We Give Praise and Thanks for Your Love and Light to Guide us. Bless You!

SAINT GERMAIN

Dear Ones, The First Principle of Activity from the Godhead is Projection, or Precipitation. Therefore, Its Nature is to Project, or Precipitate Itself. The First Activity is the divided Rays going forth into Individualization, into Visible Expression. When I speak of Individual, or visible Expression, I use that term because of the physical Activity, not that it is not always visible, because it is; but to those in the physical form, I speak of it as visibility. Use your Rays with Pure Intentions and Project Them to that of your Focused Attention with the Love of God! I would Highly recommend you re-read Discourse Part I which tells you of this Use in the Projection of Your White Fire Cosmic Rays while Giving Forth your Decrees and Invocations. As So It IS!

The Divine Clemency Dispensation.

‘An Act of Mercy.’

The World ‘I AM’ Invocation.

Granted by The Directors of the Karmic Board through The Great Divine Director
