers and distributors of merchandise, apparel or service shall incorporate and adhere to WIAA licensing policies and may include requiring/disclosing accounting of revenues and expenses to the WIAA. The WIAA retains the right to enforce this policy for itself or any member school at any or all events upon its discretion.

Video Transmission Policies

WIAA video transmission (broadcast, cable, web stream, etc.) policies relate to video transmissions during the WIAA State Tournament Series. There is no WIAA jurisdiction over regular season live or taped-delayed video transmissions of high school interscholastic competition. It is strongly recommended that school administrators not allow sponsors or advertisers on commercial video transmissions containing any sponsorships or advertising for businesses whose primary business is the selling of products prohibited by WIAA (tobacco, alcoholic beverages, lottery, gambling, mood-altering substances and lewd subject matter) advertising policies. No fees for regular-season transmissions are required by the WIAA, but local schools and participating teams may wish to require a fee to recover expenses incurred (i.e. power, scaffolding, seats lost due to camera positions, tickets sales lost by spectators staying home and watching, etc.). Television stations, cable stations and websites considering transmitting audio or video on the internet must abide by all Internet policies as written in the *Media Reference Guide*.

Pre-State Tournament Series accommodations for working television, cable or website personnel, cameras and other equipment involved in video transmission production is the responsibility of the host tournament manager, provided the television stations, cable operators or websites receive permission to transmit in advance from the WIAA and the NFHS Network. Stations/cable/website operators must contact the WIAA and the NFHS Network to determine if a live or taped transmission will be permitted.

Video production and distribution rights for WIAA State Tournament and State Tournament Series events are exclusively held by the WIAA and its video production partners.

All parties interested in the production and distribution of any pre-State Tournament Series events are required to obtain permission and clearance from the NFHS Network.

Production and distribution rights include, and are not limited to, live or delayed television through network or cable outlets, video on demand and content streaming through any platform and physical media. Detailed information regarding policies and fees are available in the Media Policies Reference Guide or upon request from the WIAA or the NFHS Network.

A tape-delayed transmission is prohibited from airing until three hours after the start of the respective event being transmitted on a tape-delayed basis. No taped-delayed transmission of any WIAA State Tournament event is permitted during the exclusive live coverage of the WIAA State Tournament in the same sport.

The following list of rules apply for commercial television stations and websites using video in their coverage of the WIAA State Tournament Series for newscast or webcast purposes:

- a. There may not be live coverage of any live game action during the contests. "Live coverage" is defined as any activity which occurs while a game or meet is in progress. - b. Use of film, video, audio, tape, etc., is limited to regularly scheduled news, sports programs or Internet site stories, and use of such content is limited to no more than two minutes of a web stream or program which is any length. Unless written approval is granted from the WIAA office, use of more than two minutes of film, video, audio, tape, or stream, etc., beyond five days from the last day of a tournament is prohibited without written consent of the WIAA.
