

Bobcat®

Utility Vehicles Accessory Guide

UV34 and UV34XL

***One Tough
Animal®***

IT'S ABOUT HOW **YOU ROLL.**

REAL PERFORMANCE IS MEASURED IN PRODUCTIVITY.

And your vehicle needs to be adaptable: to you, to the task, to your lifestyle and workstyle. Bobcat® utility vehicles are not only built for hard work; they're built to be customized for the job, with a huge variety of accessories and options.

What's your challenge? Harsh elements? Nighttime work? Difficult terrain? Room for gear? Bobcat has you covered. The right equipment is essential for tackling your hardest work, and Bobcat gives you more ways to make its utility vehicles right for you.

INDIVIDUAL TIRES & RIMS

Whether you're hitting the trail or hauling a load, Bobcat offers a selection of tire styles to fit the different applications of your Bobcat utility vehicle. Every wheel on the UV34 and UV34XL features a new, non-directional tire, mounted on a single-sized rim. There's no need to have front and rear spares on hand.

TIRES (all UV34 and UV34XL)

Heavy Duty

Durable in extreme conditions with heavy loads, these tires provide a sense of confidence in deep mud. Aggressive tread patterns are designed for any trail, whether in the woods or the desert.

Part No. **7307679**

Front: 8ply - 26x9-12

Mounts on 12x6 steel rims
(P/N 7027785 orange or 7028398 black)

Part No. **7307680**

Rear: 8ply - 26x11-12

Mounts on 12x8 steel rims
(P/N 7023517 orange or 7028397 black)

All Purpose

All-purpose tires deliver a balanced combination of traction and turf protection that ensures performance in a wide range of jobsites and driving conditions.

Part No. **7027654**

Front: 25x10-12

Mounts on 12x6 steel rims
(P/N 7027785 orange or 7028398 black)

Part No. **7027655**

Rear: 25x11-12

Mounts on 12x8 steel rims
(P/N 7023517 orange or 7028397 black)

Hard Surface

The tire construction provides durability and versatility. This tread pattern enhances comfort for a smooth and quiet ride on hard surfaces and paths.

(Rim sold separately)

Part No. **7027144**

Front: 25x8.5-12

Mounts on 12x6 steel rims
(P/N 7027785 orange or 7028398 black)

Part No. **7027145**

Rear: 25x10.5-12

Mounts on 12x8 steel rims
(P/N 7023517 orange or 7028397 black)

Turf

In the park or on the farm, this turf tire provides rider comfort with maximum performance. Turf tires are great for landscaping applications with little damage to the ground you are working on.

(Rim sold separately)

Part No. **6989065**

Front: 25x9-12

Mounts on 12x6 steel rims
(P/N 7027785 orange or 7028398 black)

Part No. **6989066**

Rear: 25x11-12

Mounts on 12x8 steel rims
(P/N 7023517 orange or 7028397 black)

All Terrain

The all-terrain tread design provides excellent performance in dry or wet jobsites, and in hard, compact surface applications.

Part No. **7360380**

Industrial 8ply - 26x10-12

Mounts on 12x6 steel rims
(P/N 7027785 orange or 7028398 black)
Factory Tire (UV34 only)

RIMS (all UV34 and UV34XL)

Black Powder-Coated Rim

The sleek look of black wheels made with durable steel base and black powder coat.

Part No. **7028398**

Rim 12x6

For use with any tire – 25x9-12 or 26x9-12
Tire mounts on front axle (left or right)

Part No. **7028397**

Rim 12x8

For use with any tire – 25x11-12 or 26x11-12
Tire mounts on rear axle (left or right)

Orange Powder-Coated Rim

Factory standard orange wheels made with durable steel base and orange powder coat.

Part No. **7027785**

Rim 12x6

For use with any tire – 25x9-12 or 26x9-12
Tire mounts on front axle (left or right)

Part No. **7023517**

Rim 12x8

For use with any tire – 25x11-12 or 26x11-12
Tire mounts on rear axle (left or right)

MODULAR CAB ENCLOSURES

ROOFS

Headliner Roof

Reduce cab noise and enhance comfort for operators and passengers with this easy-to-install liner for the roof of your cab. Includes everything you need to achieve a clean fit and finish.

Part No. **7360126**

Models: UV34

*Includes headliner and hardware
Compatible with roof, sport
accessory (7340670)*

Estimated install time 0.25 hours

Headliner Roof XL

Reduce cab noise in the UV34XL with this easy-to-install roof liner for the roof of your cab. It's fully integrated with your vehicle for a clean appearance.

Part No. **7360067**

Models: UV34XL

*Includes headliner and hardware
Compatible with roof, sport XL
accessory (7360118)*

Estimated install time 0.5 hours

Sport Roof

Great value, durable and lightweight, this roof provides overhead protection from the sun and elements. It fully integrates with other cab components. Easily installs with very few tools.

Part No. **7340670**

Models: UV34

*Includes lightweight and durable
hardened plastic cab top*

Estimated install time 0.25 hours

Sport Roof XL

Minimize operating noise and enhance rider comfort with this premium roof. Insulated with a durable and washable liner for added enjoyment.

Part No. **7360118**

Models: UV34XL

*Includes lightweight and durable
hardened plastic cab top*

Estimated install time 0.5 hours

DOORS

Premium Poly Door With Roll-Down Glass

Close off your cab from the elements and enjoy the ultimate in comfort while you work. These polycarbonate driver- and passenger-side doors feature roll-down windows and an interior liner. Includes hinges, latches and locks. The UV34XL requires additional doors for the rear.

Part No. **7360116**

Models: UV34, UV34XL

Estimated install time 1 hour

Premium XL Rear Poly Door With Roll-Down Glass

These premium polycarbonate doors with roll-down windows are fitted to the rear passenger exit and entry of your UV34XL. Includes hinges, latches and locks.

Part No. **7360120**

Models: UV34XL

*Includes rear driver and passenger
plastic doors, roll-down windows,
interior liner*

Estimated install time 1 hour

Clear Poly Front Door

Available for the UV34 and UV34XL (front doors), these polycarbonate doors feature double-hinged glass windows. Includes hinges, latches and locks.

Part No. **7360053**

Models: UV34, UV34XL

Estimated install time 1 hour

Clear Poly Rear Door

Designed for the rear entry/exit of the UV34XL and constructed of polycarbonate, these doors include double-hinged glass windows. Includes hinges, latches and locks.

Part No. **7360055**

Models: UV34XL

Estimated install time 1 hour

WINDSHIELDS

Half Poly Windshield

A durable, half poly windshield provides riders with an outstanding mix of protection and airflow for an open-cab feel. System utilizes the integrated accessory mounting system.

Part No. **7343929**

Models: UV34, UV34XL

Includes half poly windshield with tool-less installation

Estimated install time 0.25 hours

Tip-Out Glass Windshield

This tough, laminated windshield includes hinges on top and a hand-operated latch that opens the windshield to increase airflow or reach inside or outside the vehicle. Installs quickly and easily. It's also fully compatible with the windshield wiper washer kit (7360136).

Part No. **7360057**

Models: UV34, UV34XL

Includes laminate glass windshield, hand latch and mounting hardware

Estimated install time 0.5 hours

Glass Windshield

This durable laminated glass windshield delivers reliable protection from weather and debris. Fully compatible with the windshield wiper washer kit (7360136), this window installs quickly and easily without tools. System utilizes the integrated accessory mounting system.

Part No. **7340672**

Models: UV34, UV34XL

Includes laminate glass windshield with tool-less installation

Estimated install time 0.25 hours

Poly Windshield With Hard Coat

This durable polycarbonate windshield provides ultimate strength and protection for the driver along with great visibility. System utilizes the integrated accessory mounting system.

Part No. **7343030**

Models: UV34, UV34XL

Includes sealed fit, polycarbonate windshield with tool-less installation

Estimated install time 0.25 hours

*With Hard Coat: Part No. **7343031***

Models: UV34, UV34XL

Includes sealed fit, polycarbonate windshield with scratch resistant coating with tool-less installation

Estimated install time 0.25 hours

REAR PANELS

Poly Rear Panel

Optical grade polycarbonate rear panel installs easily for added protection from the elements. Durable material offers optimal strength and visibility. System utilizes the integrated accessory mounting system.

Part No. **7350107**

Models: UV34, UV34XL

*Includes polycarbonate rear panel with tool-less installation
Estimated install time 0.25 hours*

Glass Rear Panel

This tempered glass rear panel is durable with high scratch resistance for optimal visibility. The panel installs easily for a great fit and protection. System utilizes the integrated accessory mounting system.

Part No. **7227938**

Models: UV34, 34XL

*Includes tempered glass rear panel with tool-less installation
Estimated install time 0.25 hours*

Glass Rear Sliding Panel

Added comfort and protection is available with this premium rear panel. Made of durable tempered glass with latching sliding windows for ventilation and rider comfort. System utilizes the integrated accessory mounting system.

Part No. **7227940**

Models: UV34, UV34XL

*Includes tempered glass rear panel with sliding windows and tool-less installation
Estimated install time 0.5 hours*

CUSTOMIZE & ACCESSORIZE

OPERATOR COMFORT ACCESSORIES

Grab Handle

Make entering and exiting easier by adding an additional grab handle. Easy and adjustable hook and loop installation.

Part No. **7194742**

Models: UV34, UV34XL

Includes one handle

Compatible but is not recommended for vehicles with cab doors or full windshields

Estimated install time 0.25 hours

Heater Deluxe Diesel Kit

Keep your cab comfortable during cold weather and winter months. The heater deluxe diesel kit includes eight vents (two on the floor, two windshield defrost and four on the dash).

Part No. **7368504**

Models: UV34, UV34XL

Includes vents, heater core, controller, ducting and hardware

Estimated install time 3 hours

Sideview Mirror

Increase visibility with side mirrors. Kit includes two external mirrors and mounting hardware. Side mirrors mount to cab frame.

Part No. **7204856**

Models: UV34, UV34XL

Includes two external mirrors and mounting hardware to cab

Estimated install time 0.5 hours

Rearview Mirror

Add a rearview mirror to assist in the safe operation of your vehicle. Kit includes internal rearview mirror and mounting hardware. Mirror mounts to cab frame.

Part No. **7311256**

Models: UV34, UV34XL

Mounts to Roll-Over Protective Structure or wiper cover when used with wiper/washer system

Estimated install time 0.5 hours

Windshield Wiper and Washer

The windshield wiper and washer kit is compatible with the fixed glass windshield (7340672) and tip-out windshield (7360057).

Part No. **7360136**

Models: UV34, UV34XL

Includes washer fluid reservoir, wiper blade and mounting hardware

Requires roof (7340670/7360118) and power bar accessory (7360051)

Estimated install time 0.75 hours

Interior Underseat Storage Container

Keep personal items, tools and essentials inside the cab where they're protected from heat, cold, dirt and moisture. This convenient storage container installs quickly and easily.

Part No. **7398464**

Models: UV34, UV34XL

Includes one storage container for placement under the 40/60 bench seating

One kit required for each row of seating configurations

Estimated install time 0.25 hours

CUSTOMIZE & ACCESSORIZE

ELECTRICAL ACCESSORIES

360-Degree Work Light

Illuminate your surroundings with this powerful 360-degree LED beacon. Perfect for nighttime work. Includes light, harness and dash-mounted control switch.

Part No. **7360320**

Models: **UV34, UV34XL**

Estimated install time 1 hour

Back-up Alarm

Whether required by the jobsite or added as an additional warning to bystanders, a back-up alarm alerts others to your backing vehicle. Includes alarm, mounting bracket and hardware.

Part No. **7360114**

Models: **UV34, UV34XL**

Estimated install time 0.5 hours

Deluxe Dome Light

Illuminate your vehicle interior during night operation or other low-light conditions. Includes multicolor LED lights and removable mounts for your sport roof (7340670/7360118). Requires roof and power bar (7360051) or power redirect harness (7365698).

Part No. **7360122**

Models: **UV34, UV34XL**

Estimated install time 2 hours

Engine Block Heater

Improve cold starts and start up lubrication of your engine by adding a block heater.

Part No. **7397973**

Models: **UV34, UV34XL**

Estimated install time 0.5 hours

FM/AM/Bluetooth Radio and Speaker Kit

Make your time in the cab even more enjoyable with this weatherproof AM/FM radio with Bluetooth® device connectivity. Includes radio, faceplate, wiring harness, mounting brackets, speakers, antenna and hardware.

Part No. **7360130**

Models: **UV34, UV34XL**

Estimated install time 1.5 hours

Heater Battery Blanket (Diesel Only)

Boost battery power up to 75%. 120-volt AC operation, blanket-style heater warms battery core to 60-70 degrees above the ambient temperature for quick starts.

Part No. **7172026**

Models: **UV34, UV34XL**

Estimated install time 1 hour

HomeLink® Programmable Door Opener

Add a convenient garage-door opener to your utility vehicle. Includes transmitter module, harness and dash-mounted control switch.

Part No. **7360134**

Models: **UV34, UV34XL**

Estimated install time 1 hour

Horn

Make your presence known on the jobsite. This kit includes all the parts you need to install your horn with dash-mounted button.

Part No. **7360112**

Models: **UV34, UV34XL**

Estimated install time 0.75 hours

Integrated 4,500 lb. Winch

An excellent 4,500-pound rated pull handles a variety of tasks. Controls are integrated into your vehicle's design. Includes winch, mounting bracket, harness and controller.

Part No. **7385761**

Models: **UV34, UV34XL**

Estimated install time 2.5 hours

LED Light Bar

Boost your illumination down the trail or on the job. This tough LED light bar is just what you need for bright visibility during the evening or while working in dark areas. Includes two spot lights, two flood lights, light bar and multiple mounting brackets. Requires power redirect harness (7365698) and harness adaptor plug (7360277) or roof (7340670/7360118) with power bar (7360051) and harness adaptor plug (7360277).

Part No. **7257391**

Models: **UV34, UV34XL**

Estimated install time 1 hour

LED Work Lights (Front)

Get a powerful beam of efficient, reliable LED light to increase visibility in the evening or while working in low-light conditions. Includes two lights, wiring and mounting hardware.

Part No. **7364082**

Models: UV34, UV34XL

Estimated install time 0.75 hours

LED Work Lights (Rear)

Illuminate your vehicle and surroundings in the rear with these powerful LED lights. Includes two lights, wiring and mounting hardware. Requires power redirect harness (7365698) or roof (7340670/7360118) and power bar (7360051).

Part No. **7364120**

Models: UV34, UV34XL

Estimated install time 0.75 hours

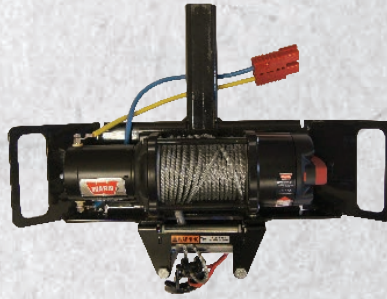

Light Strobe

The light strobe increases visibility in traffic or low-visibility conditions, such as snowstorms. Includes mounting bracket, strobe, magnet and wiring. Requires power redirect harness (7365698) or roof (7340670/7360118) and power bar (7360051).

Part No. **7364087**

Models: UV34, UV34XL

Estimated install time 0.75 hours

Multi-Mount 4,500 lb. Winch

This convenient winch features 4,500-pound rated pull. Includes winch, mounting bracket, harness and controller.

Part No. **7385765**

Models: UV34, UV34XL

Requires front receiver hitch kit (7219862)

Estimated install time 2.5 hours

Power Bar Adaptor Plug

This harness with connector and fuse link allows you to quickly install electrical accessories.

Part No. **7360277**

Models: UV34, UV34XL

Includes short harness, connector and fuse link to install customer specific electrical accessories

Estimated install time 0.5 hours

Power Cargo Box Lift

Quickly unload your cargo box with this powerful powered lift accessory.

Part No. **7172026**

Models: UV34, UV34XL

Includes actuator and switch

Estimated install time 0.5 hours

Power Redirect Harness

Allows for installation of key electrical accessories to utility vehicles with canopies. Includes a single wiring harness and connector for the front power bar.

Part No. **7365698**

Models: UV34, UV34XL

Estimated install time 0.5 hours

Roof Power Bar

Add power access for electrical accessories mounted in the center or rear of your utility vehicle, such as speakers or dome lights.

Part No. **7360051**

Models: UV34, UV34XL

Requires roof (7340670/7360118)

Includes wiring harness, mounting hardware and power strip

Estimated install time 0.5 hours

Roof Speaker Kit

Enjoy high-quality sound that's integrated into the roof of your cab for a clean fit and finish. Includes two rear roof speakers with grills, wiring and hardware. Requires radio kit (7360130) and roof (7340670/7360118).

Part No. **7360132**

Models: UV34, UV34XL

Estimated install time 1 hour

Turn Signal

Add turn signals to the front and rear of your utility vehicle. Includes front turn signal lights, harness and column-mounted control switch.

Part No. **7374830**

Models: UV34, UV34XL

Estimated install time 1 hour

GUARD/PROTECTION ACCESSORIES

Front Brush Guard

Corrosion-resistant powder-coated, heavy-gauge steel guard offers great protection to the front end of the vehicle, helping to guard against debris, brush and branches. Includes front brush guard and hardware.

Part No. **7219854**

Models: UV34, UV34XL

Estimated install time 0.5 hours

Rear Brush Guard

Corrosion-resistant steel guard offers added protection to the rear end of the vehicle, helping to protect against debris, brush and branches. Includes rear brush guard and hardware.

Part No. **7398465**

Models: UV34, UV34XL

Estimated install time 0.5 hours

Front A-Arm Guard

Protect your front CV and half shaft with these durable skid plates. Includes front-right and front-left skid plates, plus hardware.

Part No. **7360069**

Models: UV34, UV34XL

Estimated install time 0.5 hours

Rear A-Arm Guard

Add these skid plate guards to protect your rear CV and half shaft. Includes rear-right and rear-left skid plates, plus hardware.

Part No. **7360071**

Models: UV34, UV34XL

Estimated install time 0.5 hours

Tip-Down Headache Rack

Utilizes integrated accessory mounting system for easy installation. A durable design ensures rattle-free performance and long life. The tip-down feature converts the rear window guard to a rack. Designed to work with multiple accessories.

Part No. **7308874**

Models: UV34, UV34XL

Includes window guard and box anchors

Not compatible with bed rails (7308875)

Estimated install time 0.5 hours

Nerf Bars

Add side protection with these tough, easy-to-install nerf bars. Includes two steel nerf bars with boot scraper and hardware.

Part No. **7360061**

Models: UV34

Estimated install time 1 hour

Nerf XL Bars

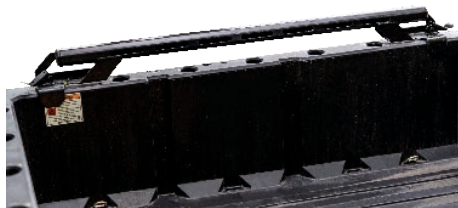

These nerf bars are sized to fit your UV34XL. Includes two steel nerf bars with boot scraper and hardware.

Part No. **7360059**

Models: UV34XL

Estimated install time 1.5 hours

INTEGRATED BOX ACCESSORIES

Bed Rails

Adds protection to the side of the box. Made with heavy-duty steel and covered with a powder-coat finish. Utilizes the integrated accessory mounting system for quick and easy installation. Includes several tie-down points to secure loads.

Part No. **7308875**

Models: UV34, UV34XL

Not compatible with rear window guard (7308874) or gun scabbard (7195887)

Estimated install time 0.5 hours

Cargo Box Anchors

Additional integrated accessory mounting anchors available for your cargo box accessories. Kit includes two anchors.

Part No. **7198443**

Models: UV34, UV34XL

Estimated install time 0.25 hours

Cargo Box Extension/Divider

Expand box length and divide space for added capacity with this versatile box extension. System utilizes the integrated accessory mounting system. Kit includes accessory anchors.

Part No. **7228798**

Models: UV34, UV34XL

Estimated install time 0.5 hours

Chainsaw Mount

Transport your chainsaw by adding a chainsaw mount to the cargo box. System utilizes the integrated accessory mounting system on the cargo box. Kit includes accessory anchor.

Part No. **7228078**

Models: UV34, UV34XL

Not compatible with bed rails (7308875)

Estimated install time 0.25 hours

Gun Boot

Removable, shock-absorbing foam and nylon liner for interior protection. Outer case features ergonomic handle and sling attachment points. Accommodates left- and right-hand bolt action rifles and shotguns. For use with dual gun scabbard.

Black: Part No. 6988959

Camouflage: Part No. 6988960

Models: UV34, UV34XL

Estimated install time 0.25 hours

Dual Gun Scabbard Mount

Transport firearms when you add this accessory to your cargo box. Holds two gun boots (not included). System utilizes the integrated accessory mounting system. Kit includes accessory anchors.

Part No. **7195887**

Models: UV34, UV34XL

Compatible with black (6988959) or camouflage (6988960)

Not compatible with bed rails (7308875)

Estimated install time 1 hour

OTHER ACCESSORIES

Fire Extinguisher Kit

Includes bracket and mounting hardware. Requires 3.25-inch diameter fire extinguisher (not included).

Part No. **7327576**

Models: UV34, UV34XL

Estimated install time 0.5 hours

Speed Limit Kit 25 mph (Diesel)

Includes everything you need to limit the maximum speed to 25 mph on your diesel utility vehicle.

Part No. **7360124**

Models: UV34, UV34XL

Estimated install time 2 hours

Speed Limit Kit 15 mph (Diesel)

Set a maximum speed of 15 mph on your diesel utility vehicle. Includes all the components you need.

Part No. **7360128**

Models: UV34, UV34XL

Estimated install time 2 hours

Standard Side Net Kit

These mesh nets provide a barrier for traveling at high speeds. Includes nets and hardware. (First row only for UV34XL.)

Part No. **7372485**

Models: UV34, UV34XL

Estimated install time 1 hour

XL Side Net Kit

Includes nets and hardware for the rear row of your UV34XL.

Part No. **7372486**

Models: UV34XL

Estimated install time 1 hour

Front Receiver Hitch

Add versatility with this front-mounted hitch. Uses any standard 2-inch draw bar and integrated multi-mount winch.

Part No. **7219862**

Models: UV34, UV34XL

Estimated install time 1 hour

Air Filter Indicator Kit

This durable, accurate gauge measures air filter flow and lets you know when service is needed.

Part No. **7372503**

Models: UV34, UV34XL

Estimated install time 1 hour

A wide variety of options lets you customize your Bobcat utility vehicle for the jobs you do or the personal lifestyle you live.

YOU ARE ONE TOUGH ANIMAL.®

Everything we put into Bobcat equipment is designed to make more of whatever you bring to the job. Whether it's strength, versatility, speed or agility, it's built around you.

Certain specification(s) are based on engineering calculations and are not actual measurements. Specification(s) are provided for comparison purposes only and are subject to change without notice. Specification(s) for your individual Bobcat equipment will vary based on normal variations in design, manufacturing, operating conditions, and other factors.

DOOSAN
