 - (including a square root button, **but not graphing and not one that does fractions**)
- Protractor (small and clear/see through, the smaller the better). Please **do not** purchase a protractor with the middle arm/ “windshield wiper”
- Compass – for drawing circles (not finding out where Magnetic North is)

Geometry Only

- Your compass should be a decent one in which you can put any kind of pencil.
 - Do **NOT** get the kind that has little lead inserts. We will be doing geometric constructions involving different colored pencils.
 - A **SPIRAL BOUND** sketch pad
 - We will use this all year for constructions, so it needs to be durable.
-
