On behalf of the Executive Committee of the *Egyptian Scientific Society of Bronchology (ESSB)*, the *European Association for Bronchology and Interventional Pulmonology (EABIP)* and the *Scientific Committee* we would like to extend our warmest welcome to you all, to participate in this international congress, which will be held at Assiut university 24 to 25 July and Hurghada Continental Hotel on 26 to 29 July 2017

The Scientific Committee is planning a very comprehensive program catering for all specialties of Pulmonary/ Thoracic Medicine that will deliver state of the art lectures, update presentations, workshops (bronchoscopy, thoracoscopy, chest ultrasonography, echocardiography, noninvasive ventilation and pulmonary venous thromboembolism), interactive sessions, interactive case presentations and research abstract presentations. The program covers all fields related to Thoracic Medicine including but not limited to Asthma/ Allergy & immunology, Critical Care Medicine, Lung Cancer, Pulmonary Infections, Thoracic Imaging, Sleep Medicine, Thoracic Surgery, Thoracic Oncology, Respiratory Care, Interstitial Lung Diseases, COPD, Interventional Bronchoscopy, and Pediatric Pulmonology..

The pharmaceutical Industry is also committed in their support of our congress that will host a large exhibit area and many attractive opportunities to share their products and knowledge with the attendees.

Like all activities of ESSB, the Organizing Committee was working hard to make this event a stimulating occasion both scientifically and socially. Undoubtedly, it will be a great opportunity to see other colleagues and friends and to benefit from the wide spectrum of medical topics to be discussed in this congress.

We will meet you in the glamorous city of Hurghada a fast growing beautiful city with many attractions and rich heritage.

For these reasons, we look forward to seeing you in this congress, so please mark your calendar and plan to join us. My thanks go to everybody who participated in the work for this congress appreciating their dedication, enthusiasm and perseverance to make our congress a great success.
