Synopsis of the Musical – Aladdin and His Wonderful Magical Lamp

Aladdin was the son of a poor tailor in an oriental city. His father, Mustapha, died and his mother had to spin cotton to earn for food. But she knew that Aladdin had a good heart, and he would become a prosperous man.

One day, an old wicked African magician pretended to be his uncle and put a ring on Aladdin's finger. He wanted Aladdin to get a magical Lamp in a cave which was full of treasure.

In the cave, Aladdin found the magical Lamp. Refusing to give the Lamp to the old magician, Aladdin got trapped in the cave. Aladdin rubbed the ring by chance, and a figure appeared before him, saying, "I am at your command, what do you desire?"

Aladdin told the genie of the Ring that he only wanted to be set free. In the blink of an eye, Aladdin found himself at home. With all the treasure he brought along from the cave, he became wealthy. Aladdin and his mother's lives were improved after this incident.

One day, Sultan the King came into town. Aladdin quickly fell in love with his daughter, Princess Jasmine, and proposed to Sultan. When the news reached the ears of the old magician, he decided to take revenge. He took the magical Lamp and used it to send the whole Palace and Princess Jasmine to Africa.

Aladdin rubbed the ring for help. He asked Princess Jasmine to prepare a glass of wine with a powerful sleep-draught to make magician sleep. He then rubbed the ring again and called the genie to transport the Palace and back home. Aladdin and his lovely wife lived long and happy lives afterwards.

Aladdin's wisdom and perseverance helped him overcome all obstacles and successfully saved Princess Jasmine.

English Musical Programme

Founded 7 years ago, English Musical Programme has received positive reviews. Each year we mount our production with new casts and crew, hoping to bring the audience a unique theatrical experience. This year, we have selected Aladdin and His Wonderful Magical Lamp for our joint-school musical.

Aladdin used to be a lazy young man who was always in trouble. After meeting Genie, he started his adventure which transformed himself into a different person as he found his passion and dreams. Even there were obstacles, he did not give up and at last he defeated the wicked magician and saved Princess Jasmine.

Secondary School – Choir

Choir practice is a comprehensive music training. Under Ms. Joyce Lau's training, the Choir is growing with an improving tone color, balance, musicianship and musicality. Students also learnt team spirit in the practice. The Choir took part in the Winter Concert, Christmas celebration, Hong Kong Schools Music Festival and Arts Festival this year. These experiences will help the students to build up confidence and passion in music.

School Orchestra

The School Orchestra is a combination of performers from both the primary and secondary sections. The joint division linkage strengthens the team with team spirit, while the large variety of performing pieces enhance their passion in music. The enthusiasm of the young musicians has always been a motivation for their improvements in skills and collaboration. The Orchestra is well-trained by the conductor, Mr. Angus Tang who is a band Deputy Commander of Civil Aid Service. The Orchestra actively participates in Winter Concert this year and there will be more to come. They will be taking the lead to start off the Variety Show tonight with the school anthem and a medley from the James Bond movie series.

Secondary School – Jazz Dance Team

Jazz Dance Team has been established for 7 years and they have always been striving their best to improve. With extra perseverance and passion, Jazz Dance Team has worked hard to practice and perform. They have finally been awarded both the Honours Award and the Choreography Award in the 55th School Dance Festival. Jazz Dance Team dedicates to put on excellent performances to bring entertainment and happiness to the community. The performance today is about a group of spies who are assigned with a mission to retrieve some confidential information. They have failed in several attempts but they insisted to make this mission possible. Let's see how this group of Jazz Dance Team spies make the impossible possible.
