March 18

We temporarily suspended in-person services at our field offices, asylum offices, and application support centers (ASCs) to help slow the spread of coronavirus (COVID-19).

June 4

We began to reopen certain domestic offices. In evaluating how and when to reopen our individual domestic offices, we are following the Centers for Disease Control and Prevention's guidelines to protect our workforce and the public.

Health and Safety Measures

U.S. Citizenship
and Immigration
Services

We are following the Guidelines for Opening Up America Again, a three-phased approach based on the advice of public health experts, including the Centers for Disease Control and Prevention's guidelines.

Our phased approach to reopening was informed by industry best practices, regarding:

- Social distancing and protective equipment;
- Sanitation; and
- Use and disinfection of common and high-traffic areas.

General Guidelines for Entering USCIS Facilities

U.S. Citizenship
and Immigration
Services

- Visitors may not enter the facility more than 15 minutes before their appointment.
- We will provide hand sanitizer at entry points.
- Members of the public over the age of two must wear facial coverings that cover both the mouth and nose.

- Applicants and visitors may also have to answer health screening questions before entering a facility.
- Applicants and visitors should bring their own pens.

Who Can Accompany a Visitor to a USCIS Facility

U.S. Citizenship
and Immigration
Services

To limit the number of people in the waiting room, applicants with scheduled appointments may only be accompanied by:

- Attorneys/authorized representatives;
- Interpreters (interpreters will be asked to be available by phone for Field Office interviews and in person for Asylum interviews);

Who Can Accompany a Visitor to a USCIS Facility *cont.*

U.S. Citizenship
and Immigration
Services

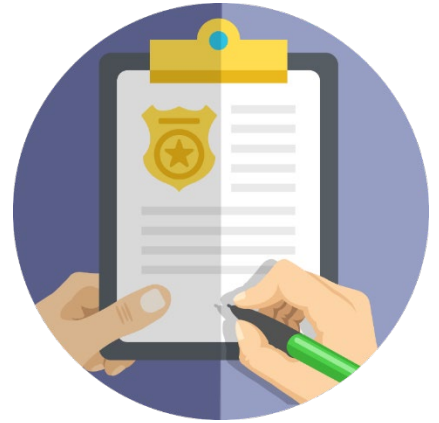

- Parents, legal guardians or trusted adults, if the applicant being interviewed is a minor;
- Immediate family members listed as dependents on the asylum application or interview notice; and

Screening

U.S. Citizenship
and Immigration

Visitors may be screened before they enter a USCIS facility. If they answer yes to any of the three screening questions, or refuse to wear a face covering in accordance with USCIS policy, they will not be allowed to enter a USCIS facility.

Screening *cont.*

U.S. Citizenship
and Immigration
