Complete Book of Chess

Elizabeth Dalby

Summary

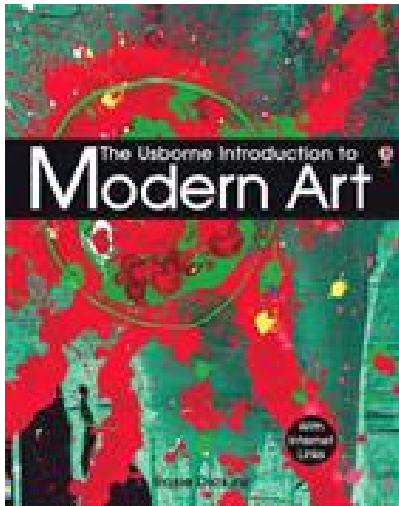

A complete guide to the history, techniques and tactics of chess. Includes advice on how to lay deadly traps, plan cunning moves, launch effective attacks and defend your pieces to ensure a winning result. Internet links allow players to play games online to test their skills. Written in conjunction with Grand Master Jonathan Rowson. Chess is sometimes perceived as a difficult game, but with this step-by-step guide, full of hints and tips, players will revel in their new-found skills. Learning to play chess is great for developing skills of memory and analysis; understanding cause, consequence and planning ahead. Also, playing games in general is important for children to learn about sharing, discipline and following rules. Presented in an accessible and engaging way, this classic guide is just as suitable for adults as it is for children.

Introduction to Modern Art

Rosie Dickins

Summary

Explains the development of modern art in a simple, straightforward way, with over 100 illustrations of major art works. Covers all the key movements in modern art, from the avant-garde of the 19th century to the sometimes perplexing contemporary art of the 21st century. With a timeline of art movements, short biographies of major artists, a glossary of art terms plus internet links taking readers to the best online resources.

Getting Dressed Sticker And Colouring Book

Felicity Brooks

Summary

Two books in one, this bumper activity book contains over 130 stickers as well as lots of colouring activities. The little children in the book need to get dressed for a variety of occasions and weather conditions. Some need their outfits colouring in, others need to be dressed with the sticker clothes provided. A colouring book and a sticker book combined, this chunky activity represents great value. An interactive way for children to learn about getting dressed and start to understand why we need different clothes for different activities and seasons.

Wipe-Clean Starting Times Tables

Tamsyn Murray

Summary

This fun book is a perfect way to help young children begin to learn about times tables. The book concentrates on the 2 x and 10 x tables which is how tables are usually introduced at school. Practise time and time again using the special wipe-clean pen. Children will love helping the friendly monsters with a variety of tasks, all designed to help them understand how times tables work.

Babys Very First Touchy-Feely Farm Playbook

Fiona Watt

Summary

A brightly coloured, high-contrast, multi-sensory book for babies. Delightful to share, this touchy-feely book will engage even a tiny baby's attention. Books are vital to children's education and introducing them at the first possible opportunity helps babies to understand how books work and to love interacting with them. Full of squashy touchy-feely patches, finger-trails and holes which will stimulate small children and provide lots to talk about. Part of an extensive series for very young children, perfect to give as gifts and great to collect.

Dress The Teddy Bears/Dress The Teddy Bears On Holiday Sticker Book

Felicity Brooks

Summary

Four cute teddy bear friends go on holiday together in this delightful sticker book. Children will have great fun using the stickers to complete the scenes. By dressing the teddy bears for different occasions on holiday, little children will learn about what to wear in a variety of situations and types of weather. Over 200 stickers allow children to dress the teddies up in hats, sun suits, swimming costumes. The stickers have been carefully designed for little hands and will help children to develop essential fine motor skills and hand-eye coordination.

Mexican Patterns To Colour

Struan Reid

Summary

Designs to colour taken from thousands of years of Mexican art, from Aztec motifs used in carvings, temple decoration and jewellery to more modern patterns taken from baskets, textiles, clothes and folk art. An interactive way to learn about the history of art in Mexico, with snippets of information on traditional techniques, media and colours. More than just a colouring book, this is a unique introduction to Mexican art for older children and adults. An interactive way of finding out about the images, motifs and colours typical of the the Aztecs and modern Mexican artists.

Beginners Plus: Survival

Henry Brook

Summary

A guide to survival in extreme conditions and inhospitable environments, fully illustrated with a mix of photos, comic strip art and step-by-step diagrams. Learn how to find North, make a fire, send signals, evade dangerous animals, escape if you're trapped in a car, cope with an earthquake or tornado, escape from a burning building and lots more. Graphic-novel style picture strip is used alongside astonishing photographs to describe real-life survival situations. Inspiring and informative, this book is suitable for all ages including reluctant readers. Internet links allow readers to access more information online via carefully selected and monitored websites.

Look Inside: Mummies & Pyramids

Rob Lloyd Jones

Summary

A lift-the-flap information book for young readers which explores life in Ancient Egypt, in particular the rituals that the Egyptian Pharaohs undertook in preparation for the afterlife: mummification and the construction of pyramids. Many children are fascinated by the Ancient Egyptians - their colossal pyramids, their somewhat gory methods of preserving their dead and their amazing, all-powerful gods. Children will love lifting the flaps and peeking beneath them to discover lots of fascinating facts about mummies, pyramids and life in Ancient Egypt.
