95 Years Young

The year 2020 is a milestone for Shriners Hospitals for Children in Springfield, Massachusetts, as we are celebrating 95 years of caring for kids! The hospital doors officially opened to patients and families on February 21, 1925, and was originally built to provide pediatric orthopaedic specialty care to children stricken with polio.

To this day, the Springfield Shriners Hospital remains the only freestanding specialty children's hospital in Massachusetts located outside of Boston. It is also one of 22 Shriners Hospitals for Children locations throughout North America, which notably makes up one of the largest pediatric health care systems in the world.

Our focus on treating children with congenital and acquired orthopaedic conditions continues to evolve, leading to the noteworthy expansion of service lines. In the 1990s, the hospital

expanded its orthopaedic services to include care for children with cleft lip and palate, rheumatology, and chest wall deformities. Today, the hospital also offers sports health and medicine, inpatient rehabilitation, pediatric urology and fracture care to meet the current health care needs of the pediatric population.

In addition to a broad range of specialty services, families enjoy the convenience of having their child's treatment and therapeutic care provided under one roof. This comprehensive care includes high quality inpatient surgical and outpatient care; a motion analysis center (utilizing a 3D motion capture system), physical,

MESSAGE FROM THE POTENTATE

Greetings Nobles, Ladies, Family and friends,

My lady Mary Jo and I are very excited about the remainder of the year. We have planned some favorite events from the past years and some new ones. We would like to take a moment and thank everyone who attended the Installation Banquet in January. This was truly a memorable event for us. I would like to take this moment and explain the slogan to those who were unable to attend. "Use your Tools". Of course, all Masons understand the masonic tools and in keeping with our masonic foundation these will keep harmony in our hearts and in our temple. I am always amazed by the various skills of our members and how they use these skills (tools) to make Ziyara a great home for all of us. Secondly the Potentate's pin this year is a rendition of the Armstrong family crest. The Latin phrase "Invictus-Maneo" meaning unvanquished or unconquered. The more I thought about this phrase, the more I believe it fits our Ziyara temple. We

will conquer all obstacles and remain unvanquished this year and in years to come with the help from you, the nobility.

I am eager to enjoy everyone's fellowship and yes sometimes hard work making the upcoming events like the Lenten Fish Fries and the roll out of this year's Sportsman's Raffle a great success. I have always felt that when "working" with friends it never seems like work, just having fun together.

The first cocktail party of the season on Valentine's Day was by all accounts a very fun night. Thirty-eight members and friends attended. Unfortunately, I was a no show due to being "locked up" at work. My Lady Jo and the ladies stepped up to make this a successful event. Please consider joining us for our next cocktail event at the Shrine Park Center called "Cocktails at the Track" on May 2nd during the Kentucky Derby. Watch for more details in the coming months.

The most important priority for Ziyara, only second to helping our kids is to grow membership. I have appointed our Marshal Dan Rena as our Membership Chairman, for what I hope will be at least a three-year commitment. I am already impressed with his enthusiasm and ideas. He will be appointing a retention, restoration and recruitment team. If you feel you have the "tools" to help in this important endeavor, please don't hesitate to step up and be a part of Dan's team. Each of us should be actively recruiting good men to be an active part of our Ziyara temple.

I have scheduled three upcoming Saturday mornings 3/21, 3/28, and 4/4, from 9am-1pm to clean and organize the Park Center. The garage and storage areas have become unorganized and a catch-all for unused and unneeded items. The items that are unusable and only exist to take up valuable space will be removed. This may mean selling or discarding of items. No large items of value will be discarded without discussion with the nobility. Nobles let's be honest, if we haven't used it in 5-10 years it is probably time to let it go. Once the areas are organized, I will schedule a meeting or "forum" to discuss any possible improvements to the park center. This will be the first of many meetings to put a comprehensive long-range plan for the park center into action. ALL nobility are encouraged to come, help and give their input into this project.

Please check out the list of upcoming events and come out and be a part of the fun.

Fraternally yours,
III. Steve Armstrong

Vidalia Onion Sale

How sweet they are They only make you cry... When they are gone....

10 lb. Bag Only \$10.00

Hand Harvested

Hand Selected

Sweet Sweet

The authentic Vidalia Onion grows only in a small area around Vidalia, Georgia and can't be reproduced in other areas. The secret of its sweetness lies in the unique combination of minerals in the soil around Vidalia, Georgia. All efforts to grow Vidalia Onions elsewhere have failed. By special act of the Georgia Legislature, only onions grown in this small area of southeast Georgia can bear the "Vidalia" name.

Sweet Vidalia Onions are so succulent... so sweet and mild that they can be eaten like apples, with no tears. They're always delicious whether eaten sliced on a hamburger, chopped in a salad, or cooked with a roast.

You can even make an onion pie with them.

PICK UP LATE APRIL OR EARLY MAY - YOU WILL BE CALLED WHEN THE ONIONS ARE READY FOR PICK UP.

SHRINE CENTER, 8209 HALSEY ROAD - EXACT DATES ANNOUNCED LATER
