

Spring 2020

# COMMENCEMENT

UNIVERSITY OF WISCONSIN-MADISON

**Dear Graduates,**

**A**t the close of each spring semester, I have the privilege of welcoming our newest graduates to the worldwide family of Badger alumni and telling them how proud I am of their achievements.

This year, that tradition takes on special meaning. I am humbled by the resilience and grace I have seen from the members of this class as you have stayed focused on finishing your degrees despite months of upheaval and uncertainty.

Students come to UW–Madison because they want to be deeply engaged in solving complex problems out in the world, but it is rare for a graduating class to immediately confront a problem that impacts all of humanity.

The Class of 2020 faces the challenge of dealing with this pandemic and helping to build a future that will prevent such tragedies. I am confident that you are well-equipped for this challenge. This class has voted in record numbers, helped to perform more than 30,000 hours of community volunteer work, and made UW–Madison the #1 university in the nation for Peace Corps volunteers. Among you are Rhodes Scholar finalists, national champion athletes, inventors, entrepreneurs, and dedicated students who have demonstrated a commitment to bringing this nation and our world to a better place.

We are at a moment of great uncertainty, but one thing is clear: Our world will change permanently because of this global shared experience, and we all need to work to make sure it changes for the better. Your diploma from this great public university tells the world you're ready and able to be a part of that effort. That's the Wisconsin Idea—a commitment to use your knowledge, skills, and ideas to improve people's lives—and I hope you will carry it with you throughout your lives.

I want to thank each of you for the contributions you've made to the university during your time with us. And I'd also like to thank the families and friends whose love and support have carried you through both the good times and the bad.

The pandemic may have taken away our in-person commencement celebration this spring, but it can't take away your extraordinary accomplishments. And when we're able to gather again, we will find a time to celebrate together.

Congratulations, Class of 2020, and On, Wisconsin!

Chancellor Rebecca Blank

Chancellor Rebecca M. Blank

University of Wisconsin–Madison • Bascom Hall • 500 Lincoln Drive • Madison, Wisconsin 53706

This list of graduate degree candidates was compiled from information available to the Office of the Registrar and to the Graduate School as of April 3, 2020, and should not be regarded as conclusive evidence of graduation or academic standing.

Selection as an honors candidate indicates participation in the Honors Program in the student's school or college.

## Doctor of Audiology

† Honors Candidate

‡ Candidate for Distinctive Scholastic Achievement

*A banner on Bascom Hill is pictured on an autumn day as a pedestrian walks by*

This list of undergraduate degree candidates was compiled from information available to the Office of the Registrar as of April 3, 2020, and should not be regarded as conclusive evidence of graduation or academic standing.

UW–Madison does not use Latin honorifics such as cum laude. Students honored for distinctive scholastic achievement have completed a minimum of 60 credits at UW–Madison and have a cumulative grade-point average placing them within the top 20 percent of graduating students in the school or college.

Selection as an honors candidate indicates participation in the Honors Program in the student’s school or college.
