OVERVIEW

- [Introduction](#)
- [Key Features](#)
- [System Requirement](#)

Introduction

Thank you for using Sidify Music Converter Windows version.

[Sidify Music Converter Windows version](#) is a standalone application that is used to convert Spotify tracks or playlists in local files and offers different settings to define the output audio quality to meet your needs under a Windows system. With this powerful audio converter, you can easily download and save Spotify music in plain MP3, AAC, FLAC, WAV, AIFF or ALAC format, and then, enjoy the Spotify songs with your music player freely.

In the meanwhile, Sidify Music Converter Windows version is able to convert Spotify audio files at fast conversion speed, and also keep original ID tags in the output file after conversion. Besides, Sidify has new functions that support 1-click upload to OneDrive and audio format conversion.

Key Features

- Convert Spotify song or playlist to MP3, AAC, FLAC, WAV, AIFF or ALAC.
- Convert local audio files to MP3/M4A/AAC/WAV/OGG.
- Preserve 100% of your original audio quality after conversion.
- Keep, add, edit all ID3 tags; 10X faster speed of audio conversion.
- 1-click to export Spotify music to iTunes library or burn to CD.
- 1-click to upload converted music to One Drive.

System Requirements

- Windows 7, 8, 10, 11 (32-bit & 64-bit).
- 512M or higher RAM.
- 1G Hz Intel processor or above CPU.
- 1024*768 resolution display or higher Monitor.

PURCHASE & REGISTRATION

- [Purchase Windows Version of Sidify Music Converter for Spotify](#)
- [Register Windows Version of Sidify Music Converter for Spotify](#)

Purchase Windows Version of Sidify Music Converter

Quick Link: To buy a license key for the Windows version of Sidify Music Converter for Spotify, click [Here](#).

1. Why should I buy Windows version of Sidify Music Converter for Spotify?

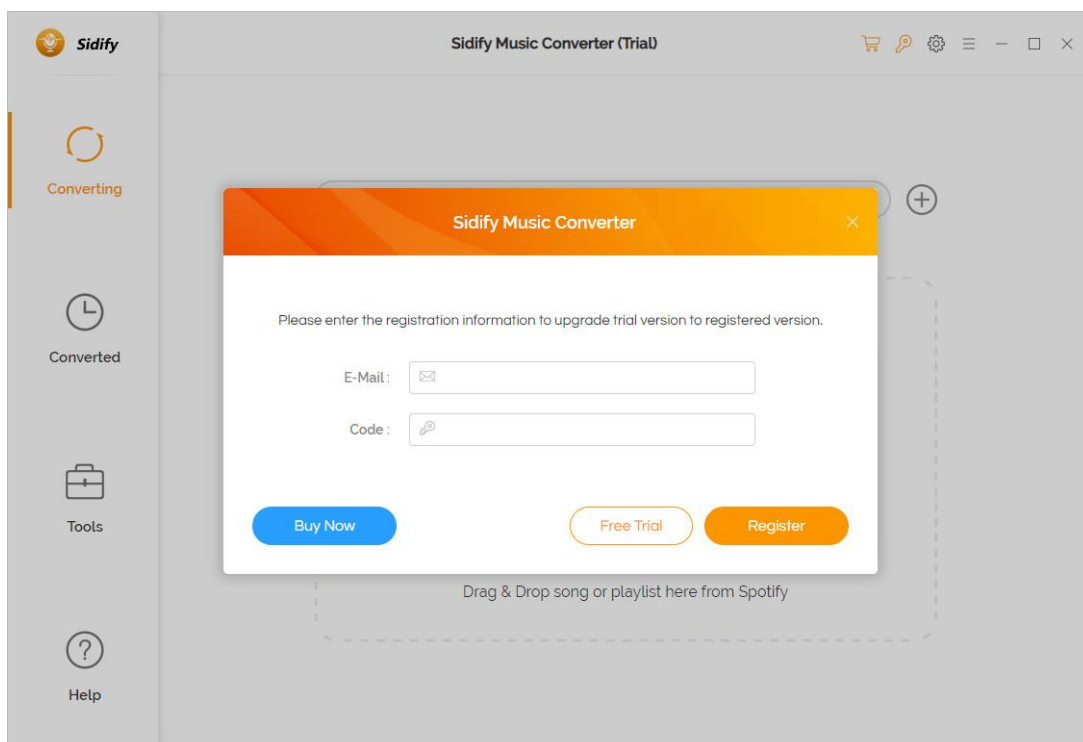

Sidify Music Converter Windows version is a shareware, and the trial version limits users to convert the first 3 minutes for each audio for sample testing. After purchasing the program, you will be offered a license with your registration e-mail and key code which will unlock the trial version limitation.

2. What benefits do I have after registration?

- You can **convert Spotify songs without time limitation**.
- You can enjoy lifetime FREE upgrades to the latest versions of the same product.
- You can enjoy FREE technical supports.

Register Windows Version of Sidify Music Converter

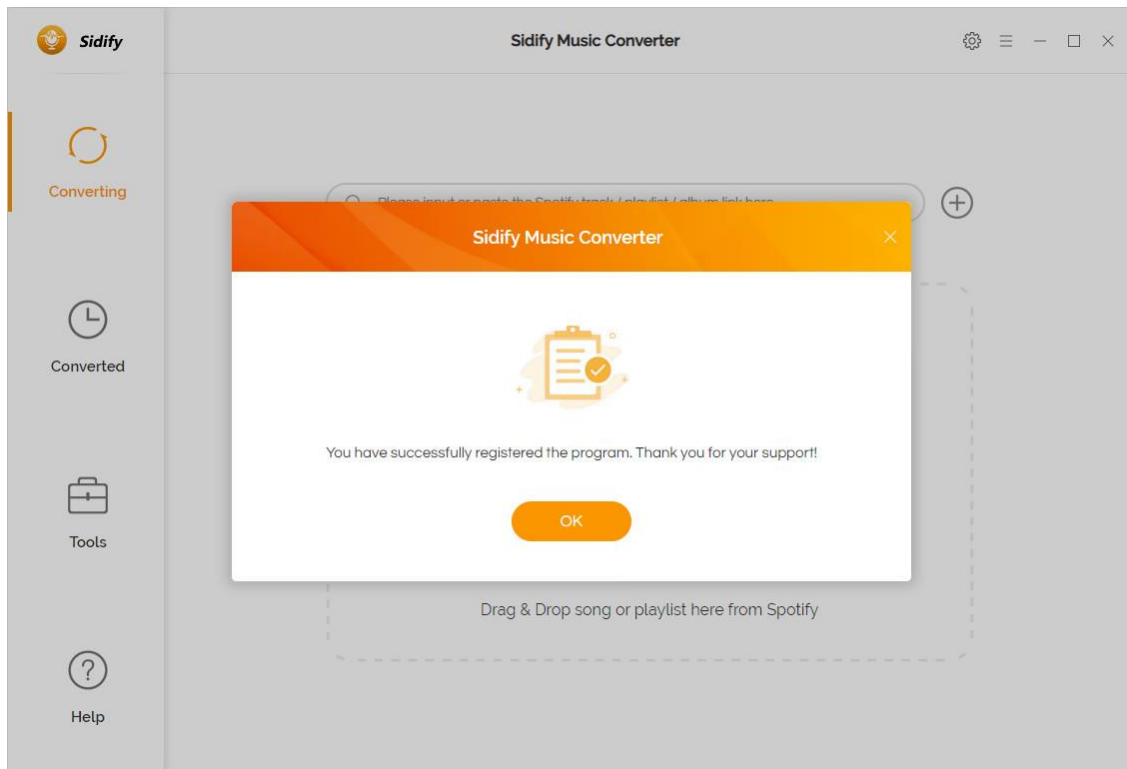

Step 1: Run Sidify Music Converter and click the “🔑” icon to open the registration dialog and fill in with your registration info.

Tutorial of Sidify Music Converter for Spotify (Windows)

Step 2: After you finish the registration, the limitation of the trial version will be removed.

Note:

Make sure both the Email address and key code are the same as what we provided in the confirmation email after purchasing the program. If not, an error message will pop up as below:

A screenshot of the registration dialog box in Sidify Music Converter. The dialog box has an orange header bar with the text "Sidify Music Converter" and a close button. The main area is white and contains the text "Please enter the registration information to upgrade trial version to registered version." Below this are two input fields: "E-Mail:" with an envelope icon and "Code:" with a key icon. Below the input fields is a red warning message: "The registration information must be entered exactly as they appear in your confirmation email. Using the copy and paste method to enter the license is recommended." At the bottom are three buttons: "Buy Now" (blue), "Free Trial" (yellow), and "Register" (orange).
